In June, the OVC announced its football-playing members would once again compete under the OVC name and logo beginning with the 2026 season. The return to the OVC identity follows three successful years of partnership with the Big South Conference under the names Big South-OVC Football Association (2023, 2024) and OVC-Big South Football Association (2025). The move reflects the league's continued evolution and its commitment to providing a unified, streamlined home for its football programs. The decision underscores both the Conference's deep heritage in the sport and its commitment to shaping a modern, future-focused identity. It also strengthens national recognition for the league and its student-athletes while reinforcing long-term stability for all eight football-playing members, including two institutions from the Big South. NOTES FROM AROUND THE GRIDIRON

Return to OVC Football Brand Identity: Building upon a legacy that spans nearly 80 years and includes national championship teams, All-Americans, National Players of the Year and NFL draft picks, the Ohio Valley Conference in June that its football-playing members will once again compete under the OVC name and logo beginning with the 2026 season. The return to the OVC identity follows three successful years of partnership with the Big South Conference under the names Big South-OVC Football Association (2023, 2024) and OVC-Big South Football Association (2025). The move reflects the league's continued evolution and its commitment to providing a unified, streamlined home for its football programs. The decision underscores both the Conference's deep heritage in the sport and its commitment to shaping a modern, future-focused identity. It also strengthens national recognition for the league and its student-athletes while reinforcing long-term stability for all eight football-playing members, including two institutions from the Big South.
