▶ Colorado's win over Utah was its second victory over an AP Top 25 opponent this season. The Buffaloes have recorded multiple regular-season wins over ranked opponents in back-to-back years, and at least one AP Top 25 regular season victory for five-straight seasons.

▶ Washington State's **Charlisse Leger-Walker** is tied for the national lead with two triple-doubles on the year. Leger-Walker is averaging 12.9 points per game, and a career-high 7.4 rebounds and 5.1 assists per game.

▶ USC's Watkins has been named the Pac-12 Freshman of the Week seven times this season, one off the league record of eight which was set by former California standout **Kristine Anigwe** in 2015-16.

▶ **UTAH PICKED PRESEASON PAC-12 FAVORITES**

▶ The Utes, who split the Pac-12 regular-season crown a season ago with Stanford, earned seven first-place votes and 116 total points in the coaches poll, and 12 first-place votes and 298 points by 27 media members who cover the league. UCLA was tabbed to finish second in both polls, earning three first-place votes and 109 points in the coaches selection and 10 first-place votes and 284 points from the media. Stanford finished third in both polls, with 100 points in the coaches and 283 in the media, and Colorado was picked to finish fourth with 90 points in the coaches and 220 in the media. Nos. 5-8 were also the same in both polls, with reigning Pac-12 Tournament Champion Washington State selected fifth and followed by USC, Arizona and Oregon. Washington was tabbed ninth in the coaches poll and 10th in the media selections, while Oregon State was selected 10th in the coaches and ninth in the media. California and Arizona State round out both polls in 11th and 12th, respectively.

TAMMY BLACKBURN INSPIRATION AWARD

Seeding: The seedings and pairings shall be determined upon completion of regular season play. The won-lost percentage record of the teams in regular season Conference play will determine tournament seedings. The team with the best won-lost percentage in Conference play will be seeded #1, the next best won-lost percentage in Conference play will be seeded #2, and so forth through all the seeds.

Tie-Breakers: Tie-breaking procedures for determining all tournament seeding will be:
1. Two-team tie
a. Results of head-to-head competition during the regular season.
b. Each team's record (won-lost percentage) vs. the team occupying the highest position in the final regular standings, and then continuing down through the standings until one team gains an advantage. When arriving at another group of tied teams while comparing records, use each team's record (won-lost percentage) against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.
c. Won-lost percentage against all Division I opponents.
d. Coin toss conducted by the Commissioner or designee.

2. Multiple-team tie
a. Results (won-lost percentage) of collective head-to-head competition during the regular season among the tied teams.
b. If more than two teams are still tied, each of the tied team's record (won-lost percentage) vs. the team occupying the highest position in the final regular season standings, and then continuing down through the standings, eliminating teams with inferior records, until one team gains an advantage.
When arriving at another group of tied teams while comparing records, use each team's record (won-lost percentage) against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.
After one team has an advantage and is seeded, all remaining teams in the multiple-team tie-breaker will repeat the multiple-team tie-breaking procedure.
If at any point the multiple-team tie is reduced to two teams, the two-team tie-breaking procedure will be applied.
c. Won-lost percentage against all Division I opponents.
d. Coin toss conducted by the Commissioner or designee.
