2016 PAC-12 CHAMPIONSHIP GAME: Washington 41, Colorado 10

PAC-12 BOWL ARRANGEMENTS

The Pac-12 is in the fourth year of a six-year agreement with seven bowl partners that should provide the Conference with a competitive postseason bowl experience. The lineup is led by the Rose Bowl Game presented by Northwestern Mutual, which is the destination for the Pac-12 champion. However, in 2017-18, if the Pac-12 champion is ranked among the top four of the CFP poll following the 2017 season, it would play in either the Rose or Sugar Bowl. If the Pac-12 champion is not ranked among the top four, it would be slotted in one of the other selected CFP bowl games (Cotton, Fiesta or Peach).

PAC-12 FOOTBALL CHAMPIONSHIP GAME

The Pac-12 Football Championship Game will take place Friday, December 1 and televised to a national audience on ESPN or ABC. The Championship game, which will be played at Levi's® Stadium in Santa Clara, Calif., will match the winner of the North Division vs. the winner of the South Division. If the Pac-12 champion (or any other Pac-12 team) is in the top four of the College Football Playoff ranking following the 2017 season it could find itself in either the Rose Bowl or Sugar Bowl to participate in the CFP semi-finals. If the Pac-12 champion is not among the top four, it will fill a spot in either the Cotton, Fiesta or Peach Bowl.

TIE-BREAK PROCEDURES TO DETERMINE DIVISION CHAMPIONS

The winner of each Division will be determined by the record in all games played (both divisional and cross-divisional) within the conference. In the event of a tie, the following procedures will be applied to determine the Pac-12 Championship Game representatives

Two-Team Tie.

1. Head-to-head competition between the two tied teams.
   a. If no game is played between the two tied teams or that game ends in a tie, the following tie-breaking procedures would be applied:
2. Record in games played within the division.
3. Record against the next highest placed team in the division (Based on record in all games played within the conference), proceeding through the division.
4. Record in common conference games.
5. Total number of wins in a 12-game season. The following conditions will apply to the calculation of the total number of wins:
   a. Only one win against a team from the NCAA Football Championship Subdivision or lower division will be counted annually.
   b. Any games that are exempted from counting against the annual maximum number of football contests per NCAA rules (current Bylaw 17.9.5.2) shall not be included.
6. Highest ranking by SportSource Analytics following the last weekend of regular-season games.
7. Coin toss.

Multiple-Team Ties.

The following procedures will only be used to eliminate all but two teams, at which point the two-team tie-breaking procedure will be applied.

1. Head-to-head (Best record in games among the tied teams).
2. Record in games played within the division.
3. Record against the next highest placed team in the division (based on record in all games played within the conference), proceeding through the division.
4. Record in common conference games.
5. Highest ranking by SportSource Analytics Following the last weekend of regular-season games.

Determination of Home Team in Pac-12 Championship

The home team in the Pac-12 Championship Game will be determined by the record in all games played within the conference. In the event of a tie, the following procedures will be applied to determine the home team.

Tie-breaking Procedure.

1. Head-to-head, if applicable.
2. Record against the next highest-placed common opponent in the conference (based on record in all games played within the conference), proceeding through the conference.
