## **Presidents' Athletic Conference Honors 192 Athletes on Fall 2005 PAC Academic Honor Roll**

NEW WILMINGTON, Pa. - A total of 192 student-athletes have been named to the Presidents' Athletic Conference (PAC) Academic Honor Roll for the Fall 2004 semester. The PAC Academic Honor Roll honors student-athletes on fall varsity sports teams who have earned a grade-point average of 3.6 or higher on a 4.0 scale during the semester.

Leading the way among the six conference schools was Waynesburg College, which had a league-high 44 student-athletes earning PAC Academic Honor Roll laurels in the fall, followed by Grove City College (38), Washington & Jefferson College (30), Bethany College (27), Thiel College (26), Westminster College (24), and Thomas More College (23).

Founded in 1955, the Presidents' Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence. Comprised of seven select private colleges - Bethany College, Grove City College, Thiel College, Thomas More College, Washington and Jefferson College, Waynesburg College and Westminster College - the PAC remains a unique organization in this day of high pressure intercollegiate athletics. With academics at the center of each member's philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

The PAC expanded to seven members in 2005 with the addition of Thomas More, formerly an NCAA Division III independent. Saint Vincent College, currently an NAIA member, will join the conference as its begins provisional membership status in NCAA Division III in 2006-07. Another current NAIA member, Geneva College, will become the conference's ninth member and begin league play as it begins NCAA Division III provisional membership no earlier than the 2007-08 academic year.

The PAC annually crowns champions in 19 sports. In 2004-05, the conference had 18 teams represent the conference in postseason play, including 12 to NCAA Championship events. The conference is scheduled to receive automatic qualification (AQ) status for all NCAA Division III team championships in the 2007-08 academic year.

Following is the complete PAC Academic Honor Roll for the Fall 2005 semester:
