Founded in 1955, the Presidents' Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence. Consisting of 10 select private institutions in Pennsylvania, West Virginia, and Kentucky, the PAC remains a unique organization in this day of high pressure intercollegiate athletics. With academics at the center of each member's philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself. The PAC annually crowns champions in 19 sports (10 men, nine women).
