**PAC FOOTBALL PREVIEW . . .**

Many will mistake Washington & Jefferson College's regular season finale for a play-off game as the Presidents battle the defending Division III champion Ithaca College Bombers this Saturday in New York State. If the Presidents (8-0, 4-0), ranked number one in the South Region, are to finish the regular season undefeated, they will have to knock-off a Bomber squad (8-1) which owns the number one spot in the West Region. W & J won the last meeting between these two schools in 1989 by a 34-0 count.

The Grove City College Wolverines (4-4, 3-1) look to stop a three-game skid and post their first winning season since 1986 as they host the Oberlin College Yeoman (1-8). The Yeoman ended a 26-game losing streak (the longest in Division III) last week by topping Kenyon College, 14-8. Grove City prevailed 26-24 when the two teams last met in 1983.
