How to watch Stadium on OTA TV?

Sports fans can watch Stadium on cable and over-the-air (OTA) television in select markets. To watch over-the-air, viewers must purchase a standard OTA antenna, widely available from online retailers and local electronics stores. To find a channel in your market, utilize our [zip code search on our homepage](#), [cable channel finder](#), [OTA channel finder](#), or refer to your local listings.

Missed the game? Catch all the highlights and more on-demand!

The archives are available after each game at the [Patriot League Network](#), when you search by desired date, sport and school. Further, Patriot League Network on Stadium produces hundreds of videos each month. In addition to our website, the on-demand content can be found on the Stadium channel via the above connected TV partners.
