Week 13 News & Notes

Southeastern Louisiana Going for Outright Southland Championship: With at least a share of the 2013 Southland Conference championship already locked up, Southeastern Louisiana will try to become the first Southland Conference team to finish with a perfect conference record since Sam Houston State was 7-0 in 2011 in its first of two consecutive conference titles. The Lions, who have already locked up the league's automatic berth in the FCS Playoffs, play host to Nicholls Thursday at 6 p.m. in the River Bell Classic. A win guarantees an outright title for Southeastern, which won its first conference championship since 1961 when it claimed the Gulf States Conference title. Southeastern is 9-2 overall and 6-0 in Southland. Should the Lions falter Thursday against Nicholls, the door opens for McNeese State to earn a share of the title. The Cowboys have won a conference-best 13 Southland championships but do not have one since 2009. McNeese would also need a win at Lamar Saturday at 6 p.m. to earn a share of the title. If this happens, the teams would be crowned co-champions.

Week 13 Games: Southeastern and Nicholls meet Thursday at 6 p.m. in the River Bell Classic. Nicholls holds a 12-10 leads in the series, but the Lions are riding a two-game win streak after last year's 35-16 victory. Stephen F. Austin visits Northwestern State Saturday at 1 p.m. in the Battle for Chief Caddo, college football's largest trophy, standing 7-foot-6-inches and weighing 320 pounds. Northwestern State leads the Chief Caddo series 28-18-1 though SFA has won the last four meetings, including 34-7 last year. The Demons holds a 43-23-3 all-time advantage in the series. Sam Houston State visits Central Arkansas trying to even that series. UCA holds a 4-3 edge in the series after last year's 24-20 victory. McNeese State visits Lamar Saturday at 6 p.m. The Cowboys are trying to win for the fourth straight time in the series, which it leads 22-8-1 all-time.

10-Win Teams in Regular Season: Both Southeastern Louisiana and McNeese State have a chance to finish the regular season with 10 wins. The Southland Conference has never had two teams reach 10 wins before the start of postseason play. The league had multiple double-digit winners in 1988 and 1995, but in both seasons, one or both teams needed the postseason to get there. In 1988, both Northwestern State and Stephen F. Austin finished with 10-3 overall records, but each team won its 10th game in the FCS Playoffs. In 1995, the Cowboys were 11-0 in the regular season, while the Lumberjacks were 9-1. Each team went 2-1 in advancing to the semifinals of the FCS Playoffs. McNeese finished with a 13-1 overall record and SFA was 11-2.

Three Southland Teams in Top 10: The Southland Conference has three teams ranked in the top 10 of this week's FCS polls. McNeese State, Sam Houston State and Southeastern Louisiana carry top-10 rankings, marking a first for the conference since the final poll of the 1988 season when Northwestern State (No. 8), Stephen F. Austin (No. 9) and North Texas (No. 10) all appeared in the top 10. This week, McNeese State is ranked No. 6 in the Sports Network poll and No. 8 in the FCS Coaches' Poll. Sam Houston State is ranked No. 9 in both polls, while Southeastern is ranked No. 8 in the Sports Network poll and No. 10 in the coaches' poll. Central Arkansas continues to receive votes in both polls this week.

Sam Houston Owns Division I-Best 21-Game Home Win Streak: With wins in each of its last 21 home games, Sam Houston State not only leads the FCS but it also has the longest home win streak in all of Division I. The Bearkats finished 7-0 at home during the regular season. The Bearkats streak dates back to a 33-28 loss to McNeese State on Nov. 13, 2010.

Southland Has Nine on NFL Rosters: Current Southland Conference teams have nine players on NFL rosters this season, including six who appear on active rosters. The group that includes five rookies is led by 11-year veteran Josh McCown, a former quarterback at Sam Houston State who is now with the Bears. Former Nicholls defensive Lardarius Webb has five years of experience in Baltimore and earned a Super Bowl ring last season when the Ravens beat San Francisco 34-31 in Super Bowl XLVI in Indianapolis. Former Northwestern State Demon Jeremy Lane has two years NFL experience with the Seahawks and former Colonel cornerback Bobby Felder is on the injured reserve with the Vikings. The others are rookies, including Robert Alford, who was the conference's lone draft pick in 2013. Alford, who was picked in the second round (60th overall) by the Falcons, became the Southland's highest draft pick since Stephen F. Austin's Mikhael Ricks was selected 59th overall by the Chargers in 1998. Alford is joined by former Lumberjacks defensive back Josh Aubrey (Browns) and linebacker Willie Jefferson (Texans) on active rosters. Former McNeese State safety Malcolm Bronson is on the Chiefs' practice squad while former Sam Houston State safety Dax Swanson is on the injured reserve with the Colts.

Southland Posts Multiple Wins vs. FBS in 2013: The Southland Conference closed out its slate of games against the FBS last week and finished with a 2-10 record against the subdivision. This year was the first year since 2007 that the Southland registered multiple wins against the FBS. McNeese State won 53-21 at South Florida in its opener before Nicholls escaped Kalamazoo, Mich. with a 27-23 victory over Western Michigan in week two. Those same teams had FBS wins in 2007 with Nicholls beating Rice and McNeese State beating Louisiana-Lafayette. McNeese's win over USF was the first by a Southland Conference team against a team in an automatically qualifying BCS conference. The 53 points McNeese scored at USF were the most by an FCS team over a BCS team in college football history and the 32-point margin of victory was the most by a FCS against a team with a BCS AQ. McNeese has beaten an FBS team to open the season the last two years. Last year, they beat Middle Tennessee 27-21. Nicholls' win at Western Michigan was the third in program history and the first under fourth-year head coach Charlie Stubbs. The Southland, which has at least one FBS win in each of the last four seasons, now has 20 wins against FBS teams since 2000 and has beaten teams in the American Athletic (1), Mid-American (1), Mountain West (1), Sun Belt (10) conference as well as Conference USA (2) and five former FBS independents.

Southland Conference Celebrating 50 Years: The Southland Conference is playing its 50th season in 2013 and will be celebrating its golden anniversary throughout the season with the release of the league's all-decade teams. The Southland began playing football with five schools in 1964. Lamar was 3-0-1 that season to finish ahead of Arkansas State, Trinity, Abilene Christian and Texas-Arlington. Of those teams, only Lamar is currently playing football in the Southland. It only resumed playing football in 2010 after dropping its program in 1989. Abilene Christian returned to the conference in July and will play a full Southland schedule next season, which will be its first since 1972. The Wildcats played nine seasons in the conference previously. McNeese State, which joined the league in 1972, leads all teams with 13 championships and 14 appearances in the NCAA FCS Playoffs.

Fans to Help Select 50th Anniversary All-Time Team: The Southland Conference, as part of its year-long 50th Anniversary commemoration, will announce an All-Time Football team on Saturday during the telecast of the Sam Houston State at Central Arkansas football game on the Southland Conference Television Network. Fans were able to participate in the voting through an interactive process presented by MidSouth Bank on the Southland's Facebook page throughout the season. A blue-ribbon panel of approximately 80 individuals with coaching, administrative and media expertise will also participate in the balloting, and the fan voting will be included a portion of the final tally. The overall balloting includes more than 200 outstanding former and current student-athletes and 15 legendary coaches that have patrolled Southland sidelines.

Southland Announces 1960s All-Decade Team: A total of 36 student-athletes are on the 1960s All-Decade Team, including honorees from each of the five institutions that made up the league during its first six years. The all-decade team includes 10 student-athletes from Lamar, eight each from Abilene Christian and Arkansas State, seven from Texas-Arlington and four from Trinity. Abilene Christian quarterback Jim Lindsey was selected as the player of the decade. Lindsey was a three-time first-team all-conference selection (1968, 1969 and 1970), and was named a first-team All-American by both the Associated Press and the American Football Coaches Association as a senior. Lindsey was the conference player of the year in 1970 and led the conference in passing and total offense all three seasons. record book in receiving (1,584 yards) and No. 14 in career all-purpose yards (2,672 yards) ... the Bearkats close the season against Central Arkansas, the team it shared last year's conference championship with ... the Bears won 24-20 last year in Conway to take a 4-3 series lead ... that loss snapped a three-game series win streak ... Sam Houston returns to Conway on Saturday for a 3 p.m. kickoff that will be televised by the Southland Conference Television Network.

Southeastern Louisiana: The Lions ran their win streak to eight games by beating two-time defending Southland champion Sam Houston State last Saturday in Hammond ... the win improved Southeastern to 9-2 overall and 6-0 in conference play ... the Lions clinched at least a share of the Southland Conference title and its first-ever berth in the FCS playoffs ... Southeastern's conference championship is the program's first since 1961, when the Lions were the champions of the Gulf States Conference under legendary coach Stan Galloway ... Southeastern, which tied a school record for single-season victories, will be part of the 24-team FCS playoff field, which will be announced on Sunday, at 10:30 a.m. on ESPNU ... Southeastern battled back from an 11-point second quarter deficit to claim its sixth straight double-digit victory over a league opponent ... junior quarterback Bryan Bennett, a Walter Payton Award candidate, threw for 268 yards and three touchdowns, finding senior Marquis Fruge' on a pair of scoring tosses and also throwing a 62-yard touchdown to sophomore Xavier Roberson ... junior Marquis Hayes rushed for a touchdown for the second straight week, while senior Seth Sebastian made two field goals to improve to 11-for-11 on the year on field goal tries ... Bennett, who also led the Lions with 51 rushing yards, engineered a Southeastern offense that racked up 413 total yards — marking the fourth straight plus-400 yard performance for the Lions ... the Lion defense held the Bearkats without a point for the final 31 minutes of the contest ... junior Isiah Corbett led the Lions with five tackles for loss, two sacks and what proved to be a game-clinching interception ... he was named the conference player of the week and was recognized as the Sports Network national defensive player of the week ... junior Jacob Newman, senior Cquelin Hubert, senior Jeremy Williams, junior Marquel Combs and sophomore A.J. Bowen all had sacks for the Lions, while senior Kevin Harmon led the Lions with eight tackles and an interception ... Southeastern closes the regular season on Thursday when Nicholls visits for a 6 p.m. kickoff in the River Bell Classic ... with a win, the Lions will win an outright Southland Conference title and win a school record 10th game of the season ... Nicholls leads the all-time series 12-10, but have dropped the last two to the Lions, which won 35-16 last year.

Stephen F. Austin: The Lumberjacks lost their fourth consecutive game, falling 46-45 at Lamar to drop to 3-8 overall and 1-5 in Southland games ... Lamar's Alex Ball kicked a game-winning 41-yard field goal with 15 seconds remaining, to spoil what would have been the Stephen F. Austin Lumberjack football team's first road victory of the season ... with the loss, SFA remained winless in five road games ... the last time SFA did not win a road game was in 2007 when the Lumberjacks finished 0-11 in J.C. Harper's first season ... the loss to Lamar was the first since 1987 and ended a five-game series win streak against the Cardinals ... the Lumberjacks had won all three meetings against Lamar since the program returned in 2010 as well as a pair of victories in 1988 and 1989 ... quarterback Brady Attaway completed 24-of-42 passes for 342 yards, with three touchdowns and three interceptions, the last of which coming in a desperation-drive in the closing seconds of the game ... two of Attaway's three touchdowns were on plays 50 yards or more, including a 71-yard pass-and-catch to junior Tyler Boyd in the fourth quarter ... Boyd finished with a career-high 229 yards on nine catches ... he scored on a 55-yard play in the first quarter ... Boyd's previous high was 206, set in the loss to Sam Houston State Nov. 2 ... junior Gus Johnson carried the ball 20 times for 165 yards, which is his second highest total this season since rushing for 179 in SFA's loss to Prairie View A&M (Sept. 28) ... it was his conference-best seventh 100-yard game this season ... he is second in the league in rushing, averaging 105.7 yards per game ... he is one of four 1,000-yard rushers in the league this season ... the Lumberjacks are the only team in the league to have a 1,000-yard rusher and a 1,000-yard receiver ... Boyd has 1,085 yards and eight scores on 72 receptions ... with 3,953 passing yards, Attaway is just 47 yards away from reaching 4,000 passing yards and trails FCS leader Jimmy Garoppolo of Eastern Illinois, who has 4,012 by just 59 yards ... SFA will close the season with the Battle for Chief Caddo at Northwestern State on Saturday at 1 p.m. ... the Lumberjacks, despite trailing the all-time series 24-42-3, are riding a four-game win streak against the Demons ... SFA won 34-7 last year.

(a) If three (3) or more teams are tied and if one (1) should have an advantage in head-to-head competition over the other teams, that team shall be the automatic bid recipient;

(b) If three (3) or more teams are tied and if two (2) or more should have an advantage in head-to-head competition over the other team, those teams with the advantage shall be evaluated using the two-way or multiple tie-breaking procedures and the other team eliminated; and/or

(c) If three (3) or more teams remain tied, the won-lost record against the teams finishing in order below the tied position shall be utilized in sequence until the tie is broken. When comparing tied teams' records against other teams below the tie in question, all other teams not involved in the tie are eligible to be compared with.

Unbreakable Ties. If a tie remains after the above procedures are attempted, the NCAA Championship-eligible member that has been absent from the Division I Championship for the longest period of time shall be designated as the Conference's representative in the Division I Championship.

Tie-Breaker Drawing. If a tie remains after the procedure outlined above is attempted, a drawing shall be conducted by the commissioner.

All-Decade Teams

As part of its year-long 50th Anniversary commemoration in 2013, the Southland Conference will be recognizing all-decade teams throughout the season. To best assess the candidate pool for the all-decade team, the Southland Conference developed a metric that analyzed numerous elements of a student-athlete's performance and value within the league at the time. Most notably, the conference honored "real-time" factors such as all-conference selection by

coaches and a player's statistical performance among his peers at the time. Further, other components of selection including a player's effort toward helping his team win a championship or finish near the top of the conference, whether he earned individual honors from the league, if he participated in postseason bowls, and if he was drafted by or participated in the NFL.

NCAA Extends Frisco as Host of NCAA Division I Football Championship Game through 2015 Season

Even before Sam Houston State and North Dakota State met in a rematch in the NCAA Division I Championship Game last January in Frisco, the NCAA had awarded the city with a three-year extension to keep the FCS title game at Toyota Stadium (formerly FC Dallas Stadium) through the 2015 season.

Frisco has served as host for the championship game since the 2010 season and has seen sellouts in the last two championship games between the Bearkats and Bison. Last year's game, won 39-13 by North Dakota State, was a virtual sellout in October with only tickets allotted for the competing teams remaining until after the national semifinals. Each team sold those ticket allotments and a public offering for standing-room-only tickets closed in a matter of minutes. The sellout was the first for the FCS title game since 2007.

"The entire local community, including the Southland Conference, has really embraced and supported this event," Charlie Cobb, chair of the Division I Football Committee, said when the extension was announced last December. "When you combine that enthusiasm with the quality of the stadium, it makes Frisco an outstanding environment for the participating student-athletes, coaches and fans."

A crowd of 21,411 got inside Toyota Stadium to watch North Dakota State repeat. That was more than the 20,586 fans who watched the Bison beat Sam Houston State 17-6 in 2011 for their first Division I national championship.

The Bison and Bearkats were tied 10-10 at the half, but Bison quarterback Brock Jensen, who was voted the game's most outstanding player, scored twice in the second half while completing 9 of 16 passes for 115 passing yards to go with 44 rushing yards and three scores in last year's game. The Bison racked up 441 total yards and intercepted four passes, which was the difference in the game. North Dakota State gave up 391 yards to Sam Houston.

North Dakota State became the fourth FCS team to win title in consecutive seasons. Georgia State has won back-to-back titles twice. Youngstown State repeated and Appalachian State won titles in 2005, 2006 and 2007.

While the game has no doubt been the highlight for the team, it is a week's worth of events that has separated the event in Frisco from past championships — not to mention the great Texas hospitality.

The teams arrive in Texas three days before the game starts. They're greeted by signs and banners around town as well as great crowds at their respective team headquarters. The next day, teams either visit local elementary schools where they are welcomed by students eager to show off their school spirit for their newly adopted college teams or they visit a local Children's Hospital. Later that night, the two participating teams gather for the Great Texas Barbecue Bowl which showcases the legendary Texas culture and hospitality. On Friday, teams attend the Champions Luncheon and make last-minute tweaks in game preparation.

The day of the game, fans begin gathering at restaurants and parking lots surrounding Toyota Stadium and take part in Tailgate Town that features quality entertainment and even more Texas sounds, flavors and hospitality.

Frisco is thrilled with the contract extension, which will keep it as the focus for all FCS teams and fans each season.

"We are ecstatic the NCAA has extended its contract with Frisco to host the Division I Football Championship another three years," Maher Maso, the Frisco mayor said when the extension was announced. "This game has a projected economic impact of more than \$5.9 million on our regional economy. Not only that, the exposure Frisco receives from the game being televised to a national audience is invaluable. Frisco enjoys being the best host we can be to the players and their families, students and football fans in general. It's a great event honoring true champions."

Team Frisco consists of the City of Frisco, its Economic Development Corporation and Convention & Visitors Bureau, Hunt Sports Group/FC Dallas Stadium, the Frisco Chamber of Commerce and Frisco-based Southland Conference.

The Football Championship Subdivision is comprised of the conferences and institutions that compete in the NCAA Division I Football Championship — Big Sky, Big South, Colonial Athletic Association, Ivy League, Mid-Eastern Athletic, Missouri Valley Football, Northeast, Ohio Valley, Patriot League, Pioneer, Southern, Southland and the Southwestern Athletic. The Ivy League and Southwestern Athletic Conference choose not to participate in the football championship. The FCS embodies a tradition of excellence through high level competition, student-athlete character and sportsmanship throughout the regular season and the championship experience.
