THE FAST BREAK

FIRST TASTE OF CONFERENCE ACTION

Thursday, December 5, marks the opening night of SLC play. Five matchups carry the evening as teams get their initial conference action going before the full slate begins in January.

NOTHING BUT NET

The Southland landed two teams in the top 100 of the first NET rankings of the season released on Monday, December 2 with McNeese starting at 74 and UTRGV at 98. Two more squads appeared in the top 200 with Texas A&M-Corpus Christi at 140 and Southeastern at 194.

LION UP

Like their nearby neighbor New Orleans did just over a week before them, Southeastern went into Tulane and picked up a road win against the foe out of The American. The Lions snagged that win after a decisive victory over North Dakota to finish third in the Mayan Division of the Cancun Challenge.

Cardinals Head to Cameron

After UIW opens its conference slate with games against Northwestern State and East Texas A&M, the Cardinals head to Durham, North Carolina, to face nationally ranked Duke at the historic Cameron Indoor Stadium.

THE SOUTHLAND HAS THE DRIVE TO WIN: BASKETBALL DOCUSERIES SET FOR DECEMBER RELEASE

The Southland Conference is changing the game in launching the college basketball season with a four-part documentary series which will highlight all of its men's and women's basketball programs for the 2024-25 season. The documentary series was created in lieu of operating official conference basketball media days. Titled *Southland Hoops: The Drive to Win*, the series is set to air on ESPN+ in December. The first episode will premiere Wednesday, December 4 at 7 p.m. CT.

"We're very excited to debut this documentary series which will highlight some of the great stories around our men and women student-athletes," said Southland Commissioner Chris Grant. "Having *Southland Hoops: The Drive to Win* on ESPN+ will give our talented student-athletes a national stage for fans to discover and cheer for. At the Southland, we're always looking for new and exciting ways to spread the news about our conference members and teams, and this first-of-its kind documentary is another fun and unique opportunity."

The four-part series will focus on the four regions of the Southland's Gas Tank League, taking an in-depth look at all 24 men's and women's programs with exclusive interviews with head coaches and student-athletes and behind-the-scenes looks into team practices, the community at heart, and life outside of basketball. The regions will compromise of:

Southwest Texas (UTRGV, Texas A&M-Corpus Christi, UIW)
 Southeast Texas/Southwest Louisiana (HCU, Lamar, McNeese)
 East Texas/Northwest Louisiana (Texas A&M-Commerce, SFA, Northwestern State)
 Southeast Louisiana (Southeastern, Nicholls, New Orleans)
 The air dates of each episode will be announced later in November.

Southland Hoops: The Drive to Win is being produced by Wilking Films with Tungsten Monkey Productions. Spencer Wilking will serve as director and executive producer for the series. Wilking is a multiple Emmy and Peabody Award winning producer, director and showrunner with over 15 years of television and filmmaking experience.

"Southland basketball is quickly becoming one of the most talented mid-major conferences in the country," said Wilking. "Far from the bright lights and big budgets of their power five brethren, Southland players dive for every loose ball and grind for every rebound because they know each play is an opportunity for recognition and respect. We're honored and excited to share these incredible stories of perseverance and adversity with a national audience."

Production staff include Jeff Cvitkovic as editor and producer, and William Sabourin O'Reilly as director of photography.

THE SOUTHLAND IS ALL IN

All Elite Wrestling and The Southland Conference have announced that AEW will provide a custom branded AEW/SLC Championship belt to the winners of various upcoming Southland Conference Tournaments across multiple sports throughout the year.
