Dear Student-Athletes and Parents:

Welcome back to Stevens Varsity Athletics! As we are preparing for the 2020-21 school year, we ask you to please pay close attention to all the information below. All information must be completed and received by **August 1** (for fall sports) & **August 15** (for winter/spring sports). Failure to comply will delay medical clearance to practice or compete in varsity intercollegiate athletics at Stevens Institute of Technology.

As a **3rd year** on a team you are required to complete the following:

1. A physical by your doctor that must be filled out on the form we provided. This must be stamped and signed by your physician. NCAA mandates that this must be within 6 months of the start of your participation in your sport. *(Therefore, if you are a fall athlete you MUST have a physical dated after March 1st. Winter athletes should have a physical dated after April 1st. Spring athletes should have a physical dated after April 15th.)*

2. ATS profile with your most recent information including: general information, insurance, emergency contact, medical history and concussion symptom form. *(ATS instructions are attached.)*
   a. If anything with your health has changed within the last academic year; injuries, illness, surgeries, etc we will require further documentation from your treating physician, and you may need to be cleared by our team physician. *Please contact us with any questions in regards to this.*

All forms need to be uploaded to your ATS profile as we do not accept paper format.

Should you have any questions or concerns regarding any of these procedures, please email your assigned Athletic Trainer listed below and we will assist you.

Sincerely,

The Sports Medicine Staff
