THE SUN BELT CONFERENCE

ABOUT THE SUN BELT

With each passing season, the Sun Belt Conference continues to challenge itself, and its competitors, in all aspects of intercollegiate athletics. Not content with being simply the youngest football conference in the NCAA Football Bowl Subdivision, the conference has shown that it can rise each and every season that comes along. Since the birth of the league as a FBS member league in 2001, the evidence is clear that the conference is indeed rising above competitors and peer conferences.

At no time has league athletic success been more obvious than during the course of the last several football seasons. In recent years, Sun Belt members have participated in as many as six bowl games, a 50

percent increase in the league's former high-water mark and only a decade removed from a "one-bowl league" moniker in its formative years.

The Sun Belt has earned due respect in the FBS over the last several years by consistently beating teams from peer conferences, winning bowl games and upsetting Power Five teams. In fact, the 2018 football season was direct evidence of the Sun Belt's success as the conference broke its record for non-conference wins in a single season. The 24 total wins eclipsed the previous mark of 22 set in 2016. Additionally, the Sun Belt's 21 regular season non-conference wins broke the record of 19 that was set in 2013. The Sun Belt also had the best non-conference winning percentage of any Group of Five Conference this past season.

THE SUN BELT CONFERENCE

ABOUT THE SUN BELT

The Sun Belt gained much notoriety and notice during the last several football seasons, but that has by no means been the league's only hallmark. Men's basketball – the league's symbol of success in its formative years – had another successful season in 2018-19 as a number of significant achievements took place. There was a three-spot improvement in the Sun Belt's conference RPI ranking and four Sun Belt teams qualified for the postseason, tying the conference record.

Women's basketball saw a nine-spot improvement in conference RPI ranking this past season and had a record number of teams in the postseason with seven participants. Appalachian State capped off a stellar season with a 76-59 WBI championship victory over North Texas.

Those league successes stories have been more public in recent years, in part because the Sun Belt itself has been progressive and in the forefront of the digital media world. The league continues to adapt to the ever-changing world of collegiate athletics and continues the process of evolving to better serve its membership, keeping the pledge it made at its founding to be a league of opportunity. Athletic and academic programs who have shown progressive thinking and the desire to improve have always found a home in the Sun Belt.

The Sun Belt's partnership with ESPN was revamped in 2018 and is the most significant and extensive multimedia rights agreement in conference history. Highlights of the contract include that: a minimum of 500 events a year will appear on an ESPN platform

beginning in 2020-21 and that, every Sun Belt football, men's basketball and women's basketball game will be viewable on an ESPN platform. It was also announced that, linear network football games at Sun Belt home venues will expand to a minimum of 10 games a year on a combination of ABC, ESPN, ESPN2 and ESPNU, that all Sun Belt Championship events will be viewable on an ESPN platform each academic year that will give exposure to all 18 conference sports and that digital productions will expand to include regular-season competition in Sun Belt sports that have received only limited coverage previously.

Opportunity for Sun Belt growth and success extends beyond television deals. The Sun Belt annually awards nearly $70 million in student-athlete financial aid, an increase of 130% from five years ago, to more than 3,100 student-athletes, while also providing life experiences such as team building, domestic and foreign travel, community service, mentoring and recognition through honors and awards. Sun Belt institutions are also leaders in providing career services and the tools to assist in the pursuit of personal goals. Each member employs full-time academic advisors and on average nearly two dozen tutors for academic support.

Sun Belt leaders also understand many of the challenges that are being faced on their campuses. This past spring the Sun Belt hosted a Diversity and

Inclusion Summit with the goal of educating the membership on current data and finding opportunities to create policies that will help increase diversity. The year prior, the Sun Belt hosted a mental health summit aimed at putting mental health awareness out front and reaching to erase the stigma associated with mental health and the need to seek help.

The Sun Belt has nationally-respected programs in nearly every NCAA sport offering and remains a fixture on the national scene while remaining heavily involved in the conduct and competition of college athletics. But it also provides opportunities for success on many unique and different levels. In athletic parlance, the Sun Belt has "upside," and its newest mantra of "Rise Above" is just as applicable now as when it was founded as a home to some of the nation's premier basketball programs.

In its very first season as a conference in 1976-77, one of those Sun Belt programs reached the pinnacle of NCAA men's basketball competition when UNC Charlotte earned a berth in the NCAA Men's Final Four. That type of success set the bar very high, but the league's four-decade history is sprinkled with landmark success in all seasons.

This past fall, the Sun Belt had its most volleyball teams in the postseason in conference history with Texas State in the NCAA Division I Women's Volleyball Championship and Appalachian State, Little Rock and Arkansas State in the National Invitational Volleyball Championship. The Bobcats earned their first-ever NCAA Tournament victory with a 3-1 triumph over Rice

Dr. Katrice Albert, NCAA Executive Vice President of Inclusion and Human Resources, delivered the keynote address at the Sun Belt Conference's Diversity and Inclusion Summit in May, 2019.

in the first round before suffering a second-round loss to fifth-seeded Texas.

In the spring, baseball and softball continue to put the league in the national spotlight with deep runs in postseason play and high visibility in national polls. Coastal Carolina reigned supreme at the pinnacle of college baseball, winning the College World Series for the 2016 season. Louisiana's baseball team ranked No. 1 nationally recently and reached the NCAA Super Regional round in 2014 and 2015. The Cajun softball team has advanced to Super Regional play five times in the last seven seasons including a trip to the Women's College World Series.

Georgia Southern men's golf team represented the Sun Belt in the NCAA Championship this past season. The Eagles took fourth place at the NCAA Stanford Golf Regional to qualify. On the individual side, Steven Fisk finished second in the finals for the Eagles.

In men's tennis, South Alabama defeated nationally ranked Tulane, 4-1, in the first round of the NCAA Division I Men's Tennis Championship.

Just as important as on-field success, the Sun Belt's commitment to academic excellence remains a league symbol. The league's record book for grade point averages and academic honors is a constantly-changing document, seemingly with each year's success outdoing the previous year. This past spring, 21 league programs were recognized for outstanding performance in the classroom, with those teams earning NCAA Public Recognition Awards for APR

scores in the top 10 percent nationally.

Philanthropically, the Sun Belt Conference and the American Cancer Society maintain a close relationship. Some of the awareness campaigns the two have partnered on includes Suits and Sneakers, a nationwide basketball event that unites coaches and Cover Your Bases, a sun safety initiative.

The Sun Belt Conference and the AutoNation Cure Bowl also partnered in benefiting the Breast Cancer Research Foundation (BCRF). Sun Belt schools displayed a specially designed pink Sun Belt Kicks Cancer kicking net on their home sideline during games throughout the month of October.

The Sun Belt Conference and the College Football Playoff Foundation annually partner to recognize teachers through the CFP Foundation's Extra Yard for Teachers platform. Each Sun Belt football-playing institution received a $10,000 grant from the CFP Foundation to use in their respective local communities to recognize teachers for their hard work and dedication and to provide classroom supplies and professional development resources.

The conference is currently comprised of 12 institutions – Appalachian State, Little Rock, Arkansas State, Coastal Carolina, Georgia Southern, Georgia State, Louisiana, ULM, South Alabama, UTA, Texas State and Troy – and competes in the FBS as a 10-team league as Little Rock and UTA do not sponsor football as a varsity sport. The Sun Belt Conference is comprised of over 3,100 student-athletes across its 12 member institutions. In recent years, as much as $70 million in financial aid has been provided annually.

members in sports other than football.

The mix of members also gives the league vitality and diversity across the South. The mix of regions and cultures provides a rare opportunity for student-athletes and staffers to experience many environments and the chance to experience that diversity without leaving their own campuses.

Many individuals from Sun Belt institutions have brought distinction to their alma maters, and not just in athletics. For every All-Pro linebacker DeMarcus Ware (Troy) and NFL Man of the Year Charles Tillman (Louisiana), world ranked golfer and US Open winner Dustin Johnson (Coastal Carolina) and for every World Series MVP David Freese (South Alabama) hailing from Sun Belt schools, there are also U.S. presidents (Lyndon Johnson, Texas State), business icons (Chick-fil-A president Daniel Cathy, Georgia Southern), and nationally known entertainers (Ludacris, Georgia State, Tim McGraw, ULM and George Strait, Texas State).

These proud alumni, as well as those who represent the dozen league institutions, are proof that the Sun Belt Conference is a league of excitement, a league of opportunity and one that continues to provide the promise of success with each new day.

150 YEARS OF COLLEGE FOOTBALL

150 years ago, Rutgers University and its neighbor, Princeton, played the first game of intercollegiate football on Nov. 6, 1869, on a plot of ground where the present-day Rutgers gymnasium now stands in New Brunswick, N.J. Rutgers won that first game, 6-4.

To commemorate the 150th anniversary, College Football's 150th Anniversary (CFB150) was formed to plan and administer a national celebration of collegiate football in 2019.

The commemoration will showcase the rich history and traditions of the sport, its positive impact on lives and communities and the opportunity it continues to provide to thousands of student-athletes across all levels of the sport.

The Sun Belt Conference will join the CFB150 campaign with a yearlong celebration of the history and traditions of the conference.

Though the Sun Belt began playing football in 2001, its members have accomplished great feats, both long ago and more recently.

Troy students tore down the goalposts after the Trojans defeated #17 Missouri 24-14 on Sept. 10, 2004. The nationally televised home game helped put the Sun Belt on the map and Troy would go on to play in its first bowl game that season.

Then Sun Belt Conference Commissioner Wright Waters tosses the coin at the first ever Sun Belt football game on Sept. 22, 2001. ULM hosted former member Middle Tennessee.

THE SUN BELT CONFERENCE

Perhaps one of the greatest upsets in the history of college football, Appalachian State defeated #5 Michigan 34-32 at the "Big House" in Ann Arbor on Sept. 1, 2007. Days later, Sports Illustrated ran the title "Alltime Upset" on its cover.

Jake Delhomme, who would later lead the Carolina Panthers to Super Bowl XXXVIII, quarterbacked when Southwestern Louisiana (now Louisiana) defeated #25 Texas A&M at Cajun Field on Sept. 14, 1996.

Erskine "Erk" Russell won three NCAA Division I-AA championships during his time at Georgia Southern. He is credited with creating many of the Eagle traditions, including "Beautiful Eagle Creek."

Texas State went undefeated (14-0) and won its second straight Division II National Championship in 1982.

Arkansas State ruined Texas A&M's 2008 season opener with an 18-14 win over the Aggies at Kyle Field on Aug 30.

THE SUN BELT CONFERENCE

150 YEARS OF COLLEGE FOOTBALL

ULM pulled off a 34-31 overtime upset against #8 Arkansas on Sept. 9, 2012. Kolton Browning accounted for 481 yards of total offense and four touchdowns, including the game-winning scramble in overtime.

Georgia State was featured on the cover of ESPN the Magazine before the program played in its first game.

After leaving his spot as the CEO of TD Ameritrade, Joe Moglia came to Coastal Carolina and turned it into an FCS powerhouse the next four years, winning three conference titles, the 2015 Eddie Robinson Award and leading Coastal to four consecutive trips to the NCAA playoffs and a 41-13 record.

Stan Humphries was the quarterback of the ULM team that won the 1987 NCAA Division I-AA Championship. During his professional career, he led the Chargers to the playoffs three times and one Super Bowl appearance.

ULM brought national attention to the Sun Belt in 2007 with a 21-14 win over Alabama in Nick Saban's first season with the Crimson Tide.

THE SUN BELT CONFERENCE

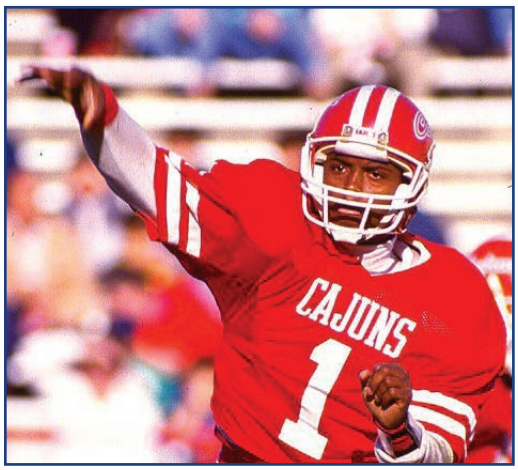

Jordan Chunn ran for 191 yards and a touchdown and Troy forced four turnovers to defeat #25 LSU on Sept. 30, 2017, by a score of 24-21. Troy became the first team from outside the SEC to win at Death Valley since 2000.

Calvin Harrell ran for 135 yards in the 1970 Pecan Bowl as Arkansas State defeated Central Missouri State, 38-21. The win put ASU at 11-0 and gave them the number one ranking and the NCAA College Division National Championship.

Down 17-0 at halftime and still trailing 20-7 in the fourth quarter, South Alabama rallied with 99-yard and 71-yard touchdown drives to defeat Mississippi State 21-20 on Sept. 3, 2016.

Though he played quarterback at USL, Brian Mitchell was the most prolific NFL Return specialist ever. His 14,014 yards from kickoff returns and his 4,999 punt return yards are both NFL records.

Georgia Southern ran for 429 yards against Florida on Nov. 23, 2013 in their 26-20 win. It was the most rushing yards against Florida since Nebraska rolled up 524 in the 1996 Fiesta Bowl. Jerick McKinnon had 125 yards rushing, including the crucial 14-yard touchdown with 2:57 remaining that ended up being the game winner.

THE SUN BELT CONFERENCE

SUN BELT FOOTBALL CHAMPIONSHIP GAME

The Sun Belt Conference will conduct its annual Football Championship Game on December 7, 2019 and the game will air on ABC, ESPN, or ESPN2. The game will feature the winners of the Sun Belt's two divisions and will take place at the home site of the divisional champion with the best overall conference winning percentage. The winner of the Sun Belt Conference Championship Game will be invited to play in the R+L Carriers New Orleans Bowl. The R+L Carriers New Orleans Bowl and Sun Belt have been united since their inaugural year in 2001. Appalachian State powered to a 45-13 win against Middle Tennessee last season.

The 2019 season will be the second year the Sun Belt will conduct divisional play, with two five-team divisions. The two divisions are:

EAST DIVISION:	WEST DIVISION:
Appalachian State	Arkansas State
Coastal Carolina	Louisiana
Georgia Southern	ULM
Georgia State	South Alabama
Troy	Texas State

The Most Valuable Player of the Sun Belt Conference Football Championship game is presented with one of the most unique awards in all of sports, a custom made wrestling/boxing championship belt. Appalachian State's Darrynton Evans hoisted the belt last year after his MVP performance.

Appalachian State won the inaugural Sun Belt Conference Football Championship Game with a 30-19 win over Louisiana on their home field last December. The winners of the Sun Belt's two divisions play for the championship and the home site is awarded to the team with the best winning percentage in conference games.

Sun Belt Football Championship Game Tiebreaking Procedure for Determination of Participating Teams

The Sun Belt Conference Football Champion shall be decided by a game played between the East and West Division Champions. A Division Champion shall be the team with the highest winning percentage in all Conference games both divisional and non-divisional. A tie football game shall count as half-a-game won and half-a-game lost in the standings. The following tiebreaker formula shall be used to break all ties within the division.

Two Teams

1. Head-to-head result between tied teams;
2. If still tied, winning percentage of the tied teams within the division;
3. If still tied, head-to-head competition against the team within the division with the next best overall Conference winning percentage (3, 4, and 5) breaking ties using the Conference tiebreaking procedures proceeding through the division until one team prevails;
4. If still tied, combined highest winning percentage against all common non-divisional conference opponents;
5. If still tied, if one team was ranked in the latest available CFP Selection Committee rankings and wins in the final weekend of the Conference regular season, it will be declared the Division Champion. If in that same scenario, the team that was the highest ranked team in the latest available CFP Selection Committee rankings loses in the final weekend of the Conference regular season, a composite average of selected computer rankings (Anderson & Hester, Billingsley, Colley and Wolfe) will be used to determine the Division Champion;
6. If there are multiple teams ranked in the latest available CFP Selection Committee rankings, the highest-ranked team that wins in the final weekend of the Conference regular season will be declared the Division Champion;
7. If none of the ranked teams win on the final weekend of the Conference regular season, a composite average of selected computer rankings (Anderson & Hester, Billingsley, Colley and Wolfe) that include all games on the final weekend of the Conference regular season, will be used to determine the Division Champion;
8. If no teams are ranked in the latest available CFP Selection Committee rankings going into the final weekend of the Conference regular season, a composite average of selected computer rankings (Anderson & Hester, Billingsley, Colley and Wolfe) that include all games on the final weekend of the Conference regular season, will be used to determine the Division Champion;
9. If still tied, the team with the highest overall (Conference and non-Conference) winning percentage against FBS teams shall be the Division Champion;
10. If still tied, coin toss will be conducted by the Commissioner.

Multiple Teams

If three or more teams are tied atop a division at the end of the season, the following criteria are used, until one team remains and declared the representative of the Football Championship Game.

1. The team with the highest winning percentage in games played among the tied teams shall be declared the Division Champion;
2. If still tied, highest winning percentage of tied teams within the division;
3. If still tied, head-to-head competition against the team within the division with the next best overall Conference winning percentage (4 and 5) breaking ties using the Conference tiebreaking procedures proceeding through the division until one team prevails;
4. If still tied, combined highest winning percentage against all common non-divisional Conference opponents;
5. If still tied, if one team was ranked in the latest available CFP Selection Committee rankings and wins in the final weekend of the Conference regular season, it will be declared the Division Champion. If in that same scenario, the team that was the highest ranked team in the latest available CFP Selection Committee rankings loses in the final weekend of the Conference regular season, a composite average of selected computer rankings (Anderson & Hester, Billingsley, Colley and Wolfe) will be used to determine the Division Champion;
6. If there are multiple teams ranked in the latest available CFP Selection Committee rankings, the highest-ranked team that wins in the final weekend of the Conference regular season will be declared the Division Champion;
7. If none of the ranked teams win on the final weekend of the Conference regular season, a composite average of selected computer rankings (Anderson & Hester, Billingsley, Colley and Wolfe) that include all games on the final weekend of the Conference regular season, will be used to determine the Division Champion;
8. If no teams are ranked in the latest available CFP Selection Committee rankings going into the final weekend of the Conference regular season, a composite average of selected; computer rankings (Anderson & Hester, Billingsley, Colley and Wolfe) that include all games on the final weekend of the Conference regular season, will be used to determine the Division Champion;
9. If still tied, the team with the highest overall (Conference and non-Conference winning percentage against FBS teams shall be the Division Champion;
10. If still tied, the Division Champion will be determined by lot, conducted by the Commissioner.

Tiebreaking Procedure for Determination of Host Site

The Championship Game shall be played at the home venue of the Division Champion with highest winning percentage in Conference games only.

The following tie-breaker procedure is used to determine the host location for the Sun Belt Conference Football Championship Game if necessary.

1. Head-to-head result between tied teams;
2. If still tied, if one team was ranked in the latest available CFP Selection Committee rankings and wins in the final weekend of the conference regular season, it will be declared the host. If in that same scenario, the team that was the highest-ranked team in the latest available CFP Selection Committee rankings loses in the final weekend of the conference regular season, a composite average of selected computer rankings will be used to determine the host;
3. If there are multiple teams ranked in the latest available CFP Selection Committee rankings, the highest-ranked team that wins in the final weekend of the conference regular season will be declared the host;
4. If none of the ranked teams win on the final weekend of the conference regular season, a composite average of selected computer rankings that include all games on the final weekend of the conference regular season, will be used to determine the host;
5. If no teams are ranked in the latest available CFP Selection Committee rankings going into the final weekend of the conference regular season, a composite average of selected computer rankings that include all games on the final weekend of the conference regular season, will be used to determine the host;
6. If still tied, the team with the highest winning percentage against all common conference opponents shall be the host;
7. If still tied, the team with the highest overall (conference and non-conference) winning percentage against FBS teams shall be the host;
8. If still tied, coin toss will be conducted by the Commissioner.

THE SUN BELT CONFERENCE

COMMISSIONER KEITH GILL

Keith Gill was named the Sun Belt Conference's sixth commissioner on March 19, 2019.

With his appointment, Gill became the first African-American to be named commissioner of a NCAA Football Bowl Subdivision conference.

Already early in his tenure leading the Sun Belt, Gill has established priorities for the conference based on emphasizing the academic successes and personal development of student-athletes, implementing strategies aimed to boost the league's competitive success across all sports and expanding the league's national profile through branding and inclusion initiatives.

A veteran of intercollegiate athletics for nearly 25 years, Gill came to the Sun Belt from the Atlantic 10 Conference where he served as Executive Associate Commissioner.

At the A-10, Gill served as the primary liaison to the A-10 Men's Basketball Advancement Committee, worked with the A-10 Men's Basketball Championship, supported the A-10's digital and television broadcast strategy and supported the A-10 Council of Presidents and Directors of Athletics.

SUN BELT CONFERENCE OFFICIATING

STEVE SHAW, COORDINATOR OF OFFICIALS

Steve Shaw enters his sixth season as Coordinator of Football Officials for the Sun Belt Conference and begins his eighth season in the same role at the Southeastern Conference. Previously Shaw spent 15 years as a referee in the SEC.

Under Shaw, the Sun Belt Conference has expanded technology in the officiating program including video evaluations and training, upgrading replay technology, on field communications for officials and the implementation of collaborative replay.

Since becoming a member of the SEC Officiating staff, he was selected for fourteen postseason assignments, including two National Championship games, eight BCS Bowls and four SEC Championship Games. They include the 2000 Sugar Bowl, 2005 and 2010 Orange Bowl, the 2003, 2009 and 2011 Rose Bowl, the 2006 and 2008 Fiesta Bowl, 2001 Gator Bowl, 2003 Sun Bowl and the 1997, 1998, 2001 & 2006 SEC Championship Games.

Steve was the President of the SEC Football Officials Association (2009 – 2011), and served his last three seasons as "Referee – In Chief." He previously worked NCAA games as a member of the Gulf South Conference for six seasons, and was elected as "Referee – In Chief" from 1994 through 1996.

Steve worked high school football for 14 seasons (1981 - 1994) with the Birmingham Football Officials Association – and worked the 1991 Class "6A" Alabama State Championship Game.

Steve has received various officiating awards including the "Gaston/Dudley Sprit of Officiating Award" and the "Rush Lester Silver Dollar Award". Steve served four years on the Board of Directors for the National Association of Sports Officials (NASO), serving as Chairman 2011 - 2012.

Shaw currently serves as Secretary Rules Editor for NCAA Football Playing Rules and is Chair of the CCA National Mechanics Committee.

Steve is married to the former Jamelle Kabase. He is currently serving on the Board of Directors for the Fellowship of Christian Athletes for Central Alabama, and has completed a six year term of the Board of Directors for the St. Vincent's Hospital Foundation. Additionally, Steve currently serves as a Chairman for the Region's Tradition, a Champions PGA Tour event that has donated over $10 Million to local Alabama charities. Steve has been presented the "Class of 2000 – Leadership Award" from the Alabama Chapter of the National Multiple Sclerosis Society for his leadership in fundraising efforts. He also led the 2001 BellSouth United Way campaign, raising over $2M for the United Way of Central Alabama.

The Sun Belt Conference uses a collaborative replay system. On-site officials have the benefit of this tool to validate their officiating with the help of officials in Birmingham.

APPALACHIAN STATE FOOTBALL

After earning its first Top 25 ranking in program history, winning the inaugural Sun Belt Championship Game and posting its third straight Sun Belt title, App State appeared in a bowl for the fourth time in four bowl-eligible seasons at the FBS level last season. With their win in the R+L Carriers New Orleans Bowl, the Mountaineers are the nation's only FBS program with a bowl win in each of their first four eligible seasons.

Since the 2015 season began, App State is seventh nationally and first among Group of Five teams with 41 wins. The only FBS programs with more wins in that span are Alabama (54), Clemson (54), Ohio State (48), Oklahoma (46), Georgia (42) and Wisconsin (42). The only teams with at least three straight league titles are App State, Clemson (ACC) and Oklahoma (Big 12).

App State is 92-17 in its last 109 home games since 2003. The Mountaineers went 6-0 at home last season to post their first unbeaten home record since a 9-0 mark in 2006.

App State has posted double-digit wins three times in five FBS seasons and is 41-11 over the last four seasons in all games. Since joining the Sun Belt in 2014, App State is 34-6 against Sun Belt opponents.

Eliah Drinkwitz was tabbed to become the Mountaineers' 21st head football coach on Dec. 13, 2018. Drinkwitz had been the offensive coordinator and quarterbacks coach for record-setting NC State teams the previous three seasons.

Entering its 90th season of football, App State has amassed a 616-337-28 record, 21 conference titles, three national championships at the FCS level and is 4-0 in FBS bowl games.

The Mountaineers return 17 of their primary 22 starters on offense and defense from an 11-2 team in 2018.

ARKANSAS STATE FOOTBALL

Arkansas State has been bowl eligible 11 of the last 14 seasons and made a school-record eight consecutive postseason appearances after playing in the NOVA Home Loans Arizona Bowl last season.

Arkansas State is the only team that has played in all five of the Sun Belt Conference's guaranteed bowl games. The Red Wolves have appeared in the Dollar General Bowl (formerly GoDaddy) four times (2011-14), the New Orleans Bowl (2015), Cure Bowl (2016), Camellia Bowl (2017) and the NOVA Home Loans Arizona Bowl (2018).

Arkansas State has run a school-record streak of eight consecutive wining seasons (2011-18). The next longest streak was six straight seasons from 1912-17. The Red Wolves piled up 66 victories from 2011-18 for its most over an eight-year span in the program's 103-year history.

Arkansas State has won 51 of its last 63 Sun Belt Conference games (.810 winning percentage) to run its all-time record in the league to 78-48. A-State has defeated every team in the conference since the football league was formed in 2001. Along with ULM and Louisiana, A-State is one of three teams that have been a part of the conference since its inaugural football season.

While A-State last won the Sun Belt in 2016, it is still the only Group of 5 program and one of just four FBS programs in the nation to win five conference championships over the last eight years (2011-18). The only other teams to do so are Alabama, Clemson and Oklahoma. The Red Wolves most recently won back-to-back Sun Belt titles in 2015 and 2016, compiling a 15-1 league record over that span. A-State also won the league title 2011-13, making it one of just two programs in league history with at least five all-time titles.

COASTAL CAROLINA FOOTBALL

Coastal Carolina played its inaugural season in 2003 on campus at Brooks Stadium. CCU's first-ever football game was on Sept. 6, 2003, as the Chanticleers beat Newberry College 21-14.

The team's first coach was David Bennett, who held the position from the team's inception until December 9, 2011. The university named Joe Moglia, former CEO of TD Ameritrade, as its new head coach on December 20, 2011.

The Chanticleers joined the Sun Belt Conference in July 2016 and played their first season in the league in 2017. Prior to joining the Sun Belt Conference, Coastal Carolina was a member of the Big South Conference.

Brooks Stadium underwent a major transformation in the spring of 2015 as Benton Field went from natural grass to artificial teal turf ... or "The Surf Turf." The first pieces of Powerblade SD turf were laid on April 2 and the project was completed later that month.

In their final FCS season in 2016 Coastal finished 18th in the final poll and was ranked nationally in each of the weekly polls in 2016 and ended its FCS run by being among the nation's top 25 in 59 consecutive ranking periods, including 37 weeks in the top 10 and 10 weeks as the nation's #1 team.

Jamey Chadwell, a two-time FCS National Coach of the Year finalist and three-time Big South Coach of the Year, becomes just the third head coach in Coastal Carolina football history. He finished fourth in the FCS National Coach of the Year voting in 2015 and eighth in 2013 and on the field led CSU to two conference titles, as well as the NCAA Division I FCS Championship Playoffs twice. A 2018 Broyles Award nominee, an award given to college football's top assistant coaches, Chadwell has been the associate head coach, offensive coordinator and quarterbacks coach for the Chanticleers for the last two seasons. He served as the interim head coach for the 2017 season due to head coach Joe Moglia taking a medical sabbatical.

GEORGIA SOUTHERN FOOTBALL

While the Georgia Southern football program dates back to 1924, the university was without a program from 1941 to 1981. Since legendary coach Erk Russell led the resurrection of the program, the Eagles have been one of the most successful teams in the nation. The Eagles won six FCS national championships, produced two Walter Payton Award winners and won 10 conference titles before joining the Sun Belt in 2014.

In the Eagles' first FBS season, the team finished the season 9–3 overall and were undefeated in Sun Belt play at 8–0, winning the outright conference championship. The Eagles became only the third team ever to win a conference title in its first FBS season. They were also the first team ever to go unbeaten in conference play in their first FBS season.

Last season Georgia Southern recorded its 15th 10-win season in program history, but its first at the FBS level. That win total included a dramatic Raycom Media Camellia Bowl win over Eastern Michigan, won on a last-second field goal by Tyler Bass. The Eagles are 2-0 in bowl games having also won the 2015 GoDaddy Bowl.

Last season also saw Georgia Southern become the fourth team in FBS history to make a one-year turnaround from double-digit losses to double digit-wins the next season. The Eagles had a 7 1/2 margin in games improved, tied for the seventh-best in FBS history.

In his first full season as head coach, Chad Lunsford was the architect of the turnaround, leading the Eagles from two wins in 2017 to a 10-3 mark in 2018. The Eagles finished the season receiving votes in both the AP and USA Today Coaches Polls, both firsts for the program.

GEORGIA STATE FOOTBALL

The 2019 season marks Georgia State's 10th season of football. The program was founded on April 17, 2008, after the completion of a feasibility study that begin in 2006. Bill Curry was introduced as Georgia State's first head football coach shortly after. Curry had previously held the head coaching position at Georgia Tech, Alabama and Kentucky.

The Panthers inaugural game was played on Sept. 2, 2010, and Georgia State defeated Shorter University, 41-7, before 30,237 fans at the Georgia Dome.

After only two seasons of football, Georgia State announced in April 2012 a move to FBS and accepted an invitation to join the Sun Belt Conference on July 1, 2013. On Aug. 30, 2013, GSU played its first game as an FBS program vs. Samford.

The Panthers played in their first bowl game in the 2015 AutoNation Cure Bowl vs. San Jose State in Orlando, Fla. They would go on to play in the 2017 edition of the Cure Bowl and defeated Western Kentucky 27-17 for their first bowl game victory.

The 2017 season marked the inaugural year of "Pete" Petit Field at Georgia State Stadium, the former Turner Field and venue for the Atlanta Braves that was converted into the home of Panther football. Georgia State Stadium was originally constructed as the 85,000-seat Centennial Olympic Stadium and used for the 1996 Centennial Olympic Games. Georgia State Stadium made its debut on Aug. 31, 2017, when the Panthers played Tennessee State.

LOUISIANA FOOTBALL

With a program dating back to 1901, Louisiana has played more seasons of football than any other team in the Sun Belt. Along the way, the Cajuns have played over 1,000 games, winning over 500 of those contests, claimed eight conference titles and have appeared in six bowl games. Louisiana is the only program in the Sun Belt that has been a Division I-A/FBS member since that category was created in 1978. A total of 91 schools nationally have maintained consistent I-A/FBS membership.

The Cajuns are founding members of Sun Belt football, joining Arkansas State and ULM as part of the original seven team conference that began in 2001.

Cajun Field has served as the home of Ragin' Cajuns football since September 1971. The Ragin' Cajuns opened their 26th season in the facility in 1996 with the biggest upset in school history, a 29-22 victory over No. 25 Texas A&M in front of a then-record crowd of 38,783 fans. Jake Delhomme, who led the Carolina Panthers to Super Bowl XXXVIII in Houston in 2004, quarterbacked that night.

In addition to Delhomme, Ragin' Cajuns that have gone on to have success in the NFL includes Elijah McGuire, Brian Mitchell, Charles Tillman, Orlando Thomas, Brandon Stokley and Ike Taylor.

Ten former players have participated in the NFL's Super Bowl and five Cajuns have rings, including Stokley and Taylor with two each.

Last season, the Ragin' Cajuns played in the inaugural Sun Belt Championship game after posting a 5-2 Sun Belt record under first-year head coach Billy Napier.

ULM FOOTBALL

A founding Sun Belt football member in 2001, the Warhawks trace their first season of organized football back to 1931 and have played nearly 900 games since that time.

Led by first team All-America Stan Humphries, the 1987 squad completed the regular season with an overall record of 9–2 as they captured their first outright conference championship. They would go on to play Marshall for the I-AA National Championship where Humphries lead the squad to a pair of late touchdowns to capture the championship with a 43–42 victory.

ULM brought national attention to the Sun Belt in 2007 with a 21-14 win over Alabama in Nick Saban's first season with the Crimson Tide. The Warhawks again put the spotlight on the Sun Belt when they began the 2012 season by defeating eighth-ranked Arkansas 34–31 in overtime. The win against the Razorbacks remains the highest ranked win for a team competing in the Sun Belt. That December, ULM made its first bowl appearance in the AdvoCare V100 Independence Bowl versus the Ohio Bobcats.

JPS Field at Malone Stadium is named in recognition of James L. Malone. Malone coached the 1951 team that competed in their first season as a four-year institution, having previously played as a junior college since its inception in 1931.

The program has sent several players into the professional ranks, including Humphries, Roosevelt Potts, Bubby Brister, Chris Harris, Doug Pederson and Marty Booker.

Pederson quarterbacked from 1987 through 1990 and went on to play 14 seasons in the NFL. He won a Super Bowl Ring in his playing days with the Green Bay Packers. As a coach, Pederson headed the Philadelphia Eagles team that won Super Bowl LII 41-33 over the New England Patriots.

SOUTH ALABAMA FOOTBALL

The longest tenured full-time member of the Sun Belt, South Alabama has competed in the Sun Belt since its inaugural year in 1976. The Jaguars, however, did not field a football team until 2009. It took just three years for USA to make the jump to the Sun Belt and on Sept. 22, 2012, the Jags hosted Troy in their first Sun Belt contest.

The start of the USA football program was officially announced on December 6, 2007. USA made its program debut on Sept. 5, 2009, in a 30-13 victory over Hargrave (Va.) Military Academy. In its first-ever season, USA posted a 7-0 mark, played all of their games at Ladd-Peebles stadium and outscored the opposition 321-41.

The 2014 campaign saw the Jaguars record their first-ever sellout as a program-record 38,129 witnessed USA play host to Mississippi State in its home opener on Sept. 13. In October, the Jags defeated rival Troy in a game televised on ESPNU, while a 24-20 home victory over Texas State on Nov. 15 clinched what would turn out to be the team's first-ever postseason bowl appearance.

Despite the program's brief history, USA has made two postseason bowl appearances. The Jags played in the first edition of the Raycom Media Camellia Bowl in 2014 as well as the 2016 NOVA Home Loans Arizona Bowl.

Ladd–Peebles Stadium has been home to the South Alabama Jaguars football program since it was established in 2009, but a new 25,000 seat on-campus stadium, to be known as Hancock Whitney Stadium, is scheduled to open in 2020.

TEXAS STATE FOOTBALL

In 1904, Southwest Texas Normal won the school's first football game in a 6-0 battle over St. Edward's of Austin, Texas, and the team went on to post a 5-1 record in its first collegiate season. Since then, the Bobcats have played over 1,000 contests, claimed two D-II National Championships and won a total of fourteen conference titles, nine of them being outright conference titles.

Bobcat Stadium, which serves as the team's home field, originally opened in 1981 and was expanded to its current 30,000-seat capacity in 2012. The stadium's playing surface is named Jim Wacker Field in honor of Texas State's former football coach (1979-82) and athletic director (1998-2001). Wacker's 42-8 record at Texas State is the best four-year mark in school history. During his time in San Marcos, Wacker led the Bobcats to back-to-back NCAA Division II national championships in 1981 and 1982.

The Bobcats went 13-1 in 1981 to win their first NCAA Division II National Championship. The next season, the Bobcats were undefeated (14-0) and won their second straight Division II championship.

Texas State also won a Southland Conference co-championship in 2005 and advanced to the semifinals of the 2005 NCAA Division I FCS Playoffs. The Bobcats won an outright SLC title in 2008. Texas State completed its transition to the FBS in 2012 and began play in the Sun Belt Conference in 2013.

On November 28, 2018, Jake Spavital was hired as Texas State's head coach. Spavital previously served as the offensive coordinator/quarterbacks coach at West Virginia.

TROY FOOTBALL

A 0-0 tie against Union Springs on Nov. 5, 1909, marked the beginning of the Troy football program. Things have changed since then. Troy has picked up a NAIA National Championship in 1968, two NCAA Division II National Championships (1984, 1987) and six Sun Belt titles since joining the conference in 2004 (tied for the most in the league).

Coming into 2019, Troy has posted three straight 10-win seasons, a first in the school's 98 seasons of playing football. Troy's 31 wins over the last three seasons mark the third-best three-year stretch in program history; Troy's 31 combined wins from 1993-95 are the most over a three-year period. Troy's 31 wins over the last three seasons also ranks as the 11th most in the country and the third most by a Group of Five team (Boise State & UCF).

When Troy made an appearance in the AP Top 25 on Nov. 13, 2016, it marked the first time in Troy's history that it appeared in either major poll. Troy also became the first Sun Belt team to ever appear in the national rankings.

The Trojans have twice had players taken in the first round of the draft, with Leodis McKelvin (Buffalo, 11th overall) going in 2008 and DeMarcus Ware (Dallas, 11th overall) going in 2005.

Since 2003, seven former Trojans have made nine appearances in a Super Bowl. All told, 11 former Trojans have made 12 total appearances in the Super Bowl.

Troy has five victories over Power Five Conference teams since moving to the FBS ranks in 2001 - Mississippi State (2001), Missouri (2004), Oklahoma State (2007), LSU (2017) and Nebraska (2018).

Chip Lindsey was named Troy's 22nd head football coach on Jan. 10, 2019. Lindsey comes to Troy with over two decades of coaching experience. He was named the offensive coordinator at Kansas this past December following two seasons at Auburn and one season at Arizona State as both schools' offensive coordinator.
