896 Student-Athletes Named to Fall SSC Commissioner's Honor Roll Presented by Barnes & Noble College 255 Carry a 4.00 GPA

MELBOURNE, Fla. – The Sunshine State Conference recognizes 896 student-athletes named on the 2024 Fall Commissioner's Honor Roll presented by Barnes & Noble College. The awards were announced on Thursday, February 6th, by SSC Acting Commissioner Maryanne Simkulak. Of the student-athletes recognized, 255 carried a perfect 4.00 grade-point average for the fall semester.

This year's student-athlete total breaks the previous record number of 840 student-athletes named to the 2023 Fall Commissioner's Honor Roll. It is the twelfth consecutive record-breaking fall for the SSC Honor Roll.

Student-athletes must post a minimum grade-point average of 3.20 on a scale of 4.00 to be eligible for the Fall SSC Commissioner's Honor Roll. Participants in men's and women's cross country, men's and women's soccer, and volleyball were eligible for the fall honor roll.

Having won 129 Division II National Championships since the league was founded in 1975, SSC student-athletes have proven successful in competition in addition to the classroom. SSC student-athletes recently achieved an NCAA Division II record 90-percent Academic Success Rate (ASR) following the 2023-24 academic year. The SSC ranks first among NCAA Division II conferences in ASR and has never fallen below second in the metric's 18-year history.

* = Those student-athletes with a 4.00 GPA
