Opening Statement

"Just a really good team win. I thought we had a lot of energy and did a great job, especially defensively in the first half."

On motivating the team to play Temple after losing in last meeting

"We did a much better job this time around of guarding the three-point line and also limiting offensive rebounds, which were going to be keys within this basketball game."

On a potential matchup with UConn

"Can you give me ten more minutes to enjoy this one before we start preparing? Obviously UConn is an incredible basketball team and it's an incredible challenge for tomorrow."

**Junior Forward I'Tiana Taylor
East Carolina**

On physical play in game

"It has been. There is tons of competition in this conference, and everybody is very gritty and aggressive, and that's what we like and that's how we like to play. So we're pretty used to it."
