COLLEGE FOOTBALL PLAYOFF

The Bracket

The format of the College Football Playoff is built on a 12-team bracket. Four automatic bids will be given to the champions of the ACC, Big Ten, Big 12 and SEC, with one automatic bid coming from the highest ranked team from the remaining conferences. The remaining seven at-large bids will be given to the best remaining teams from any conference.

- Notre Dame receives an automatic bid if it is ranked in the CFP Top 12 on Selection Day. If so, six (6) at-large bids would be awarded.
- Seeds 1-4 receive first-round byes
- Seeds 5-12 play first-round games at the higher seed's home stadium
- Any automatic qualifiers ranked outside the top 12 will be placed in order at the bottom of the seeding.
- The No. 1 seed will select its quarterfinal bowl site and the semifinal site into which it will advance should it win its quarterfinal game.
- The No. 2 seed, followed by the No. 3 seed, will then select from the remaining quarterfinal bowl sites. Those two teams will be assigned to the remaining semifinal.
- The No. 4 seed will be assigned to the remaining quarterfinal bowl site.
- With the four highest-ranked schools' bowls selected, their four CFP Quarterfinal opponents will be dictated by the bracket (i.e., No. 1 vs. No. 8/9 winner, No. 4 vs. No. 5/12 winner, No. 2 vs. 7/10 winner; No. 3 vs. 6/11 winner.)
- The CFP bracket will follow the selection committee's rankings, with no modifications made to avoid rematches between teams that may have played during the regular season or are from the same conference.
- The bracket will remain in effect throughout the CFP (i.e., no re-seeding).
- All 11 games will be under the CFP umbrella with the administrative policies determined by the CFP.

Selection Committee

A dedicated group of high-integrity football experts, with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the CFP Selection Committee. Each fall, the committee meets in person to rank the top 25 teams, assign the schools to the 12-team playoff bracket and assign the CFP Quarterfinal and CFP Semifinal bowl sites. Members of the committee are Troy Dannen, Mark Dantonio, Doug Gillin, Mark Harlan, Ivan Maisel, Gus Malzahn, Chris Massaro, Randall McDaniel, Mike Riley, Jeff Tedford, Wesley Walls, Carla Williams, and Hunter Yurachek.

BUILT TO RISE

We have modernized our brand, marking a bold new era for the league. More than a brand facelift, this evolution uniquely aligns our identity, from its written voice and visual design to its strategy, with a clear purpose and forward-looking vision.

The result is a unified, confident brand built to fuel growth, increase national presence, and elevate our conference's competitive positioning on the collegiate stage.

A Bold Name
At the heart of our evolution is a simplified name:

American Conference

This streamlined name, already used colloquially by our fans and the media, reinforces a sharper, more modern identity. It eliminates confusion with other similarly named organizations and ensures consistent recognition among partners and the public.

We have officially transitioned from 'American Athletic Conference' (and the acronym 'AAC') to 'American Conference' on first reference and 'American' in subsequent references.

TheAmerican.org
The official website of the American features up-to-date information on all facets of the league and serves as the central point of distribution for live video and statistics of conference games.

CollegePressBox is the official media website for American football and the media home for information on every Division I team and conference. Access and download weekly game notes, quotes, statistics, media guides, photos and more for the conference and each of its 14 member schools throughout the season.

The American has partnered with StatBroadcast to provide media members with live, real-time statistics of all conference-controlled football games.
