THE AMERICAN CONFERENCE

The American Conference, which has established itself as a pre-eminent NCAA Division I Football Bowl Subdivision conference, is poised to continue its remarkable ascension to national prominence under the leadership of Commissioner Tim Perneti, who began his tenure in May of 2024.

The American consists of 15 prestigious institutions: the University of Alabama at Birmingham, the United States Military Academy (in football only), the University of North Carolina Charlotte, East Carolina University, Florida Atlantic University, the University of Memphis, the United States Naval Academy (in football only), the University of North Texas, Rice University, the University of South Florida, Temple University, the University of Texas at San Antonio, Tulane University, the University of Tulsa, and Wichita State University (in basketball and Olympic sports).

The American has fashioned an impressive list of accomplishments in the competitive arena, in the classroom and in support of student-athlete welfare. The American stands as one of the elite Division I conference thanks to its collection of national team and individual championships, its football and basketball postseason victories, its expansive media rights contract with ESPN, and its commitment to providing the highest levels of support for student-athletes.

Built on a foundation of innovation, grit and service, the American has taken a number of steps to position the conference favorably ahead of transformational change in intercollegiate athletics. The American became the first conference to establish league-wide minimum investment and revenue sharing protocols to provide financial benefits to student-athletes. In 2025, the conference launched American RISE Ventures, a first-of-its-kind business division to lead all aspects of revenue generation, sponsorship strategy, brand partnerships and commercial innovation.

With the addition of Army to the conference ranks in 2024, the American has an institutional presence in five of the top 10, eight of the top 25 and 13 of the top 51 Nielsen media markets.

The league has produced four NCAA championship teams in addition to a College Football Playoff semifinalist, four New Year's Six bowl champions, two NCAA Men's Final Four participants, six Women's Final Four teams, an NIT champion, 16 NCAA individual championships, and a Rhodes Scholar. Additionally, American teams have advanced to the College World Series, qualified for the match play round of the NCAA Men's Golf Championship and registered multiple top-10 finishes at the NCAA Cross Country and Outdoor Track and Field championships.

The American has seen a member school claim a spot in a New Year's Six bowl eight times in the league's first 12 football seasons, including the 2022 campaign, when Tulane capped the biggest one-year turnaround in major college football history with a thrilling win against USC in the Goodyear Cotton Bowl Classic.

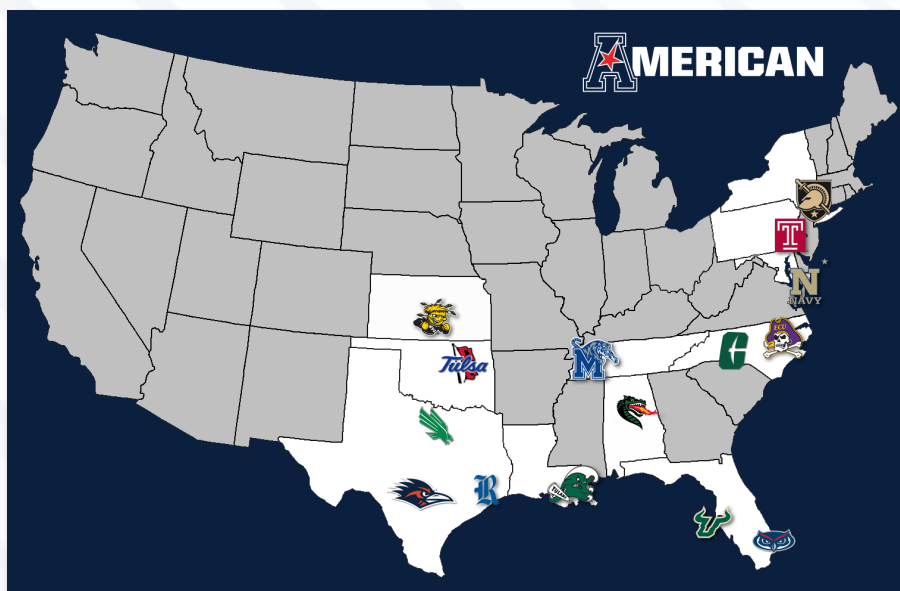

Individual teams in the American have enjoyed some of their best football seasons in program history as members of the conference. Tulane went 12-2 and earned a top-10 final ranking in 2022. Navy won a program-record 11 games in 2015, its first season in the conference, matched that mark with its 2019 campaign and finished with 10 wins in 2025. Memphis, which had not won 10 games in a season since 1938, has registered four 10-win seasons in the last 10 years (2015, 2017, 2019, 2024), including a school-record 12 wins in 2019. Army set a program record with 12 wins in its first season in 2024, its first season in the American. Temple enjoyed its first 10-win season in school history in 2015. South Florida finished in the top 25 for the first two times in program history (2016, 2017). Tulsa returned to the top 25 for the first time in 11 years in 2020. East Carolina earned a top-20 ranking in 2014.

Since the conference's reconstitution in 2013-14, teams from the American have registered top-10 national rankings in football, men's basketball, women's basketball, baseball, men's soccer, women's soccer, women's lacrosse, men's golf, women's rowing, men's tennis, women's tennis, men's cross country, men's track and field, and women's track and field.

Michael Pratt led Tulane past USC in the 2022 Goodyear Cotton Bowl, giving The American its fourth New Year's Six bowl win

THE AMERICAN CONFERENCE

American student-athletes have distinguished themselves in all facets of intercollegiate athletics. Memphis quarterback Brady White was the 2020 winner of the National Football Foundation's James V. Campbell Trophy as the top scholar-athlete in college football. Temple linebacker Tyler Matakevich won the Bednarik Award and the Nagurski Trophy as the nation's top defensive player in 2015, while Tulsa linebacker Zaven Collins repeated that feat in 2020. The American has had six top-10 Heisman Trophy finishes including Navy quarterback Keenan Reynolds, who was fifth in 2015, and Army's Bryson Daily, who was sixth in 2024. Reynolds was also selected as the winner of the 2016 AAU James E. Sullivan Award as the nation's top amateur athlete.

Additionally, South Florida star Georgina Corrick was the Division I softball Academic All-America of the Year in 2022, while Tulsa cross country standout Kirk Smith was chosen as a Rhodes Scholar in the fall of 2016.

American alumni have made their mark in professional and international sports as well. A number of our athletes have been selected in the first round of the professional entry drafts in football, basketball, baseball and soccer, including former Memphis center James Wiseman, who was the No. 2 pick in the 2020 NBA Draft, and former Wichita State third-baseman Alec Bohm, the No. 3 selection in the 2018 Major League Baseball Draft. Former Memphis tennis player Joe Salisbury, a 2014 all-conference selection, has gone on to win six Grand Slam championships in men's doubles and mixed doubles.

The American announced a lucrative and comprehensive media rights extension with ESPN in May of 2019, providing the conference with a stronger and more extensive presence on ESPN's primary television networks (ABC, ESPN, ESPN2, ESPNU). Since the extension took effect in the 2020-21 academic year, a minimum of 40 regular-season football telecasts and 60 regular-season men's basketball games per season will appear on those primary networks. Nearly every conference-controlled game in all sports will appear either on an ESPN network or on ESPN+.

The first 11 American Football Championships were televised by ABC as part of Championship Weekend. Subsequent championship games will appear on either ABC or ESPN through the duration of the current contract, including the 2026 game, which will air in Friday prime time on ABC.

Away from the competitive arena, the American has established itself as a leader in the area of student-athlete wellness, both through the adoption of NCAA autonomous legislation on matters including full cost of attendance and nutrition. The American's Academic Symposium annually features scholars and students engaged in collaborative research related to student-athlete well-being. The conference, in conjunction with its Student-Athlete Advisory Committee has also launched the Powerful Minds campaign to improve awareness and education on mental health issues and recognize the scholarly achievements of the conference's student-athletes.

THE AMERICAN CONFERENCE

Tim Perneti Commissioner

The American's Board of Directors voted unanimously on April 2, 2024, to select Tim Perneti as the second commissioner in conference history.

Commissioner Perneti, who officially began his tenure with the American on June 3, 2024, is a dynamic and veteran leader who brought more than three decades of collegiate athletics, professional sports, business and media leadership to the American.

In his first year with the American, Perneti orchestrated several initiatives to modernize operations and position the conference favorably ahead of transformational change in intercollegiate athletics. Under his leadership, the American focused on innovation, becoming the first conference to establish league-wide minimum investment and revenue sharing protocols to provide financial benefits to student-athletes. The conference additionally launched American RISE Ventures, a first-of-its-kind wholly owned business division to lead all aspects of revenue generation, sponsorship strategy, brand partnerships and commercial innovation.

Perneti further led the evolution of the American's brand identity designed to elevate the conference's positioning on the national stage. He oversaw a quantitative and qualitative assessment process that resulted in a clear and cohesive identity rooted in the American's core values of grit, innovation and service. Included in that process was the innovative introduction of Soar the Eagle, a multi-platform brand symbol designed to personify the American's values and story.

Perneti introduced a new performance-based revenue distribution structure that rewards achievement in football and basketball and fosters competitive nonconference scheduling in those sports. He also oversaw a successful bid process for the American Basketball

Championships, which was played in Birmingham, Alabama, in 2026 and will be played in Tampa, Florida, in 2027 and 2028.

The 2025 football season marked a historic year for the American Conference. Tulane secured the No. 11 seed in the College Football Playoff, making the program the first in conference history to qualify for the expanded field. The American was one of only four conferences to have three teams finish with 11 or more wins with Navy, North Texas, and Tulane all reaching that milestone. Capping it all off, a conference-record nine teams earned bowl berths.

Before joining the American, Perneti served as the president of IMG Academy, the world's leading sports education brand anchored by its 600-acre campus in Bradenton, Florida. IMG Academy provides intentional personal development opportunities for student-athletes through its boarding school, sport camps and college recruiting services. As president, Perneti played a key role in the sale of IMG Academy to BPEA-EQT for \$1.25 billion in 2023. Under his leadership, IMG Academy made sweeping changes to student-athlete and staff experiences including \$100 million of campus capital expansion, integration into the launch of digital products such as IMG Academy+ and the acquisition of athlete recruiting company NCSA and the addition of the Academy's 15th sport, girls' volleyball. Perneti also served as chief operating officer for IMG Academy from 2022-2022, where he led a successful navigation of the Academy through the COVID-19 pandemic, keeping IMG Academy open and fully operational and closing the historic agreement to host the 2020 WNBA season on campus.

Prior to joining IMG Academy, Perneti served in multiple leadership roles at Endeavor. From 2019-20, he was the executive vice president,

overseeing Endeavor and IMG sports, event, and entertainment properties within the IMG Events & Media team in North America and globally. From 2015-19, Perneti was the president of IMG College, leading dealmaking with university presidents, conference commissioners and athletic directors and successfully negotiating hundreds of commercial partnerships. Perneti led the IMG College business through its historic merger with Learfield in 2019.

From 2013-15, Perneti was the chief business officer of the Major League Soccer expansion club New York City FC, co-owned by Manchester City Football Club and the New York Yankees. He helped to build the club from the ground up and oversaw all business operations through its first games in March 2015. Under his leadership NYCFC broke records for fan engagement, partnerships and completed the most significant jersey sponsorship in league history, to this day.

A former football student-athlete at Rutgers University from 1989-93, Perneti returned to his alma mater in 2009 as the youngest director of intercollegiate athletics in college sports. He oversaw 24 sports, all business functions and relationships with the NCAA, Big East/Big Ten Conference, donors, alumni, and constituents. As athletic director from 2009-13, Perneti most notably designed the vision and strategy that resulted in his pitch, negotiation and successful agreement and entry into the Big Ten Conference for Rutgers University.

Perneti began his career in television, dealmaking, and programming. From 1995-2009 he held numerous executive positions in media. He served as the director of programming at ABC Sports where he oversaw all college sports, PGA Tour Golf, and other programming relationships. He was one of the first employees for startup CSTV (College Sports Television) in 2003. In 2009 he served as the executive vice president of content overseeing all relationships, dealmaking, programming, and talent. CSTV was sold to CBS Sports for \$325 million and is now known as CBS Sports Network.

Dedicated to community service, he served as a Board Member of the Christopher and Dana Reeve Foundation for Spinal Cord Research (2013-19) and continues to serve on the Board of Advisors for Team LeGrand (foundation of former Rutgers football student-athlete Eric LeGrand), and on the Board of Directors for Reed Academy, a school in his hometown of Oakland, New Jersey, for children and adults on the autistic spectrum.

Perneti also serves on the Board of Directors for MYOS, a biotechnology company in New Jersey that develops natural products and supplements to improve the longevity and muscle growth in canines and other animals.

Perneti earned his bachelor's and master's degrees from Rutgers University, where he was a four-year letter-winner on the Scarlet Knight football team. He was a 2008 recipient of Sports Business Journal's Forty Under 40 award and was a finalist for that publication's Athletic Director of the Year award in 2013.

COLLEGE FOOTBALL PLAYOFF

The Bracket

The format of the College Football Playoff is built on a 12-team bracket. Four automatic bids will be given to the champions of the ACC, Big Ten, Big 12 and SEC, with one automatic bid coming from the highest ranked team from the remaining conferences. The remaining seven at-large bids will be given to the best remaining teams from any conference.

- Notre Dame receives an automatic bid if it is ranked in the CFP Top 12 on Selection Day. If so, six (6) at-large bids would be awarded.
- Seeds 1-4 receive first-round byes
- Seeds 5-12 play first-round games at the higher seed's home stadium
- Any automatic qualifiers ranked outside the top 12 will be placed in order at the bottom of the seeding.
- The No. 1 seed will select its quarterfinal bowl site and the semifinal site into which it will advance should it win its quarterfinal game.
- The No. 2 seed, followed by the No. 3 seed, will then select from the remaining quarterfinal bowl sites. Those two teams will be assigned to the remaining semifinal.
- The No. 4 seed will be assigned to the remaining quarterfinal bowl site.
- With the four highest-ranked schools' bowls selected, their four CFP Quarterfinal opponents will be dictated by the bracket (i.e., No. 1 vs. No. 8/9 winner, No. 4 vs. No. 5/12 winner, No. 2 vs. 7/10 winner; No. 3 vs. 6/11 winner.)
- The CFP bracket will follow the selection committee's rankings, with no modifications made to avoid rematches between teams that may have played during the regular season or are from the same conference.
- The bracket will remain in effect throughout the CFP (i.e., no re-seeding).
- All 11 games will be under the CFP umbrella with the administrative policies determined by the CFP.

Selection Committee

A dedicated group of high-integrity football experts, with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the CFP Selection Committee. Each fall, the committee meets in person to rank the top 25 teams, assign the schools to the 12-team playoff bracket and assign the CFP Quarterfinal and CFP Semifinal bowl sites. Members of the committee are Troy Dannen, Mark Dantonio, Doug Gillin, Mark Harlan, Ivan Maisel, Gus Malzahn, Chris Massaro, Randall McDaniel, Mike Riley, Jeff Tedford, Wesley Walls, Carla Williams, and Hunter Yurachek.

BOWL PARTNERSHIPS

The American Bowl Lineup

American Conference teams are guaranteed at least eight bowl appearances in 2026 as part of the conference's postseason lineup, which began in the 2020 season.

The American champion would play in the College Football Playoff if it is ranked among the five highest-ranked conference champions by the CFP selection committee.

As part of the 2026 season, The American will send teams to the Freedom Mortgage Military Bowl in Annapolis, Maryland, and the Wasabi Fenway Bowl in Boston, facing opponents from the Atlantic Coast Conference in those matchups. In the 2026 season, The American will additionally fill six spots in ESPN Events games: the Birmingham Bowl, the Cure Bowl, the Gasparilla Bowl, the Boca Raton Bowl, the Frisco Football Classic, the SERVPRO First Responder Bowl, the Isleta New Mexico Bowl, the Myrtle Beach Bowl, the Salute to Veterans Bowl.

Aside from the eight primary bowl affiliations in place for the 2026 season, the American has a secondary agreement with the AutoZone Liberty Bowl.

Student-athletes from Navy, North Texas and Tulane claimed major individual awards as the American Conference announced its 2025 players of the year and all-conference selections as chosen by the league's 14 head coaches.

North Texas quarterback Drew Mestemaker was chosen as the American's Offensive Player of the Year, while his teammate running back Caleb Hawkins was picked as the Rookie of the Year. The Navy duo of defensive lineman Landon Robinson and deep snapper Rayne Fry were named Defensive Player of the Year and Deep Snapper of the Year. Tulane kicker Patrick Durkin was named the Special Teams Player of the Year. North Texas head coach Eric Morris was named by his peers as Coach of the Year.

Mestemaker leads FBS with 3,835 passing yards and has thrown 29 touchdowns against just four interceptions. He broke the American's single-game record with 608 passing yards at Charlotte on October 24. The red-shirt freshman ranks third in the nation in passing efficiency (178.2), fourth in passing touchdowns (29), fourth in total offense (324.3 yards per game), ninth in completion percentage (70.9 percent).

Robinson leads the American with 0.59 sacks per game with 6.5 sacks in 11 games. The senior has 54 tackles on the campaign and becomes the first Midshipman to earn Defensive Player of the Year honors.

Durkin is 22-of-24 on field goals and 36-of-37 on PATs for the season. His field goal percentage of 92.3 percent is ninth in FBS and his total points of 102 ranks 15th in FBS. Durkin is the first Tulane player to earn the Special Teams Player of the Year.

Fry earned the American's first Deep Snapper of the Year honor as the Midshipmen did not allow a kick or punt block all season.

Hawkins leads FBS with 23 rushing touchdowns, 26 total touchdowns and 156 total points scored. His total touchdowns and 156 total points rank second on the American's single-season list. He is third in FBS in all-purpose yards (140.9 per game), is 13th in rushing yards with 1,216 and is 16th in yards per carry (6.3). Hawkins was the lone player to be unanimously selected to the all-conference first team.

Morris has led North Texas to an 11-1 record in the regular season and a 7-1 record in American play. The Mean Green have the highest scoring offense in FBS with 46.8 points per game and also lead the country in total offense with 511.8 yards per game. North Texas is fourth in FBS in turnover margin at +1.08 per game and is 10th in passing yards allowed at 164.7 per contest.

In addition to the major award winners, the American also named its first, second, third and honorable mention all-conference teams. Four players were repeat selections from the 2024 first team - Robinson, Army center Brady Small, Memphis defensive lineman William Whitlow Jr. and Tulane offensive guard Shadre Hurst.
