TEXAS LUTHERAN UP CLOSE

Texas Lutheran University is a nationally-recognized undergraduate university of the liberal arts, sciences and professional studies. The university's spacious park-like campus is located in Seguin (population 25,000), just 35 miles from the nation's seventh largest city, San Antonio, and only 50 miles from the "live music capital of the world," Austin.

TLU has been included repeatedly in US News & World Report's and The Princeton Review's annual listings of the best comprehensive colleges in the western United States, and in recent years has been ranked as one of the most ethnically diverse liberal arts universities in the nation. TLU is officially recognized by the federal government as a Hispanic Serving Institution (with Hispanic enrollment of at least 25%).

ACADEMIC LIFE

Small classes and personal attention are the hallmarks of a TLU education. Students are taught in classes that average just 20 students, which enables our highly qualified faculty to challenge and support each student based on that student's particular interests and abilities. Our faculty does more than just teach, however. They serve as advisers and mentors to their students, often assisting them in job or graduate school placement.

TLU offers the bachelor of arts, bachelor of business administration, bachelor of music, bachelor of science and master of accountancy degrees. TLU is in the process of adding a master of science degree in athletic training, and that program is expected to be functional for 2016-17. In the fall of 2014, the university added a bachelor of science in nursing. Students can choose from 40 academic majors and pre-professional programs, including one of our newest majors – aviation science. During the course of their study, TLU students are exposed to a broad array of courses designed to prepare them for meaningful and fulfilling lives of leadership and service. They also are encouraged to avail themselves of numerous educational opportunities outside the classroom, including summer research projects with faculty, internships, the Washington Semester program in our nation's capital, and study abroad programs around the world.

STUDENT LIFE

Most of TLU's nearly 1,300 students come from Texas, but more than 20 states and several foreign countries are represented in the student body each year. Approximately two-thirds of full-time students live on campus, which fosters the strong spirit of community that exists at TLU. The university's newest residence hall, Centennial Hall, opened in August 2012 and is a true living-learning center. In addition to providing housing for 160 freshman students, the building includes classrooms, seminar rooms, small group study rooms and other public spaces available for use by the entire TLU community.

TLU students have an abundance of opportunities to explore their personal interests and develop leadership and other important life skills through participation in one or more of dozens of student organizations, including social and honors sororities and fraternities, choir, band,

theater, campus ministry, student government, and student publications.

INTERCOLLEGIATE ATHLETICS

TLU has a rich history of competitive intercollegiate athletics. The university fields teams in 18 NCAA Division III sports: volleyball, soccer, softball, basketball, golf, tennis, indoor & outdoor track and field, and cross country for women; and football, baseball, basketball, soccer, tennis, golf, indoor & outdoor track and field, and cross country for men. The Bulldogs became members of the prestigious Southern Collegiate Athletic Conference in 2013 and won seven SCAC team titles in their first year in the league.

For complete information about TLU athletics, including live video of games, go to tlubulldogs.com.

TLU AND THE COMMUNITY

TLU has been a proud part of Seguin since relocating here from its original site in Brenham, Texas in 1912. The university is one of the community's top 10 employers, and has an estimated annual impact on the Seguin economy of approximately \$70 million. TLU's students, faculty and staff donate approximately 25,000 hours of volunteer service to the Seguin community each year, and in 2012 the university was named to The President's Higher Education Community Service Honor Roll.

TLU welcomes the community on campus. The university offers an extensive schedule of fine arts and athletics events each academic year—most of which are free of charge. The campus community's Monday/Wednesday/Friday morning and Sunday evening chapel services are also open to public, as are campus facilities including the Mabee Aquatics Center, Krost walking/jogging trail, Blumberg Memorial Library and TLU Bookstore. Several facilities, including the 1,050-seat Jackson Auditorium and dining and meeting rooms in Hein Dining Hall, can be rented for private use. For more information about TLU, visit www.tlu.edu.

TLU ADMINISTRATION

DR. STUART DORSEY

PRESIDENT

Dr. Stuart Dorsey has served as Texas Lutheran University's president since July 2011. During his tenure, TLU has experienced positive momentum in academic and co-curricular programming, facilities, marketing and other key aspects of the university's operations. This year, for the fourth consecutive year, TLU was named a "Great College to Work For" in The Chronicle of Higher Education annual survey. TLU was one of only 42 universities nationally to earn the title of Honor Roll, winning honors in collaborative governance, confidence in senior leadership, supervisor/department chair relationship, teaching environment, and tenure clarity and process.

Prior to his arrival at TLU, Dr. Dorsey served as president of the University of Redlands in Redlands, Calif. from 2005 to 2010. He previously held positions as vice president for academic affairs at the University of Evansville (Indiana), vice president and academic dean at Baker University (Kansas), assistant professor of economics at Western Illinois University, associate professor of economics at West Virginia University, the George F. Collins, Jr. professor of business and finance and department chair at Baker University, and visiting professor at Harlaxton College in Grantham, England.

Early in his career Dr. Dorsey also worked as an applied economist in the federal government. He was a research economist with the U.S. Department of Labor before being appointed as chief economist for the U.S. Senate Committee on Finance. At the Finance Committee under the chairmanship of former Senator Bob Dole, Dr. Dorsey worked on a wide range of policy issues including the federal deficit, Social Security, Medicare, and reform of the tax code.

Dr. Dorsey holds a bachelor's degree in economics from the University of South Dakota, and a master's degree and Ph.D. in economics from Washington University in St. Louis, Mo. He and his wife, Michelle, are the parents of five adult children.

Construction on Bulldog Stadium started in the winter of 2013 and phase one of the stadium project was completed for the start of the 2014 football and 2015 track & field seasons. Phase one of the stadium project includes: home and visitor bleacher structures, FieldTurf playing surface, NCAA-compliant track surface with long jump, triple jump, pole vault and high jump pits, steeplechase components, stadium lighting, scoreboard, public address and sound system, and press box. The press box has six individual rooms for game operations, home and visitor coaches, home and visitor broadcast crews, and stadium statistics/sports information crew. The top of the press box has room for home and visitor filming.

THE MARVIN RINN FIELD HOUSE

The Rinn Field House is the 14,000 square foot Marvin Rinn Field House, completed in August 1998. It houses the Bulldog football locker room, a video and meeting center, laundry facilities, coaches' office and a state-of-the-art sports medicine facility. The athletic training area comes complete with the room and the resources to support the entire TLU Athletics program. The Rinn Field House also is home to the Bulldog baseball and men's soccer locker rooms. There is also a separate coaches' locker room and shower area. The mens' sports in the field house share the large shower area located in the center of the facility.

THE TOSTENGARD ACTIVITY CENTER

Named for Ardyce and Stanford Tostengard, former chair of the Texas Lutheran Board of Regents, Tostengard is the home for all Texas Lutheran home volleyball matches. It is also a primary intramural facility for the university.

GUSTAFSON SOCCER FIELD

Home to the men and women's soccer teams of Texas Lutheran, Gustafson Soccer Field is named for A.G. Gustafson, a former coach, professor and interim

president at Texas Lutheran. A new soccer field was constructed on campus in 1998 and rededicated as Gustafson Soccer Field. The field is located on Fleming Drive, across from the President's residence. Lights and perimeter fencing were added to Gustafson Field in the summer of 2015.

THE KROST FITNESS TRAIL

The trail, built in the early 1990s, circles Bulldog Stadium, the George Kieffer Football Practice Field and the TLU Tennis Courts. It is open to the public. The Seguin community and the TLU campus community enjoy jogging and walking with their friends and families. The trail is approximately one kilometer (.62 of a mile) in length.

KATT-ISBEL FIELD (BASEBALL)

Home of the Bulldog baseball team, Katt-Isbel Field seats 600 people in its stadium seating. The field was originally dedicated in 1992 in honor of Mark Isbel, a 1981 graduate and baseball player from San Antonio who died of cancer on June 7, 1983. The field was re-dedicated on Feb. 27, 1999, in honor of former Texas Lutheran head baseball coach Ray Katt. A permanent press box was added in 2010. Lights were added in the spring of 2014.

ED KRUSE STADIUM - THEOS MORCK FIELD (SOFTBALL)

The field was officially dedicated in 1992 in honor of Theos Morck, a former vice president of fiscal affairs at TLU. He and his wife Nile Ruth were longtime supporters of Texas Lutheran athletic teams. The stadium was moved just north of the Marvin Rinn Field House and just south of Katt-Isbel Field (baseball) in 2014. The new facility, named Ed Kruse Stadium at Morck Softball Field, was dedicated on April 12, 2014 in recognition of the generous support of the Ed Kruse Family. The field has an all-weather FieldTurf surface throughout the field of play and the bullpens. The stadium has two large team dugouts, a press box and concessions/restroom facility. The stadium seats 350 fans.

TLU TENNIS COURTS

The tennis complex was expanded in the mid-1990s to a nine-court setup. To make way for Bulldog Stadium, the nine-court setup was reconfigured for an eight-court setup. The complex has seating capacity of 50 for feature matches. It is located on University Drive, across from the Alumni Student Center and next to the Dr. Burton E. Grossman Fitness Center.

MEMORIAL GYMNASIUM

The home for the Bulldogs' men and women's basketball teams has a seating capacity of 1,500. Commonly referred to as "The Doghouse," Memorial Gymnasium was constructed in 1952. It is connected to the Jones Physical Education Complex and is located on University Drive, across from the Alumni Student Center.

BURTON E. GROSSMAN FITNESS CENTER

The fitness center, opened in 1998, contains state-of-the-art equipment for weight training and cardiovascular exercise for use by the entire campus community. The facility also includes locker rooms and classroom space, plus easy locker room access to the university's eight-lane swimming pool, the Mabee Pool.

KIEFFER FOOTBALL PRACTICE FIELD

The practice field is located next to Bulldog Stadium. It was moved to its current location in the summer of 2014. The field was dedicated in the fall of 1998.

TLU GOLF PITCH-AND-PUTT COURSE

For use by the TLU golf teams, the pitch-and-putt course has an elevated green and pot bunker, plus a driving range. The golf teams have access to local courses Starcke Park Municipal Golf Course (in Seguin) and The Golf Club of Seguin.

DANNY PADRON HEAD COACH

Padron coached the NCAA Division III leading rusher, Marquis Barrolle, who picked up All-America honors from D3football.com and USA College Football. The 2014 Bulldogs also produced All-Americans Kendall Wilkerson and Tyler Brandenburg. Barrolle won the NCAA Division III rushing title with a school-record 1,792 yards in 11 games. Barrolle was named the SCAC Offensive Player of the Year. Barrolle also ranked among the 2014 NCAA DIII leaders in rushing yards per game (second, with 162.9) and in all-purpose yards per game (fifth, with 188). The Bulldogs' offense posted final NCAA rankings of eighth in total offense, 14th in rushing offense, 18th in scoring offense, 21st in sacks allowed, 10th in first downs offense, and 21st in time of possession. The Bulldogs' defense ended the year ranked 10th in team sacks, 14th in total tackles for loss, ninth in team tackles for loss, and 21st in defensive touchdowns.

Texas Lutheran Head Football Coach Danny Padron has taken the TLU Football Program to new heights and fulfilled promises he made when he took over the program in 2010. When he started Padron said the Bulldogs would be historically better off the field and on the field. The 2014 Bulldogs were honored by the TLU Center for Servant Leadership for their overall community service work within the TLU and Seguin communities. On the field, the Bulldogs continued the success of 2013, set more school records, garnered more national attention, won another SCAC Championship, and broke through the barrier of the NCAA playoffs to play in the NCAA Division III Football Championship field for the first time in school history.

The Bulldogs ended 2014 at school-best positions in national polls from the American Football Coaches Association and D3football.com. The Bulldogs finished at No. 16 in the AFCA Division III Coaches' Poll and at No. 19 in the D3football.com Top 25. TLU qualified for the 2014 NCAA Championships and fell in the first round of the playoffs. TLU lost 27-20 on the road to then No. 2-ranked Mary Hardin-Baylor.

The Bulldogs went 9-2 overall and 3-0 in the Southern Collegiate Athletic Conference last season. Padron, starting his sixth season with TLU in 2015, was named the SCAC Coach of the Year for a second straight season.

The year before, 2013, Padron guided the Bulldogs to their first-ever conference title, capturing the league crown of the SCAC. The Bulldogs took their new league by storm - climbing to the top of the conference in their first season in the SCAC. Since assuming the top football coaching duties at TLU in 2010, Padron and his coaching staff have taken a team from the depths of NCAA Division III (the season prior to his arrival the Bulldogs were 0-10) and have made the Bulldogs into top competitors in their new league and into one of the top teams in the nation.

Padron inherited the Bulldogs after a disastrous, winless 2009 campaign that stretched the TLU losing streak to 13 games entering 2010. The three years prior to Padron taking the job, the Bulldogs managed just six wins in 30 games. TLU had not posted a non-losing season since 2006. But enter Padron, and the Bulldogs showed immediate signs of a re-birth. In the last 30 games with Padron, TLU is 31-9, and Padron has a .600 winning percentage in his first five seasons, at 30-20 overall.

In the 2010 season, after taking the TLU coaching job in January, the Bulldogs won four games overall, went 4-1 at home, dominated area rival Trinity 42-14, and won three conference contests. Padron's first-ever win at TLU came in the second game he ever coached for the Bulldogs. TLU upset East Texas Baptist in Se-

guin 17-14 to snap a 14-game program losing skid. In 2011, the move to the upper echelon of the American Southwest Conference and NCAA Division III came closer to being a reality. The team went 5-5 overall with a 4-4 record in the ASC. The Bulldogs tied for fourth in the league and posted key league road wins over East Texas Baptist, Sul Ross State and Mississippi College. In the process, the Bulldogs snapped a long road-losing streak and started a mini-road win streak of their own.

The Bulldogs won three games in a row in the early portion of the schedule and moved to 3-0 in the ASC for the first time in school history. The Nov. 5, 2011 win in Clinton, Miss. (over Mississippi College) was just the second victory for the Bulldogs on the road against the Choctaws. The Sept. 17, 2011 win in Marshall, Texas (over East Texas Baptist) was TLU's first at Ornelas Stadium. Padron's place-kicker Allen Cain would go on to be recognized four times (by four different organizations) as a playing All-American in 2011. Three of the organizations gave him First Team All-America honors. Cain also captured the coveted Capital One First Team Academic All-America honor, becoming the first student-athlete in TLU history to claim four playing All-America honors and add a First Team Academic All-America citation in the same year.

Success for Padron, Cain and the Bulldogs continued in 2012. TLU started the year 3-1 with convincing wins over Austin College (38-16 on the road), Southwestern Assemblies of God (43-35 on the road) and East Texas Baptist (34-28 at home for Homecoming). After a hard-fought loss to No. 2-ranked Mary Hardin-Baylor (49-31 on the road), the Bulldogs suffered four more losses in succession, nearly all coming in heart-breaking fashion. TLU fell 70-65 to Sul Ross State at home, 24-21 to Mississippi College at home, 44-37 in overtime to Louisiana College on the road, and 65-58 in double-overtime to Hardin-Simmons at home.

The Bulldogs concluded their 2012 season and their final game in the ASC with a resounding 47-6 road win at Howard Payne.

Cain, the record-setting place-kicker, would add three more playing All-America honors in 2012 to bring his career total to seven. He also garnered a second consecutive Capital One Academic All-America First Team award. Cain set the school record for career field goals, at 43, and tied his single-season mark for field goals, with 17 again in 2012.

DANNY PADRON

In 2013, Padron claimed SCAC Coach of the Year honors in leading the team to the conference title. The Bulldogs went 3-0 in conference and 5-1 in non-conference play to earn a Top 30 ranking from the AFCA late in the season and a late-year No. 3 ranking in the NCAA DIII South Region rankings.

Padron's QB - Brent Peavy - was selected as SCAC Offensive Player of the Year, and starting linebacker Bradley Snowden was named Defensive Player of the Year. Brent Peavy led the SCAC in almost every passing category en route to setting new Texas Lutheran single-season school records for total offense (2,873) and touchdown passes (28). Brent's twin brother Cameron set new school records for single season receiving TDs (13) and single-season receiving yards (1,089).

The 2013 and 2014 Coach of the Year honors are not the first coaching honors of his career. He was named the San Antonio Express-News "San Antonio Area" Coach of the Year in 2003 as the head coach

at Sandra Day O'Connor High School, where he went 65-30 in eight seasons.

Padron, 62, officially accepted the job at TLU on Jan. 8, 2010, and became the 20th head coach in TLU football history.

"(Through the interview process), I discovered a sense of community within the TLU staff, one that really appealed to me," said Padron. "And I share their common vision and embrace their mission of making a difference in the lives of young people. Their supportive and nurturing ways reflect the family values that are so important to me."

Padron brought to the Bulldogs a proven track record of molding young men to succeed not only on the football field but also in the game of life. Before arriving at TLU, he completed his eighth season as the head football coach and athletic coordinator at O'Connor. In 2003, Padron led O'Connor to the Class 5A state quarterfinal round. He coached O'Connor to

the 2004 and 2005 regional finals and to the 2006 and 2007 area finals.

"We're all very excited about the challenges that lie ahead, and we're ready to go to work," said Padron at the time of his hiring. "And although there are no guarantees of success, we will guarantee that we will be one of the best conditioned and best prepared teams in the conference, a team that the university and the Seguin community can be proud of - on and off the field."

Padron has coached football for 43 years, all in the San Antonio area. At the time of their arrival at TLU, Padron and his fellow coaches were in the state high school playoffs almost every year since 1982. Padron has been on coaching staffs that have combined to produce two state champions, a state finalist, two state semifinalists, two state quarterfinalists, five regional finalists, seven area finalists, and 17 district champions. The combined overall record of those teams since 1981 was 253-81-3.

COACHING HIGHLIGHTS

2015 SEASON PREVIEW WITH DANNY PADRON

On Coaching into his Sixth Season at TLU:

"I thought I would be done in five (laughs). Really. Five years is kind of a time to make judgments and decisions as far as whether to continue or not. But we've had so much fun. We're so excited to keep going. We have a great coaching staff, great players. It's a no-brainer to try and go another five years. We'd like to go in five-year increments, if we don't screw it up. It's been exciting and fulfilling. We're so grateful for this opportunity. We feel like we have been blessed."

On the Ultimate Goal for TLU Football:

"Our whole objective has been to get the national championship game. I don't know if that is realistic. But I really believe it is. That would be what we are shooting for."

On Making It to the NCAA Playoffs in 2014:

"I think it was gratifying. The amount of work, hard work, from our players and coaches - it was rewarding to see that goal realized. To play such a game that we could beat Mary Hardin-Baylor. We had a shot to go to the national championship. I believe that is where our program is. That whole year was amazing - the first game here against Sul Ross, that was a big ball game, and to come back and beat Hardin-Simmons at their place and then Louisiana college at their place. And it was really hard for us to overcome that first UMHB loss. We had to get out of those cobwebs and doldrums that dragged us down. We got to the point where we believed we could beat Mary Hardin-Baylor."

On the Opening of Bulldog Stadium:

"It was fantastic, a great feeling. It took a lot of pride and hard work on behalf of our administration and staff. I applaud their efforts to bring the stadium to campus. It's a great venue, a great facility. And it's just the beginning. It's a great feeling to play on the campus and realize dreams of those that had come before. As I told the Board of Regents, it was exciting to have the games on campus. And we never lost a day of practice with that field surface."

On the 2015 Bulldog Offense:

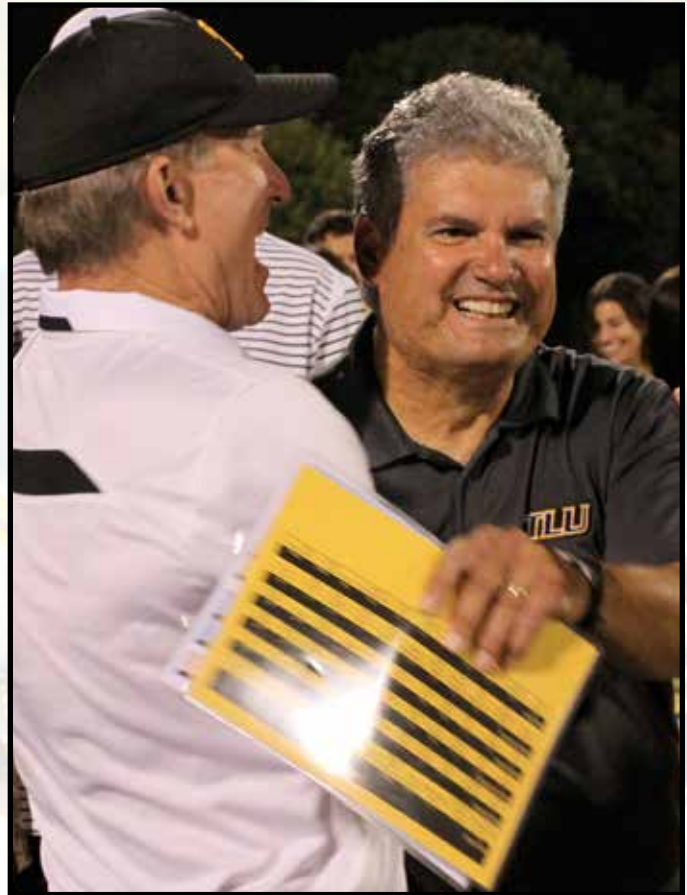

"I think we are going to have the best football team we have ever had here. I'm talking about the team that we as a coaching staff have had here. This football team is going to be the best. Offensively, it starts with Trent (White) and Marquis (Barrolle) and the offensive line. When you have a great quarterback and running back, it makes things easy. And then you have (running back) A.J. Suacedo too. (Offensive lineman) Tyler Howlett is going to take a great leadership role, and the same thing with (offensive linemen) Eddie Scott and Daven Klein. Daven, last year was his first full year starting for us, and he did a great job for us. Andrew Rodriguez is another guy that got a lot of time. Chris Bennett and Johnny Garcia will work in there. I think we are going to be just as good as we have been, if not better."

"On the offensive line, Tyler Howlett goes to left tackle. At left guard, we'll have redshirt freshman Chris Bennett and Andrew Rodriguez, Daven Klein at center, Johnny Garcia at right guard, and Eddie Scott at right tackle."

"Receiver-wise we have a lot of options with Caleb Oliver, J.B. Brown, Logan Thompson, and Reggie Jackson has emerged. And Jacob Tingle is back after missing last season due to injury. We also have a transfer from Incarnate Word, Chase Ragusa, and eight freshmen that are pushing for starting positions. We are really excited about those guys. And at tight end, we have senior Mac Prichard-Warren that will do a good job for us."

On The 2015 Bulldog Defense:

"I think we are going to be better on defense. We lost those two defensive ends, Ethan Powell and Bryan Doolittle, but we have some great defensive ends coming in. Jonathan Olonade and Tri-Rice Van Buren, Brandon Stephens and Broderick Sargent - those guys are returning. And we have six freshmen that are going to be competing for playing time. We have those solid three defensive tackles that we

have had since they were freshman - Dominick Stives, Andrew Syrinek and Tre La Grone. Hunter Ullrich from Seguin has shown promise. He had a great spring."

"At linebacker, Darian Candler and Jake Bahr have been with us now for three years, and six freshmen are coming in that we feel will be competing for time. Chris "C.J." Moreno - a JV guy from last year - will be competing for playing time as well."

"Matt McCullough moved to Sam linebacker/strong safety. Casey Viator moved to Sam as well. Drake Dowling will be our starting free safety again, and Michael Wall is the returning starter at weak safety. Jordan Braden, who was a running back last year, moved to the backup position behind Drake. And we'll have some young safeties pushing for playing time."

"At the cornerback position, junior Cameron Scott will be the field corner, and junior Chantz Singletary will be the boundary corner. Jordan Sims, who started for us last year, is competing for that starting spot at boundary corner too. And we really like the freshmen corners coming in."

"All of these defensive guys can run. They are aggressive, and they are talented. That's why we are so optimistic about this football team."

On the 2015 Bulldog Special Teams:

"Chadd Brown can do both roles - punting and place-kicking. We are going to work sophomore Logan Thompson as the punter. If we have too, we will put Chadd back there at punter. We have two freshman kickers that will compete and another freshman punter that could push as well."

"Logan has so much athletic ability. He can throw it. He can run it. The rugby punt style is something we can use on the plus 40 or 50-yard line. If he has it, we can

2015 SEASON PREVIEW WITH DANNY PADRON

use it. We won't be exclusively rugby. Opponents knew we were going to kick it to the short side last year, and people set up for that. We want to be able to kick to the short side and the wide side.

On the Bulldog Off-Season and Boot Camp:

"No question about it - we had a great offseason. Boot camp and spring training. They were ready to take it to another level. When you have a taste of success, that motivates you to go further. We had 80-something guys return, and we have never had that number."

On Senior Quarterback Trenton White:

"We've always felt that he was extremely talented. Cool under pressure. Nothing he has done has changed that opinion. We know that when you have a year under your belt, you are even better. Look at what that year did for (former quarterback) Brent Peavy. I think Trent is so much further ahead. He learned from last year. He was handicapped by the inexperience of our receivers. Now we have some receivers that are game-breakers. I think we are going to see Trent really break out. Trent's running ability will be a factor too. Trent has great running ability. His maneuverability is so valuable, keeping positive down and distance. Not very many long yardage situations. We can utilize Trent running the football."

On Returning All-American Running Back Marquis Barrolle:

"Marquis is a very humble young man, and that helps him a bunch. His parents do a good job of keeping him centered. I've never sensed the pressure being all on him. He is just a part of the team. He accepts his role. The Lord has certainly blessed him with exceptional running ability, strength, vision, balance. We never thought he would have had that many carries, like in the Hardin-Simmons game, or in the Mary Hardin-Baylor game. But he showed he could handle it. He wanted it. He wanted to do so well for his teammates."

On Senior Running Back A.J. Saucedo:

"A.J. put that Austin College game away for us in the fourth quarter. Marquis is A.J.'s biggest fan. And A.J. is Marquis' biggest fan. A.J. is very proud of Marquis and of what he has done. We had no plans of making Marquis the nation's leading rusher. The offensive line did a great job of run blocking and protecting for both Marquis and A.J.. And we are expecting the same or better."

On the Offensive Line:

"Tyler Howlett, Daven Klein, and Eddie Scott will lead this group. (All-American guard) Kendall is no longer here. Those three guys have demonstrated that they have the leadership and the qualities that we need. Eddie was quiet, but he is so smart, and he has realized that, you know, I am a leader. Kendall came into his own as a junior. These other three guys are stepping into their own now."

"Tyler lost some weight. His footwork has really improved. He is so conscientious. We think he is going to be a great football player. He demonstrated that as a sophomore, so now we are moving him out to left tackle. He has demonstrated he can do it."

On The Emergence of Receiver Caleb Oliver:

Caleb was a defensive back, and then we moved him over to receiver that spring of 2014. His upside is his height. We were talking to his parents, and they said we could see Caleb coming over and contributing. They were right. He can run, and his height is a factor. We are expecting more big things from him. The one catch of all the catches from last year that just impressed me was that third down catch against Austin College in the fourth quarter. That was the crucial play. Big time play from him. I think all the eyes will still be on Marquis, but Caleb and all of our receivers have to be factors for us. Other guys have to do the job. Some of our other receivers and newcomers have the potential to do that too.

On Senior Defensive Tackles Stives, Syrinek, and La Grone:

"They are not only good football players but good leaders, good students, good people. They demonstrate everything we want. Solid guys. These guys have worked their tails off. Solid characters and good players."

On the Rise of Junior Linebacker Darian Candler:

"No question about it. He is an athlete. He can do a lot of things. Run, tackle, play pass defense. He has developed. He is very intelligent, a very solid individual. He has really progressed. As he improved, our defense improved. He is going to be critical to our success. He has to be able to play pass and run at the same time. He is in a bind all the time. We put him in a bind, but he has the athletic ability to do it."

On the Play of Senior Safety Drake Dowling:

"Drake is just a stud. He is a coach's kid. It comes out. He knows what everybody is doing. He gives directions and coaching back there. When the ball is in the air, Drake is going to come down with it. I will say this. We don't run enough fake punts. He can make something happen with it every time. We should be giving him the ball more. Good things happen then."

On the 2015 Schedule and Returning to the Playoffs:

"Every ball game is a playoff game. It's almost like you can't drop a single one. We start out with Sul Ross. And we know what kind of abilities they have. And it's always tough out there in Alpine. And it doesn't get any easier. We then have nationally-ranked teams and traditionally tough teams around every corner. But I know we will be up for the challenge. We are so excited to get going and get started."

Danny Padron addresses the team after the Bulldogs' convincing 54-27 road win in 2014 over Howard Payne in Brownwood, Texas.

Braxton Harris enters the 2015 season as the Bulldogs' assistant head coach and as the team's co-defensive coordinator, roles he will man for a third consecutive year. He also coaches the linebackers and serves as the team's special teams coordinator and recruiting coordinator.

Harris joined the TLU football coaching staff in 2011 and coached the defensive ends and served as the recruiting coordinator. In 2012, he coached the linebackers and again worked as the recruiting coordinator.

Harris and the Bulldogs of 2014 made the university's first-ever NCAA Division III playoff run. TLU received an at-large berth and took second-ranked Mary Hardin-Baylor to the brink of elimination in a tightly-contested game that eventually brought TLU a 27-20 loss. The 2014 Bulldogs were ranked ninth in the nation in third down conversion percentage defense, 10th in team sacks, 14th in team tackles for loss and 21st in defensive touchdowns scored.

In 2013, Harris coached a Bulldog defensive unit that ranked sixth in turnover margin: plus 1.6 per game. The Bulldogs gained 29 turnovers in 2013 and achieved a national ranking of 21st in that category. TLU was 23rd nationally in passes intercepted (17) and 35th nationally in fumbles recovered.

Harris was the position coach for 2013 SCAC Defensive Player of the Year Bradley Snowden, who started three seasons and played in every game that TLU played in his four seasons. He collected 240 career tackles and 20.5 tackles for loss.

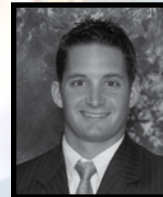

Harris came to TLU from Waco High School, where he served as the varsity safeties coach. Prior to his time at Waco High, Harris was the varsity wide receivers coach and recruiting coordinator at UMHB. Harris started with the Cru in 2006 as a student assistant and recruiting coordinator and became the varsity wide receivers coach and recruiting coordinator for the 2007, 2008 and 2009 seasons. In his four years on the staff with UMHB, the Cru won four ASC Championships, advanced to the NCAA Division III semifinals twice (2007, 2008) and advanced as far as the NCAA Division III quarterfinals in 2006. Coach Harris played at UMHB from 2003 to 2005 and was a quarterback with the Cru. He was on the NCAA Division III national finalist team of 2004.

Harris's wife, Jennifer, is a neonatal intensive care unit nurse. His father, Craig, was a Texas High School football coach before joining the TLU coaching staff, and his mother, Leslie, is an administrator at La Vega Intermediate School. Braxton and Jennifer are the proud parents of a son, Brooks, and twin boys, Cooper and Fisher.

Andy Padron joined his father, TLU Head Football Coach Danny Padron, on the coaching staff of the Bulldogs when Danny Padron accepted the head coaching position in January 2010.

Andy Padron, now in his sixth season at TLU, handled the play-calling duties in 2011 as the quarterbacks coach and has continued in that duty to present day. Padron was elevated to offensive coordinator following the 2011 season.

The 2014 TLU Bulldogs advanced to the NCAA Division III playoffs as an at-large bid team. The 2014 NCAA playoff appearance was TLU's first in NCAA DIII and the first in program history since the 1976 NAIA-II national semifinal. The Bulldogs won a second consecutive SCAC Championship in 2014 behind an offense that was eighth nationally in total offense (498.0 ypg). TLU running back Marquis Barrolle led all of NCAA Division III in rushing, posting 1,792 rushing yards (a school record) on 297 carries (another school record). In the DIII playoff game against UMHB, Barrolle carried the ball a conference and school record 50 times for 224 yards against the then-No. 14 ranked UMHB run defense.

In 2012, Padron and Bulldogs set new school team records for passing yards (3,253), passing yards per game (325.3), total offense per game (480.9), total offense in a single game (616, vs. Sul Ross State on Oct. 13) and for touchdown passes in a season (29).

The record book onslaught by the TLU Offense continued in 2013. On their way to the SCAC Championship, the Bulldogs led the league in total offense, rushing offense, passing offense, scoring offense, turnover margin, passing efficiency, fewest turnovers lost, fewest passes intercepted, first downs, third and fourth-down conversions, red zone offense, and pass completion percentage. Nationally, the Bulldogs of 2013 had the third-best total offense (521.2 yards per game) in all of NCAA DIII.

Padron is a 2007 graduate of the University of Mary Hardin-Baylor, where he starred as a quarterback and helped UMHB to the NCAA DIII National Championship game in 2004.

Padron was a part of Cru football squads that went 41-8 from 2003 to 2006 and won four American Southwest Conference Championships.

Padron and his wife Sarah, a Texas Lutheran grad, were married in 2013. Sarah is an elementary school teacher in the Comal ISD. Andy and Sarah are expecting their first child, due in March.

Craig Harris, the father of current TLU co-defensive coordinator Braxton Harris, is on TLU's staff as the defensive line coach. He is in his fourth season with the Bulldogs. Harris was hired in the summer of 2012.

Harris and the 2014 Bulldogs won a second consecutive SCAC Championship and made it to the

NCAA Championship field in 2014, pushing No. 2-ranked Mary Hardin-Baylor to the brink of elimination in the first round.

Harris contributed to a 2014 Bulldog defense that ranked ninth in the nation in third down conversion percentage defense, 10th in team sacks, 14th in team tackles for loss and 21st in defensive touchdowns scored.

Harris' defensive line unit in 2013 was a big part of the Bulldogs' national rankings for turnovers gained (21st, 29 total), team sacks (53rd, 2.56 per game), turnover margin (6th, plus-1.6) and fumbles recovered (35th, 12 total).

Harris is a long-time Texas high school football coach. Most recently, Harris was the defensive line coach at Gatesville High School in Gatesville, Texas.

Harris was the head coach and athletic director at Mexia High School from 1999 to 2004 and posted an overall record of 43-25. He guided Mexia to five consecutive playoff appearances and to the 2001 Class 3A state quarterfinals.

Harris also served as the head coach for football and track and field at Maypearl High School in Maypearl, Texas. At Maypearl, Harris coached the football team to the first round of the state playoffs for only the third time in the school's history.

Harris also coached at Temple High School (offensive line, quarterbacks), Waco High School (running game coordinator), Lancaster High School (defensive front coordinator), Red Oak High School (defensive coordinator), Waxahachie High School (defensive coordinator), and DeSoto High School (running backs, secondary).

Harris, a graduate of Texas Tech University, was a three-year letterman for the Red Raiders as a cornerback and free safety. He played in the Tangerine Bowl and the Bluebonnet Bowl and was a member of the Red Raiders' 1976 Southwest Conference Co-Championship.

KYLE INGRAHAM

**Wide Receivers /
Academic Coordinator/
JV Head Coach**

**Phone: 830-372-6966
Email: kingraham@tlu.edu**

Kyle Ingraham is in his sixth season at Texas Lutheran as the wide receivers coach. He works under Bulldog Head Coach Danny Padron, who was Ingraham's offensive coordinator in high school. Ingraham also serves as the team's academic coordinator and the junior varsity head coach.

The Bulldogs won a second consecutive SCAC Championship in 2014 behind an offense that became more balanced and efficient than 2013's record-setting squad. Downfield blocking paved the way for All-American RB Marquis Barrolle, who led the nation in rushing yards (1,792 rushing yards, a school record). The 2014 Bulldogs were ranked eighth nationally in total offense (498.0 ypg), 14th in rushing offense (261.8 ypg), and 18th in scoring offense (40.5 ppg).

In 2013, the Bulldogs finished the year as the third-best total offense in all of NCAA Division III and amassed Top 25 national rankings in passing offense (9th), scoring offense (6th), passing yards per completion (14th), and time of possession (22nd). The 2013 receiving corps contributed to new records for passing yards per game (326.67), receptions per game (26), total TD catches (31) and TD catches per game (3.44).

In 2012, Ingraham coached a record receiving unit that set all-time TLU records for total receptions, yards and TDs. Coupled with the units downfield blocking, the Bulldog offense broke the all-time total offense record at TLU.

In 2011, the Bulldogs got off to their best start in the DIII era and had the best record in the previous six years of TLU football. Ingraham also coached the special teams that season. In 2010, Ingraham mentored Steven Thrash on his way to breaking TLU's DIII-era receptions record at Texas Lutheran.

At Purdue, Ingraham played in all 36 games of his career. He started in the last 26 straight including the 2004 Capital One Bowl and the 2004 Sun Bowl. His 209 receiving yards against Indiana are the third-most all time by a Purdue or Indiana player in the Old Oaken Bucket Game. In spring of 2004, Ingraham was selected MVP—Offense by the Purdue coaching staff.

At the end of his career, Ingraham was ranked 18th in TDs and 19th in receptions all-time at Purdue and was given the Big Ten Sportsmanship Award (2004).

Kyle and his wife, Valerie, were married on July 17, 2014. Valerie is a former volleyball standout at St. Mary's University in San Antonio. The Ingrahams are expecting their first child.

2014 SEASON IN REVIEW

TLU 61, Sul Ross State 15

**Game 1 - Sul Ross State
Sept. 6, 2014 - 6 p.m.**

Bulldog Stadium - Seguin, Texas

SEGUIN, Texas – The Texas Lutheran Bulldogs broke in Bulldog Stadium Saturday night with a 61-15 season-opening victory over Sul Ross State that included a 44-0 domination of the Lobos in the second half.

The Bulldogs (1-0) celebrated each score Saturday with fireworks, and the fireworks crew was put to use often at the first-ever regular-season game at Bulldog Stadium.

With TLU alumnus Verne Lundquist and a host of university dignitaries and alumni on hand, the Bulldogs shrugged off a slow first half that had TLU clinging to a 17-15 lead at the break.

At one point in the second half, TLU scored on five straight possessions and scored six total touchdowns and a field goal on 10 second-half possessions.

Sul Ross (0-1) turned the ball over five times in the second half (once on downs, three on fumbles, and once by interception).

TLU out-scored Sul Ross 24-0 in the third quarter and 20-0 in the fourth.

TLU junior Trenton White threw for 277 yards and three touchdowns, and four different Bulldogs caught TD passes.

Lewis Williams II led all TLU receivers with six catches for 86 yards and a touchdown.

Marquis Barrolle rushed 17 times for 91 yards and one score.

Bulldog safety Drake Dowling recorded 12 tackles, 1.5 tackles for loss and an interception.

TLU 37, Hardin-Simmons 14

**Game 2 - Hardin-Simmons
Sept. 13, 2014 - 1 p.m.**

Shelton Stadium - Abilene, Texas

ABILENE, Texas -- Texas Lutheran sophomore Marquis Barrolle rushed for a career-best 215 yards on a career-high 45 carries and scored twice to lift the Bulldogs to a 37-14 road win Saturday over Hardin-Simmons.

The victory was the Bulldogs' first win in nine tries at HSU's Shelton Stadium. The victory was just TLU's second overall win against the Cowboys. The Bulldogs were 1-15 all-time against HSU entering Saturday's game.

The 5-foot-4, 150-pound Barrolle scored on a 2-yard run in the first quarter, to open the game's scoring, and crossed into the HSU endzone again in the fourth quarter on a rumbling, leaping 18-yard rush that put the game out of reach with 3:01 to play.

"I credit the offensive line," said Barrolle. "This offense trusts me a lot, and we all wanted to get it done. It was a great team win."

TLU (2-0) clung to a 21-14 lead with 11 minutes to play in the game until Bulldog free safety Drake Dowling intercepted a Weston Garner pass and returned it 57 yards for a touchdown.

"The guys up front did a great job the whole game, stopping the run and making them one-dimensional," said Dowling. "The (defensive line) didn't give the quarterback a clean pocket to throw in. When he had happy feet back there, he couldn't finish those throws. Luckily I was in the right place at the right time."

Head Coach Danny Padron watched the ball head Dowling's direction.

"I saw it going Drake's way, and I thought 'Well, there it is,'" said Padron. "We really needed that. Drake has a penchant for making big plays. And that was big."

TLU 38, Louisiana College 32

**Game 3 - Louisiana College
Sept. 20, 2014 - 1 p.m.**

Wildcat Stadium - Pineville, Texas

PINEVILLE, La. – Texas Lutheran survived a potential game-winning drive from Louisiana College and again received a record day from diminutive running back Marquis Barrolle in the Bulldogs' 38-32 road win Saturday at Wildcat Field.

The Bulldogs are 3-0 to start a season for the second straight year. LC dropped to 1-2 overall with the non-conference loss.

Trailing by six with 3:28 to play in the game, LC drove down to the TLU 4 with less than 10 seconds to play.

Out of timeouts and hurrying to the line for a fourth-down snap, LC Head Coach Dennis Dunn was flagged for sideline interference. Dunn marched an estimated 10 yards onto the field to bark instructions to his team on the final play of regulation.

The LC penalty resulted in a 10-second run-off of the game clock and set off an on-field celebration by the Bulldogs.

"I had no idea what the call was," said Michael Wall, TLU's sophomore weak safety. "I was freaking out. I was just going to play my coverage. The coach just comes running onto the field, clearly on the field. I'm like, 'That's illegal or something.' I don't know. We all were kind of freaking out. I'm just glad it turned out the way it did."

"I just started running around in circles, hitting everybody. It's just an awesome feeling. Just all of a sudden, (the officials) said it was over."

Wall had a key fourth-down stop on an LC possession, recovered two LC fumbles, registered five tackles and broke up a pass.

2014 SEASON IN REVIEW

TLU 54, SW Assemblies of God 21

**Game 4 - Southwest Assemblies of God
Sept. 27, 2014 - 6 p.m.
Lumpkins Stadium - Waxahachie, Texas**

WAXAHACHIE, Texas – With quarterback Trenton White throwing for four touchdowns and 329 yards, the Texas Lutheran Bulldogs piled up 583 yards of total offense and secured a 54-21 road win Saturday over Southwest-ern Assemblies of God.

TLU, out of the NCAA Division III, improved to 4-0 overall with its 13th win in the last 14 games.

SAGU, out of the NAIA, dropped to 0-3 overall.

At Waxahachie's Lumpkins Stadium, White connected on 25 of 37 pass attempts and hit junior A.J. Saucedo, senior Lewis Williams II, and sophomore Caleb Oliver twice for scores.

Saucedo scored on a 26-yard pass in the second quarter, and Williams grabbed a 19-yarder, also in the second quarter.

Oliver connected with White on TD passes of 11 and 46 yards. For Oliver, the two TD grabs were the first scores of his young collegiate career. He ended the night with five grabs for 82 yards.

Marquis Barrolle, the NCAA DIII's fourth-leading rusher entering the game, received plenty of attention from SAGU throughout the game. Barrolle was mostly contained by the Lions until the 5-4 sophomore broke loose on an 83-yard TD run at the 6:02 mark of the third quarter.

Barrolle's TD run came with TLU holding a 24-14 lead.

With the help of the 83-yarder, Barrolle finished the game with 16 carries for 129 yards, for an average of 8.1 yards per carry. He also caught four passes for 36 yards.

TLU 54, Howard Payne 27

**Game 5 - Howard Payne
Oct. 4, 2014 - 1 p.m.
Gordon Wood Stadium - Brownwood, Texas**

BROWNWOOD, Texas -- Marquis Barrolle's school-record 288 yards rushing and Jordan Sims' school-record tying 95-yard interception return for a touchdown sparked the Texas Lutheran Bulldogs to a dominating 54-27 road victory Saturday over the Howard Payne Yellow Jackets.

The Bulldogs head into TLU Homecoming week with a 5-0 overall record, matching the record through five games of the 2013 squad.

Howard Payne, out of the American Southwest Conference, fell to a Southern Collegiate Athletic Conference squad for a second straight week. The Yellow Jackets are 3-2.

TLU, ranked 20th in the latest AFCA Division III poll, won for the 14th time in 15 games.

Barrolle entered the game as the No. 3 leading rushing in all of NCAA Division III. He made a solid bid Saturday to move up the national rushing list. The 5-4, 150-pound sophomore from Ingleside eclipsed the school record for single-game rushing yards with 288 yards on 23 carries and two scores.

The 288 yards by Barrolle broke the 1985 single-game rushing record of TLU Hall of Famer Richard Miller, who rushed for 276 yards in a 34-3 win in 1985 over Nuevo Leon (Mexico).

Barrolle scored on runs of 58 and 90 yards. The 90-yarder is the second-longest run in school history – second only to Dominique Hardaway's 91-yarder last season against Howard Payne. The three longest runs in school history – 91, 90 and 89 by Shane Summers in 1987 – have all come against Howard Payne.

TLU 55, East Texas Baptist 49

**Game 6 - East Texas Baptist
Oct. 11, 2014 - 6 p.m.
Bulldog Stadium - Seguin, Texas**

SEGUIN, Texas -- Texas Lutheran rallied from a 43-28 third-quarter deficit to defeat East Texas Baptist 55-49 on Homecoming night at Bulldog Stadium as sophomore sensation Marquis Barrolle rushed for 247 yards and two touchdowns.

The Bulldogs, ranked 18th in the latest AFCA Coaches' Poll, are 6-0 for the second consecutive season.

ETBU dropped to 3-2 overall with its first loss to a NCAA Division III team in 2014.

The Bulldogs scored touchdowns on five consecutive possessions in the second half, starting the streak with an eight-play TD drive covering 48 yards and ending it with a 12-play, 90-yard drive that took 6:25 off the clock late in the fourth.

In between those two scoring drives, the Bulldogs went four plays and 83 yards, two plays and 62 yards, and three plays and 19 yards for key touchdowns.

ETBU led 21-7 in the second quarter and 43-28 with 1:42 to play in the third quarter.

"That's not a good thing for a 62-year-old," said Danny Padron, TLU's fifth-year head coach, regarding the Bulldogs need for a comeback. "We don't need too many games like that because they are liable to cart me off on a dad-gum stretcher. We're happy with the win."

"We felt like we could run the ball against these guys. We got to do a better job. Of course, the throws were really critical for us, the one-on-one guys. Then (ETBU) ended up having to play the pass a little bit, and that opened up the run for us."

2014 SEASON IN REVIEW

UMHB 72, TLU 16

Game 7 - Mary Hardin-Baylor
Oct. 25, 2014 - 1 p.m.

Bulldog Stadium - Seguin, Texas

SEGUIN, Texas -- Second-ranked Mary Hardin-Baylor turned a 6-3 early deficit into a 72-16 blowout of No. 17 Texas Lutheran, Saturday at TLU's Bulldog Stadium.

The Cru (7-0) defeated TLU (6-1) for the 15th time in 16 all-time meetings.

Saturday's match-up was the first between the two teams in TLU's new Bulldog Stadium and the first meeting with both teams nationally-ranked and undefeated.

TLU put together scoring drives of 52 and 69 yards on its first two possessions, but the Bulldogs settled for 40 and 23-yard field goals from Tyler Brandenburg.

TLU led 6-3 with 6:24 to play in the first quarter.

UMHB took the lead for good at the 4:15 mark of the first quarter, on a Duane Thompson six-yard scoring run.

From there, the Cru extended the lead to 59-6, scoring 56 unanswered points. Thompson scored four touchdowns in the first half alone, with TD runs of six, one, 26 and six.

UMHB led 45-6 at the half. The Cru compiled 441 yards on 42 plays in the opening 30 minutes.

UMHB quarterback Zach Anderson threw for 271 yards and two scores in the first half. He finished the day with 324 yards on 16-of-22 passing.

Cru receivers Marcus Wimby and Eric Nelson each went over the 100-yard receiving mark. Wimby caught seven for 120, and Nelson snagged three for 103.

Nelson scored a pair of TDs and had a 72-yard score on a tipped pass on which he was not the intended receiver.

TLU 34, Trinity 27

Game 8 - Trinity
Nov. 1, 2014 - 1 p.m.

Bulldog Stadium - Seguin, Texas

SEGUIN, Texas -- Texas Lutheran quarterback Trenton White threw for 294 yards and three touchdowns (two to Caleb Oliver) as the Bulldogs defeated the Trinity Tigers 34-27 Saturday in the Southern Collegiate Athletic Conference opener for both teams.

TLU improved to 7-1 overall and to 1-0 in the SCAC. Trinity dropped to 2-6 overall and to 0-1 in the SCAC.

The Bulldogs, the defending champions of the SCAC, won for the 16th time in the last 18 games.

White connected with Oliver on a pair of six-yard scoring tosses. Both plays came in the second quarter and gave TLU a 17-7 lead at the half.

"They packed the box, seven maybe eight guys at a time in the box," said Danny Padron, TLU's fifth-year head coach. "They forced us to throw the football. Trent did a great job of again taking what the defense is giving us."

Trinity seemed intent on stopping TLU's Marquis Barrolle, the leading rusher in all of NCAA Division III. Barrolle entered the game with 1,243 yards in seven games.

The Tigers held Barrolle to a season-low 84 yards on 21 carries. Barrolle scored on an eight-yard run in the third quarter. (He had a 16-yard TD run wiped out due to penalty in the first quarter). Barrolle also caught five passes for 17 yards.

With Trinity's focus on Barrolle, the Bulldogs were effective with play-action and with White on read-option keepers. White rushed for a career-high 75 yards on nine carries and threw to seven different receivers. He completed 26 of 36 attempts.

TLU 36, Austin College 24

Game 9 - Austin College
Nov. 8, 2014 - 1 p.m.

Apple Stadium - Sherman, Texas

SHERMAN, Texas -- Texas Lutheran overcame four turnovers and a quick 14-0 deficit in a 36-24 road win Saturday over the Austin College Kangaroos that secured at least a share of the SCAC Championship for the Bulldogs.

TLU, the defending champions of the Southern Collegiate Athletic Conference, improved to 8-1 overall and to 2-0 in league play.

The Bulldogs registered the university's 300th win in football. TLU also won for the 17th time in the last 19 games.

Austin College dropped to 5-4 overall and to 1-1 in the SCAC.

"We are proud of the victory, and again it was a complete team victory," said Danny Padron, TLU's fifth-year head coach. "We had to be able to rely on the defense, rely on the offense and rely on special teams."

"We didn't play our best ball game, but I think that is a tribute to Austin College and their coaches. They did a great job and got after our rear-ends. We didn't take care of the football, and it is a wonder we won. We turned the ball over four times, and you are not going to win many games like that."

TLU fumbled three times and threw an interception and watched the Kangaroos strike early with a pair of scores in the first 2:55 of the game.

Madison Ross rumbled 55 yards for a score at the 12:19 mark of the first quarter. TLU then fumbled on its very next play from scrimmage, giving AC the ball at the TLU 21. One play later, Austin College senior quarterback Noah Jesko hit Cooper Woodyard for a 21-yard TD.

TLU 41, Southwestern 14

**Game 10 - Southwestern
Nov. 15, 2014 - 1 p.m.
Bulldog Stadium - Seguin, Texas**

SEGUIN, Texas -- The Texas Lutheran Bulldogs claimed the outright Southern Collegiate Athletic Conference Championship for a second consecutive year, winning the 2014 crown with a 41-14 win Saturday over Southwestern University.

At Bulldog Stadium, the Bulldogs celebrated at their new football home with the second conference title in school history.

"It's just unbelievable really," said Danny Padron, TLU's head coach after winning his 30th game with the Bulldogs in five seasons. "We think we are able to do stuff, and then to have it happen is just a great feeling. We are full of gratitude for our seniors and the leadership that we have had. We have a great young football team and great young men that really demonstrate all the good things about Division III football. They represent well. We are tickled for them and very happy for them."

"We are very happy for our university and our community - the commitment they made to build our stadium. There are a lot of good things happening, so we are just full of gratitude. It's a blessing from the Lord."

TLU completed a 9-1 regular season and 3-0 conference run. But the SCAC does not have an automatic bid to the NCAA Division III playoffs. The Bulldogs must receive an at-large bid (either a Pool B or Pool C bid) from the NCAA Division III Football Championship Committee.

The selection show is set for 5 p.m. Sunday on www.ncaa.com. A link to the show will be available on www.tlubulldogs.com.

TLU has never advanced to the NCAA Division III football playoffs. The Bulldogs' last playoff appearance of any kind in football came back in 1976.

UMHB 27, TLU 20

**Game 11 - Mary Hardin-Baylor
Nov. 22, 2014 - Noon - NCAA 1st Round
Crusader Stadium - Belton, Texas**

BELTON, Texas -- With repeated Saturday weather delays making this NCAA Division III playoff game the longest contest in each schools' football history, the Texas Lutheran Bulldogs put together a Sunday upset bid of No. 2-ranked Mary Hardin-Baylor that fell seven points short.

TLU, 17th-ranked in the latest AFCA Coaches' Poll and playing in its first-ever NCAA Division III playoff game, dropped a 27-20 decision to the Cru at UMHB's Crusader Stadium.

"I'm real proud of our kids," said Danny Padron, TLU's head coach. "They played hard. It was the kind of game we wanted to play. You know, Mary Hardin-Baylor is a great football program -- great football team with great coaches. We were real proud of our defense. They did a great job of slowing them down and our offense kept the ball from them."

"We made some mistakes, and that's something you can't do against a good team."

Counting the repeated weather delays Saturday and the re-start on Sunday, the game lasted 25 hours, 39 minutes.

TLU, the back-to-back champions of the Southern Collegiate Athletic Conference, ends its 2014 season at 9-2 overall. Both losses came against UMHB.

The Bulldogs cut the UMHB lead to 27-20 with 1:36 to play in the game with a Trenton White five-yard TD pass to senior receiver Colby Ginn. The subsequent TLU onside kick was touched illegally by TLU, giving UMHB the ball in TLU territory.

The Bulldogs forced a UMHB punt and drove to the Cru

31 with three seconds remaining on the game clock. White hit Caleb Oliver for 19 yards and 16 yards to give the Bulldogs one final chance.

White's desperation pass as time expired was intercepted in front of the UMHB goal line by Kris Brown.

The Bulldogs' game plan of keeping the ball away from the UMHB offense nearly worked. TLU lost to UMHB 27-16 on Oct. 25 of this year in TLU's Bulldog Stadium.

In the second meeting, TLU dominated time of possession and total plays. The Bulldogs ran 99 plays to 35 for UMHB. The TLU time of possession hit 48:22. UMHB held the ball on offense for just 11:38.

Sophomore linebacker Darian Candler led the Bulldog defense with eight total tackles, including four tackles for loss (27 yards in losses). Senior defensive end Bryan Doolittle collected a sack of four yards.

TLU's playoff-game strategy relied heavily on the 5-4, 150-pound frame of sophomore running back Marquis Barrolle (DIII's third-leading rusher), the decision-making of White, and the power of a veteran offensive line, led by senior right guard Kendall Wilkerson and senior left tackle Matt Hochstrasser.

Barrolle broke his own school record for carries (46) with a whopping 50 against the Cru. He set a new SCAC record for most carries in a game.

Barrolle gained 224 rushing yards against a defense that came into the game allowing only 84 rushing yards total per game (14th in NCAA DIII).

TLU ALL-TIME FOOTBALL ROSTER

The list that follows on the next eight pages is a collection of players' names that have, at some time or other, appeared on a Texas Lutheran football roster. This is not a collection of lettermen, although many of these players did letter. Lettermen lists in the TLU football annals are scarce, particularly for the early years. What we have attempted to do here is compile a comprehensive list of all players who (at some point in their college journey) were members of the Bulldog football team. Additions, corrections and other bits of information are most welcome. Please email the TLU Sports Information Office (tclark@tlu.edu) with your information. Thank you.

THE NATIONAL CHAMPIONSHIPS - 1974 & 1975

The record books, the TLU Hall of Fame inductees and the two national championship trophies all validate the claim that the 1974 and 1975 Bulldog football teams are the best squads the school has ever produced. Blessed with an impenetrable defense, a quick-strike offense and a dashing and innovative head coach, the Bulldogs stormed to back-to-back national titles and in the process re-wrote record books and etched themselves forever in school history.

Led by Head Coach Jim Wacker, Texas Lutheran embarked on a magical run in 1974 with its first of six shutouts coming in a 30-0 rout of Tarleton State. For the Bulldogs, the average margin of victory in 1974 was 36 points. In that season, the Bulldogs scored 421 points (still the TLU mark for points in a season) and allowed only 44 (another active school record). Twenty-nine NAIA Division II records fell in the 1974 championship game, a 42-0 blowout victory over Missouri Valley.

Of the 20 team records in the school record book, the 1974 team still holds seven of the marks. In addition to the season scoring and season defense records, the 1974 'Dogs set the standards for season rushing yardage (3,610), total offense (5,020), rushing yards allowed per game (65.6), and total yards allowed per game (172.5).

Although not as prevalent in the records books as the 1974 squad, the 1975 Bulldogs accomplished what no other NAIA team to that date had done - repeat as a national champion. The '75 team averaged 285.2 rushing yards per game and limited opponents to just 111.3 yards a game. Pass defense was a specialty of the '75 squad, which still holds the school record for fewest passing yards allowed per game (125).

In the 1975 NAIA Championship Game, the Bulldogs rolled to a 34-8 victory. Quarterback Mike Washington accounted for three of the Bulldogs' scores. He scored on a 60-yard run and threw two touchdown passes to Brock Kalmbach.

Of all the players and coaches on the 1974 and 1975 teams, those now individually enshrined in the TLU Hall of Fame are: Washington, Wacker, Offensive Line Coach Verl "Jiggs" Westergard, Secondary Coach Ray Katt, defensive tackle Phil Dunne, defensive back Kevin Ott, fullback David Wehmeyer, linebacker D.W. Rutledge, defensive back Bill Miller, offensive lineman Jerry Ellis, and offensive lineman Carl Tolbert.

The entire 1974 team was inducted into the TLU Hall of Fame in 2014. The entire 1975 team will be inducted into the Hall in 2015.

HALL OF FAMERS

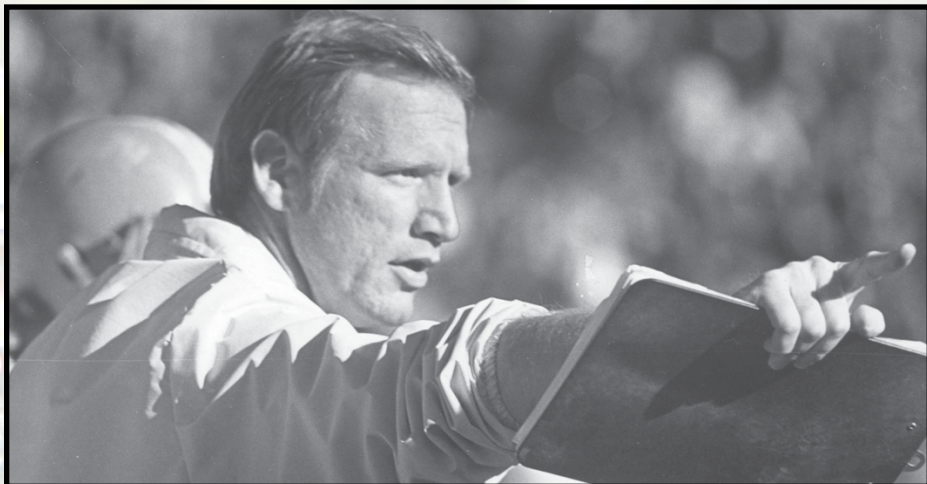

JIM WACKER

TLU Hall of Fame — Head Coach 1971-1975

The head coach in Texas Lutheran's 1974 and 1975 NAIA title runs was the great Jim Wacker. With boundless energy and enthusiasm, Wacker and his staff built the Bulldogs into a small college power. In his time with the Bulldogs, Wacker coached Texas Lutheran to a 38-16 mark and a record of 28-5 in his final three seasons in Seguin. Wacker holds the school record for best career winning percentage among football coaches (at .704). He shares, with volleyball coach Susan Duke, the Texas Lutheran mark for most national titles won, with two.

The Bulldogs of the Wacker era set numerous school records for career, season and single-game feats. Today, 23 records from those Wacker squads still stand, including a school-record 17-game winning streak that stretched from 1973 to 1975. Wacker's Bulldogs were also prominent members of several All-America squads. Walter Bartosh, Phil Dunne, Jerry Ellis, Joe Froelich, Willie Gipson, Royce Johnson, Dennis Ortmann, Kevin Ott, Jim Perdue, D.W. Rutledge, Bobby Sagebiel, Walter Ulbricht, Mike Washington, and David Wehmeyer all earned All-America honors while playing for Jim Wacker.

Wacker departed Texas Lutheran after the 1975 championship victory over California Lutheran and went on to successful coaching stays at North Dakota State, Southwest Texas State, Texas Christian and Minnesota. He went 42-8 in four years at Southwest Texas and won two NCAA Division II national titles with the Bobcats. From 1974

to 1982, his win-loss record was 88-18-01. During this nine-year period, he was the winningest college football coach in the nation.

At Texas Christian, Wacker took a Horned Frogs program that was 17-90-3 in the previous 10 seasons and turned it into a bowl team. TCU went 8-3 in the 1984 regular season and earned an invitation to the Bluebonnet Bowl. Wacker was named the 1984 National Coach of the Year by The Sporting News, UPI and ESPN. Wacker was also the recipient of the American Sportsmanship Council's Bobby Dodd Coach of the Year Award. Wacker and his staff doubled the graduation rate during nine seasons at TCU and earned the CFA Award for Academic Excellence for a 100 percent graduation rate in 1991.

At Minnesota, Wacker's Golden Gophers set Academic All-Big 10 records for academic all-conference selections as Minnesota led the Big 10 for three consecutive years in academic all-conference honors. Wacker completed his coaching career in 1996 with a career mark of 160-130-3.

Coach Wacker died in August of 2003 after a bout with cancer. TLU honored the Wacker family at the 2003 Homecoming game. The Bulldogs dedicated that victory and their entire 2003 season to Coach Wacker and the Wacker family. TLU players wore "JW" stickers on their helmets throughout the year.

MIKE WASHINGTON

NAIA & TLU Hall of Fame—Quarterback 1973-1976

The caption under his Texas Lutheran Hall of Honor plaque describes Mike Washington as, "One of the most gifted athletes ever to play for Texas Lutheran." It is a bold but entirely accurate statement for the player who guided the Bulldogs to back-to-back national championships in 1974 and 1975 and to a national semifinal appearance in 1976.

Washington was an NAIA All-America quarterback in each of those three seasons. In 1976, he was named NAIA Offensive Player of the Year.

The Austin native and Austin Johnston High School graduate was a four-year letterman at Texas Lutheran. During his career at the university, the Bulldogs posted a 39-5 win-loss record. Washington amassed 5,276 yards of total offense in four years at Texas Lutheran, and he scored 40 touchdowns and passed for 27 more. His 40 rushing touchdowns and his 67 total touchdowns responsible for remain school marks. Team records achieved in the Washington era for season total offense (total yards), season rushing yards (total and per game), and scoring (total points) still stand to this day in the Bulldog record book.

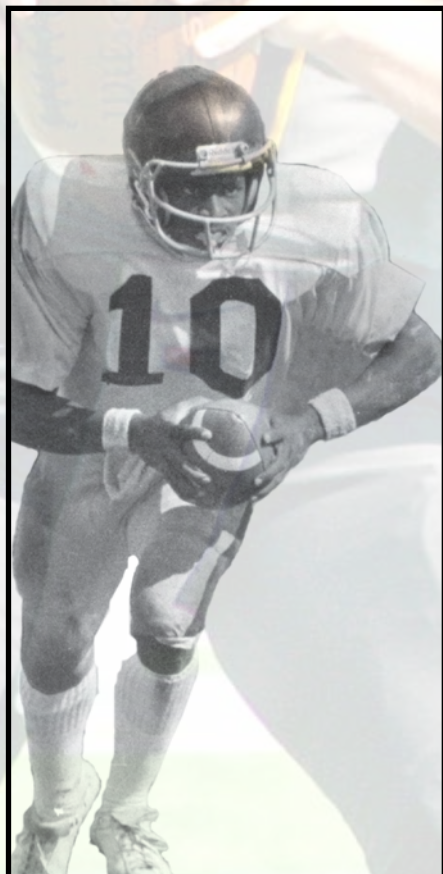

At the end of Washington's collegiate career, Texas Lutheran retired the No. 10 jersey as a sign of appreciation for his contributions to Bulldog athletics. The Bulldogs' offensive player of the year award is now called the "Mike Washington Most Valuable Player Award."

"Mike is the finest athlete I've ever coached," said Jim Wacker, Washington's coach at Texas Lutheran. "He was the most exciting veer quarterback I've ever seen play the game. He was undoubtedly the catalyst for our two national championships. It was a great privilege to have coached such a fine young man. He was truly an outstanding competitor."

Washington was elected to the NAIA Hall of Fame on Oct. 17, 1984. He was officially inducted in the Hall on Jan. 9, 1985 in Nashville, Tenn., at the NAIA Hall of Fame induction ceremony.
