This application must be completed and returned to the Trademark Licensing Office before creation of your products.

University Departments or Organizations using names, logos, seals, and/or symbols of the University of Northern Iowa in any commercial venture, whether fund-raising or promotional, are required to seek prior approval from the Licensing Office. Products sold or given away bearing the trademarks of the University and the names or logos of a University Department or Organization, for the sole benefit of the Department or Organization, are both exempt from the royalty fee charged for commercial ventures. These products, however, must be purchased from licensed vendors whenever possible. The following waiver form must be completed and signed by the appropriate representative of the Department or Organization and the Licensing Administrator prior to initiating the project.
