Three teams that placed in the top 20 at the 2013 NCAA Division I Wrestling Championships are part of the Panthers’ 2013-14 home schedule that includes eight home meets.

“We want to have the opportunity to be in front of a home crowd,” said head coach Doug Schwab. “Last year, we lost some dates when we switched conferences. I like our home schedule. I like our schedule overall. There are some other teams I would like to see included, and we will continue to work on those and get top 10 teams in the West Gym.”

TOURNAMENTS
UNI will head to Las Vegas, Nev., for the Cliff Keen Invitational in Las Vegas, Nev. Medal winners Ryan Loder, Levi Wolfensperger and Cody Caldwell all return this year to help improve on last year’s eighth place finish.

“We will be going back to some of those premier tournaments like Midlands and the Las Vegas invite,” Schwab said. “I like how they were run. They do a great job, and it’s good for our guys to get in that competition early and on be able to make a name for themselves.”

The team placed 13th at Midlands last year. Both Panthers who medaled will return. Loder took fourth at 184 pounds, and Joey Lazer was seventh at 141 pounds.

HOME STRETCH
Wisconsin will visit Cedar Falls early in the season, and the UNI Open will break up a long stretch on the road. However, the Panthers will end their regular season with the bulk of competitions at home.

“We want people to get used to coming to the West Gym. We want to make it an environment they are excited about, and I think we can do that.”

WHAT’S AHEAD
The Panthers return one All-American and two other NCAA national qualifiers with Ryan Loder, Joey Lazer and Levi Wolfensperger. The trio combined with David Bonin to lead the team to its highest finish since 2005, placing 15th. Bonin, who graduated, and Loder became Schwab’s first All-Americans since he was hired as UNI head coach for the 2010-11 season. Schwab is entering his fourth season with the Panthers.

Since Schwab has taken the helm at University of Northern Iowa, the Panthers have jumped from 46th to 15th place at the NCAA Division I Wrestling Championships and continue to recruit the top wrestlers in the nation.

Win over No. 13 Oklahoma (18-15) and No. 21 Northwestern (21-13) in the same week recruit the top wrestlers in the nation.

“We want to make sure we are prepared for the MAC and nationally. Those high-end teams make us rise to the occasion,” said head coach Doug Schwab.

PANTHERS EARN MAC HONORS
On Feb. 13, 2013, Ryan Loder, 184 pounds, became the first UNI wrestler to be named MAC Wrestler of the Week. Jarrett Jensen, 165 pounds, earned a spot on the Academic All-MAC Wrestling Team. His 3.93 GPA was the highest on the all-MAC team. Jensen is a biology major.

THE MAC AT NCAA TURKEY
The MAC was allocated 30 spots for the NCAA DI Wrestling Championships. The conference granted another 10-at-large spots. Out of the 40 qualifiers, 11 MAC wrestlers earned All-American honors in last year’s NCAA national tournament. Central Michigan seniors Ben Bennett and Jarod Trice earned All-America status, and Bennett became the first wrestler in Chippewas history to become a four-time All-American.

Kent State’s Dustin Rigoire became the first Kent State four-time All-American, and a Big Ten followed suit. Northern Iowa’s Ben Bonin and Loder also earned All-American honors. Also, Ohio redshirt freshman Cody Walters earned All-America honors.

Dr. William N. Ruud, Bill, as he prefers, began serving as the 10th president of the University of Northern Iowa on May 31, 2013. Listening and learning were integral to his start at UNI, as he focused on building relationships with faculty, staff, students, alumni and numerous community and state leaders. He engaged with the campus and community to determine the priorities of increasing student enrollment, converting state appropriations to permanent base funding and continuing UNI's fundraising efforts.

President Ruud is a member of the Greater Cedar Valley Alliance Executive Board, a regional economic community development corporation, the Governor's STEM Advisory Council Executive Committee, a statewide initiative aimed at increasing students' interest and achievement in STEM subjects, improving access to STEM educational opportunities, and at recruiting and retaining STEM teachers.

Dr. Ruud is a member of the Iowa Business Council, a nonpartisan, nonprofit statewide organization leading efforts in technology innovation, and in enhancing Iowa's commercial infrastructure. Nationally, President Ruud is Iowa's representative to the American Association of State Colleges and Universities organization whose members share a dedication to research and creativity to advance higher education.

Prior to his UNI appointment he served as the 15th president of Shippensburg University of Pennsylvania. President Ruud has served in various leadership capacities at colleges and universities in the U.S. He has used his wealth of experience to lead universities to academic excellence and achievement, as well as ensure that they fulfill their essential role in the region and state.

Ruud began his academic career teaching business courses at Northwestern Louisiana State University in 1978. From 1979-1981 he conducted his research in leadership assessment at the U.S. Army Research Institute; he also taught management theory and organizational behavior courses at Central Michigan University from 1980-1981. From 1981 to 1993 he served at the University of Toledo. He taught business and ethics courses and was tenured in 1987. He coordinated the MBA program, served as Associate Vice President for Student Affairs, and eventually served as Interim Dean of the College of Business Administration. In 1993, he was appointed Boise State University Dean of the College of Business & Economics, and promoted in 1998 to the Vice President for Institutional Advancement. At Boise State he was selected as Administrator of the Year, completed a $12.5 million campaign for a new engineering facility, established faculty fellowships, and created endowments to support student research.

From 2000-2003 he served as the Chief Education Policy Advisor for the Office of Governor Dirk Kempthorne, State of Idaho. He worked with the State Department of Education and State Board of Education on all pre-K through higher education issues.

In 2004, Ruud was named Vice President for Development/University Relations at California State University, Stanislaus. He achieved record fundraising levels, doubled membership in the alumni association, raised more than $10 million for student scholarships, and increased community partnerships.

In 2007, Ruud became president of Shippensburg University of Pennsylvania, a comprehensive regional university. During his presidency, the university completed a successful reaccreditation (with commendation) by the Middle States Commission on Higher Education in 2009, implemented a facilities master plan in conjunction with the university's strategic plan, and led the university's development of an Academic Master Plan. The University also increased enrollment, experienced double-digit increases in student applications—including an increase in applications from minority students—and consistently had the highest graduation rate (seven years in a row) in the Pennsylvania System of Higher Education.

Ruud serves on the editorial board of the Journal of Leadership & Organizational Studies, and has published numerous scholarly articles on business, ethics, organizational communication, and business education pedagogy. He continues to conduct research on institutional leadership and organizational behavior topics.

President Ruud earned a Bachelor of Science degree in Public Administration and Hospital Administration from the University of North Dakota. He earned a Master's degree in Business Administration and a Doctorate degree in Organizational Behavior from the University of Nebraska-Lincoln.
From Minnesota in 2003. He returned to Minnesota and completed a second titles and a national championship in the Greco-Roman category. Schwab was and capturing four state titles. Schwab also earned three Junior National Freestyle team and won a bronze medal for the U.S. team at the World Cup event in Ulan what was called the World's Toughest Tournament in Tiblissi, Russia. Schwab earned a bachelor's degree from UNI in 1991 and a master's degree industrial technology. As a prep at Osage, Schwab was nearly flawless, winning 106 of 107 matches in what was called the World's Toughest Tournament in Ulan Bator, Mongolia. Injuries and illness kept Schwab off the mat for more than a year, but Schwab earned his second All-American honor as a senior. For Pugh, the biggest change from competing on the mat to coaching his wrestlers and sets very high standards, which fits in very well with the mentality of our staff. He is a very demanding coach but deeply cares about each wrestler. Thompson was the strength and conditioning coach at Nebraska before joining the Panther staff as the team’s conditioning specialist in the 2002-03 season. He was a member of the Panthers’ coaching staff during the 1999-2000 seasons as a volunteer assistant and resumed that role in 2011. “The big thing Tolly brings with him is the winning mentality,” UNI head coach Doug Schwab said.

He wants to get the most out of our wrestlers and sets very high standards, which fits in very well with the mentality of our staff. He is a very demanding coach but deeply cares about each wrestler.

Thompson earned the 2005 John Smith Award as the Freestyle Wrestler of the Year by USA Wrestling. Thompson won the 2005 and 2006 U.S. World Team Trials to represent the United States at the World Championships. He placed third at the 2005 World Championships (120/264.5 lbs.) in Budapest, Hungary and was a previous member of the USA wrestling Freestyle National Team. After waiting nearly six hours after his first-round loss, Thompson won three straight matches in his first trip to the World Championships to claim his first World medal. He capped his medal-winning performance with a 1-0, 1-0 win over past 1997 World champion Kuramagomed Kuramagomedov of Russia. Thompson’s rally to the bronze propelled the American to an eighth-place finish in the freestyle competition. Overall, the U.S. team ended the competition following his All-American bid. In a best of three series, Thompson was defeated by Kerry McCoy 5-3 and 4-0, finishing his 2004 Olympic run with a second-place finish.

In 2003, he placed second at the U.S. Open and World Team Trials. Thompson also was the 2002 Sunkist International Open champion and the New York Athletic Club champion. In his quest to qualify for the 2000 Summer Olympics, he was defeated at the team trials in the semifinal round by world and national champion Stephen Neal of Bakersfield, Calif. During his collegiate tenure, he compiled a career record of 157-21 from 1993 to 1997 as a Husker. His 157 wins once placed him on the NCAA’s all-time wins list. As a Husker, he became Nebraska’s sixth national champion as a sophomore in 1995 by defeating UNI’s Justin Greenlee. He finished third at the 1996 and 1997 championships while also winning the Gorrarian Award for the most falls in the least time.
