Media Information

►Media Credentials

Requests for hockey credentials for Union College home games at Messa Rink must be made at least three days in advance by contacting Jeffrey Weinstein, at 518.388.6377 or via email at weinstej@union.edu

Working press box credentials shall be issued only to accredited newspapers, magazines, radio and television reporters. Press credentials will be held for pickup the night of the game at Will Call inside Messa Rink.

Union College reserves the right to accept or reject credential requests at any time. This pass is exclusive to the person to whom it was issued. It will admit only that person to the game(s) specified and is non-transferable. Press credentials are required for entry into the Messa Rink press box. There are no exceptions.

►Press Box

Union College's press box is located on the North end of Messa Rink, and is accessible via the stairs located directly underneath the area. The press box is a working area. Vulgarity, profanity and cheering are prohibited at all times. Any behavior deemed unprofessional by Union College staff will result in removal from the game. Any abuse of working media credentials will be grounds for removal from the press box.

►Press Box Services

The Union Sports Information Department will provide line charts, weekly notes, programs, scoresheets and statistical releases prior to the game. Game statistics, shot charts and out-of-town scores will be provided between periods and at the conclusion of the game.

►Photography

Photo passes are limited to team photographers, daily newspapers, student newspapers and wire services. All requests for photo passes must be made to Jeffrey Weinstein at least three days prior to the scheduled game.

►Interviews

Coach Rick Bennett is available for telephone interviews with the media during the week. Please contact Jeffrey Weinstein to arrange the interview at least one day prior to the request.

Pre-game interviews with the coaches and players must be arranged through the SID at least three days in advance. Following home games, Coach Bennett and Union College players will be available for a post-game press conference in a designated area approximately 10 minutes after the conclusion of the game. All post-game interview requests must be made through the Union College Sports Information Department in the press box prior to the final three minutes of the game. The interview area is located downstairs in the Garnet Blades Room unless otherwise notified.

Union College maintains a strict closed locker room policy for the entirety of its season. Access to the varsity locker room and coaches' offices is limited to the players, coaches, and named Athletic Department staff.

Player interviews will not be allowed unless scheduled by the Sports Information Department. Academics are the top priority at Union College. An interview will be arranged at a time that will not interfere with the student's academic schedule. It is the policy of the Union College Athletic Department that neither a student-athlete's telephone number nor email address will be released to the media.

►Radio

Messa Rink has one phone line available for two opponents' student radio station and one phone line available for opponents' commercial station. Please note that neither of those lines are located in the press box. All visiting radio stations must request space no less than one week prior to the game. All calls must be made through the station's credit card or by dialing an 800 number.

►Union on the Radio

All Union men's hockey games excluding exhibition games are broadcast on WABY-AM 1160; VKZ-AM 1240. Listen to Matt DuBrey, "the voice of Dutchmen hockey" call the action with in-depth analysis from Brian Unger '93.

►Union on the Web

Union College's official athletics website is: UnionAthletics.com
The site features information on all Union athletic teams and provides webcasts of all men and women's ice hockey games.

Fans can follow the radio broadcast of all games on teamline.cc and searching "Union College"

►Union on Television

Five home men's hockey games are scheedled to be televised this season on Time Warner Sports, which may be found on Time Warner Cable channel 3 in the Capital District.

Troy Grosenick made his first career start against Connecticut last season.

Season Outlook

Of all the Division I college hockey programs in the nation, few have consistently improved over the past five seasons as much as Union College. An influx of talent on the ice and behind the bench has helped Union become a part of the national landscape, culminating last season in the program's first Cleary Cup championship and first appearance in the NCAA Tournament since moving up to Division I in 1991. Few have had a bigger role in Union's rise to prominence as head coach Rick Bennett, who became the 15th head coach in program history on April 22, 2011.

Bennett, who was Nate Leaman's primary assistant coach for six seasons, and previously served an assistant at Providence for five seasons, is excited to lead the program that he has been instrumental in building as Union's top recruiter.

"In my eleven years as an assistant coach, I've taken bits and pieces from those that I've worked with," Bennett said. "I imagine I'll go through a learning curve as a first year head coach, but I have excellent assistants in Joe Dumais and Jason Tapp, and a great volunteer assistant in Joel Beal, the first former Union player back coaching with the team in eight seasons. The best thing that I can do is have the guys prepared to play every night, and I have no doubt that this staff will have the ability to do that. We're trying to establish tradition here and I think the biggest message to the guys after last season will be 'Don't be complacent'"

The Union College men's ice hockey team became the talk of the Capital District in 2010-2011. Union set school records for overall wins (26) and conference wins (17), finishing 14-1-1 in their final 16 regular season games to clinch their first ECAC Hockey regular season title. The run included a win over No. 1 Yale in front of a standing room-only crowd at Messa Rink on January 28, 2011, and saw the Dutchman rise to No. 4 in both national polls. While Union led the nation in power play efficiency at 29.5%, and had the country's seventh-best scoring offense, its defense, mentored by Bennett, was equally impressive. Union finished second in the nation in scoring defense, allowing just 2.10 goals per game, and held opponents to two or fewer goals in 24 of its contests.

With six of its top seven point scorers from last season returning, as well as five of the six defensemen who took the ice against Minnesota-Duluth in the NCAA Tournament last March, the Dutchmen are poised for another memorable season in 2011-12. The bar has been set higher and 18 letterwinners return poised to cement Union's place among the national elite in college hockey.

Up Front

One of the better indicators of Union's recent success has been the growth of its offense. Over the past four seasons, Union has steadily risen in the national scoring ranking from 49th in the country (79 goals, 2.26 goals per game) in 2007-08, to 28th (111 goals, 2.85 goals per game) in 2008-09, to eighth (134 goals, 3.44 goals per game) in 2009-10, and to seventh (144 goals, 3.6 goals per game) last season. In 2010-11, the Dutchmen broke the team single-season scoring record, recording three or more goals in 26 games with a 22-2-2 record in those contests.

While it will be difficult to replace the six forwards that graduated in 2011, including Adam Presizniuk, the program's all-time leading scorer, Union will feature another formidable group of forwards in 2011-12. Leading the unit will be senior forward Kelly Zajac, who led the team in scoring last season with 42 points (13 goals, 29 assists) in 40 games. Junior forward Jeremy Welsh (16 goals, 27 assists) returns along with sophomores Daniel Carr (20 goals, 15 assists) and Josh Jooris (nine goals, 23 assists), a trio that formed one of the most potent line combinations in ECAC Hockey last season.

"I think the depth of our forwards will be a strength of our team this season," Bennett said. "We have 16 forwards this year, and while you don't know exactly how the freshmen will do, it will definitely be a strength of our team. I expect a lot of leadership from the forward group from Kelly Zajac and Jeremy Welsh, paving the way for the offense as well as Wayne Simpson. We've seen glimpses of Wayne playing great, and I think he can be a guy that can take it to the next level."

The Defense

Union has consistently fielded a stout defensive corps since Bennett joined the program in 2005-06, and last year's unit was no different. The Dutchmen featured the nation's second best scoring defense at

2.10 goals allowed per game, and held opponents to two or fewer goals in 24 of 40 contests. It marked the fourth consecutive year that Union allowed under three goals a game, and the sixth time in program history that they've accomplished that feat, five of which occurred with Bennett coaching the defense.

Last year's unit featured two upperclassmen and just one senior, Brock Matheson, who earned a Second Team All-ECAC Hockey selection and whose leadership will be missed. But the bulk of Union's record setting defense returns for 2011-12, a group that will be led by senior captain Nolan Julseth-White as well as sophomore Mat Bodie. Bodie, an ECAC Hockey All-Rookie Team selection, shattered Mike Schreiber's ('10) school single season records for points and assists by a defenseman by recording 32 points (six goals, 26 assists) in 40 games last season.

"With our defensemen, we have a lot of guys returning who made an impact last season," Bennett said. "Julseth-White along with Greg Coburn, Shawn Stuart and, and Ryan Forgaard are all upperclassmen who saw significant ice time, and we will rely on them again. I think Taylor Reid will also have a chance to provide leadership for our defense. Mat Bodie obviously had a dream season last year, and we'll look to him again as one of our top puck moving defenseman."

Between the Pipes

The future is now concerning Union's goaltending corps for the 2011-12 season, as three underclassmen will battle for the starting position in fall camp. Sophomore goaltender Troy Grosenick, who was a USHL All-Star in 2009-10 for the Cedar Rapid Rough Riders, returns after appearing in three contests last season. Grosenick posted a 0-0-1 record with a 2.12 goals-against average and .897 save percentage. Joining him will be freshman goaltenders Colin Stevens and Dillon Pieri.

"When you look back at last season, a big reason why we were successful was that we didn't have too many soft goals," Bennett said. "Assistant coach Jason Tapp has done a phenomenal job working with our goaltenders. This season we'll need our goalies to continue to be strong for us on a nightly basis."

Pieri played for the Boston Advantage Hockey Midget Major Club after a standout prep career at The Rivers School in Weston, MA. In 34 games played with Boston Advantage, Pieri compiled a record of 13-12-6 with a 3.30 goals against average and .907 save percentage with four shutouts. Stevens, a local product out of Niskayuna, was a standout goaltender for the Boston Junior Bruins of the Eastern Junior Hockey League and also spent time with the U.S. National Development Under-18 Team. In 29 games with the Junior Bruins last season, Stevens compiled a record of 24-3-0 with a 2.41 goals against average and a .926 save percentage.

"Everywhere Colin has been he has had success," Bennett said. "He provides size in net and athleticism to go along with a great work ethic. Colin rounds out a great goaltending corps with Dillon and Troy."

Special Teams

The Dutchmen improved in virtually every team statistical category, but saw perhaps the biggest jump in the play of their special teams. Union's record-breaking offensive season had plenty to do with the consistent excellence of their power play unit, which led the nation with a 29.5% efficiency rate and 51 power play goals, the most in program history. Leading the unit was sophomore Daniel Carr, who finished second in the nation with 12 power play goals, setting a school single-season record in the process.

A trademark of Union hockey has been disciplined play, and that trend continued in 2010-11, as Dutchmen were one of the least penalized teams in the nation. Still, the penalty kill unit improved from 79.6% in 2009-10 to 82.8% last season. Bennett will have to find replacements for two of his best penalty killers, Justin Pallos and Andrew Buote, who graduated in the spring.

"We lose something with all of our seniors in all the roles that they played, whether it be Adam (Presizniuk) or Luke Cain on the power play, or Justin Pallos and Andrew Buote on the penalty kill," Bennett said. "Last year our consistency on special teams helped us win games. Obviously we will look for new guys to step up in different roles. Two guys we'll look to from the forward group will be Kevin Sullivan and Kyle Bodie. On defense we'll look to Greg Coburn and Mat Bodie as well as Shane Gostisbehere to help maintain our consistency."

The Schedule

Looking towards the 2011-12 campaign, the Dutchmen will play 34 contests against 10 non-league opponents and the 11 members of ECAC Hockey. Before the New Year, Union will play five non-conference road games against teams that made the 2011 NCAA Tournament - New Hampshire, Michigan, Merrimack, Denver, and Colorado College. Union will take part in a non-conference game against Rensselaer at Herb Brooks Arena in Lake Placid for the second consecutive season on Dec. 10.

In all, the Dutchmen will play 20 contests away from Schenectady this season, while hosting 14 games at Messa Rink, beginning with the home opener on Oct. 14 against Western Michigan.

"We have a challenging schedule this season with a lot of travel early on, which will be a great test for our team," Bennett said. "We have great opportunities to pull off some wins, and I think going into places like Michigan and UNH will make us a better team. In order to be considered one of the best, you have to play your best on the road, and this schedule allows us the opportunity to do that."

Union's success last year included a 2-1 win over RPI on November 12 in which the Dutchmen debuted a third jersey.

HEAD COACH
RICK BENNETT

Since stepping foot on the Union College campus, Rick Bennett has helped mold the Dutchmen into one of the top defensive teams in ECAC Hockey. Now he will have a chance to lead Union in a different capacity, as the 15th head coach in program history.

Bennett was named the head men's ice hockey coach on April 22, 2011 by Union Director of Athletics Jim McLaughlin. Bennett has served the Union program since 2005-06 and had been Associate Head Coach since the 2007-08 season.

"We are extremely fortunate to have someone like Rick Bennett step in to take over the men's hockey program at this time," said President Stephen C. Ainlay. "We know he expects the same type of commitment from the scholar-athletes he coaches and recruits, and will continue the success our students have enjoyed on the ice, in the classroom and in the community."

"Rick has done a truly remarkable job in recruiting and developing the student-athletes of the Union men's ice hockey program," said McLaughlin. "Rick had an outstanding playing career at both the collegiate and professional levels, ending up as a Hobey Baker Finalist in his senior year, and spending time with the New York Rangers in the NHL. He has recruited eventual All-Americans, Academic All-Americans, ECAC Scholar-Athletes, and other well rounded, extraordinary individuals to our campus. He has played a significant role in the rise of this program over the last five years. We look forward to him continuing our successes as he takes over our program."

First Season as Head Coach
Seventh Season at Union College
Providence '90

"I am very pleased to receive this opportunity," said Bennett. "Union College is a special place and it has been an honor to be a part of this program as we have developed it not only regionally in our league but also nationally. We bring in the finest young men to the college, and these individuals have brought us to where we are today. I appreciate Jim's confidence and support and look forward to serving as the head coach of this prestigious and historic program at Union College."

Union set school records for overall wins (26) and conference wins (17) en route to the school's first Cleary Cup (ECAC regular season title) and first NCAA Division I tournament berth. The Dutchmen went 14-1-1 in their final 16 regular season games to clinch the league title. Union led the nation in power play efficiency with a 29.5%.

Highlighting the 2010-11 season's accomplishments, Union allowed just 2.10 goals per game, and was second in the nation. The team allowed two or fewer goals in 24 of its games. Last season, Bennett mentored one of the top defensive teams in the ECAC, as Union allowed just 84 goals in 40 games, and posted the best goals-against average in team history (2.10).

Playing a key role in the latter statistic was sophomore goaltender Keith Kinkaid, who was voted an Old Time Hockey First Team All American, just the second Union player to be so honored in the school's Division I history.

In 2007-08 the team posted the second lowest goals-against average in team history (2.56). In 2009-10, Bennett mentored one of the top defensive teams in the ECAC, as Union allowed just 100 goals in 39 games.

#Interim coach from January to February, 1978
^1991-92 was Union's first Division I season

In 2007, Bennett guided the United States' Team Blue to the championship of the U-17 Three Nations Tournament, held at the ESL Sports Centre in Rochester, N.Y. from August 14 through 18. His team compiled a 3-1-0 record throughout the tournament, while outscoring opponents, 24-8. Bennett also served as a coach at the U.S. Select 16 National Festival in Rochester, NY, in the summer of 2005.

Before joining the Union coaching staff in 2005, Bennett spent five years as an assistant coach at Providence. His first two years with the Friars he worked with the defense and then worked with the forwards his final three seasons. During his tenure Bennett also coached the team's power play, handled team travel, recruiting, and academics.

Bennett was named to the Providence College Athletics Hall of Fame last fall. He enjoyed a standout career as a student-athlete at Providence, where he was best recognized for his versatility. In his years at PC, the powerful left wing played center, played defense, played on the power play and killed penalties. The culmination of years of hard work and dedication led Bennett to be a 1990 Hobey Baker Finalist.

A former Friar co-captain, Bennett earned Second Team All-HOCKEY EAST honors in 1990. In 1987, he was named to the HOCKEY EAST All-Rookie Team. He was a two-time winner of the Lamoriello Trophy as Team MVP for Providence. In 1989, he tallied 46 points and was named Second Team All-American. He graduated with a Bachelor of Arts degree in general studies.

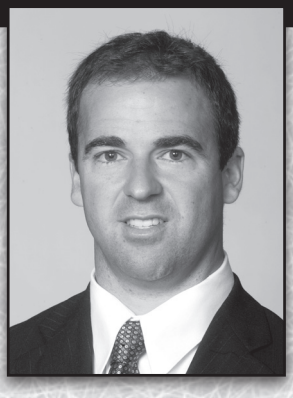

Bennett was a third round draft pick of the Minnesota North Stars in the 1986 NHL Entry Draft and was traded to the New York Rangers his junior year at Providence. From 1990-93, he played for the Binghamton Rangers of the AHL and saw action in 15 games for the New York Rangers. After leaving Binghamton, he spent two seasons with the Springfield Indians of the AHL and played his final four seasons of professional hockey (1995-99) for the Jacksonville Lizard Kings (ECHL) and the Pee Dee Pride (ECHL). In addition to playing for the Lizard Kings and the Pride, Bennett also served as an assistant coach for each team for four years.

ASSISTANT COACH JOE DUMAIS

Joe Dumais comes to Union after spending the past three years as the assistant coach at the University of Connecticut.

"With Joe joining our staff we are very fortunate to have one of the best young recruiters in college hockey," said Union head coach Rick Bennett. "His experience in all areas of the game will be beneficial with our specialty teams."

Dumais' playing career at Quinnipiac spanned from 2002-2006 where he graduated with a bachelor's degree in sociology. As a member of the Bobcats, he was named team captain during his senior season.

He received numerous awards and was a member of the Student Athletic Advisory Committee. After graduation, Dumais attended Ohio University where he earned a master's of science in recreation and sport sciences with a focus on coaching education. Also during his year at Ohio, Dumais served as an assistant coach for its men's ice hockey team.

Dumais gained more coaching experience after graduation in June 2007 as he was an assistant coach of the Mahoning Valley Phantoms, a member of the North American Hockey League, Tier II Junior A.

He also was the head coach of the Phantom Fireworks Midget AAA team. With the Phantom Fireworks, Dumais took on the role of head recruiter, organized, managed the team budget and travel schedule and helped to recruit the entire team for the 2007-08 season. During this year, the Phantom Fireworks were named 2007-08 Ohio State Champions, Mid-American Champions and took part in the 2007-08 national tournament.

Dumais played with the Columbia Inferno from February to May of 2008 before joining the staff at Connecticut. The Inferno is affiliated with the Toronto Maple Leafs as a member of the ECHL.

STUDENT MANAGER/ VIDEO COORDINATOR PHIL COHN

Phil Cohn enters his third year as student manager/video coordinator with the men's ice hockey team. In his role with team, Cohn is responsible for setting up and breaking down game film during live play, compiling game and scout videos for the coaching staff, and assisting the head equipment manager, among other duties.

Cohn, a junior at Union, is a computer science major with a minor in history, and was awarded the Union College Presidential Scholarship. He played two years of varsity ice hockey at Westfield Senior High School in Westfield, NJ, where he was a member of the National Honors Society.

COORDINATOR OF HOCKEY OPERATIONS DAN GREENE

Dan Greene joins the Union staff after graduating from the college with honors in 2011. During his four years at Union, he was heavily involved with the men's ice hockey program as sports editor of The Concordiensis, the student newspaper of Union College. Greene also served as the sports director of WRUC 89.7 FM, the Union College student radio station.

Dan has previously worked for the Union College Athletic Department as a student representative on the Athletics liason committee, and as an intern in the Sports Information office. He also has worked for the Albany Devils in their Public Relations department. Greene was a member of the Union College Club Ice Hockey Team, serving as president and team captain in his senior year. He played four years of varsity ice hockey at Yorktown High School in Yorktown, NY, and played travel hockey for the Westchester Vipers.

ASSISTANT COACH
JASON TAPP

Jason Tapp joins the Union hockey coaching staff after serving as a volunteer assistant with the Dutchmen for the past two seasons as the goaltending coach. Under Tapp's guidance in 2010-11, sophomore Keith Kinkaid became the second Union goaltender to earn AHCA All-American First Team honors.

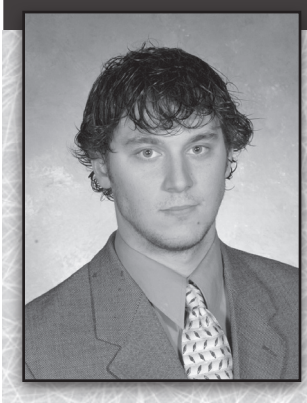

"We are extremely excited to have Jason join our staff," Bennett said. "As a former college goalie his knowledge and passion for the position will help tremendously this upcoming season."

Tapp, a native of Kelowna, British Columbia earned a four-year scholarship to Boston University, where he played from 1998-2002. He graduated in 2002 with a degree in United States history.

Tapp's pro career began in Europe with the Nijmegen Tigers of the Dutch Superliga. He then moved back to the United States for a six-year pro career that concluded in 2009 with the Kalamazoo Wings of the IHL. He was twice named to the UHL All-Star team as a member of the Quad City Mallards. He holds two Quad City records for most minutes played in a season along with games started in a row (33). He also holds a record for most games played in a single season for the Corpus Christi Rays of the CHL where was also named team MVP.

Jason lives in the Capital District with his wife Nicol and their daughter Ella.

VOLUNTEER ASSISTANT COACH
JOEL BEAL

Former Union student-athlete Joel Beal '05 joins the men's ice hockey coaching staff as a volunteer assistant coach this season.

Beal has spent the last two years coaching two teams. He has served as the assistant coach of the Varsity Prep League team at Albany Academy. Beal led recruiting efforts and worked with the forwards and power play units on a daily basis. He also helped monitor the off-season and pre-season training regimen and coordinated in-season video work. Beal also served as the Head Coach of the Troy Albany Youth Hockey Minor Midget AAA team.

After graduating in from Union in 2005, Beal spent three years coaching various youth hockey teams and running summer camps with the Schenectady Youth Hockey Association.

A four-year letterwinner at Union, Beal recorded 101 points (27 goals, 74 assists) in four seasons with the Dutchmen. A native of Brantford, Ontario, Beal is one of 19 student-athletes to reach 100 points in the history of the men's ice hockey program. As an assistant captain in 2004-05, Beal lead Union to its first regular season sweep of Rensselaer, and its first playoff win in nearly 11 years. He holds the school single-season assists mark (matched by Kelly Zajac in 2010-11) after recording 29 assists in 2002-03, and he is second on the career assists list.

He currently resides in Delanson, NY.

"Having the opportunity to be part of Union College Hockey was a high point of my college experience and was responsible for many fond memories. Upon returning to Union after 13 years, I was inspired by the enthusiasm of current players, the dedication of the coaching staff, and the efforts of the Garnet Blades organization and members to carry the tradition. Many of us take for granted the friendships we make along the way, and I feel fortunate to have the opportunity to reunite with teammates, friends and family with whom I have shared such special experiences."
-Mark Haley '80

"Union hockey afforded me the ability to grow as a hockey player, but more importantly, as a person. Coach always said the experience of playing college hockey is about building and sustaining memories and friendships. I have in my possession, a lifetime of memories, and many lifelong friendships. I owe all of that to Union College Hockey."
-Nathan Gillies '03

"My four years as a member of the Union College hockey team have been the most incredible and stimulating experience of my life. A major reason for my great experience can be attributed to the hard work of the Garnet Blades. During my time at Union, the Garnet Blades fundraising and generosity have resulted in the construction of a new team locker room and weight room, a state-of-the-art video editing system, improved travel for the team, and allowed me the opportunity to form relationships with our fans and alumni. This hard work has continually improved the program, providing the players and coaching staff with the best opportunity to succeed. It is the work and dedication of this group that the Union players will never forget, and we look forward to working with them as future members of the Garnet Blades."

WELCOME TO UNION COLLEGE

UNION COLLEGE can trace its beginnings to 1779. Several hundred residents of northern New York, certain that Burgoyne's defeat at Saratoga two years before would mean a new nation, began the first popular demand for higher education in America. These residents pursued that dream for 16 years until, in 1795, Union became the first college chartered by the Regents of the State of New York. The first trustees consciously attempted to bring their new college into the mainstream of their world. The very name, Union, carried echoes of the new national union. More immediately and directly, it recognized the fact that the College was an outgrowth of a new sense of community among the several religious and national groups in the local population. Union's founders were determined to avoid the narrow sectarianism characteristic of earlier American colleges; today, Union is one of the oldest nondenominational colleges in the country.

GENERAL INFORMATION
UNION'S FACULTY:
The student-faculty ratio at Union is 11:1; excluding the library staff, some of whom hold faculty rank; 95 percent of the teaching faculty holds the doctorate or equivalent.

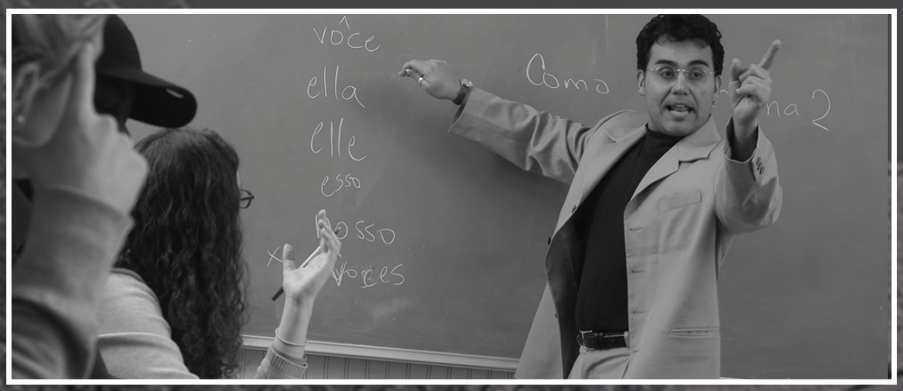

UNION'S STUDENTS:
About 4,000 applicants seek freshman class positions. Exact statistics vary from year to year, but about half of the applicants are in the top decile of their secondary school class. The majority of the College's students are from the Northeast, with about 80 percent from New York and New England; 35 states and several other countries also are represented. More than half receive financial aid from the College, and about one-third of each graduating class continues directly to graduate or professional school. About 84 percent of each class completes the degree requirements within five years. In recent freshman classes, less than five percent of those who entered were dropped for poor grades.

ENROLLMENT:
Union College enrolls approximately 2,100 full-time undergraduates.

THE BOARD OF TRUSTEES:
The governing body of the College is the Board of Trustees, which holds title to the property, is responsible for the administration of the College and its funds, and determines the policies under which programs are offered. The chief executive officer is the president, who also serves as chancellor of Union University, comprising Union College, Albany Medical College (1839), Albany Law School (1851), Dudley Observatory (1852), Albany College of Pharmacy (1881), and the Union Graduate College (2003). Each institution has its own governing board and is responsible for its own programs. The Board of Governors of the University serves both to advise and to expand the areas of voluntary cooperation.

STUDENT ACTIVITIES:
Union believes that a student's life outside the classroom is an important part of his or her total education. The student government (Student Forum) funds, organizes, and supervises a variety of activities and organizations; students are responsible for the planning and implementation of these student-funded activities with the assistance of the Student Activities Office.

RESIDENTIAL LIFE:
The College's student residences include nine residence halls including traditional, suite-style, and apartment housing. Our newest facility, College Park Hall, opened in the fall of 2004. Other residence halls are Davidson and Fox Houses; West College (first-year); College Park Apartments; Richmond House (first-year); Raymond House; Webster House (focused study); and Potter House. Students are also eligible to live in Minerva Houses, Greek Housing or Theme Houses.

MINERVA HOUSES:
Union's Minerva Houses were designed to give all students an opportunity to make rewarding connections and to blend the campus social, residential and intellectual life. Every student is assigned to a house, which can be a focus for social activities, community service, making new friends, or simply a welcoming place. Up to 45 students live in each house; all houses are equipped with a kitchen, a lounge, an office, and a seminar room for meetings and classes. Other house members are able to take advantage of house gathering space and activities even though they may live elsewhere. Each house has an activities budget to be used as the discretion of the membership. All faculty are affiliated with one of the houses and join in many of the house events, giving students an enriched out-of-class experience.

GREEK LIFE:
Ten national and one local social fraternity and four national sororities have chapters in good standing at Union. The first chapters of six national fraternities were founded at Union, including the the oldest in the nation, Sigma Phi (1827), others formed at the College are Psi Upsilon (1833), Chi Psi (1841), and Theta Delta Chi (1847). The fraternities also include Alpha Delta Phi, Alpha Epsilon Pi, Alpha Phi Alpha, Delta Kappa Epsilon, Phi Delta Theta, Phi Iota Alpha, and Sigma Chi. The sororities are Delta Delta Delta, Sigma Delta Tau, Sigma Iota Alpha, and Gamma Phi Beta. Union also has one co-ed fraternity focused on community service, Gamma Sigma Sigma.

THEME HOUSES:
Union gives students autonomy in creating the community atmosphere in which they live. The College recognizes 10 student-initiated theme houses. Bronner House is the Cultural Unity Center and is dedicated to furthering multicultural understanding among all students. Wells House seeks to strengthen the relationship between Union and the local community through volunteer service. Ozone House is an environmentally-focused community designed to reduce waste and promote living options that better support our ecosystem. Thurston House promotes enhanced social and intellectual life with a focus on Asian cultures. Language House A & B provide opportunities for improved foreign language skills and cultural knowledge. Music Culture House promotes events that connect the impact music has on popular culture. Seneca House advances the issues of women at Union and in society. The Symposium seeks to heighten intellectual discourse outside the classroom, and the Cooking House promotes expertise in culinary arts and healthy dining options.

THE PETER IRVING WOLD CENTER:
The Peter Irving Wold Center (right) was dedicated in May of 2011.The Center is named in honor of Peter Irving Wold, Chair of the Physics Department from 1919 to 1945. It was made possible by a lead gift to the College from Peter's son John S. Wold '38 and his wife, Jane.

WORLD-CLASS ACADEMICS

About 30 percent of Union´s students major in the social sciences, 30 percent in the sciences, 20 percent in humanities, 15 percent in engineering, and 5 percent design their own majors.

As a college committed to a liberal education, Union requires that a substantial portion of each student's education be devoted to study outside the area of the major. Through the General Education Curriculum, students are encouraged to strive for a breadth of learning that will complement the expertise acquired in the major.

To give students a surer grasp of the heritage represented by the western tradition, the General Education Curriculum requires each student to take one of several two-course history sequences as well as associated literature and civilization courses. To give students a better knowledge of foreign cultures, the program has strong incentives to study a foreign language, embark on a Term Abroad, or study a non-western culture. Students also must select courses from mathematics, the natural sciences, and the social sciences.

The College's Writing Across the Curriculum program requires all students to take a certain number of courses that use writing as a key element.

Many Union students take advantage of the opportunity to plan part of their educational program through independent study and research where they're given access to the tools of inquiry and expected to explore for themselves. The most common forms of independent study are investigative papers of "thesis" caliber in the humanities and social sciences and research papers in the sciences and engineering.

Union vigorously promotes additional serious research, and in some instances such research leads to joint publication with faculty. Twice in the past decade Union has hosted more than 1,200 students and faculty at the National Conference on Undergraduate Research (Union regularly sends one of the largest groups to the conference), and more than 250 students present their research at Union's annual Steinmetz Symposium.

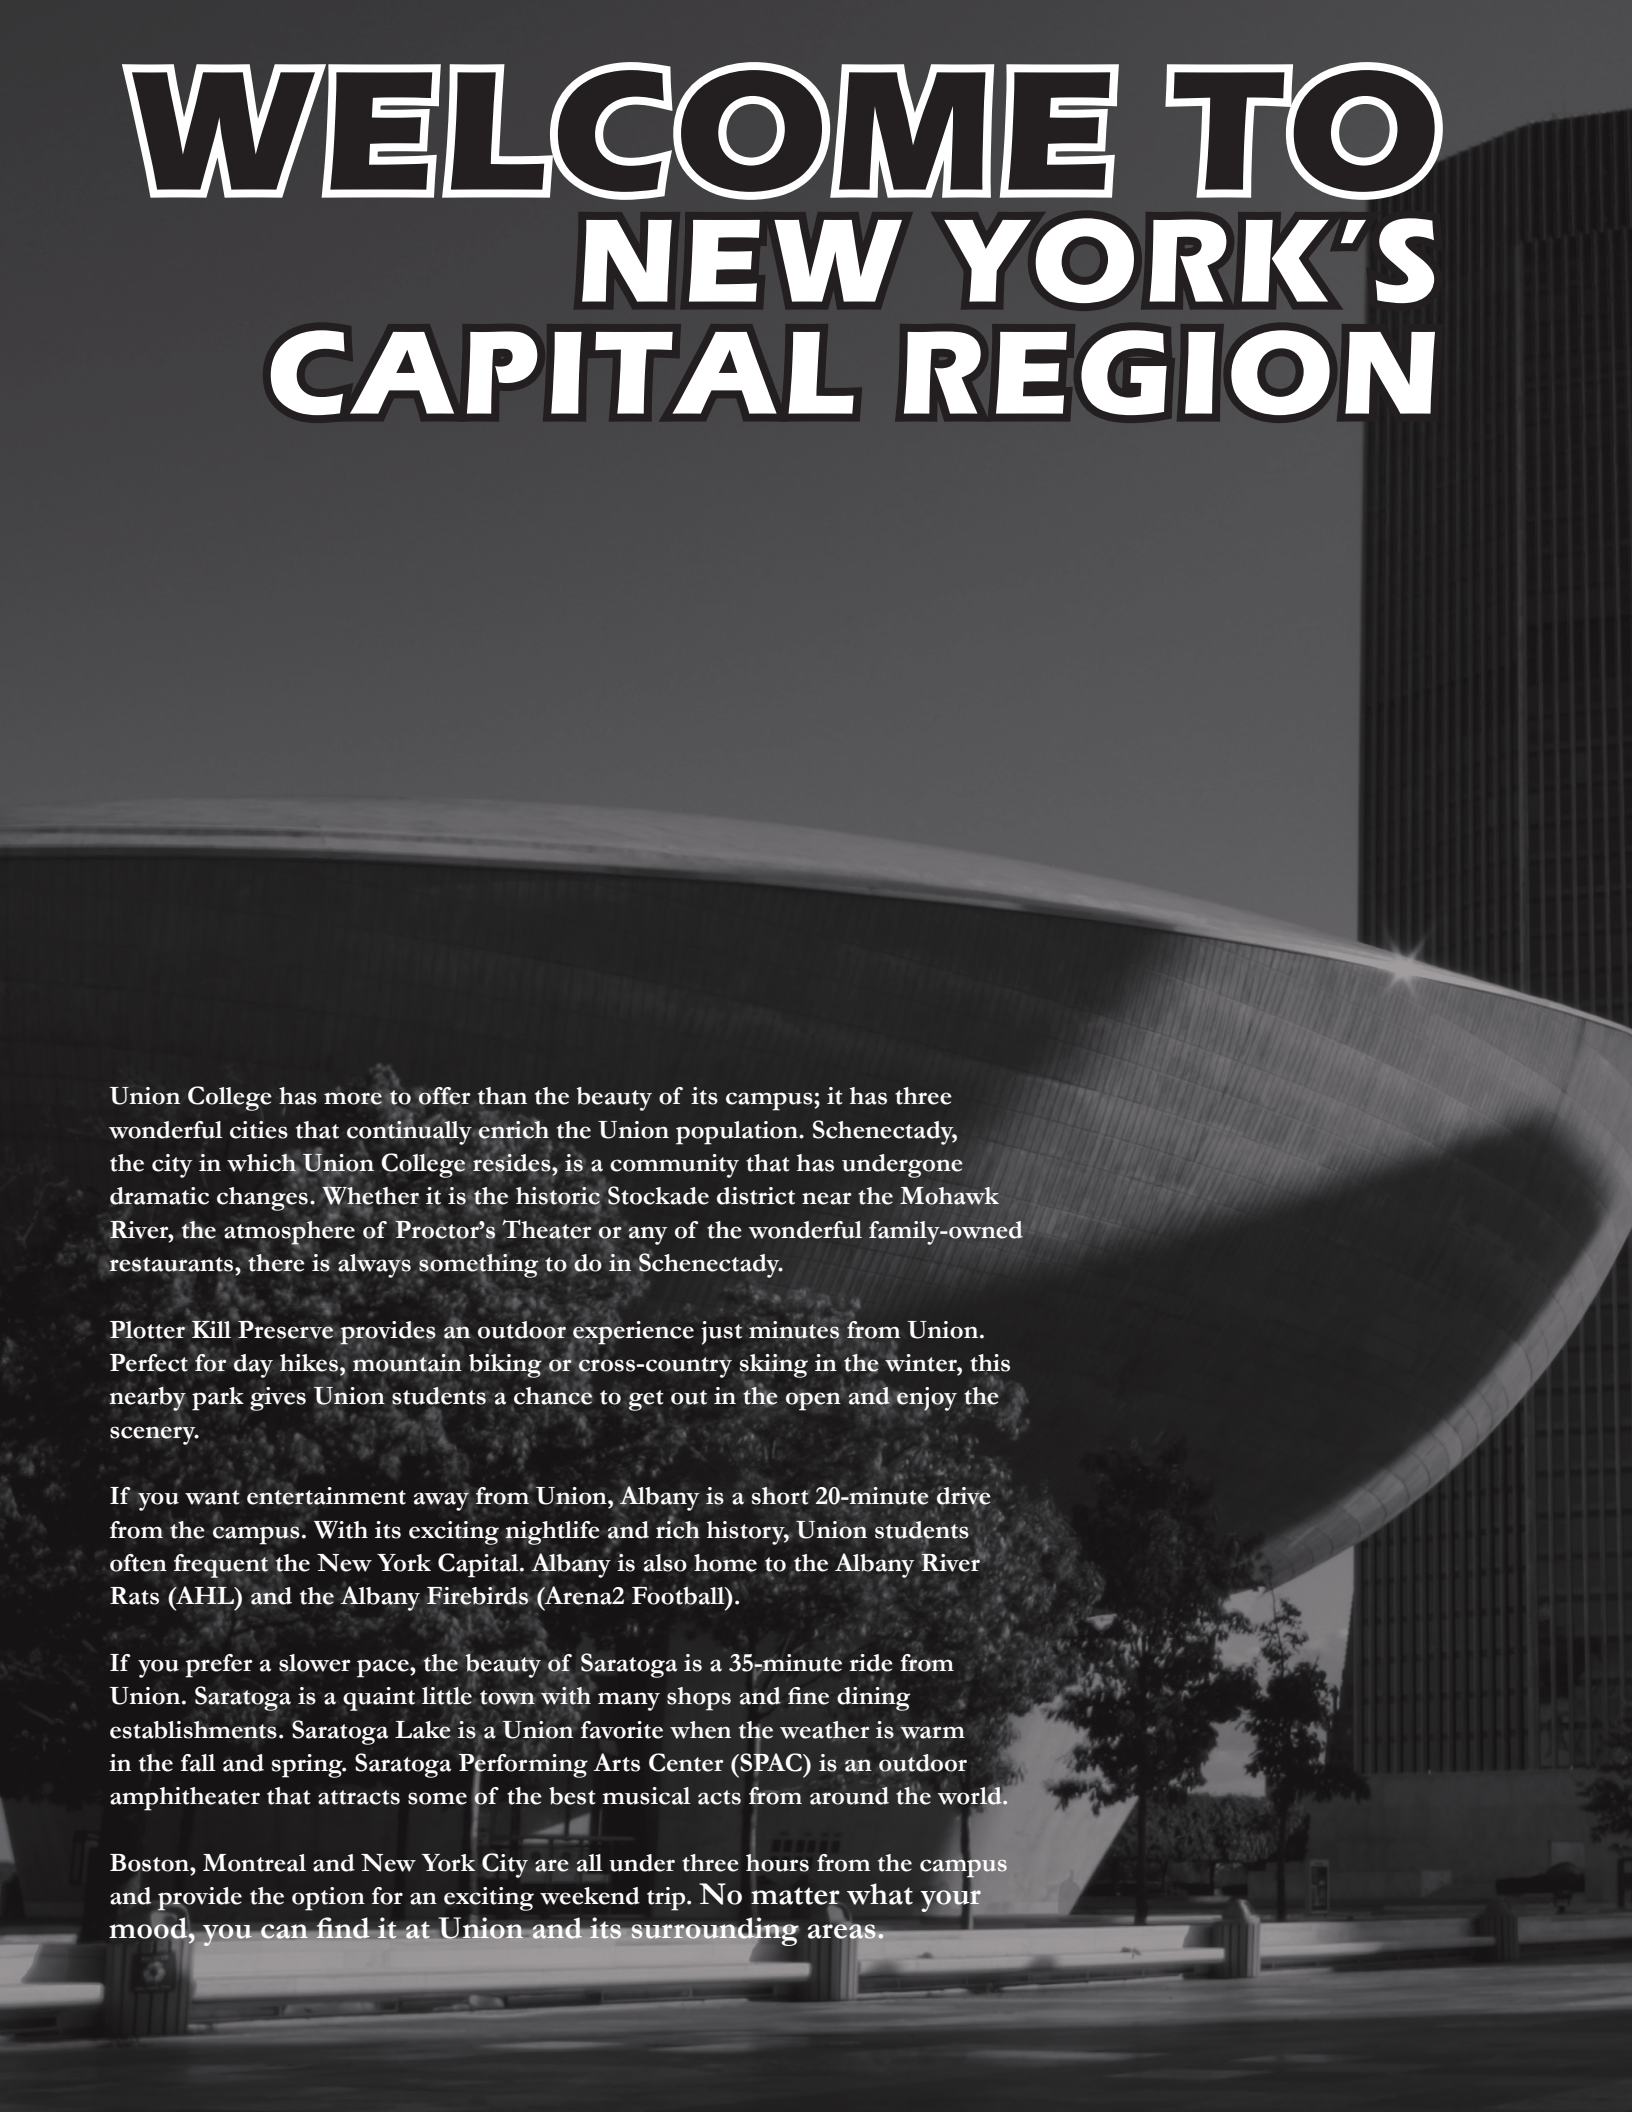

The College offers a range of formal resident-study programs in foreign countries, and half of Union's students study abroad at some point. In the foreign country, the student in most instances lives independently with a family or in an international dormitory and participates in the normal cultural life of the community. A Union faculty member usually accompanies the group.

PRESIDENT STEPHEN C. AINLAY

Stephen Charles Ainlay became the 18th president of Union College on July 1, 2006. Ainlay is a sociologist with a distinguished record as a teacher, scholar and administrator. Before joining Union, President Ainlay was vice president for academic affairs and dean, and professor of sociology at the College of the Holy Cross in Worcester, Mass. He joined the College of the Holy Cross in 1982 as assistant professor of sociology. He was promoted to associate professor in 1987, and to full professor in 1993. He was named dean of the college in 1996. Two years later, he was promoted to vice president for academic affairs and dean. Ainlay is a native of Indiana. He earned his bachelor's degree in sociology from Goshen College, and both his master's and Ph.D. from Rutgers University. He is married to Judith Gardner Ainlay. They have two boys, Jesse and Jonathan. Jesse is a 2005 graduate of Holy Cross, and Jonathan is a student at the University of Arizona. An academic symposium, a formal gala and fireworks were among the events celebrating the inauguration of Stephen C. Ainlay as the 18th president of Union College.

WELCOME TO NEW YORK'S CAPITAL REGION

Union College has more to offer than the beauty of its campus; it has three wonderful cities that continually enrich the Union population. Schenectady, the city in which Union College resides, is a community that has undergone dramatic changes. Whether it is the historic Stockade district near the Mohawk River, the atmosphere of Proctor's Theater or any of the wonderful family-owned restaurants, there is always something to do in Schenectady.

Plotter Kill Preserve provides an outdoor experience just minutes from Union. Perfect for day hikes, mountain biking or cross-country skiing in the winter, this nearby park gives Union students a chance to get out in the open and enjoy the scenery.

If you want entertainment away from Union, Albany is a short 20-minute drive from the campus. With its exciting nightlife and rich history, Union students often frequent the New York Capital. Albany is also home to the Albany River Rats (AHL) and the Albany Firebirds (Arena2 Football).

If you prefer a slower pace, the beauty of Saratoga is a 35-minute ride from Union. Saratoga is a quaint little town with many shops and fine dining establishments. Saratoga Lake is a Union favorite when the weather is warm in the fall and spring. Saratoga Performing Arts Center (SPAC) is an outdoor amphitheater that attracts some of the best musical acts from around the world.

Boston, Montreal and New York City are all under three hours from the campus and provide the option for an exciting weekend trip. No matter what your mood, you can find it at Union and its surrounding areas.

WELCOME TO MESSA RINK AT ACHILLIES CENTER

HENRY LAURENCE ACHILLES

FRANK L. MESSA

Originally constructed in 1975 with a gift from Henry Laurence Achilles, Union College's ice hockey rink underwent major renovations during the summer of 2003 after a gift from alumnus Frank L. Messa '73.

Renamed Frank L. Messa Rink at Achilles Center, Union's new-look facility was officially unveiled for competition on Saturday, October 18, 2003 as the men's hockey team hosted Merrimack in the Dutchmen's 2003-2004 home opener. These renovations enable Union to provide a first class venue for Division I hockey, as well as numerous programming opportunities for the College and community at large. Phase I of the $1.5 million renovation project included the installation of a high-tech chilling and dehumidification system. New spring-loaded boards and seamless glass provide a safer playing environment on the ice, while better sight-lines were made for the fans, and a redesigned seating area improved the rink's traffic pattern.

Phase II of the project, completed during the 2003-2004 academic year, included the construction of five locker rooms and the addition of restrooms and shower areas to be used by several of Union's athletic teams and outside community groups. A multipurpose function room, a 2,000 square foot sports medicine area, a reconfigured lobby and improved ADA access and seating were all part of the project's second phase.

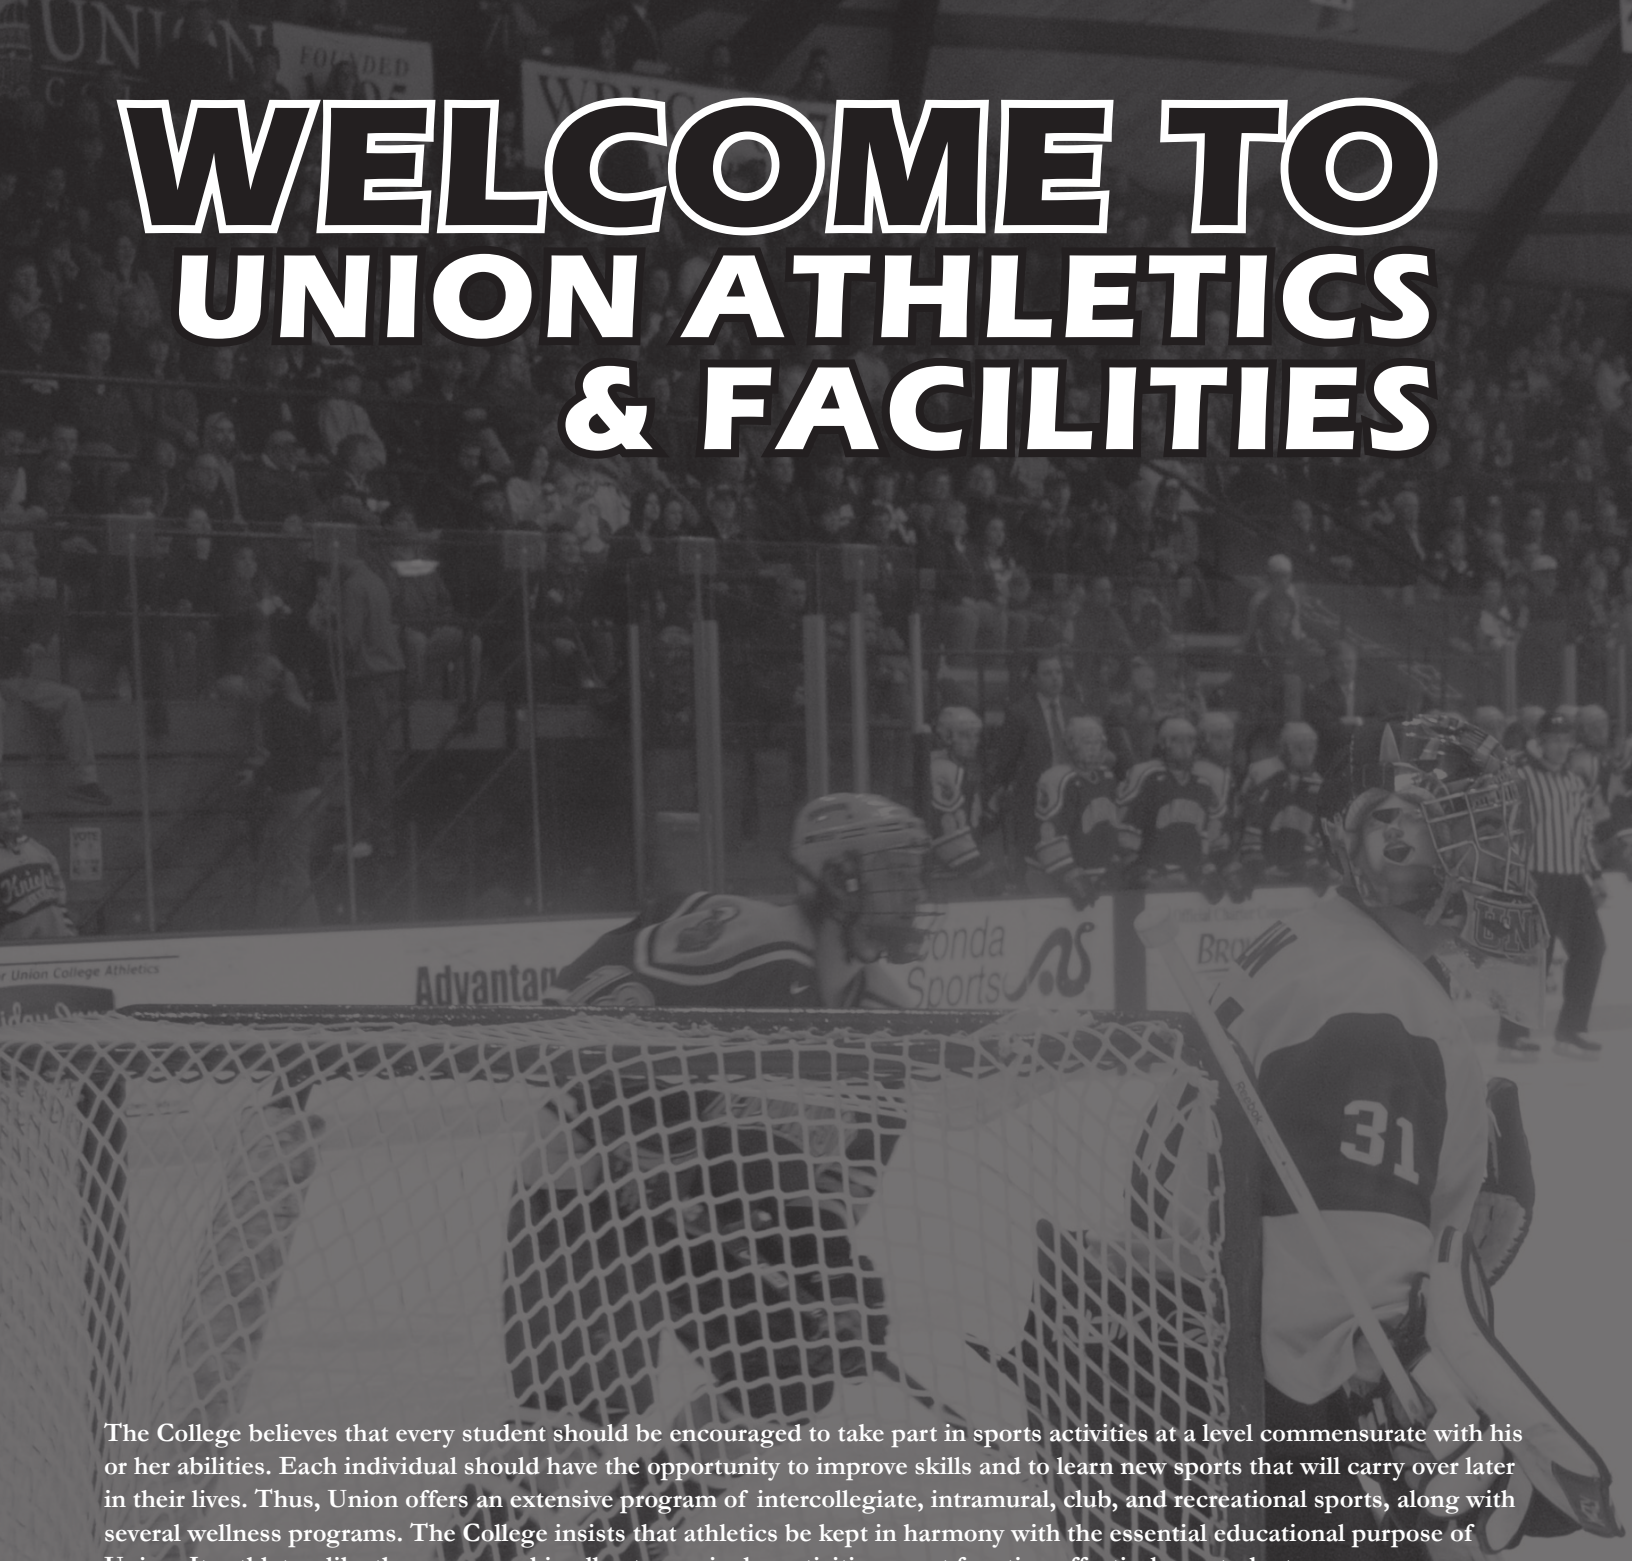

With a seating capacity of 2,225, and standing room only areas that will allow sellout crowds to reach nearly 2,500, Messa Rink is one of the most intimidating venues for a visiting team in ECAC Hockey. Great sight-lines and seats in close proximity to the playing surface make Messa Rink at Achilles Center a great venue for college and high school hockey, figure skating competitions and short track speed skating. Messa Rink at Achilles Center hosted the 2004 and 2005 ECAC Women's Hockey Championships.

The lower level of Frank L. Messa Rink at Achilles Center contains locker room space for more than 175 athletes. The locker rooms, capable of handling up to five teams at one time, are used by Union's varsity teams and visiting teams for intercollegiate and interscholastic contests and tournaments. During the fall, Union's football team uses a 100 locker facility that can be separated for team meetings or for use by two smaller teams. During the spring, the men's and women's lacrosse teams have locker rooms in the lower level of Achilles Center. Also located on the lower level are two small locker rooms that can be used by high school and youth hockey programs and a referees' or coaches' locker room with private showers.

The men and women's hockey teams have dedicated locker rooms that are located on the main level of the rink. In addition to stalls for each player, both locker rooms contain a private coach's locker room. Also located on the main level of Achilles Center is the state-of-the-art Travis J. Clark '00 Strength Training Facility, which is utilized by the men's and women's Division I hockey teams. In addition to the varsity team locker rooms on the main level of the facility, a large multipurpose locker room with rink access serves as a visiting locker room and as a dressing room for public skating and other special events.

The Garnet Blades Men's Hockey Locker Room and Hockey Training Center was officially dedicated on November 13, 2004. Hockey alumni, along with the help of the Athletic Department and College Relations, launched a campaign to raise $125,000 for a new men's hockey locker room and weight training area and set an aggressive target of completing the entire project by the start of the 2004-05 season. The significant improvement for the men's and women's hockey teams, and Union's hockey program in general, makes a real difference in recruiting today's student-athlete, and will impact the program well into the future. It is due to the generosity of those who invested the time and money into this project that will provide future Union hockey players with a better opportunity to train and develop their talents, along with helping Union hockey continue to excel as a natioanlly competitive program.

WELCOME TO UNION ATHLETICS & FACILITIES

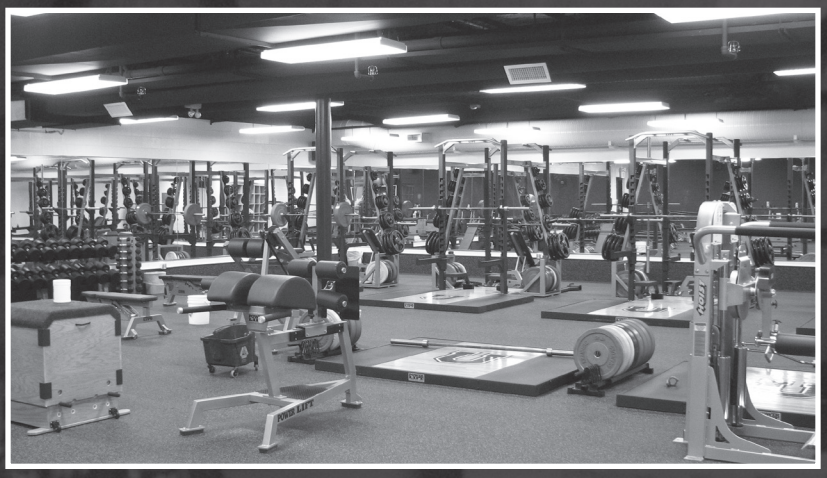

The College believes that every student should be encouraged to take part in sports activities at a level commensurate with his or her abilities. Each individual should have the opportunity to improve skills and to learn new sports that will carry over later in their lives. Thus, Union offers an extensive program of intercollegiate, intramural, club, and recreational sports, along with several wellness programs. The College insists that athletics be kept in harmony with the essential educational purpose of Union. Its athletes, like those engaged in all extracurricular activities, must function effectively as students.

Intercollegiate competition is offered in 25 sports; for men, in baseball, basketball, crew, cross-country, football, ice hockey, lacrosse, soccer, swimming, tennis, and indoor and outdoor track; and for women, in basketball, crew, cross-country, field hockey, ice hockey, lacrosse, soccer, softball, swimming, tennis, indoor and outdoor track, and volleyball. Union is a member of the National Collegiate Athletic Association (NCAA), the Liberty League, ECAC Hockey and the Eastern College Athletic Conference (ECAC). Men's and women's ice hockey compete at the NCAA Division I level; all other sports compete at the NCAA Division III level.

All club sports are administered through the student activities office. The most active and popular clubs are baseball, bowling, fencing, golf, ice hockey, karate, rugby, skiing, and volleyball. An extensive intramural program is offered in a wide range of sports along with noncredit physical education classes as part of the wellness program.

The newest addition to the Union's strength and conditioning efforts is the Travis J. Clark '00 Strength Training Facility, a state-of-the-art workout area exclusively for varsity athletes. The 3,000 square-foot facility was constructed during the summer of 2008 and provides student-athletes with a world-class workout space year round.

The men's hockey varsity locker room is located behind the team's bench in Messa Rink. A state-of-the-art room that includes 28 stalls with ample room and padded cushions. Two flat screen televisions allow the student-athletes to watch film or just relax and watch regular programing. The locker room also includes a weight training area and stationary bikes. A key-pad entry lock make it exclusively the Dutchmen's own.

Frank Bailey Field is a 1,600 seat stadium with a synthetic grass turf field surrounded by a six lane 400 meter resilite track. It is the home of intercollegiate football, field hockey, men's and women's lacrosse, and outdoor track programs. The facility is also used by the intramural department, club sports teams, and for general recreation.

In April of 2006, the 7500 sq. ft. Breazzano Fitness Center in Alumni Gym opened that includes a 5000 sq. ft. weight room as well as another exercise room for wellness and club activities. Alumni Gym is also the hub of the athletic department and venue of the main athletic office, sports information department, intramural and recreation and most coaches offices. The building includes a 25 meter swimming pool and diving area, a large exercise room for our wellness programs, 5 racquetball courts, 3 squash courts.

ACHIEVING ON THE ICE

Twenty years after Union made the move to Division I in men's ice hockey, the Dutchmen elevated the program to another level in 2010-2011. The team set a school record for wins (26), compiling a conference record of 17-3-2 en route to the school's first ECAC Hockey regular season championship. Union earned a No. 2 seed in the East Regional of the NCAA Tournament in Bridgeport, CT, where they took on No. 3 seed Minnesota-Duluth, falling 2-0 to the eventual national champions. While Union bids farewell to a senior class that produced the most wins in school history and led the team on and off the ice, the future looks bright for a program that continues to cement itself as a national power.

Head coach Rick Bennett and his staff look to continue Union's tradition of producing quality professional prospects. In all, three 2011 graduates will be spending next season in the professional ranks.

ACHIEVING IN THE CLASSROOM

While sharing a conference with six Ivy League schools, the Dutchmen consistently shine brighter in the classroom. Last season Stephane Boileau (top left) earned Union's third Student-Athlete of the Year Award in the five years of the award's existance, joining Olivier Bouchard (far left) and Matt Cook (bottom left) as past recipients of the award.

On the national level, Union continues to showcase its academic excellence with players receiving recognition for the Lowe's Senior CLASS Award and CoSIDA/ESPN the Magazine Academic All-America.

Last season, 16 Dutchmen were named to the ECAC Hockey All-Academic Team, including Luke Cain (background).

DUTCHMEN IN THE COMMUNITY

The men's ice hockey team routinely participates in a variety of local and college-sponsored projects. Past community service efforts include serving Thanksgiving dinner at the Schenectady YMCA and working closely with Schenectady Youth Hockey Association, providing a fun environment for children to learn the game of hockey.

This past season, the team took part in the Albany Center for Disability Services Telethon, which helped raise approximately $1.9 million for a place whose primary mission to help those with disabilties to live healthy and enriched lives.

The Dutchmen also pledged support to Kristen Shinebarger the daughter of Union's own Shelly Shinebarger, Director of Student Services. Kristen suffers from Ewing's Sarcoma, a rare type of cancer.

Fans pledged a dollar amount towards every power play goal scored by the Dutchmen and Dutchwomen during the 2010-11 season. The program ran during the hockey season from January 1 through the end of March. Both teams helped raise over $10,000 in support of the Shinebarger Family.

Many of Union student-athletes also serve on the Student-Athlete Advisory Committee, which provides insight on the student-athlete experience.

EXPOSURE THROUGH MEDIA

Fans in New York's Capital Region love their college hockey and thanks to three newspapers, five television stations and two sports radio stations, the Dutchmen receive their fair share of media coverage. Last season, ESPN2 ran a live reaction shot from the Nott Memorial for their NCAA Selection Show. ESPN.com also featured the Dutchmen for their success.

Unlike other schools in ECAC Hockey, Union has a beat writer (Daily Gazette's Ken Schott) travel to every game, while the Times Union staffs every home game and many times hires freelance writers to cover road contests. Mid-week practices are filled with television cameras and five times a year Time Warner Sports televises a Union home game.

This season will mark the second year of "The Union Dutchmen Hockey Network," which will broadcast 32 of the 34 men's ice hockey games this season. The games will be simulcast live on WABY-AM 1160 and WVKZ-AM 1240, with Matt Dubrey providing the play-by-play and Brian Unger on the color commentary, and will also be carried on the web at UnionAthletics.com

UnionAthletics.com provides up-to-the-minute coverage, allowing fans to watch every home game. Fans have access to radio broadcasts, blogs, Twitter and Facebook to keep up with the Dutchmen.

Tradition

ECAC Hockey, "where hockey's not just another tradition." ECAC Hockey, as it exists today, was founded in 1961. The evolution began with an 'informal' conference, which witnessed prosperous years in the late 60's and early 70's and now over the years progressed into one of the best college hockey leagues in the country.

ECAC Hockey is one of six conferences that compete in NCAA Division I Men's and Women's Hockey Championships. The conference is comprised of 12 institutions filled with tradition, legendary players, coaches, and administrators who have paved the way for recognizing and celebrating yearly accomplishments on and off the ice.

With a noteworthy past, collegiate ice hockey has been a mainstay with member institutions for nearly a century. On January 19, 1898, less than two years after the first-ever college hockey game, Brown defeated Harvard in Boston, MA in the first college hockey game between the two school still sponsoring the sport.

ECAC Hockey has evolved into pure hockey. The rise to prominence has not been limited to the playing surface, as the league's alumni has cemented itself with such identifiable labels such as; integrity, sportsmanship, leadership, scholarship, pursuit of excellence, and commitment.

Integrity

Prestigious play, fairness and respect have been values associated with former with former ECAC Hockey players that have been carried onto the next level. Today, many former players are enjoying careers and are respected on the next level in the National Hockey League (NHL). Former League standouts include Anaheim Ducks 2007 Stanley Cup Champion forwards Andy McDonald (Colgate), George Parros (Princeton), and Todd Marchant (Clarkson) and defenseman Kent Huskins (Clarkson); Atlanta Thrashers forward Todd White (Clarkson); Calgary Flames forward Craig Conroy (Clarkson); Carolina Hurricanes forwards Craig Adams (Harvard), Erik Cole (Clarkson) and Jeff Hamilton (Yale); Chicago Blackhawks forward Craig Macdonald (Harvard); Dallas Stars forward Jeff Halpern (Princeton); Florida Panthers defenseman Noah Welch (Harvard); Los Angles Kings forward John Zeiler (St. Lawrence); Minnesota Wild forward Dominic Moore (Harvard) and Todd White (Clarkson); Montreal Canadiens forward Chris Higgins (Yale); Nashville Predators forward Rich Peverly (St. Lawrence); N.Y. Islanders forward Todd Simpson (Brown); Phoenix Coyotes goaltender David LeNeveu (Cornell); Philadelphia Flyers defenseman Randy Jones (Clarkson); San Joe Sharks defenseman Doug Murray (Cornell); St. Louis Blues forward Lee Stempniak (Dartmouth); Vancouver Canucks defenseman Willie Mitchell (Clarkson); and Washington Capitals forward Chris Clark (Clarkson) and defenseman Brian Pothier (Rensselaer).

Sportsmanship

Respect, working hard, and intense competition help mold some of the players into the model student-athlete and citizen.

Over the years Yale has conducted various programs providing opportunities for New Haven youth to interact with inspirational role models. Among their achievement include organizing an introductory skating program for youths and operating summer-day camps for children from disadvantaged neighborhoods. Every year prior to the regular season teams such as Rensselaer host a special skating night for fans to acquaint themselves with the team. Members of the Union College men's hockey team routinely serve Thanksgiving dinner at the Schenectady YMCA and work closely with Schenectady Youth Hockey Association, providing a fun environment for the children to learn the game of hockey.

Leadership

Delivering hockey and connecting strong values beyond the playing surface has produced its share of administrators in the National Hockey League (NHL). Peter Chiarelli (Harvard) is the general manager of the Boston Bruins; Mike Barnett (St. Lawrence) is currently serving as the general manager of the Phoenix Coyotes, while fellow St. Lawrence University grad Ray Shero is the general manager of the Pittsburgh Penguins; Dave Taylor (Clarkson) is the Director of Player Personnel for the Dallas Stars; Brent Flahr (Princeton) was named the Ottawa Senators Director of Hockey Operations; Mike Keenan (St. Lawrence) recently accepted his 8th coaching position in the National Hockey League (NHL) with the Calgary Flames; Mike Milbury (Colgate) recently served as general manager of the N.Y. Islanders and is now a special assistant to the owner; Cornell's Ken Dryden served as vice-chairman of Maple Leaf Sports and Entertainment LTD. St. Lawrence graduates Bill Torrey and Jacques Martin serve as the Florida Panthers' alternate governor and general manager/head coach In addition, NHL Commissioner Gary Bettman is a Cornell graduate.

Scholarship

It is been a primary goal of ECAC Hockey institutions to strive for academic achievement. It is instilled that all student-athletes not only excel in sports, but build character. Each year all teams boast several players on the all ECAC Hockey All-Academic Team.

Few, if any, conferences have been able to produce a list of influential and successful alumni like ECAC Hockey. Scott Hanley (Brown) currently serves as Director of Sports and Competition for ESPN X Games, while John McLennan (Clarkson) spent his career as CEO of Bell Canada. Some former ECAC Hockey players became inventors, like Colgate's Ed Werner and John Haney, who invented the board game Trivial Pursuit.

Pursuit of Excellence

Since 2011, Boardwalk Hall in Atlantic City, NJ has played host to the ECAC Hockey Championship. This exciting weekend has developed into more than a hockey tournament with packed houses and a special FanFest celebration.

Over the last several years the League has witnessed an influx of players into the National Hockey League (NHL). In the 2007 NHL Entry Draft six players with ECAC Hockey ties were taken including incoming Cornell freshman Riley Nash.

Commitment

The future of ECAC Hockey continues to develop, as it is consistently labeled as one of the premier conferences from top to bottom. Each year all 12 institutions strive to set new standards of excellence. The League continues to offer a variety to their fans and alumni including a television broadcasts of several games, including tournament games, newly designed conference web site with up to the minute scoring updates, and a weekly radio report during the season.

Athletic Administration

Jim McLaughlin

Director of Athletics

Jim McLaughlin was named the Director of Athletics at Union in March 2005. McLaughlin earned his bachelor's degree in history from Union in 1993. During his time at Union he played on the offensive line for the football team and was named Associated Press and Champion second-team All-American. Upon graduation he served as an assistant football coach for Union from 1993 to 1996, and earned his Master's in business administration from the college in 1997. As Union's assistant football coach, he coached the offensive line and assisted the offensive coordinator. The football team made the NCAA playoffs in 1993 and 1995.

Prior to returning to Union, McLaughlin was associate director of athletics for finance at Brown University, responsible for the development and management of the department's $11 million annual budget. He was also responsible for external relations including marketing and corporate partnership, athletic communications and ticket operations. He was a sport administrator for women's lacrosse and soccer, and men's basketball.

Before joining Brown, he spent four years at Princeton University with an eventual role as assistant director of athletics for business operations. Prior to that, in 1997, he was interim director of intramurals and physical education at Brown.

McLaughlin administers a department of 25 varsity programs, 23 at the Division III level within the Liberty League, and two – men's and women's ice hockey – at Division I within ECAC Hockey. He is responsible for long-term planning and development of athletic, recreation and intramural programs; hiring and supervising coaches and staff; and overseeing departmental budgets, facilities, fundraising and marketing.

He is a member of the National Association of Collegiate Directors of Athletics and the College Athletic Business Managers Association.

He and his wife, Jeannie, have two daughters, Cassidy and Brenna.

Joanne Little

Senior Associate
Director of Athletics

Joanne Little has served Union College student-athletes in a variety of roles since she came to the college in 1990. She has been head coach of the women's volleyball, basketball and tennis teams during her career on the campus.

Little's 1991 volleyball squad was rewarded for its 20-win season with an invitation to the NYSWCAA post-season tournament while her 1991-92 basketball team produced the most victories for Union since the 1978-79 campaign. Little's two years as the tennis coach produced an overall record of 16-5 and what was then a College-best sixth place finish in the New York State post-season tournament. She took over as the College's Head Equipment Manager at the start of the 1995-1996 school year.

In April of 2001, Little was named Director of Varsity Sports Services and Operations. Little not only continued to oversee equipment needs of Union's 25 intercollegiate athletic teams, but she was also in charge of a variety of special projects. She has already played a major role in the strategic planning for the athletic department, had a hand in the development of the department's Student-Athlete Handbook, and also was named the team leader for the Prevention of Hazing Task Force. In the Fall of 2002, Little was named Assistant Director of Athletics. Her responsibilities included serving as the department's NCAA Compliance Officer, Event Management Coordinator for home events and post-season tournaments, and special events coordinator.

In the fall of 2005, Little was promoted to the position of Senior Associate Director of Athletics. She oversees a variety of sports as well as the Sports Services. Little also is the academic liason and admissions liason for Athletics.

Little was inducted into the Nanuet (NY) High School Sports Hall of Fame in November of 2005. During her one season as head women's basketball coach at SUNY Binghamton, 1989-90, she was SUNY Coach of the Year for leading her team to a fourth-place finish after they were picked 10th out of 11 in a pre-season poll.

Athletic Administration

Beth Tiffany

Associate
Director of Athletics

Beth Tiffany is in her fifth year as the Associate Athletic Director for External Relations at Union College. She came to Union from the University of New Mexico, where she served as the Assistant Director for the Lobo Club.

A 2003 graduate in Communication at the University of Puget Sound, Tiffany received her Masters in Sport Management at the University of Massachusetts in 2004. The native of Seattle comes to Union from the University of New Mexico, where she has served in the Lobo Club since July of 2006. During her time with the Lobos, Tiffany's duties included directing the athletic department's Gift in Kind program, managing priority seating for numerous events, and developing relationships with the athletic department for area businesses and vendors.

Prior to her work at New Mexico, Tiffany was a Marketing Coordinator at Yale University. She managed the football hospitality program, and headed the Yale Athletics Kids' Club, which promoted Bulldog Athletics among a contingent of approximately 400 children age 14 and under. She also promoted Yale Youth Days to area children and their families. Tiffany was a governance intern with the National Collegiate Athletic Association, managing projects that assisted the Management Council as well as the Task Force on Recruiting. She served as a panelist at a variety of organization conventions, including NACWAA, FARA, CHAMPS/Lifeskills Continuing Education, and ECAC-SIDA.

Tiffany was an assistant for the 2003 Amherst College women's soccer team that won the conference tournament and finished 12-4-4. Tiffany worked as an athletic department intern with the University of Washington and her alma mater, Puget Sound. She also served a study term abroad at the University of Auckland in 2002, with a focus on Polynesian Studies.

Eric McDowell

Assistant
Director of Athletics

Eric McDowell joined the Union staff in March of 2005, and became the Assistant Athletic Director for Sports Information in 2008. A veteran of nearly 30 years in collegiate and professional sports information and media relations, he began his career as the SID at the University of New Haven in 1980. In June, 1986, he made the transition from SID to Assistant SID at New Hampshire. While at UNH, he served as the assistant from 1986 to 1991. In 1991, he was promoted to the Director of Sports Communications and Internal Marketing. During his years at UNH, he also served as the Yankee Conference Information Officer from 1988-91.

McDowell, a native of Dennis, MA on Cape Cod, served as the SID at Cal Poly for five years, then became the Director of Media Relations for the NBA's Golden State Warriors. Working in the fourth largest media market for the NBA, McDowell had a game-night staff of 24 individuals and was responsible for the production of the Warriors' media guide and the monthly publication, Warrior Magazine. His attention was redirected while there as he was the point person during the "Latrell Sprewell Crisis."

McDowell returned to the East Coast and later worked for the AHL's Lowell Lock Monsters, and served at SUNY Brockport for four years. McDowell was a media supervisor for the 1996 Centennial Olympic Games in Atlanta and has volunteered at numerous NCAA Championship. Active in both ECAC-SIDA and CoSIDA, McDowell hosted the 2002 ECAC-SIDA workshop in Lowell, MA and received the 2005 ECAC-SIDA Irving T. Marsh Service Bureau Award. He is now serving as the Chair of CoSIDA's College Division Management Advisory Committee.

In 2009, McDowell was inducted into the CoSIDA Hall of Fame during ceremonies in San Antonio, Texas.

McDowell resides in Colonie with his wife, Jennifer.

Sarah Lewis

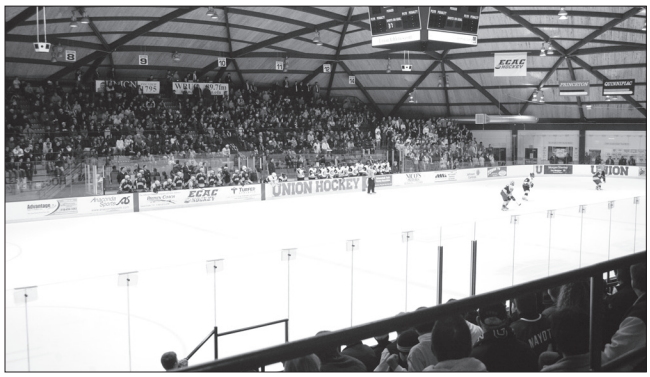

Assistant
Director of Division III
Compliance/Finance

Sarah Lewis joined Union College in the summer of 2011 as the Assistant Director of Division III Compliance/Finance. Lewis comes to Union after earning a Master of Science in Sport Management from SUNY Cortland in May.

While enrolled in graduate school at SUNY Cortland, Lewis served as the Athletic Department Program Associate at Onondaga Community College. She had previously served as Athletic Department Intern. In addition to her role in athletics at OCC, Lewis served as the Student Engagement Initiatives Technical Assistant.

As a double major, Lewis earned a Bachelor of Arts in Sport Management and Business Economics at SUNY Cortland in December of 2009.

In the Beginning...

The first Union hockey game on record was on February 3, 1904, against Union Classical Institute, a 2-1 Union College victory. While the athletic Board did not recognize the squad as an official Union College team, the first intercollegiate game on record is a 4-1 loss to RPI on February 26, 1904.

The first year that hockey was recognized as an intercollegiate sport was in 1910. Union lost its only game of the season, 7-1, to the Schenectady Boat Club on January 13th. The team played one game in 1911, a 2-1 win over the Mohawk Golf Club on January 14th, and then did not play again until January 10, 1920, when Union beat the Mohawk Golf Club, 5-0. A 6-0 win over the State Teachers' College on January 24th and a 3-1 loss at Hamilton on February 3rd marked the only other intercollegiate games that season. Union played the next two seasons against club teams, and played its first complete intercollegiate schedule in the 1923-24 season.

The 1975-76 season marked the first for Union as an NCAA Division III sport. The Dutchmen competed at the Division III level for 16 years before Union president Roger H. Hull began the Dutchmen's current hockey era when he accepted an invitation to join the ECAC as a Division I team on January 28, 1991.
