The mission of UW-La Crosse Athletics is “Building Champions. In Sport. In School. In Life.” We see daily evidence of our student-athletes committing to their sport, investing in their education, and contributing to the campus and the La Crosse community. We are incredibly proud of their accomplishments in all areas, some of which are chronicled on the back. Our student-athletes are impressive in all facets of their lives.

You will see what an incredibly successful competitive year we are having throughout this brochure. We continue our drive for high achievement across all aspects of our program. To do so requires a collective effort. We are very grateful for your generous support as your contributions are critical.

Respectfully yours,

Kim Blum  
Director of Athletics
