In addition, an individual will not be authorized if they have accumulated six demerit points, if they have been in more than three at-fault accidents, more than three moving violation tickets or a combination of more than three tickets/accidents within the past three years. Once successfully completed, the authorization to drive is valid for one to three years (based on approval from SRS).

SAFETY IS YOUR NUMBER ONE PRIORITY WHEN TRAVELING. PLEASE USE GOOD JUDGEMENT.

1. Team/club members and coaches/leaders are representatives of Western University and must conduct themselves with good taste and good judgment at all times.

2. All drivers and passengers are required to wear seat belts while the vehicle is in motion. The authorized drivers are responsible for making sure all persons traveling in the vehicle have seat belts on.

3. Drivers are restricted to driving no more than 10 hours total in any one day.

4. Drivers must not exceed posted speed limits or speed that is appropriate for driving conditions.

5. All parking and traffic fines are the responsibility of the individual.

6. The consumption and transportation of alcohol or contraband on any motor vehicle used by a Western University sport team/club is strictly prohibited. Violation of this policy will be dealt with in a very firm manner and could lead to the suspension of the team/club from further participation/competition.

7. The Program of Sports and Recreation Services will make every attempt to ensure that teams/clubs travel in safe and comfortable vehicles, and under the safest of circumstances possible.

8. If you are traveling in a vehicle that appears unsafe, have the vehicle checked as soon as possible (the first garage). If it is definitely unsafe, do not continue travel in that vehicle. Call the Travel Coordinator (519-495-7261).
PERSONAL VEHICLES  The use of personal vehicles to transport teams/clubs is not encouraged. This places undue financial responsibility on the drivers in the case of legal action or damage to the vehicle. Whenever possible, vehicles should be arranged through the Travel Coordinator. If a private vehicle is used on approved University business, the owner must ensure that his/her personal automobile insurance is adequate. A minimum of $2,000,000 third party liability is required. Drivers of personal vehicles must have proof of minimum insurance as required by the Province of Ontario. In most cases, private vehicles are not covered by the University’s insurance policy.

RENTAL OR DEPARTMENTAL VEHICLES  The University's automobile insurance covers only University employees driving rental vehicles on University business which includes full time and honorarium coaches, and staff members. Student drivers are not covered under this policy. The Travel Coordinator must be informed as to all possible drivers so additional insurance is purchased if required. Drivers must be 21 years of age or older and must have completed G licensing. Van drivers of more than 9 passengers must hold a Class “B” “C” “E” or “F” licence. Without this licence the maximum number of passengers allowed is 9 (not including the driver).

When Renting a Vehicle:  - Check that the gas line and note it. The company will over charge for any gas they put in. Also check that there is no damage to the vehicle (notify the Rental Agency and the Travel Coordinator if the tank is not full or if there is damage).
- Fill up the gas tank to the noted line, before you return the vehicle. Note the time you return, on your copy of the rental agreement and drop it off with the keys, so the rental company will not charge us extra time over a weekend. Vehicles are to be returned immediately upon return from competition, to the rental company with a clean interior (remove garbage).

SRS EMERGENCY PROCEDURES
- In an emergency call the travel coordinator (519-495-7261).
- Cease travel until emergency/conditions are resolved.
- The driver is responsible for making a judgment on whether or not to continue travel.
- If conditions prevent you from reaching your destination, the travel coordinator will direct on how to proceed.

IN THE EVENT OF AN ACCIDENT:  Report any accidents ASAP. Notify Police if necessary. Report any accidents to the Travel Coordinator (519-495-7261), as soon as possible. The accident should also be reported to the Rental Agency (if vehicle is a rental).

The following information will be required:  Renter's/Driver's Name;
Make/model/year/licence # of vehicles involved;  Date & time & location of Incident;
Names/Ph #’s of witnesses and injured;  Description of accident;
Copy of rental agreement;  Police Report or Occurrence Number (if applicable)

INCLEMENT WEATHER  If the group experiences inclement weather while traveling, the coach/leader should follow procedures to ensure the safety of all travelers. The coach/leader/driver is responsible for making a judgment on whether or not travel is safe. If travel conditions are deemed unsafe, travel should cease immediately and the group should contact the Travel Coordinator for directions on how to proceed. Notify both Universities concerned if you are traveling to a competition.
