FOREWORD

The records contained in this volume are extracted primarily from the national competitions conducted by the National Association of Intercollegiate Athletics. Other records are those submitted by member institutions through reports to the NAIA Statistical Service.

Member colleges who have records exceeding those in this manual may submit applications for recognition of these records by writing to the NAIA Public Relations Director at the NAIA National Office.

This eleventh printing of the NAIA Records Book is possible only through the cooperation of NAIA member colleges and sports information directors. The degree of its accuracy and completeness in the sections other than where results of the national events or statistical bureau information are listed is a reflection of this cooperation by member institutions.

Dr. Eldon W. Graber, Registrar of Bluffton College, Bluffton, Ohio, is president of NAIA for 1968-69.

At Bluffton College Dr. Graber has been Registrar and Professor of Education since 1961. He previously served as Acting Director of Teacher Education. Prior to going to Bluffton he served Bethel College, Newton, Kansas as Registrar, Director of Student Teaching and Chairman of the Division of Teacher Education.

Dr. Graber taught in various Kansas high schools from 1938-45 before joining the Bethel College staff as Instructor, Basketball Coach and Assistant in Football. He also served as secretary of the Kansas College Athletic Conference. He earned his A.B. degree at Bethel in 1938, his M.S. degree from Kansas State at Manhattan in 1943, and his Ph.D. from Northwestern in 1950. Dr. Graber holds membership in the American Personnel and Guidance Association, National Vocational Guidance Association, National Society for Study of Education, Association for Supervision and Curriculum Development, Phi Delta Kappa and Lions International.

Dr. Graber and his wife Martha have four children.

NAIA EXECUTIVE SECRETARY-TREASURER

A. O. Duer, a native of Kansas, has been Executive Secretary-Treasurer of the NAIA since 1949. During that time the NAIA has experienced a growth in membership from 200 to the present total of 554 colleges and universities and affiliated conferences.

In 1949, the NAIA sponsored only one national championship event--a 32-team basketball tournament. A total of 16 championships are sponsored now, all on an annual basis. The basketball tournament, dating back to 1937, is still the oldest and largest national championship basketball event held anywhere.

The growth and success of the NAIA program can be credited to the guidance of Al Duer. It also can be traced to his background, which is typical of the administrators, athletic directors and coaches with whom he works.

Now a member of the Board of Directors of the U.S. Olympic Committee, Duer has worked, untiringly, toward gaining recognition for the NAIA by the U.S. Olympic Committee. This goal was achieved in 1965 with the naming of 35 NAIA coaches to various U.S. Olympic Sports Committees. Duer is chairman of the important Equipment and Supplies Committee for the 1968 Olympic Games, in which capacity he served at the Winter Olympic Games in Grenoble, France and will serve at the Summer Games in Mexico City.

He was born in Sylvia, Kansas on November 18, 1904. He was graduated from Stafford, Kansas high school, and entered Kansas State Teachers College, Emporia, in 1923. In 1925 he transferred to Columbia University, New York City to complete work for his bachelor's degree. He received his master's from the University of Southern California.

Duer coached and served as principal and superintendent in Kansas high schools until 1939 when he accepted a position as athletic director and basketball coach at George Pepperdine College, Los Angeles. In 10 years of coaching, he had only one losing season. Four of his Pepperdine teams represented NAIA District 3 (California) in the NAIA National Tournament. His 1945 team placed second and the 1946 team finished third in the week-long event.

He relinquished the basketball job in 1948 to devote full time to his duties as athletic director and Dean of Men at Pepperdine. In 1949, the NAIA Executive Committee asked Duer to take the job of Executive Secretary-Treasurer, a position which he filled in addition to his duties at Pepperdine until the press of NAIA duties began taking most of his time. He continued as athletic director until 1957.

In 1957, it was decided that, in order to carry out its expanded program of national events, a centrally-located NAIA office should be established. Al and Mrs. Duer, the former Juanita Reed of Ottawa, Kansas, who were married December 27, 1928, moved from the Pacific Coast to Kansas City, Missouri. The Duers have two children, Mrs. Beth Elford of Las Vegas, Nevada, and Larry, who resides in Munich, Germany.

SUMMARY OF 1967-68 NAIA CHAMPIONSHIP EVENTS

From the balding mountains of Morgantown, West Virginia to the vast plains of Albuquerque, New Mexico, the NAIA championship program enjoyed one of the most successful years in its history. The past year saw the number of events expanded to 14 with the addition of ice hockey. Almost every championship drew a record number of entries.

Eastern Michigan opened the NAIA 1967-68 championship schedule with its second consecutive cross country victory at Omaha, Nebraska. John Mason, Fort Hays State (Kan.), won the individual title with a time of 20:14.0.

Host Quincy (Ill.) also made it two in a row as the Q-Hawks repeated as soccer champs with a 3-1 victory over Rockhurst (Mo.). Soccer became the NAIA's fastest growing sport in 1967-68 as over 140 members fielded varsity soccer teams.

A crowd of 12,500 at Morgantown, West Virginia saw Fairmont State (W.Va.) edge Eastern Washington State, 28-21 in the NAIA Football Champion Bowl Game. In the semi-finals Fairmont State defeated Northern Michigan, 21-7, and Eastern Washington downed New Mexico Highlands, 28-14.

The indoor track meet was expanded to a two-night affair and saw Prairie View A&M (Tex.) win its first indoor title as the Panthers edged Texas Southern, 70-67 1/2 points. In the Open Division Bobby Beamon set a world's indoor long jump record as he leaped 27-1 on Kansas City's Municipal Auditorium boards. Prairie View A&M also took the outdoor championship at Albuquerque, New Mexico in the spring. At the outdoor meet Oliver Ford of Southern (La.) tied the world record for 100-meters at :10.0.

Host Adams State (Colo.) became the first "western" school to win the NAIA wrestling crown as the Indians showed depth at all weights. At St. Cloud State (Minn.), Eastern Michigan broke Claremont-Harvey Mudd's two-year domination of the swimming and diving championships with a narrow 326-279 point margin.

Ice hockey became the NAIA's 14th championship sport as Bemidji State (Minn.) won a 5-4 overtime thriller from Lake Superior State (Mich.) at St. Paul. There were few surprises at Fort Hays State (Kan.) as Northwestern Louisiana State won its third consecutive gymnastics title.

Balanced Central State (Ohio) showed some of the finest defense ever seen at the NAIA basketball tournament as it defeated Fairmont State (W.Va.), 51-48 at the 31st annual collegiate basketball championships in Kansas City. Fairmont's Johnny Jamerson was named Most Valuable Player.

Led by world amateur champion Jack Connaughton, La Crosse State (Wis.) rolled to its second consecutive bowling championship in Kansas City. Connaughton, who turned pro immediately after the tournament, also won the singles title.

Bemidji State (Minn.) was the scenic setting for the Indiana University (Pa.) golf team to sweep to the NAIA championship by 30 strokes. Indiana's Rick Hrip was the medalist in a field of 168 golfers.

Redlands (Calif.), led by two-time singles champion Doug Verdieck, won its third straight team tennis title at the Rockhill Tennis Club in Kansas City, Missouri. The doubles title went to Redlands' Verdieck and Bruce Nelson.

A 14th inning home run by Larry Lebeer gave William Jewell (Mo.) a 4-3 victory over Georgia Southern at the 12th Annual NAIA baseball championships at Phil J. Welch Stadium, St. Joseph, Missouri.

The 1968-69 program will see the addition of two more national invitational tournaments, bringing the NAIA program to 16 sports. The first water polo championship is scheduled at Western Illinois University, November 28-30. The initial volleyball tournament will be held at George Williams (Ill.) May 3.

BASEBALL

PILE-UP AT HOME....Allen Simmons, Georgia Southern pitcher, won the game but he lost the battle of balance when upended during a dusty battle to cut off a steal attempt in NAIA baseball tournament action. The pile-up came in the 7th inning as Georgia Southern's Ron Cawthon raced from third to home on a steal play while teammate Simmons was batting. Buena Vista (Iowa) catcher Terry Coleman tried for the tag and all three ended up on the ground. The Georgia Southern runner was called safe and the Eagles went on to win, 7-2. They advanced to the finals before losing to William Jewell (Mo.), 4-3 in 13 innings.

BASKETBALL

The magnificant zone defense of Central State (Ohio) is shown at its best in their semi-final victory over Westminster (Pa.). Central's Sterling Quant (55) forces the Titan's Dave Robinson (25) to loft an outside jumper. Waiting for the possible rebound for Central State are: Bob Moore (22) and Chris Buchanan (51). Central went on to defeat Westminster and edged Fairmont State (W.Va.) in the title game, 51-48.

BASKETBALL

The NAIA National Intercollegiate Basketball Tournament was inaugurated in 1937 at Kansas City, Missouri as an eight-team tournament. It was expanded to a 32-team bracket in 1938 and the tournament has remained in that format since, with the exception of 1944, when no tournament was held because of World War II, and 1945, when the bracket was reduced to 16 teams because of wartime travel limitations.

The tournament, then known as the National Association of Intercollegiate Basketball (NAIB) Tournament, was the first national championship tournament in the sport conducted by a national collegiate body.

The National Intercollegiate Tournament is conducted under the guidance of the NAIA Basketball Committee and is still the key event in the NAIA program. It has been the model from which all other NAIA events have derived their structures.

An all-time NAIA Tournament attendance record was established in 1967 as 68,743 persons turned out to see the six-day classic. On the final night, as St. Benedict's (Kan.) defeated Oklahoma Baptist, 71-65, for the championship, 10,147 fans watched the action at Municipal Auditorium.

Central State University of Ohio won the 1968 title, defeating Fairmont State (W.Va.), 51-48 in the closest NAIA tournament final game in 25 years. It was the Marauders and Coach Bill Lucas' second title, the other coming in 1965.

BOWLING

A. O. Duer, NAIA Executive Secretary (third from left), presents the championship trophy to Coach Gordon Teigen and the La Crosse State (Wis.) bowling team, the 1968 NAIA National Bowling Champions. From left to right: Jack Connaughton, Ron Hedrich, A. O. Duer, Coach Gordon Teigen, Jim Punko, Bob Bush, and Glenn Mueller.

BOWLING

Bowling officially became the 11th sport (gymnastics, indoor track and ice hockey have since been added) on the NAIA championship program with the staging of the first national finals in Kansas City, Missouri in 1962. The format for the first three years provided for a 12-game total pinfall style of tournament for the 32 teams participating.

Beginning in 1965, the field was reduced to eight teams, each the champion of a geographical area. The format was changed from total pinfall to head-to-head, match game, round robin bowling. Individual and doubles champions were crowned in one-game matches, following the position round. Each team in the event bowls each of the other seven a two-game match, with each game won worth an extra 250 bonus pins. The 1968 tournament was co-sponsored by the American Bowling Congress.

La Crosse State (Wis.), led by world amateur champion Jack Connaughton, won their second consecutive team title in 1968. Connaughton, who signed a pro contract immediately after the NAIA tournament, captured the singles title with a 195.1 average. Connaughton and his La Crosse teammate Ron Hedrich were the doubles champions.

CROSS COUNTRY

John Mason, Fort Hays State (Kan.) distance ace, is shown crossing the finish line to win the 12th Annual NAIA National Cross-Country Championships at Omaha (Neb.). Mason won the four-mile run in the time of 20:14.0.

CROSS COUNTRY

Cross Country was added to the NAIA program in 1956 and all 12 meets have been held at the Elmwood Park Golf Course in Omaha, Nebraska and hosted by the University of Omaha.

The 1967 meet produced one of the most exciting finishes in meet history. John Mason, Fort Hays State (Kan.) won in the time of 20:14.0. He was closely followed by David Ellis, Eastern Michigan, 20:16, and Pan American champion Van Nelson, St. Cloud State (Minn.), 20:17.

Fourth place went to the 1965-66 champion Pat McMahon, Oklahoma Baptist with a time of 20:39. The high caliber of the field was borne out by the fact that the top 15 finishers bettered 21:18.5, the winning time in the 1961 meet.

Eastern Michigan won its second straight team title with 85 points. Coach Robert Park's Hurons edged St. Cloud State (Minn.), who finished with 88 points. Third place went to Occidental (Calif.), 119 points, and Adams State (Colo.) finished fourth with 175 points.

FOOTBALL

THE WINNING TOUCHDOWN! George Edwards (43), Fairmont State (W.Va.) halfback, breaks into the open for the 27-yard fourth-quarter touchdown which gave Fairmont State a 28-21 victory over Eastern Washington State in the 12th Annual NAIA Champion Bowl at Morgantown (W.Va.). Eastern Washington's Jim Northcott (24) and Carl Jones (25) move in too late for the tackle.

FOOTBALL

A major step was taken in the NAIA program in 1956 when it was decided to sponsor an annual championship football game to be played between two outstanding teams with NAIA membership.

Little Rock, Arkansas was selected as the site of the first NAIA Football Classic. Little Rock, the State of Arkansas, and the aluminum industry in that state furnished wholehearted support of the game which was tabbed the Aluminum Bowl. The weatherman, however, was not so helpful. St. Joseph's College of Indiana and Montana State College of Bozeman, who were selected to inaugurate this important event, played to a scoreless tie in rain and mud before a nationwide television audience. Despite the conditions, the punting figures were the best of any post-season football game in the nation.

The second annual NAIA championship football game was played in St. Petersburg, Florida, and was named the Holiday Bowl by the local sponsoring Chamber of Commerce. The championship game remained in St. Petersburg until 1961, having been televised until 1960.

In 1958, the Football Championships were extended to a four-team play-off with the winners of two semi-final games advancing to the Holiday Bowl Game. Four years later, the championship game was moved to Sacramento, California, where it was held through 1963.

The 1964 and 1965 championships were held in Augusta, Georgia, and were known as the Champion Bowl, which now has been adopted as the official name of the NAIA Football Championship. The 1966 Champion Bowl was played in Tulsa, Oklahoma.

Morgantown, West Virginia was the site of the 1967 Champion Bowl as Fairmont State (W.Va.) edged Eastern Washington State, 28-21, in one of the most evenly matched NAIA football championships ever played. In a see-saw battle Fairmont scored the winning touchdown in the final quarter and then halted an Eastern Washington long drive with an interception.

GOLF

The 1968 NAIA National Golf Champions--Indiana (Pa.) are (left to right): Mike Arnold, Ricky Worsham, Coach Bernard Ganley, Rick Hrip, Dave Prosser, and Terry Eisenhute.

GOLF

The NAIA Golf Championships share with track and field the distinction of being the first events added to the program when NAIA expanded its role in intercollegiate athletics in 1952.

For five years, golf and tennis were held in conjunction with the track and field meets, first at Abilene, Texas, and then at San Diego, California. However, the events all grew to an extent which made this impossible and, in 1957, the golf and tennis championships were moved to Beaumont, Texas, with Lamar Tech as host.

Golf and tennis were split in 1959, the golf event going to Quincy, Illinois (host Quincy College), as the entries climbed to 92 players. In 1960, the golf tournament was held at Bemidji, Minnesota (host Bemidji State), and in 1961 the meet was staged at Shawnee, Oklahoma (host Oklahoma Baptist).

Davenport, Iowa (host St. Ambrose) was the site of the 1962 event, and in 1963, the meet was held at Kansas City, Missouri. The 1964 Golf Tournament was held at Fort Worth, Texas, where host Texas Wesleyan captured the championship.

East Texas State won the 1965 title, beating Eastern New Mexico by one stroke at Rockford, Illinois. The University of Southwestern Louisiana won back to back titles in 1966 and 1967.

Indiana University (Pa.) became the first Eastern school to win the NAIA golf championship as it captured the 1968 tournament held at Bemidji, Minnesota. Indiana's team score of 1162 was the second best in tournament history.

GYMNASTICS

Increased participation by NAIA member institutions and a steady growth on the international level prompted the NAIA to hold its first National Gymnastics Tournament in 1964.

Fort Hays State College, Hays, Kansas, was host to the first meet and it may take a number of years to exceed the exciting finish that featured the 1964 championships. Western Illinois edged Georgia Southern, 156 1/2 to 156, in the nine-team tournament that wasn't decided until the final contestant of the final event completed his routine.

The 1965 tournament also was held at Fort Hays State as the field climbed to 13 teams and the overall strength of the teams showed marked improvement. Western Illinois amassed 143 points to claim the title for the second straight time.

Western Illinois served as host for the 1966 tournament at Macomb, Illinois, as the field expanded to 18 teams and the competition continued to improve. Northwestern Louisiana State, making its first appearance in the gymnastics tournament, displayed great balance and depth to win the championships.

With the meet moving to Natchitoches, Louisiana, in 1967, Northwestern Louisiana repeated as champion with a 181 1/2 points, more than double its nearest challenger. The 1968 championships were again held at Fort Hays State College, Hays, Kansas, and Northwestern Louisiana won its third straight title.

ICE HOCKEY

Hockey officially became the NAIA's 14th championship sport in 1967-68 as Bemidji State (Minn.) downed Lake Superior State (Mich.) 5-4 in overtime for the championship. Bemidji's goalie Len Klisinger is shown stopping a shot by Lake Superior's Rock Comley. No. 14 for Lake Superior is Randy McArthur. Helping out on defense for Bemidji are Bruce Olson (2), Denny Schuller (3), Ken Anderson (7), and Phil Dupuis (19).

ICE HOCKEY

Ice Hockey officially became the NAIA's 14th championship sport in 1968 as a four-team national invitational tournament was held in St. Paul Auditorium, St. Paul, Minnesota.

Of the 23 NAIA teams which played intercollegiate hockey in 1968, four teams--Boston State (Mass.), Lake Superior State (Mich.), Gustavus Adolphus (Minn.), and Bemidji State (Minn.)--were invited to the championship.

In the semi-final games Lake Superior State outscored Gustavus Adolphus 7-1, and Bemidji State shot past Boston State 11-0. In the thrilling championship game Coach Bob Peters of the Bemidji Beavers had to use an overtime goal by Terry Berstrom to edge Lake Superior 5-4. In regular season play Lake Superior State had defeated the Minnesota skaters in the International Collegiate Hockey Association Conference.

SOCCER

Rockhurst (Mo.) goalie Mike Barnstead (right), moves out to make a save in the 1967 championship game as Mike Villa of Quincy (Ill.) (left), the 1967 Most Valuable Player, moves around Rockhurst's defenseman Mike Tucker for a possible rebound.

SOCCER

In 1959, at the request of a number of NAIA member colleges active in the sport, the first National Intercollegiate Soccer Championship Tournament was held at Slippery Rock State College, Slippery Rock, Pennsylvania. Since the sponsorship of soccer on an intercollegiate basis is largely confined to the Eastern section of the United States, four special areas were established, each with a chairman.

The first NAIA Soccer Tournament was based on these special areas with four colleges invited to send teams to Slippery Rock. Despite severe weather, the tournament was staged in a highly successful manner with Pratt Institute of Brooklyn, New York winning the first NAIA Soccer Championship.

The 1960 tournament was held at Lock Haven State College, Lock Haven, Pennsylvania. An unusual ending to a soccer game: "Called because of darkness," resulted in a 2-2 tie between Elizabethtown College (Pa.) and Newark College of Engineering (N.J.). The two teams battled through two regulation overtimes and two sudden-death overtimes, without breaking the tie.

Howard University of Washington, D.C. won the 1961 tournament with a hard-fought 3-2 win over Newark College of Engineering as the meet was held at Lock Haven for the second straight year. The 1962 tournament moved west to Earlham College, Richmond, Indiana, where East Stroudsburg State (Pa.) shut out two opponents to win its first crown.

The weatherman may have known something in 1963 as the fifth annual tournament was held at Frostburg State College, Frostburg, Maryland. It rained on Friday during the semi-finals then temperatures dropped steadily as the rain turned to snow as officials made every effort to complete the tournament. However, the cold wind and snow proved too much and the tournament committee declared a tie for the championship between Earlham (Ind.) and Castleton State (Vt.).

Trenton State (N.J.) became the first school to win back-to-back soccer titles with championships in 1964 and 1965. They defeated Lincoln (Pa.) 3-0 in 1964 and came back the next year with a 5-2 championship victory over Earlham (Ind.).

Quincy (Ill.) ended Trenton State's bid for three titles in a row with a 6-1 victory in the 1966 championships. The 1967 tournament featured the first "Mid-west" finals in tournament history. Quincy made it two titles in a row with a 3-1 victory over Rockhurst (Mo.).

SWIMMING

The Eastern Michigan swimming team is all smiles after capturing the 1968 NAIA Swimming and Diving Championships at St. Cloud State (Minn.). Winning Coach Mike Jones is pictured at left.

SWIMMING

Swimming, which has enjoyed a rapid growth as an intercollegiate sport in the past decade, joined the NAIA program in 1957. The first NAIA Swimming and Diving Championships were held at Southern Illinois University, Carbondale, Illinois, in March, 1957.

The event moved to Ball State College, Muncie, Indiana, in 1958 and enjoyed a healthy increase in participation and interest in its three-year stay. East Carolina (N.C.) won in 1957 and 1959; North Central (Ill.) claimed the 1958 title, and Southern Illinois won in 1960.

Detroit Institute of Technology, Detroit, Michigan, was the host institution to both the 1961 and 1962 championships, both of which were won by North Central.

The Phillips Petroleum Company, Bartlesville, Oklahoma, hosted the 1963 meet with North Central winning for the fourth time in seven years, three times consecutively.

Hamline University (Minn.) was the site of the 1964 meet as Macalester (Minn.) ended North Central's grip on the top spot.

Macalester repeated as champion in 1965 and 1966 with Eastern New Mexico placing in the runner-up spot for the second and third times. Ten records fell in 1965 at La Crosse State University, La Crosse, Wisconsin, and seven more toppled in 1966 at Hendrix College, Conway, Arkansas.

In 1967 Claremont-Harvey Mudd (Calif.) brought the West Coast its first championship as 13 records were broken at State University College at Buffalo, New York. The 1968 meet, hosted by St. Cloud State (Minn.), saw one of the closest races in meet history as Eastern Michigan edged Claremont-Harvey Mudd (Calif.) 326 points to 279.

TENNIS

Doug Verdieck (left) and Bruce Nelson (right), Redlands (Calif.) are shown winning the doubles title at the NAIA tennis championships in Kansas City, Missouri. Verdieck also won his second consecutive singles title and Redlands captured their third straight team championship.

TENNIS

Tennis, along with golf and track, became one of the first events added to the NAIA national championship program when in 1952 the organization expanded its agenda to include sports other than basketball.

The initial NAIA Tennis Tournament was held in 1952 at Abilene Christian College, Abilene, Texas, and the event remained there four years. It was moved, along with track and golf, to San Diego, California, in 1956, but the growth of the program forced a separating of these three big events the following year.

The tennis tournament has been held at Rockhill Tennis Club, Kansas City, Missouri, since 1960, and the total entries, teams and individuals, have increased steadily each year. It reached a record high of 120 entries, representing 37 schools, in 1968.

Redlands (Calif.) has won three straight tennis championships, ending a long domination by Texas colleges. Doug Verdieck, son of Redlands' coach Jim Verdieck, led his team to the 1968 title, defeating John Rolph, California Western, 6-4, 6-1, in the finals.

OUTDOOR TRACK AND FIELD

Coach Hoover Wright and the Prairie View A&M (Tex.) track team accept the championship plaque and banner after winning the 17th annual NAIA Track and Field Championships in Albuquerque (N.M.). Earlier in the year the Panthers also won the NAIA Indoor Championships in Kansas City. Making the presentation is A. O. Duer, Executive Secretary of NAIA.

TRACK AND FIELD

Track and Field was one of the first sports added to the NAIA program in 1952 and has produced some of the finest athletes in the world. The initial meet was staged in Abilene, Texas, with Abilene Christian winning the first of three titles in four years.

This championship remained at Abilene for three more years, attaining a great degree of stature in that time. In 1956, it was decided to take the meet to the West Coast, traditional site of the nation's track powers. San Diego, California hosted the meet for three years.

From 1959 to 1967 the meet was held at Sioux Falls, South Dakota. In 1968 it was moved to Albuquerque, New Mexico where Prairie View A&M (Tex.) edged Arkansas AM&N for the team title. In this meet Oliver Ford, Southern (La.) tied the existing world record for 100-meters with a time of 10:0.

The third annual NAIA Indoor Meet was expanded to a two-night affair in 1968, and was co-sponsored by the March of Dimes. In addition to the NAIA's regular championship events, Kansas City, Missouri track fans have been treated to spectacular performances by athletes from throughout the world who have competed in the meet's Open Division.

WRESTLING

Mike Stanley, Adams State (Colo.), is shown gaining an early lead over John Casebeer, Central Washington State, in semi-final action in the 1937-pound class at the NAIA National Wrestling Championships at Adams State. Stanley won 11-3 and went on to win his third consecutive NAIA wrestling title.

WRESTLING

The NAIA inaugurated a National Wrestling Tournament in 1958 with 109 athletes participating at Mankato State College, Mankato, Minnesota. Interest and participation in wrestling has climbed rapidly among NAIA member institutions as evidenced by the fact that the meet has grown each year.

Any member college is eligible to participate as the tournament currently is conducted on an open basis. When entries exceed the capacity, the event will assume the traditional NAIA pattern of district championship certification to national events.

Adams State (Colo.) became the first Western school to capture the NAIA Wrestling Championship as it scored 106 points to claim the 1968 title. Runner-up Omaha (Neb.) earned 77 points. Lock Haven State (Pa.), the 1966 and 1967 champion, placed seventh.

Lamoin Merkley, Central Washington State was named the Outstanding Wrestler for the third consecutive year. Merkley won the 167-pound class for the third time.

A. O. DUER SCHOLARSHIP AWARD

James Picka, High Point College, High Point, North Carolina, was selected as the second recipient of the A. O. Duer Scholarship Award, presented by the National Association of Intercollegiate Athletics.

The award is presented annually to a varsity, junior athlete who has excelled in scholarship. This includes athletes from NAIA member institutions who compete in the following NAIA-sponsored events: baseball, basketball, bowling, cross country, football, golf, gymnastics, ice hockey, soccer, swimming, tennis, track, volleyball, water polo and wrestling.

The award has been named the A. O. Duer Scholarship Award in honor of the NAIA Executive Secretary.

Picka was presented with his award during the NAIA-Hillyard Hall of Fame luncheon March 15 in Kansas City, Missouri, site of the 31th Annual NAIA National Basketball Tournament and Convention.

A mathematics major, Picka has attained a 2.96 on a 3.0 scale in his first five semesters at High Point. In his twenty-five courses he has received 26 "A" grades. He has the highest grade average in his class and is a member of the Order of the Lighted Lamp, an organization of upper classmen nominated on the basis of scholarship, leadership, character, and participation in college activities.

On the basketball court Picka has been High Point's starting center for three seasons. He has averaged fifteen points and thirteen rebounds a game.

After graduation he hopes to obtain a Ph.D. in mathematics.

The NAIA Executive Committee announced that the award consists of a $300 scholarship to be used by the recipient during his senior year, and a specially designed NAIA watch.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

(NAIA)

GENERAL INFORMATION

WHEN ORGANIZED:

The National Association of Intercollegiate Athletics officially was organized in March, 1940, in Kansas City, Missouri, by a group of administrators of college athletics and college coaches. However, it dates directly from the first National Association of Intercollegiate Basketball (NAIB) tournament, held in Kansas City, Missouri, in March, 1937.

FOR WHAT PURPOSE:

The National Association of Intercollegiate Athletics was the first and is still the only national organization whose primary and sole purpose is to champion the cause and promote the interests of the college of moderate enrollment and sound athletic philosophy and program. The Association was founded to fill a need for such a champion and is constantly working to fulfill this need.

NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, district and national sports competition and solutions to vital problems affecting colleges of moderate enrollment.

Basic to the NAIA program is the premise that athletics must be an integral part of the overall educational process and must contribute in meaningful degree to that process. The Association believes that under proper control, a program of local, district and national competitions among colleges of like philosophy can contribute to that educational process. To this end, the NAIA sponsors a program of 16 national championship events for its member colleges.

These include baseball, basketball, bowling, cross country, football, golf, gymnastics, ice hockey, soccer, swimming, tennis, indoor and outdoor track and field, volleyball, water polo, and wrestling. All these are under the direct supervision of the NAIA, and participants in them must submit proof of adherence to NAIA standards in regard to eligibility within their seasonal play and not merely for championship events.

The NAIA clearly outlines its own responsibilities and those of its members: A sound athletic program, administered and controlled by those responsible for the administration of the college. This means direct supervision in the matter of caliber of competition, financing the athletic program, and taking steps to assure that athletic assistance is made available only through the institution and under the same general policies as aid to non-athletes. In short, the basic premise is that the athletic program must be a part of the general education process in the institution and not an enterprise apart.

District competition and meetings are emphasized and encouraged, and throughout its span of activities, the NAIA gets its direction from the wishes of the members in a democratic fashion.

The NAIA encourages a broad program of athletic pursuits in its member schools, making it available to the greatest possible number of students. The national organization aims at uniformity in policies and practices through its district and national tournaments and meets.

HOW ADMINISTERED:

The governing body of NAIA is the Executive Committee, elected by the membership. Every member has a vote in this and all other activities of the Association.

The NAIA is organized into 32 districts, representing the entire United States and Canada. The affairs of each district are administered by a District Committee headed by a District Chairman. Each member of the District Committee is elected by the membership within that district. Representation on the District Committee is based upon one committeeman for each three member colleges in the district. The District Chairman is elected for a term of three years.

The district is the basic unit of NAIA organization. The District Committee inaugurates and supervises a program of district events in the various sports. These district champions are certified to NAIA regional and national competitions, in all regional or national events which permit representation from all 32 districts.

MEMBERSHIP ELIGIBILITY:

Any four-year college or university in the United States and Canada, which is approved by its regional accrediting agency, may become a member. The membership fee is graduated on the basis of enrollment and is payable by November 15. Institutions taking membership after this date will not be eligible during that year for district or national tournaments and meets.

OBLIGATION OF MEMBERSHIP:

Members must conduct their intercollegiate athletic program in accord with the standardizing agencies to which they belong, and the rules and standards adopted by the membership of NAIA. They must pay the annual membership dues and cooperate with the activities of the association insofar as these activities are compatible with the intercollegiate policies of their institution.

NATIONAL ALLIANCE ATHLETIC ASSOCIATIONS:

NAIA is a member of the National Alliance of Athletic Associations. Other members of this alliance are the National Federation of State High School Athletic Associations and the National Junior College Athletic Association.

HOW MANY MEMBERS HAS NAIA?

NAIA has a membership of 554 colleges and universities and affiliated conferences.
