FOREWORD

The records contained in this volume are extracted primarily from the national competitions conducted by the National Association of Intercollegiate Athletics. Other records are those submitted by member institutions through reports to the NAIA Statistical Service.

Member colleges who have records exceeding those in this manual may submit applications for recognition of these records by writing to the NAIA Public Relations Director at the NAIA National Office.

This thirteenth printing of the NAIA Records Book is possible only through the cooperation of NAIA member colleges and sports information directors. The degree of its accuracy and completeness in the sections other than where results of the national events or statistical bureau information are listed is a reflection of this cooperation by member institutions.

DR. JIM HAMILTON
WESTERN CAROLINA UNIVERSITY, CULLOWHEE, NORTH CAROLINA
1969-70 PRESIDENT OF NAIA

When Dr. Jim Hamilton has a spare moment this year, probably he will spend it working on a study of athletic grants-in-aid among some 540 colleges and universities across the nation.

.....Or, working with the Board of Directors of the U. S. Olympic Committee.

.....Or, awarding a championship trophy in places like Billings, Montana.

Hamilton, 47, head of the Department of Health and Physical Education at Western Carolina University, also is president of the National Association of Intercollegiate Athletics (NAIA) for 1969-70.

Since becoming president in March, Hamilton already has jetted to the national offices in Kansas City several times, and to Chicago, New York, Las Vegas and many other cities, on official business.

As president, Hamilton is the presiding officer at meetings of the NAIA executive committee, the NAIA representative at meetings where the association is a participant, and the No. 1 spectator at as many NAIA championships as a working man's schedule will permit.

But Hamilton does not speak of executive committee meetings and trophy presentations when the conversation turns to the NAIA presidency. He emphasizes current problems in athletics and solutions to the problems sought by NAIA research committees.

"The conduct of coaches, athletes, officials, and particularly audiences at athletic contests throughout the entire country, has become detrimental to the high standards of sportsmanship," Hamilton says. He sees the trend as a major problem for NAIA members.

At the helm of the NAIA this year, Hamilton brings a steady hand and a rich background of experience to the post. A native of Weir, Kansas, he attended Pittsburg State College in Kansas where he received All-America recognition as a basketball player. He earned his bachelor's and master's degrees at the University of North Carolina following a World War II hitch in the Navy, and received his doctor's degree from George Peabody College.

Hamilton coached freshmen basketball teams at UNC for three years, and was head basketball coach at Lenoir-Rhyne College. Before he joined the WCU organization as physical education head in 1966, he held similar posts at Lenoir-Rhyne and High Point Colleges. He is a member of the NAIA Hall of Fame.

Hamilton is a member of the U. S. Olympic Committee board of directors, and recently was appointed to the 22-member International Basketball Board of the United States, a new organization charged with developing policies and procedures for the conduct of international basketball competition affecting the United States during the next four years.

NAIA EXECUTIVE SECRETARY-TREASURER

A. O. Duer, a native of Kansas, has been Executive Secretary-Treasurer of the NAIA since 1949. During that time the NAIA has experienced a growth in membership from 200 to the present total of 584 colleges and universities and affiliated conferences.

In 1949, the NAIA sponsored only one national championship event--a 32-team basketball tournament. A total of 17 championships are sponsored now, all on an annual basis. The basketball tournament, dating back to 1937, is still the oldest and largest national championship basketball event held anywhere.

The growth and success of the NAIA program can be credited to the guidance of Al Duer. It also can be traced to his background, which is typical of the administrators, athletic directors and coaches with whom he works.

Now a member of the Board of Directors of the U.S. Olympic Committee, Duer has worked, untiringly, toward gaining recognition for the NAIA by the U.S. Olympic Committee. This goal was achieved in 1965 whith the naming of 35 NAIA coaches to various U.S. Olympic Sports Committees. Duer was chairman of the important Equipment and Supplies Committee for the 1968 Olympic Games, in which capacity he served at the Winter Olympic Games in Grenoble, France and at the Summer Games in Mexico City.

He was born in Sylvia, Kansas on November 18, 1904. He was graduated from Stafford, Kansas high school, and entered Kansas State Teachers College, Emporia, in 1923. In 1925 he transferred to Columbia University, New York City to complete work for his bachelor's degree. He received his master's from the University of Southern California.

Duer coached and served as principal and superintendent in Kansas High schools until 1939 when he accepted a position as athletic director and basketball coach at George Pepperdine College, Los Angeles. In 10 years of coaching, he had only one losing season. Four of his Pepperdine teams represented NAIA District 3 (California) in the NAIA National Tournament. His 1945 team placed second and the 1946 team finished third in the week-long event.

He relinquished the basketball job in 1948 to devote full time to his duties as athletic director and Dean of Men at Pepperdine. In 1949, the NAIA Executive Committee asked Duer to take the job of Executive Secretary-Treasurer, a position which he filled in addition to his duties at Pepperdine until the pressure of NAIA duties began taking most of his time. He continued as athletic director until 1957.

In 1957, it was decided that, in order to carry out its expanded program of national events, a centrally-located NAIA office should be established. Al and Mrs. Duer, the former Juanita Reed of Ottawa, Kansas, who were married December 27, 1928, moved from the Pacific Coast to Kansas City, Missouri. The Duers have two children, Mrs. Beth Elford of Las Vegas, Nevada, and Larry, who resides in Munich, Germany.

SUMMARY OF 1968-69 NAIA NATIONAL CHAMPIONSHIPS

With a fierce closeness of competition, a record number of entries in almost every event and record crowds at most spectator events, the NAIA enjoyed one of its most successful years in history. This year saw the number of championships expanded to 17 sports with the addition of water polo, volleyball and decathlon to the NAIA tournament program.

Fort Hays State (Kan.) opened the NAIA 1968-69 championship schedule by winning the cross country title at Oklahoma City, Oklahoma. John Mason of Fort Hays State closed out a brilliant NAIA track career with his second consecutive NAIA Cross Country title with a time of 23:40.0 over the five-mile course.

Davis & Elkins (W.Va.) prevented Quincy (Ill.) from becoming the first school to win the NAIA soccer crown three years in a row with a thrilling 2-1 five-overtime affair in one of the longest soccer matches ever played. The soccer championship, hosted by Quincy College, was expanded to an eight-team consolation form tournament in 1968.

A record crowd of 15,000 fans turned out at Montgomery, Alabama's Crampton Bowl to watch Troy State (Ala.) outscore Texas A&I, 43-35 to win the 13th Annual NAIA Champion Bowl in the wildest offensive display the Bowl game has ever seen. In the Champion Bowl semi-finals, Troy State defeated Willamette (Ore.), 63-10 and Texas A&I outlasted Northern State (S.D.), 20-0 in the driving rain and mud before 8,000 hardy fans at Kingsville, Texas.

An attendance mark was also reached at the NAIA Indoor Track and Field Championships as a two-night crowd of 8,090 saw Eastern Michigan win their first NAIA Indoor Title. Coach Bob Park's Hurons gathered in 96 1/3 points to 52 points for runner-up Prairie View A&M (Tex.).

Bemidji State (Minn.) won its second consecutive ice hockey crown defeating Lake Superior State, 6-2 in the title match. In the consolation round of the hockey championships held at Sault Ste. Marie, Michigan, Gustavus Adolphus (Minn.) took the third place trophy with a 6-2 verdict over Salem State (Mass.).

Eastern New Mexico displayed one of the longest streaks of hot-handed shooting in tournament history as the Greyhounds hit over 60 per-cent from the field five nights in a row to capture the 32nd Annual Basketball Tournament at Kansas City. In the title game Eastern broke away from a slim 45-42 half-time lead to sweep past Maryland State, 99-76.

In the other March championships, Adams State was the wrestling champion for the second year in a row as the Indians outscored host Nebraska (Omaha), 98-84. Northwestern Louisiana won their fourth straight gymnastics title by outscoring Georgia Southern, 147-138 at Western Illinois University, Macomb, Illinois. The same week at George Williams College, Downers Grove, Illinois, Eastern Michigan showed amazing team depth to win the NAIA swimming and diving championships.

The early spring championship calendar saw the addition of volleyball to the NAIA program as Earlham (Ind.) bested a seven team national field to become the first collegiate volleyball champion. During the same May weekend in Kansas City, La Crosse State (Wis.) rolled to the NAIA Bowling crown and became the first team ever to win all 15 of its matches. La Crosse State's Bob Bush won the singles title and he teamed with Ron Herold for the doubles crown.

The highlight of the spring sports calendar was the 18th Annual NAIA Track and Field championships which were hosted in an outstanding manner by Billings, Montana. Prairie View A&M (Tex.) won a narrow 69½ - 68 decision over Southern (La.) to give Coach Hoover Wright's Panthers their second consecutive crown.

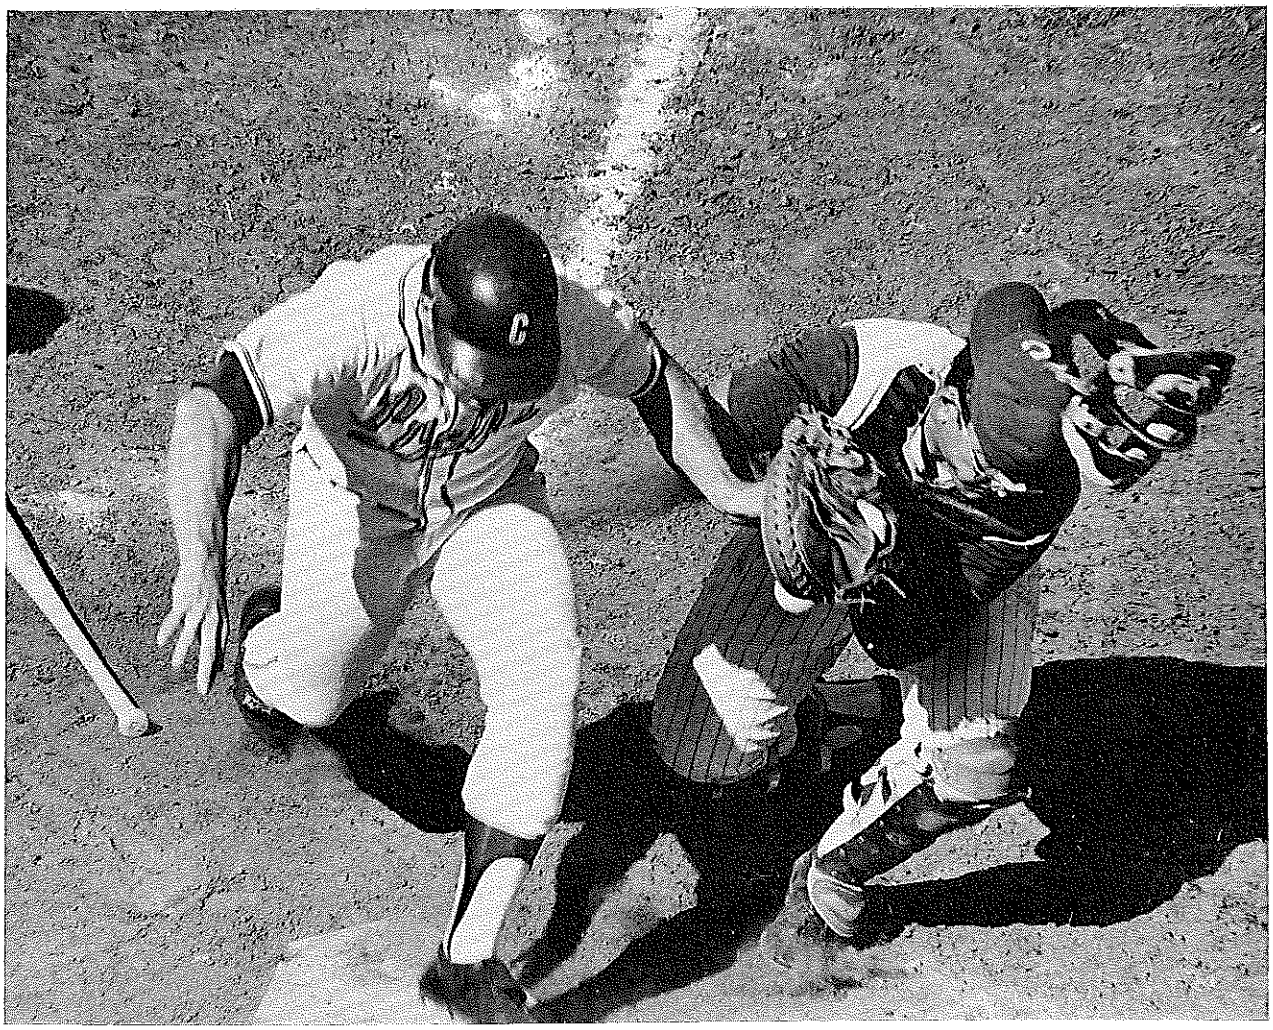

The 13th Annual Baseball Tournament saw six teams make the eight-team, double elimination finals for the first time. In one of the closest weeks of baseball in NAIA tournament history, witnessed by a record crown of 15,385 fans, William Carey (Miss.) outlasted LaVerne (Calif.), 5-3 to win the NAIA pennant.

Fort Worth, Texas was the scene of the 18th Annual Golf Tournament as host Texas Wesleyan won the team title edging Appalachian State (N.C.) by 14 strokes. Ken Hyland of Malone (Ohio) was the medalist with a four-round score of 290.

Redlands (Calif.), paced by three-time singles champion Doug Verdieck, won its fourth straight tennis title at the Rockhill Tennis Club in Kansas City, Missouri. Doug Verdieck and his brother Randy were declared co-doubles champions along with another set of brothers--George and Jim Amaya of Presbyterian (S.C.) when rain forced the cancellation of their match.

The 1968-69 NAIA sports year came to a fitting end at Westmont College, Santa Barbara, California with sport's most demanding challenge--the Decathlon. Jeff Bennett, Oklahoma Christian, proved that he is a world-class decathlon man as the 5'8" athlete scored 7551 points to best a 13-man field in the first national collegiate decathlon ever held in the United States.

BASEBALL

DECISION COLLISION....Jim Grossi of Glassboro State (N.J.) (at left) and Grand Canyon (Ariz.) Catcher Terry Bovey collide at home as Grossi steps on the plate with the winning run in a 13-inning opening round duel at the NAIA National Baseball finals. The force of the collision pops the ball from Bovey's glove and sends his mask flying. Bovey was stunned a few moments but walked from the field under his own power. Glassboro State took the 1-0 victory after three hours of exciting baseball. (Photograph by Bill Bennett, St. Joseph GAZETTE).

HISTORY OF THE NAIA NATIONAL BASEBALL TOURNAMENT

The NAIA Baseball Championships were inaugurated in 1957. Sul Ross State College in Alpine, Texas was host to the first three tournaments. Morningside College in Sioux City, Iowa served as host to the next two tournaments, and in 1962 it was moved to St. Joseph, Missouri where all attendance records were broken in 1969 (15,385 for all sessions) under the sponsorship of the St. Joseph Junior Chamber of Commerce.

Selection of the field was based on area representation for the first time in 1959. Before that the teams participated on an invitational basis. Each area, composed of four districts, holds a play-off to determine its representative. In 1969 a total of 96 teams participated in district and area play-offs.

THIRTEENTH ANNUAL BASEBALL TOURNAMENT

Phil J. Welch Stadium, St. Joseph, Missouri

June 9-14, 1969

William Carey did not have the glittering stars but Coach John O'Keefe's Crusaders showed great team balance in all departments to defeat La Verne College, 5-3 in the championship game and capture the 13th Annual NAIA Baseball Tournament. La Verne had forced the extra game in the double-elimination affair by trouncing William Carey, 10-4 the night before. The two schools, who had the smallest enrollments (750 and 800 respectively in the field), also played in the championship game of the winner's bracket with William Carey a 4-1 victor in that contest. This year's field, which saw six of the eight teams reach the national finals for the first time, were of the best of the record entry of 96 NAIA schools which had played in district and area play-offs to reach St. Joseph. St. Cloud State (Minn.) took third place and Glassboro State (N.J.) fourth.

BASKETBALL

The NAIA National Intercollegiate Basketball Tournament was inaugurated in 1937 at Kansas City, Missouri as an eight-team tournament. It was expanded to a 32-team bracket in 1938 and the tournament has remained in that format since, with the exception of 1944, when no tournament was held because of World War II, and 1945, when the bracket was reduced to 16 teams because of wartime travel limitations.

The tournament, then known as the National Association of Intercollegiate Basketball (NAIB) Tournament, was the first national championship tournament in the sport conducted by a national collegiate body.

The National Intercollegiate Tournament is conducted under the guidance of the NAIA Basketball Committee and is still the key event in the NAIA program. It has been the model from which all other NAIA events have derived their structures.

An all-time NAIA Tournament attendance record was established in 1967 as 68,743 persons turned out to see the six-day classic. On the final night, as St. Benedict's (Kan.) defeated Oklahoma Baptist, 71-65, for the championship, 10,147 fans watched the action at Municipal Auditorium.

Eastern New Mexico hit 18 of their first 20 shots in the second half to defeat Maryland State, 99-76 in the 1969 championship game. Coach Harry Miller's Greyhounds hit over 60 percent in each of their five victories in the week-long tournament which was witnessed by 62,827 fans.

BOWLING

The La Crosse State (Wis.) bowling team poses in front of the scoreboard which shows them sweeping 15 consecutive games enroute to their third straight NAIA Bowling championship. Pictured from left to right are Ron Herold, Ron Hedrich, Glenn Mueller, Jim Punko, Bob Bush and Coach Gordon Teigen.

BOWLING

Bowling officially became the 11th sport on the NAIA championship program with the staging of the first national finals in Kansas City, Missouri in 1962. The format for the first three years provided for a 12-game total pinfall style of tournament for the 32 teams participating.

Beginning in 1965, the field was reduced to eight teams, each the champion of a geographical area. The format was changed from total pinfall to head-to-head, match game, round robin bowling. Individual and doubles champions are crowned in one and two game matches, following the position round. Each team in the event bowls each of the other seven a two-game match, with each game won worth an extra 250 bonus pins. The 1969 tournament was co-sponsored by the American Bowling Congress.

La Crosse State (Wis.) became the first team to win three consecutive NAIA team championships as the Indians rolled to a perfect 15-0 record in the 1969 tourney. Bob Bush of La Crosse State won the two-game rolloff for the singles championship and he teamed with Ron Herold, also of La Crosse State, for the doubles title.

CROSS COUNTRY

John Mason of Fort Hays State (Kan.) wins his second consecutive NAIA Cross Country title at Oklahoma City, Oklahoma. Mason, who also paced Fort Hays State to the team championship, covered the five-mile course in 23 minutes, 40 seconds.
(Copyright 1968, The Oklahoma Publishing Company).

CROSS COUNTRY

Cross Country was added to the NAIA program in 1956 and the first 12 meets were run on a four-mile course at the Elmwood Park Golf Course in Omaha, Nebraska and hosted by the University of Nebraska at Omaha.

In 1968 the meet was shifted to Stanley Draper Lake in Oklahoma City, Oklahoma and the course was expanded to five miles. John Mason of Fort Hays State (Kan.) closed out a brilliant collegiate career by capturing his second straight NAIA Cross Country championship with an excellent time of 23:24.0. Only three seconds behind Mason was Eastern Michigan's David Ellis who finished second for the second year in a row.

Coach Alex Francis' Fort Hays Tigers captured the team title with 106 points. Fort Hays State also won the team trophy in 1963 and 1965. Emporia State (Kan.) was the runner-up with 110 points and Eastern Michigan, the 1966 and 1967 champion, finished third with 126 points.

FOOTBALL

Sim Byrd, Troy State (Ala.) quarterback lets fly with one of his record setting 25 pass completions in leading the Red Wave to a 43-35 victory in the 13th Annual NAIA Champion Bowl at Montgomery, Alabama. Byrd completed 25 passes in 44 attempts for 324 yards and five touchdowns. Attempting to knock down the pass for Texas A&I is Jerry Hajovsky (76).

FOOTBALL

A major step was taken in the NAIA program in 1956 when it was decided to sponsor an annual championship football game to be played between two outstanding teams with NAIA membership.

Little Rock, Arkansas was selected as the site of the first NAIA Football Classic. Little Rock, the State of Arkansas, and the aluminum industry in that state furnished wholehearted support of the game which was tabbed the Aluminum Bowl. The weatherman, however, was not so helpful. St. Joseph's College of Indiana and Montana State College of Bozeman, who were selected to inaugurate this important event, played to a scoreless tie in rain and mud before a nationwide television audience. Despite the conditions, the punting figures were the best of any post-season football game in the nation.

The second annual NAIA championship football game was played in St. Petersburg, Florida, and was named the Holiday Bowl by the local sponsoring Chamber of Commerce. The championship game remained in St. Petersburg until 1961, having been televised until 1960.

In 1958, the Football Championships were extended to a four-team play-off with the winners of two semi-final games advancing to the Holiday Bowl Game. Four years later, the championship game was moved to Sacramento, California, where it was held through 1963.

The 1964 and 1965 championships were held in Augusta, Georgia, and were known as the Champion Bowl, which now has been adopted as the official name of the NAIA Football Championship. The 1966 Champion Bowl was played in Tulsa, Oklahoma.

In 1967 the Champion Bowl was first played at the site of one of the finalists as Fairmont State edged Eastern Washington State, 28-21, in one of the closest Champion Bowls ever, at Morgantown (W.Va.). The 1968 Champion Bowl produced the largest crowd in history as 15,000 turned out in Montgomery, Alabama's historic Crampton Bowl to see Troy State outscore Texas A&I, 43-35 in the biggest offensive show in the Bowl's 13-year history.

GOLF

The 1969 NAIA Golf champions were host team Texas Wesleyan College, Fort Worth, Texas. From left to right are Bobby Cornett, Benny Passons, Ray Brangan, Gary Frankenfield, Paul Darwin and Coach O. D. Bound, Jr.

GOLF

The NAIA Golf Championships share with track and field the distinction of being the first events added to the program when NAIA expanded its role in intercollegiate athletics in 1952.

For five years, golf and tennis were held in conjunction with the track and field meets, first at Abilene, Texas, and then at San Diego, California. However, the events all grew to an extent which made this impossible and, in 1957, the golf and tennis championships were moved to Beaumont, Texas, with Lamar Tech as host.

Golf and tennis were split in 1959, the golf event going to Quincy, Illinois (host Quincy College), as the entries climbed to 92 players. In 1960, the golf tournament was held at Bemidji, Minnesota (host Bemidji State), and in 1961 the meet was staged at Shawnee, Oklahoma (host Oklahoma Baptist).

Davenport, Iowa (host St. Ambrose) was the site of the 1962 event, and in 1963, the meet was held at Kansas City, Missouri. The 1964 Golf Tournament was held at Fort Worth, Texas, where host Texas Wesleyan captured the championship.

East Texas State won the 1965 title, beating Eastern New Mexico by one stroke at Rockford, Illinois. The University of Southwestern Louisiana won back to back titles in 1966 and 1967.

Indiana University (Pa.) became the first Eastern school to win the NAIA golf championship as it captured the 1968 tournament held at Bemidji, Minnesota. Indiana's team score of 1162 was the second best in tournament history.

In 1969, as in 1964, Texas Wesleyan College was the tournament host and also the tournament champion. The field was made up of 180 golfers from 33 schools who sent teams and 15 additional district medalists. In the second year of district qualification, 30 of the NAIA's 32 districts sent their champions.

GYMNASTICS

The 1969 NAIA All-Around Gymnastics champion was John Ellas of Northwestern Louisiana State. Ellas was runner-up in the 1968 gymnastics All-Around competition.

GYMNASTICS

Increased participation by NAIA member institutions and a steady growth on the international level prompted the NAIA to hold its first National Gymnastics Tournament in 1964.

Fort Hays State College, Hays, Kansas, was host to the first meet and it may take a number of years to exceed the exciting finish that featured the 1964 championships. Western Illinois edged Georgia Southern, 156 1/2 to 156, in the nine-team tournament that wasn't decided until the final contestant of the final event completed his routine.

The 1965 tournament also was held at Fort Hays State as the field climbed to 13 teams and the overall strength of the teams showed marked improvement. Western Illinois amassed 143 points to claim the title for the second straight time.

Western Illinois served as host for the 1966 tournament at Macomb, Illinois, as the field expanded to 18 teams and the competition continued to improve. Northwestern Louisiana State, making its first appearance in the gymnastics tournament, displayed great balance and depth to win the championship.

With the meet moving to Natchitoches, Louisiana, in 1967, Northwestern Louisiana repeated as champion with a 181 1/2 points, more than double its nearest challenger. The 1968 championships were again held at Fort Hays State College, Hays, Kansas, and Northwestern Louisiana won its third straight title.

The 1969 meet, hosted by Western Illinois, saw the level of competition reach an all-time high in quality. Northwestern Louisiana won a narrow 11 1/2 point victory over Georgia Southern as a record number of 24 teams entered the competition.

ICE HOCKEY

Lake Superior State's Jim Fuller (9) scores on a low line drive shot which went past the outstretched leg of Bemidji State goalie Blane Comstock. Also pictured are Austin Wallestad (14) and Charlie Brown of Bemidji State and Doug Kacarevich of Lake Superior State. It was one of the few shots that got by Comstock as he registered 22 saves in Bemidji State's 6-2 victory over Lake Superior State in the championship match of the NAIA Ice Hockey Tournament.

ICE HOCKEY

Ice Hockey officially became the NAIA's 14th championship sport in 1968 as a four team national invitational tournament was held in St. Paul Auditorium, St. Paul, Minnesota. Bemidji State (Minn.) became the NAIA's first hockey champion as they edged Lake Superior State, 5-4 in a thrilling overtime battle. Gustavus Adolphus took third place by besting Boston State (Mass.), 7-6.

In 1969 the four best of the 30 NAIA hockey playing schools participated in the finals--this time hosted by Lake Superior State and Sault Ste. Marie, Michigan. Although the scene was different, the result was the same as Bemidji State out-scored Lake Superior State, 6-2 for Coach Bob Peters' Beavers second consecutive NAIA Ice Hockey crown.

SOCCER

Howie Brooks, Quincy (Ill.), applies a strong foot to the ball in the NAIA championship soccer match which Davis & Elkins (W.Va.) won 2-1 in five overtimes. On the right for Davis & Elkins is Rildo Ferreira.

SOCCER

In 1959, the first National Intercollegiate Soccer Championship Tournament was held at Slippery Rock State (Pa.) -- also the scene of the 1960 championship. Since that time the NAIA soccer program has grown to over 160 schools participating and over the years the NAIA soccer finals have produced some of the most thrilling and bizarre contests in the entire championship program.

The first tournament -- a four-team invitational affair held in miserable weather -- was won by Pratt Institute (N.Y.) over Elizabethtown (Pa.), 4-3 in two overtimes. In 1960 Elizabethtown and Newark Engineering (N.J.) again battled into overtime with the match ending in a 2-2 tie when the contest was halted by darkness.

Howard (D.C.) won the 1961 tournament staged at Lock Haven State (Pa.) and the 1962 crown went to East Stroudsburg State (Pa.) as the championships were held at Earlham College, Richmond, Indiana.

In 1963, the weatherman moved back into a prominent role at the NAIA Soccer tournament hosted by Earlham College. It rained on Friday during the semi-finals; then as temperatures dropped, the rain turned to snow. Although the officials made every effort to complete the tournament, the cold wind and snow forced the issue and Earlham and Castleton State (Vt.) were declared co-champions.

Trenton State became the first school to win back-to-back soccer championships with titles in 1964 and 1965 and Quincy (Ill.) duplicated the feat in 1966 and 1967. The 1967 title match was the first "Mid-West" title affair in NAIA soccer history as Quincy defeated Rockhurst of Kansas City, Missouri, 3-1.

The growth of NAIA soccer was evidenced in 1968 by the fact that all eight of the NAIA Area Soccer Champions journeyed to Quincy, Illinois for four days of round-robin competition. When it was all over with Davis & Elkins College of Elkins, West Virginia, used a superior defense to edge Quincy, 2-1 in six overtimes. The 113 minutes of soccer is probably one of the longest soccer games ever played.

CHAMPIONSHIP RESULTS

1968 Davis & Elkins (W.Va.) 2, Quincy (Ill.) 1 (six overtimes).
1967 Quincy (Ill.) 3, Rockhurst (Mo.) 1.
1966 Quincy (Ill.) 6, Trenton State (N.J.) 1.

1964 Trenton State (N.J.) 3, Lincoln (Pa.) 0.
1963 Earlham (Ind.) and Castleton State (Vt.), co-champions. (Finals cancelled due to snow)
1962 East Stroudsburg State (Pa.) 4, Pratt Institute (N.Y.) 0.
1961 Howard (D.C.) 3, Newark Engineering (N.J.) 2.
1960 Elizabethtown (Pa.) 2, Newark Engineering (N.J.) 2 (tie) - co-champions.
1959 Pratt Institute (N.Y.) 4, Elizabethtown (Pa.) 3 (two overtimes).

CONSOLATION RESULTS

1968 Eastern Connecticut 0, Plattsburgh State (N.Y.) 0 (Eastern awarded third place based on corner kicks.)

SWIMMING

For the second year in a row the Eastern Michigan Hurons captured the NAIA Swimming and Diving championships. Head Coach Mike Jones is on the right and Assistant Coach Chuck Lott is shown on the left.

SWIMMING

Swimming, which has enjoyed a rapid growth as an intercollegiate sport in the past decade, joined the NAIA program in 1957. The first NAIA Swimming and Diving Championships were held at Southern Illinois University, Carbondale, Illinois, in March, 1957.

The event moved to Ball State College, Muncie, Indiana, in 1958 and enjoyed a healthy increase in participation and interest in its three-year stay. East Carolina (N.C.) won in 1957 and 1959. North Central (Ill.) claimed the 1958 title, and Southern Illinois won in 1960.

Detroit Institute of Technology, Detroit, Michigan, was the host institution to both the 1961 and 1962 championships, both of which were won by North Central.

The Phillips Petroleum Company, Bartlesville, Oklahoma, hosted the 1963 meet with North Central winning for the fourth time in seven years, three times consecutively.

Hamline University (Minn.) was the site of the 1964 meet as Macalester (Minn.) ended North Central's grip on the top spot.

Macalester repeated as champion in 1965 and 1966 with Eastern New Mexico placing in the runner-up spot for the second and third times. Ten records fell in 1965 at La Crosse State University, La Crosse, Wisconsin, and seven more toppled in 1966 at Hendrix College, Conway, Arkansas.

In 1967 Claremont-Harvey Mudd (Calif.) brought the West Coast its first championship as 13 records were broken at State University College at Buffalo, New York. The 1968 meet, hosted by St. Cloud State (Minn.), saw one of the closest races in meet history as Eastern Michigan edged Claremont-Harvey Mudd (Calif.) 326 points to 279.

Eastern Michigan, using tremendous depth, captured its second consecutive championship with Claremont-Harvey Mudd (Calif.) again finishing in the runner-up spot. The host institution, George Williams College (Ill.) furnished the setting in which 15 new records were established.

NOTE: All other place winners at the 1969 NAIA Swimming and Diving Championships were named Honorable Mention.

TENNIS

One of the finest doubles teams ever to play in the NAIA Tennis Championships is shown in action at the 1969 tourney. On the right George Amaya of Presbyterian (S.C.) returns a service as his brother Jim guards the net.

TENNIS

Tennis, along with golf and track, became one of the first events added to the NAIA National championship program when in 1952 the organization expanded its agenda to include sports other than basketball.

The initial NAIA Tennis Tournament was held in 1952 at Abilene Christian College, Abilene, Texas, and the event remained there four years. It was moved, along with track and golf, to San Diego, California, in 1956, but the growth of the program forced a separating of these three big events the following year.

The tennis tournament has been held at the Rockhill Tennis Club, Kansas City, Missouri since 1960. The number of entries has grown to the point that in 1968 the tournament field was determined by district qualification for entries into the team, singles and doubles championships.

In 1969 Redlands won their fourth consecutive championship and Doug Verdieck, son of Redlands' Coach Jim Verdieck, won his third consecutive singles' championship. Doug Verdieck and his brother Randy were co-champions in the doubles competition along with another set of brothers George and Jim Amaya of Presbyterian (S.C.) when rain forced the cancellation of the doubles finals.

OUTDOOR TRACK AND FIELD

An outstanding group of sprinters pose on the victory stand following the finals of the 100-yard dash at the NAIA Outdoor Track and Field championships. From left to right are Oliver Ford, Southern (La.); Bernard Austin, Southern (La.); Earnest Haynes, Texas A&I; David Hinojosa, Texas A&I; Charles Rushing, Redlands (Calif.), and Nate Krig, State College of Arkansas.

OUTDOOR TRACK AND FIELD AND DECATHLON

Track and Field was one of the first sports added to the NAIA program in 1952 and has produced some of the finest athletes in the world. The initial meet was staged in Abilene, Texas, with Abilene Christian winning the first of three titles in four years.

This championship remained at Abilene for three more years, attaining a great degree of stature in that time. In 1956, it was decided to take the meet to the West Coast, traditional site of the nation's track powers. San Diego, California hosted the meet for three years.

From 1959 to 1967 the meet was held at Sioux Falls, South Dakota and in 1968 it was moved to Albuquerque, New Mexico to an altitude similar to that of Mexico City, the site of the 1968 Olympics. The 1969 championships were held at Billings, Montana where over 10,000 fans saw Prairie View A&M (Tex.) win their second consecutive championship.

The decathlon became NAIA's 17th national championship as 13 athletes competed in this event -- the greatest individual challenge in sports. Jeff Bennett, Oklahoma Christian, became the United State's first collegiate decathlon champion as he amassed 7551 points at the NAIA championships hosted by Westmont College and Santa Barbara, California.

INDOOR TRACK AND FIELD

Felix Johnson, one of the finest middle-distance men in NAIA history, is shown winning the 100-yard run at the Indoor Championships. The Prairie View A&M ace turned in a clocking of 1:55.1 to edge Ross Schmeichel of Yankton (S.D.).

INDOOR TRACK AND FIELD

In 1966 the NAIA Track Coaches' Association decided to add the indoor championship to their calendar and the results have been most impressive. In four short years this has become a fixture on the Kansas City, Missouri sports calendar.

The first two team titles were captured by Southern (La.) as they were paced by 1968 Olympic gold medal winner Willie Davenport. The 1967 meet in Kansas City also saw Olympian Jim Hines of Texas Southern tie the world mark of :05.9 in the 60-yard dash. These are but two of the many Olympians which have competed in the NAIA Indoor championships.

In 1968 the meet was expanded to a two night affair and was under the co-sponsorship of the March of Dimes. The 1968 championships saw Prairie View A&M (Tex.) win their first title and also was the scene as Bobby Beamon, competing in the Open Division, set a world indoor mark in the long jump with a leap of 27-1 on a short runway.

Eastern Michigan won the 1969 team crown with 96 1/3 points. John Mason highlighted the Open Division with a record setting 4:06.7 mile.

VOLLEYBALL

Coach Jackson Bailey (second from left) and the Earlham (Ind.) volleyball team accept their championship trophy for winning the NAIA Volleyball title. Making the presentation is John Strahl, athletic director at Greenville (Ill.), and a member of the NAIA Executive Committee.

VOLLEYBALL

Volleyball officially became the NAIA's 16th championship sport in 1969 when George Williams College, Downers Grove, Illinois hosted the seven team, double elimination NAIA National Volleyball Championships May 2nd and 3rd.

The seven team field represented the best from the NAIA's six Volleyball areas. Coach Jackson Bailey's Quakers of Earlham College, Richmond, Indiana, emerged as the NAIA's first Volleyball Champions when they defeated Indiana Tech of Fort Wayne, Indiana 15-6 in the one game second final.

The United States Volleyball Association, governing body of Volleyball in the United States, presented certificates of recognition to participating players and institutions in commemoration of their participation in the first National Volleyball Tournament ever sanctioned by a National Collegiate governing body.

WRESTLING

Mel Washington (left) of the University of Nebraska (Omaha) is shown getting position on Mike Fisher of Biola (Calif.) in the 177-pound division at the NAIA Wrestling championships. Washington went on to win the match.

WRESTLING

The NAIA inaugurated a National Wrestling Tournament in 1958 with 109 athletes participating at Mankato State College, Mankato, Minnesota. Interest and participation in wrestling has climbed rapidly among NAIA member institutions as evidenced by the fact that the meet has grown each year.

The NAIA Wrestling tournament reached new heights in 1969 both in terms of competition and interest. A record crowd of 10,734 turned out for the three days of competition hosted by the University of Nebraska at Omaha and the City of Omaha.

For the second consecutive year Adams State won the team championship with Nebraska (Omaha) the runner-up. The fact that the top six teams represented every section of the country is ample proof that the NAIA wrestling program has grown in excellence from coast to coast. This year's tournament saw 331 participants representing 86 schools take part in the meet.

A. O. DUER SCHOLARSHIP AWARD

Charles W. Rowell, Erskine College, Due West, South Carolina, was selected as the recipient of the third annual A. O. Duer Award presented by the National Association of Intercollegiate Athletics.

The award is presented annually to a varsity, junior athlete who has excelled in scholarship. This includes all athletes from NAIA member institutions who compete in the following NAIA sponsored events: Baseball, Basketball, Bowling, Decathlon, Football, Golf, Ice Hockey, Gymnastics, Soccer, Swimming, Tennis, Track, Volleyball, Water Polo, and Wrestling.

The award has been named the A. O. Duer Scholarship Award in honor of the NAIA Executive Secretary.

Rowell was presented his award at the NAIA-Hillyard Hall of Fame luncheon March 14, 1969, in Kansas City, Missouri, during the 32nd Annual NAIA National Basketball Tournament and Convention.

A history major, Rowell had a 3.927 average on a 4.00 scale in his first five semesters at Erskine. In his 26 courses over that period he received 24 "A" grades. He was a member of the Euphemian Literary Society, the Honor Council and the Student Legislature. His freshman year he received the Ethelis Bible Medal going to the freshman with the highest average.

Rowell has also been an active student leader at Erskine, having served on the Student Legislature, the Men's Council, and the Round Table (a student faculty administrative group which exercises general oversight of campus life).

As a varsity soccer player at Erskine, Rowell lettered for two years. Charles Smith, Erskine College's soccer coach said of Charles: "As a player he is a heavy-footed fullback and he can be depended upon to execute most of our goal kicks. He is a person of sincerity, honesty and a diligent worker. He is one of my team leaders and can always be relied upon to give it one hundred percent."

The award consists of a $300 scholarship to be used by the recipient during his senior year and a specially designed NAIA watch.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

(NAIA)

GENERAL INFORMATION

WHEN ORGANIZED:

The National Association of Intercollegiate Athletics officially was organized in March, 1940, in Kansas City, Missouri, by a group of administrators of college athletics and college coaches. However, it dates directly from the first National Association of Intercollegiate Basketball (NAIB) tournament, held in Kansas City, Missouri, in March, 1937.

FOR WHAT PURPOSE:

The National Association of Intercollegiate Athletics was the first and is still the only national organization whose primary and sole purpose is to champion the cause and promote the interests of the college of moderate enrollment and sound athletic philosophy and program. The Association was founded to fill a need for such a champion and is constantly working to fulfill this need.

NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, district and national sports competition and solutions to vital problems affecting colleges of moderate enrollment.

Basic to the NAIA program is the premise that athletics must be an integral part of the overall educational process and must contribute in meaningful degree to that process. The Association believes that under proper control, a program of local, district and national competitions among colleges of like philosophy can contribute to that educational process. To this end, the NAIA sponsors a program of 17 national championship events for its member colleges.

These include baseball, basketball, bowling, cross country, decathlon, football, golf, gymnastics, ice hockey, soccer, swimming, tennis, indoor and outdoor track and field, volleyball, water polo, and wrestling. All these are under the direct supervision of the NAIA, and participants in them must submit proof of adherence to NAIA standards in regard to eligibility within their seasonal play and not merely for championship events.

The NAIA clearly outlines its own responsibilities and those of its members: A sound athletic program, administered and controlled by those responsible for the administration of the college. This means direct supervision in the matter of caliber of competition, financing the athletic program, and taking steps to assure that athletic assistance is made available only through the institution and under the same general policies as aid to non-athletes. In short, the basic premise is that the athletic program must be a part of the general education process in the institution and not an enterprise apart.

District competition and meetings are emphasized and encouraged, and throughout its span of activities, the NAIA gets its direction from the wishes of the members in a democratic fashion.

The NAIA encourages a broad program of athletic pursuits in its member schools, making it available to the greatest possible number of students. The national organization aims at uniformity in policies and practices through its district and national tournaments and meets.

HOW ADMINISTERED:

The governing body of NAIA is the Executive Committee, elected by the membership. Every member has a vote in this and all other activities of the Association.

The NAIA is organized into 32 districts, representing the entire United States and Canada. The affairs of each district are administered by a District Committee headed by a District Chairman. Each member of the District Committee is elected by the membership within that district. Representation on the District Committee is based upon one committeeman for each three member colleges in the district. The District Chairman is elected for a term of three years.

The district is the basic unit of NAIA organization. The District Committee inaugurates and supervises a program of district events in the various sports. These district champions are certified to NAIA regional and national competitions, in all regional or national events which permit representation from all 32 districts.

MEMBERSHIP ELIGIBILITY:

Any four-year college or university in the United States and Canada, which is approved by its regional accrediting agency, may become a member. The membership fee is graduated on the basis of enrollment and is payable by November 15. Institutions taking membership after this date will not be eligible during that year for district or national tournaments and meets.

OBLIGATION OF MEMBERSHIP:

Members must conduct their intercollegiate athletic program in accord with the standardizing agencies to which they belong, and the rules and standards adopted by the membership of NAIA. They must pay the annual membership dues and cooperate with the activities of the association insofar as these activities are compatible with the intercollegiate policies of their institution.

NAIA MEMBERSHIP IN OTHER ORGANIZATIONS

NAIA is a Group "B" member of the United States Olympic Committee. There are four representatives of the NAIA Executive Committee on the Olympic Board of Directors. In addition, the NAIA has six representatives on the U.S.O.C. and 38 representatives of NAIA Coaches' Associations on Olympic Games (sports) Committees.

NAIA is also active in the work of the Amateur Athletic Union (AAU) through the National AAU-NAIA Coordination Committee. There are two representatives of the NAIA Executive Committee on the AAU Board of Directors and over 50 NAIA representatives serving on AAU Sports Committees.

The NAIA--along with the NCAA, AAHPER and NJCAA--is a charter member of the United States Collegiate Sports Council (USCSC) which is the United States representative in FISU--the world governing body for the World Student Games and other programs for college and university students throughout the world.

Other organizations in which the NAIA is active include the National Alliance Athletic Associations, Federation of International Basketball FIBA), and the Council for National Cooperation in Aquatics.

HOW MANY MEMBERS HAS NAIA? NAIA has a membership of 549 colleges and universities and 36 affiliated conferences.
