FOREWORD

The records contained in this volume are extracted primarily from the national competitions conducted by the National Association of Intercollegiate Athletics. Other records are those submitted by member institutions through reports to the NAIA Statistical Service.

Member colleges which have records exceeding those in this manual may submit applications for recognition of those records by writing to the NAIA Public Relations Director at the NAIA National Office.

This thirteenth printing of the NAIA Records Book is possible only through the cooperation of NAIA member colleges and sports information directors. The degree of its accuracy and completeness in the sections other than where results of the national events or statistical bureau information are listed is a reflection of this cooperation by member institutions.

ERNEST W. ANDERSON
AUGSBURG COLLEGE, MINNEAPOLIS, MINNESOTA
1970-71 PRESIDENT OF NAIA

Ernest Anderson, the 1970-71 President of the 550 member colleges and universities of NAIA, has been on the staff of Augsburg College since 1947. During that time he has been basketball coach and Director of Health & Physical Education. Because of his duties as President of NAIA, Anderson stepped down as basketball coach this spring after 25 years of guiding the Augsburg basketball fortunes.

A native of Ellendale, Minnesota, Anderson received his B.A. Degree in History from Augsburg in 1937. As an undergraduate he was a two-sport star gaining All-Conference honors as a guard in basketball and a short-stop in baseball. He later received a Masters Degree from the University of Minnesota.

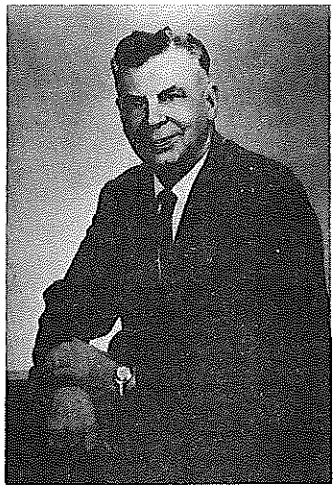

Following his graduation from Augsburg in 1937, Anderson coached for four years at Cottonwood (Minn.) High School. From 1941-1946 he served in the U.S. Army as an Officer in the Special Services. Anderson is a Deacon in the Lutheran Church and lists membership on the U.S. Olympic Committee among his many outside activities. He and his wife Margaret have two children.

NAIA EXECUTIVE SECRETARY-TREASURER

A. O. Duer, a native of Kansas, has been Executive Secretary-Treasurer of the NAIA since 1949. During that time the NAIA has experienced a growth in membership from 200 to the present total of 584 colleges and universities and affiliated conferences.

In 1949, the NAIA sponsored only one national championship event--a 32-team basketball tournament. A total of 16 championships are sponsored now, all on an annual basis. The basketball tournament, dating back to 1937, is still the oldest and largest national championship basketball event held anywhere.

The growth and success of the NAIA program can be credited to the guidance of Al Duer. It also can be traced to his background, which is typical of the administrators, athletic directors and coaches with whom he works.

Now a member of the Board of Directors of the U.S. Olympic Committee, Duer has worked, untiringly, toward gaining recognition for the NAIA by the U.S. Olympic Committee. This goal was achieved in 1965 with the naming of 35 NAIA coaches to various U.S. Olympic Sports Committees. Duer was chairman of the important Equipment and Supplies Committee for the 1968 Olympic Games, in which capacity he served at the Winter Olympic Games in Grenoble, France and at the Summer Games in Mexico City.

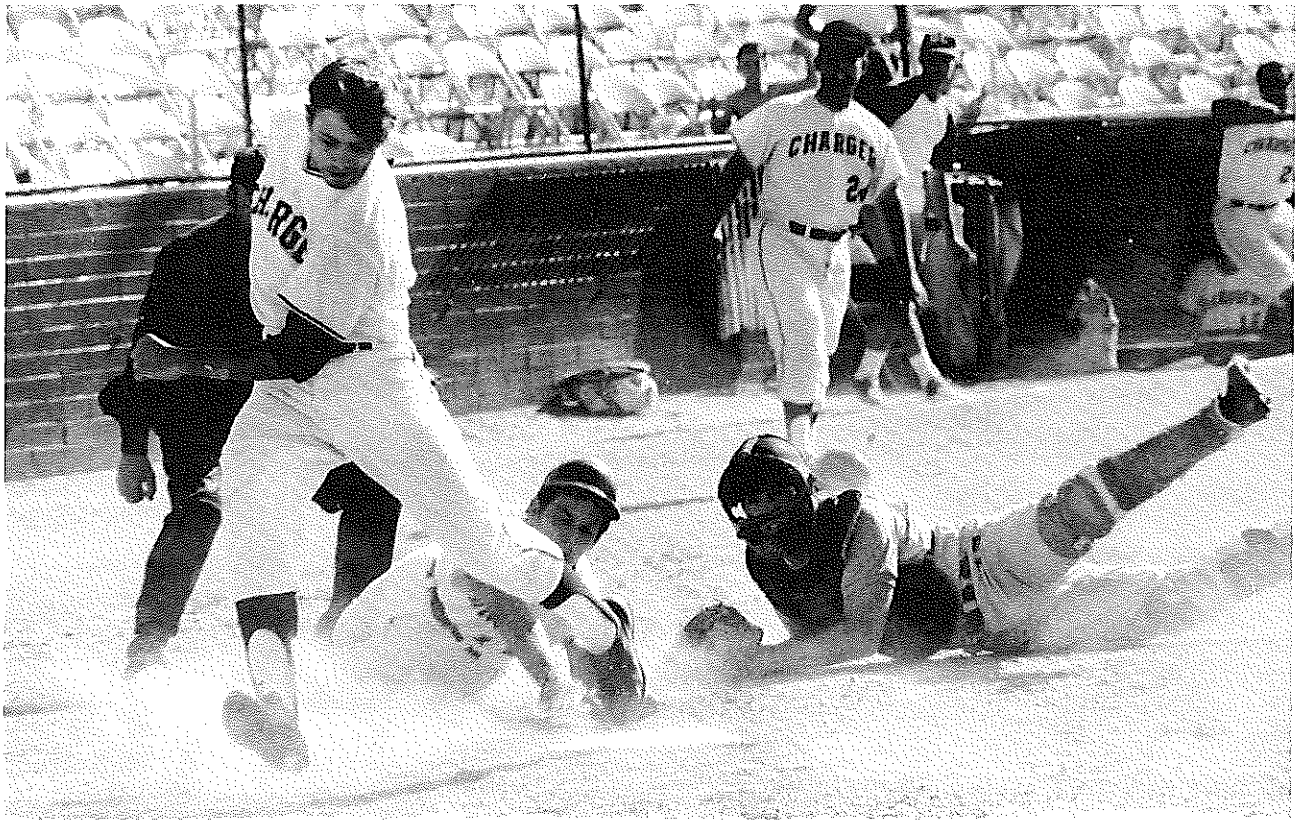

He was born in Sylvia, Kansas on November 18, 1904. He was graduated from Stafford, Kansas high school, and entered Kansas State Teachers College, Emporia, in 1923. In 1925 he transferred to Columbia University, New York City, to complete work for his bachelor's degree. He received his master's from the University of Southern California.

Duer coached and served as principal and superintendent in Kansas high schools until 1939 when he accepted a position as athletic director and basketball coach at George Pepperdine College, Los Angeles. In 10 years of coaching, he had only one losing season. Four of his Pepperdine teams represented NAIA District 3 (California) in the NAIA National Tournament. His 1945 team placed second and the 1946 team finished third in the week-long event.

He relinquished the basketball job in 1948 to devote full time to his duties as athletic director and Dean of Men at Pepperdine. In 1949, the NAIA Executive Committee asked Duer to take the job of Executive Secretary-Treasurer, a position which he filled in addition to his duties at Pepperdine until the pressure of NAIA duties began taking most of his time. He continued as athletic director until 1957.

In 1957, it was decided that, in order to carry out its expanded program of national events, a centrally-located NAIA office should be established. Al and Mrs. Duer, the former Juanita Reed of Ottawa, Kansas, who were married December 27, 1928, moved from the Pacific Coast to Kansas City, Missouri. The Duers have two children, Mrs. Beth Elford of Las Vegas, Nevada, and Larry, who resides in Munich, Germany.

BASEBALL

DOUBLE TROUBLE....In third round action at the NAIA Baseball World Series at Phoenix and Mesa, Arizona, New Haven (Conn.) scored two tying runs in the ninth inning against Pembroke State (N.C.) on this bang-bang play at the plate. Oddly enough the first run was scored by Ozzie Ramos (on the ground) who tagged the plate with his hand just an instant before Jim Pascarella crossed the plate standing up as Pembroke State's catcher Chip White made a desperate lunge for the runners. New Haven scored another run in the ninth to win the game, 7-6.

HISTORY OF THE NAIA NATIONAL BASEBALL TOURNAMENT

The NAIA Baseball Championships were inaugurated in 1957. Sul Ross State College in Alpine, Texas was host to the first three tournaments. Morningside College in Sioux City, Iowa served as host to the next tournaments, and in 1962 it was moved to St. Joseph, Missouri under the sponsorship of the St. Joseph Junior Chamber of Commerce, where it remained until 1970 when it was moved to Phoenix, Arizona. Grand Canyon College and the Grand Canyon College Antelope Booster Club assumed the sponsorship in 1970.

Selection of the field was based on area representation for the first time in 1959. Before that the teams participated on an invitational basis. Each area, composed of four districts, holds a playoff to determine its representative. In 1970 a total of 93 teams participated in district and area playoffs. These were the best of the 457 NAIA member institutions that sponsored baseball in 1970.

The fourteenth annual NAIA National Baseball Tournament was played in the Phoenix Municipal Stadium and Mesa (Arizona) Rendevous Park in 1970 where Eastern Michigan University, edged Northeast Louisiana State 1-0 in the second finals of the double elimination tournament. The eight team field, in the 1970 tourney, was as well balanced as any tournament in recent NAIA baseball history with nine of the 15 games decided by one run. The two finalists met three times during the tourney with Eastern Michigan winning 6-4 in the finals of the winner's bracket and Northeast Louisiana bouncing back to defeat the Hurons 7-6 in the first finals (to give each team one loss) before succumbing in the last of the ninth inning of the championship thriller. When with two outs, two Huron baserunners on first and third, and two strikes on Eastern Michigan's catcher Dave Smilgelski (who had been inserted in the eighth inning for defensive purposes and was 0 for 12 in the tournament) lined a single to left-center field to score the game's only run and bring the fourteenth annual NAIA Baseball Tournament to a close. Livingston (Alabama) University and New Haven (Conn.) College tied for third place under the new playing format adopted by the NAIA Baseball Coaches' Association for the national championship.

BASKETBALL

TRAVIS ON TARGET....In the NAIA championship game Travis Grant (33) drills home an 18-footer in Kentucky State's 79-71 decision over Central Washington State. In the championship thriller Grant scored 30 points including 13 of 20 from the field mostly on long jumpers. Grant, 6-7 sophomore, was also the NAIA's scoring champion during the 1970-71 season with a 35.4-point average.

BASKETBALL

The NAIA National Intercollegiate Basketball Tournament was inaugurated in 1937 at Kansas City, Missouri as an eight-team tournament. It was expanded to a 32-team bracket in 1938 and the tournament has remained in that format since, with the exception of 1944, when no tournament was held because of World War II, and 1945, when the bracket was reduced to 16 teams because of wartime travel limitations.

The tournament, then known as the National Association of Intercollegiate Basketball (NAIB) Tournament, was the first national championship tournament in the sport conducted by a national collegiate body. The NAIA basketball championships are administered by a tournament committee representing the NAIA Basketball Coaches' Association.

An all time NAIA tournament attendance record was established in 1970 as 69,255 persons watched the 33rd renewal of the oldest national intercollegiate basketball championships. Kentucky State, featuring a team composed largely of freshmen and sophomores, fought their way past perennial northwest power, Central Washington State, 79-71 to win the 1970 tournament.

BOWLING

Harding College of Searcy, Arkansas, won the 1970 NAIA Bowling title held at King Louis Bowl, Kansas City, Missouri. Pictured after they had posted their winning total of 16,946 pins are team members Gary Parsons, singles champion Charles Burt, Dennis Reeve, Mark Poteat, Coach Ed Burt and Charles Webb.

BOWLING

Bowling officially became the 11th sport on the NAIA championship program with the staging of the first national finals in Kansas City, Missouri in 1962. The format for the first three years provided for a 12-game total pinfall style of tournament for the 32 teams participating.

Beginning in 1965, the field was reduced to eight teams, each the champion of a geographical area. The format was changed from total pinfall to head-to-head, match game, round robin bowling. Individual and doubles champions are crowned in one and two game matches, following the position round. Each team in the event bowls each of the other seven a two-game match, with each game won worth an extra 250 bonus pins. The tournament is sanctioned by the American Bowling Congress.

In 1970, Harding College (Ark.), paced by the steady performance of Charles Burt, broke La Crosse State's (Wis.) grip on the team championship. Burt became the first two-time singles champion in NAIA bowling history, while Al Malone and Steve Poling of Glenville State (W.Va.) copped the doubles crown.

CROSS COUNTRY

Ralph Foote of Taylor (Ind.) is the first runner across the finish line at the 14th Annual NAIA Cross Country championships at Oklahoma City. Foote took individual honors in the winning time of 24:53 while Fort Hays State (Kan.) won the team title.

CROSS COUNTRY

Cross Country was added to the NAIA program in 1956 and the first 12 championships were run on a four-mile course at the Elmwood Park Golf Course in Omaha, Nebraska and hosted by the University of Nebraska at Omaha.

In 1968 the meet was shifted to Stanley Draper Lake in Oklahoma City, Oklahoma and the course was expanded to five miles. In 1969 the national championship was again held in Oklahoma City, Oklahoma, but the site was moved to Woodson Park.

Fort Hays State (Kan.) repeated their victory of a year earlier as Coach Alex Francis' Tigers finished 2, 12, 18, 29 and 41 for a team total of 102 points. Eastern Michigan finishing with 118 points took second. The 259 competing athletes representing 61 institutions set a new record for participation in the National event.

FOOTBALL

Karl Douglas (16) Texas A&I's versatile quarterback rambles for an eight yard gain in the Javelinas' 32-7 Champion Bowl victory over Concordia (Minn.) played before a capacity crowd of 12,202 in Kingsville, Texas. Douglas connected on 13 of 16 passes for 305 yards and added nine yards rushing to be voted the game's Outstanding Back.

FOOTBALL

A major addition to the NAIA national event program was made in 1956 when a championship football game between two outstanding NAIA teams was played.

Little Rock, Arkansas was selected as the site of the first NAIA Football Classic. The city, the state, and the aluminum industry of Arkansas gave 100% support to the game which was named the Aluminum Bowl.

The second annual NAIA championship football game was played in St. Petersburg, Florida, and was named the Holiday Bowl by the local sponsoring Chamber of Commerce. The championship game remained in St. Petersburg until 1961, having been televised until 1960.

In 1958, the Football Championships were extended to a four-team playoff with the winners of two semi-final games advancing to the Holiday Bowl Game. Four years later, the championship game was moved to Sacramento, California, where it was held through 1963.

The 1964 and 1965 championships were held in Augusta, Georgia, and were known as the Champion Bowl, which now has been adopted as the official name of the NAIA Football Championship. The 1966 Champion Bowl was played in Tulsa, Oklahoma.

The 1969 Champion Bowl was played on the campus of Texas A&I University in Kingsville, Texas, marking the fourth consecutive year that the game has been played at or near the site of one of the finalists. Runner up in the 1968 title contest, Texas A&I, with great passing and speed defeated Concordia College (Minn.) 32-7 to become the third school in NAIA football history to win two national football championships.

GOLF

Paul Reed, NAIA All-America golfer from Prairie View A&M (Tex.), sends a chip shot toward the pen at the 19th Annual NAIA Golf championships hosted this year by William Jewell College and Liberty, Missouri. Reed put together rounds of 73, 76, 74 and 76 for a total of 299 to finish only two strokes behind medalist Jimmy Chapman of Southwest Texas State.

GOLF

The NAIA Golf Championships share with track and field the distinction of being the first events added to the program when NAIA expanded its role in intercollegiate athletics for 1952.

For five years, golf and tennis were held in conjunction with the track and field championships with Abilene, Texas hosting the events from 1952 through 1955 and San Diego, California acting as host in 1956.

As participation grew, separation became apparent and in 1957 the format was changed with the golf and tennis championships being held in Beaumont, Texas. Golf and tennis were split in 1959 with the golf championship going to Quincy, Illinois.

A major revision in the National format occurred in 1968, as district qualifying became required to replace the open invitational standard. In 1970, Campbell College (N.C.) improved upon its third place finish of 1969 to win the 19th Annual NAIA National Golf Championships held at Claycrest Golf Club in Liberty, Missouri.

GYMNASTICS

John Ellas of Northwestern Louisiana demonstrates the form that brought him first place honors in the All-Around competition at the NAIA Gymnastics championships held this year at Stout State (Wis.). It was Ellas' second consecutive All-Around title.

GYMNASTICS

Increased participation by NAIA member institutions and a steady growth on the intercollegiate level prompted the NAIA to hold its first National Gymnastics Tournament in 1964.

Fort Hays State College, Hays, Kansas, was host to the first meet and it may take a number of years to exceed the exciting finish that featured the 1964 championships. Western Illinois edged Georgia Southern, 156 1/2 to 156, in the nine-team tournament that wasn't decided until the final contestant of the final event completed his routine.

Fort Hays State played host to the second NAIA meet in 1965 with 13 teams participating. The 1966 championships moved to Macomb, Illinois where Northwestern Louisiana State began a string of team championships which was culminated with their fifth consecutive win in the 1970 gymnastics meet.

Northwestern Louisiana, Fort Hays State, and Western Illinois University respectively were the sites of the 1967, 1968, and 1969 championships and the field increased to an all-time high of 24 teams in 1969.

The 1970 meet moved to Wisconsin for the first time on the campus of Stout State University. Twenty-two institutions were represented in a meet that featured the finest individual gymnasts in NAIA history.

Back row: Bill Weller, Jim Humphrey, Nick Novak, Glen Beckett, Denny Lemieux, Pat Badiuk, Tom Malloy, and Bruce Falk.

ICE HOCKEY

Ice Hockey officially became the NAIA's 14th championship sport in 1968 as a four team national invitational tournament was held in St. Paul Auditorium, St. Paul, Minnesota. Bemidji State (Minn.) became the NAIA's first hockey champion as they edged Lake Superior State, 5-4 in a thrilling overtime battle. Gustavus Adolphus took third place by besting Boston State (Mass.), 7-6.

In 1969 the four best of the 30 NAIA hockey playing schools participated in the finals--this time hosted by Lake Superior State and Sault Ste. Marie, Michigan. Although the scene was different, the result was the same as Bemidji State outscored Lake Superior State, 6-2 for Coach Bob Peters' Beavers second consecutive NAIA Ice Hockey crown. The 1970 tournament was also hosted by Lake Superior State and won for the third time by Bemidji State.

SOCCER

William Smyth (left), mid-fielder for Davis & Elkins (W.Va.), repels an Eastern Illinois attack in the championship match at the NAIA Soccer finals. Smyth, who became the first man ever to be voted the Most Valuable Player two years in succession, could not stop the entire Eastern team as the Panthers won the NAIA title, 1-0 in two overtimes.

SOCCER

Moving from a four-team affair in 1959 to a true national championship in 1968, with eight teams qualified through area play-offs, the NAIA Soccer program has been one of the NAIA's fastest growing sports. Over 200 NAIA schools currently sponsor Soccer. Slippery Rock State College of Slippery Rock, Pennsylvania, was the site of the 1959 and 1960 Soccer Championships that saw four schools from the eastern half of the United States participating. The 1961 tournament was staged at Lock Haven State (Pa.) and in 1962 the tournament moved to the midwest as Earlham College of Richmond, Indiana was selected as the host. Earlham also hosted the 1963 tournament that saw the second co-championship in NAIA Soccer tournament history recorded as Earlham and Castleton State (Vt.) had their finals cancelled due to snow, rain and freezing weather. 1960 was the other year that co-champions were declared when it became too dark to continue play with Elizabethtown (Pa.) and Newark Engineering (N.J.) tied at 2-2.

1968 was the first year that eliminations were held in the eight Soccer areas with each area champion advancing to the National finals. It was also in 1968 that Quincy College (Ill.) and Davis and Elkins College (W.Va.) battled through six overtimes before Davis and Elkins emerged with a 2-1 victory and ended Quincy's hope of becoming the first NAIA school to win three consecutive NAIA Soccer championships. Trenton State (N.J.), 1964 and 1965, and Quincy College, 1966 and 1967, are the only two schools to win back-to-back NAIA Soccer championships.

The 1969 NAIA National Soccer Championship returned to the midwest as Eastern Illinois University edged defending champion Davis and Elkins, 2-1 in two overtimes, in the 11th Annual NAIA National Soccer Championships, hosted for the third time in the 11-year history by Earlham College. For the second consecutive year, eight area champions advanced to the National finals to battle for the coveted title over the Thanksgiving weekend.

SWIMMING

More than 250 NAIA swimmers and divers took part in the opening ceremonies at the 14th Annual NAIA Swimming and Diving championships held at La Crosse State (Wis.) University. Eastern Michigan outscored Claremont-Mudd, 339-316 to win its third consecutive team title.

SWIMMING

Swimming, which has enjoyed a rapid growth as an intercollegiate sport in the past decade, joined the NAIA program in 1957. The first NAIA Swimming and Diving Championships were held at Southern Illinois University, Carbondale, Illinois in March 1957.

From its modest beginning of six teams entered in 1957, the National Championships have grown in strength and stature having 41 institutions entered in 1970 with 30 of them scoring during the three-day championships.

Each year records continue to topple with 5 records being set in 1958 at the Ball State (Ind.) pool. In 1959 six more NAIA records were set and the pace continued until 1965 when 10 NAIA swimming records were established. Seven more were established the following year and records in 13 of the 18 events were again set in 1968. The 1969 Championships saw 15 new NAIA records established.

The 1970 National Championships were held at La Crosse State (Wis.). Eastern Michigan, using tremendous depth, annexed its third consecutive championship with Claremont-Harvey Mudd (Calif.) finishing in the runner-up spot for the third straight year.

TENNIS

Coach Jim Verdieck (center) of Redlands (Calif.) accepts the school's sixth NAIA team Tennis championship trophy. Others in the picture are Doug Verdieck, John Brush, NAIA Executive Secretary A. O. Duer, and Randy Verdieck. Other team members are David Rasmussen, Paul Jamison and Steve Warfield. Doug Verdieck won his fourth consecutive singles title and the Verdieck brothers won the doubles crown.

TENNIS

Tennis, along with golf and track, became one of the first events added to the NAIA National championship program when in 1952 the organization expanded its agenda to include sports other than basketball.

The initial NAIA Tennis Tournament was held in 1952 at Abilene Christian College, Abilene, Texas, and the event remained there four years. It was moved, along with track and golf, to San Diego, California, in 1956, but the growth of the program forced a separating of these three big events the following year.

The tennis tournament has been held at the Rockhill Tennis Club, Kansas City, Missouri since 1960. The number of entries has grown to the point that in 1968 the tournament field was determined by district qualification for entries into the team, singles and doubles championships.

1970 marked the fifth consecutive team championship for the University of Redlands (Calif.). Doug Verdieck closed out a brilliant career for Redlands by winning his fourth consecutive singles championship and combining with brother Randy Verdieck for his third consecutive doubles championship. He is the only tennis player in NAIA history to achieve such a record.

OUTDOOR TRACK AND FIELD

Rex Maddaford, Eastern New Mexico distance ace, completes the first leg of his NAIA Outdoor Track double by winning the six-mile run at the outdoor championships in Billings, Montana. Maddaford also captured the three-mile race to be voted the meet's Outstanding Athlete.

OUTDOOR TRACK AND FIELD AND DECATHLON

Track and Field was one of the first sports added to the NAIA program in 1952 and has produced some of the finest athletes in the world. The initial meet was staged in Abilene, Texas, with Abilene Christian winning the first of three titles in four years.

This championship remained at Abilene for three more years, attaining a great degree of stature in that time. In 1956, it was decided to take the meet to the West Coast, traditional site of the nation's track powers. San Diego, California hosted the meet for three years.

From 1959 to 1967 the meet was held at Sioux Falls, South Dakota and in 1968 it was moved to Albuquerque, New Mexico to an altitude similar to that of Mexico City, the site of the 1968 Olympics. Billings, Montana was chosen as the site of the 1969 Championships and over 10,000 fans turned out to see a record entry of 353 athletes from 98 institutions compete.

In 1970 the return to Billings saw 110 institutions field 398 athletes as participation flourished. Eastern Michigan, using tremendous depth, captured its first outdoor track championship by scoring 75 points to Texas Southern's second place finish of 50 points.

The decathlon became the 17th National Championship of NAIA in 1969 as the Invitational event was hosted by Westmont College and Santa Barbara, California. The second annual decathlon championship was held in Billings, Montana and Jeff Bennett, Oklahoma Christian won the event for the second straight year. The decathlon will cease to be a separate national event in 1971 as it was voted to become a scoring event within the outdoor track and field championships next season.

INDOOR TRACK AND FIELD

With a mighty burst of energy Al Feuerbach, Emporia State's mighty weight-man, lets loose a record shattering shot-put effort at the NAIA Indoor Championships at Kansas City's Municipal Auditorium. Feuerbach's toss traveled 62 feet, 8 3/4 inches, a meet record, to win for him the meet's Outstanding Athlete honors.

INDOOR TRACK AND FIELD

In 1966 the NAIA Track Coaches' Association decided to add the indoor championship to their calendar and the results have been most impressive. This event has become a permanent fixture on the Kansas City, Missouri sports calendar.

From 1966 through 1968 NAIA held 10 open events for men and 4 for women in addition to the 14 NAIA collegiate events. In 1969 the Track Coaches' Association eliminated all but the mile run and walk for men in the open events in that the NAIA athletes were consistently outperforming their "open" counterparts.

Forty institutions fielded teams in the 1970 indoor championships with Eastern Michigan winning its second straight team championship with an impressive 73 point total. Prairie View A&M (Tex.) scored 31 points to finish in second place for the second straight year. The mile run became the only open event left on the indoor schedule and John Mason continued his mastery with a record breaking 4:03.5 time. Mason has never been defeated in his three years while competing as a collegiate for Fort Hays State (Kan.) and his past two years as an open entry in the mile.

The Indoor All-America team was named from first, second and third place finishers at NAIA Indoor Championships. All other place finishers were named honorable mention.

VOLLEYBALL

The fierceness of power volleyball is shown in the title match of the NAIA Championships won by the University of California at San Diego (in white). Attacking for UCSD are Dick Reithermann, Jeff Gorrell and Art Brownstein while Terry Tegtmeier (23), Rick Wells (43) and Steve Henson (35) defend for runner-up Indiana Tech.

NAIA NATIONAL VOLLEYBALL CHAMPIONSHIPS

Volleyball was the 16th championship sport to be officially recognized by NAIA and to have a national tournament conducted. Volleyball came on the NAIA scene in 1969 when George Williams College of Downers Grove, Illinois hosted the first seven-team invitational tournament. Earlham College of Richmond, Indiana emerged as the first champion in the Olympic games newest sport. The United States Volleyball Association, the governing body for volleyball in the United States presented certificates of recognition to participating players and schools in the 1969 tournament commemorating their participation in the first national volleyball tournament ever sanctioned by a national collegiate sports governing body. For the first time in United States Volleyball Association history the NAIA will be extended an invitation to participate, with an augumented NAIA volleyball team, in the 1971 Pan American volleyball games trials and the 1972 Olympic volleyball games trials. The 1971 national NAIA volleyball tournament site will be the Texas Wesleyan campus with Texas Wesleyan and the University of Dallas serving as co-hosts. The 1970 site was the beautiful University of California at San Diego, and the UCSD Tritons emerged as the 1970 NAIA national volleyball champions as they battled through the round robin schedule and the single elimination playoff of the top four teams, in the two-day, six-team invitational national tourney to defeat Indiana Institute of Technology in the finals. This was the second consecutive second place finish for Indiana Tech in the two-year history of NAIA volleyball.

WRESTLING

Dave Sanger of Upper Iowa (right) had the upper hand at this stage of the championship match in the 190-pound division at the NAIA Wrestling finals at Superior State (Wis.). However, Sanger, a two-time NAIA national champion, was upset by Bernard Hospadka (left) of the University of Nebraska at Omaha. Hospadka's victory helped Nebraska (Omaha) win the team title.

WRESTLING

The NAIA inaugurated a National Wrestling Tournament in 1958 with 100 athletes representing 23 institutions at Mankato State, Mankato, Minnesota. Interest and participation in wrestling has climbed rapidly among NAIA member institutions as evidenced by the fact that the meet has grown each year.

From its modest beginning the wrestling championships have risen to its 1970 record participation of 353 athletes representing 97 institutions. For the past two years, first at Omaha, Nebraska and recently at Superior, Wisconsin, spectator attendance has been over 10,000 for the three day event.

The University of Nebraska at Omaha shook off the runner-up role it has played the past two years to capture the team championships in 1970 by scoring 86 points. Adams State (Colo.), the two-time defending champion, settled for second place with 58 points.

A. O. DUER SCHOLARSHIP AWARD

Roy Lee Eoff, Arkansas Polytechnic College, Russellville, Arkansas, was selected as the recipient of the Fourth Annual A. O. Duer Award presented by the National Association of Intercollegiate Athletics.

The award is presented annually to a varsity junior athlete who has excelled in scholarship. This includes all athletes from NAIA member institutions who compete in the following NAIA sponsored events: Baseball, Basketball, Bowling, Decathlon, Football, Golf, Ice Hockey, Gymnastics, Soccer, Swimming, Tennis, Track, Volleyball, Water Polo and Wrestling.

The award has been named the A. O. Duer Scholarship Award in honor of the NAIA Executive Secretary, Eoff was presented his award at the NAIA-Hillyard Hall of Fame luncheon March 13 during the 33rd Annual NAIA National Basketball Tournament and Convention.

An accounting major, Eoff has a perfect 4.0 average in his first five semesters at Arkansas Tech. He has received A's in all 29 of the college courses he has taken.

On the football field, Eoff, who is only 5-9 and 160 pounds, is an outstanding defensive back for the Wonderboys. Eoff, in fact, led the Arkansas Intercollegiate Conference in pass interceptions with nine. He was also among the leaders in tackles for Arkansas Tech.

Last year as a sophomore Eoff had a serious back injury which threatened to end his career, but he came back to enjoy a fine junior season. Of his play on the field, his coach Don Dempsey commented, "He was our defensive quarterback and is the closest to being the proverbial 'coach of the field' of any player I have coached. He is an outstanding student, leader, and gentleman."

A native of Harrison, Arkansas, Eoff also enjoyed an outstanding career in high school. Leon Blackwood, principal of Harrison High School, stated that "Roy Lee exhibited a quality of leadership and competitiveness that was an inspiration to his fellow students. His zeal to succeed in the classroom and in various sports certainly must have challenged others to try and follow his example."

The award consists of a $300.00 scholarship to be used by the recipient during his senior year, and a specially designed cup.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

(NAIA)

GENERAL INFORMATION

WHEN ORGANIZED:

The National Association of Intercollegiate Athletics officially was organized in March, 1940, in Kansas City, Missouri, by a group of administrators of college athletics and college coaches. However, it dates directly from the first National Association of Intercollegiate Basketball (NAIB) tournament, held in Kansas City, Missouri, in March, 1937.

FOR WHAT PURPOSE:

The National Association of Intercollegiate Athletics was the first and is still the only national organization whose primary and sole purpose is to champion the cause and promote the interests of the college of moderate enrollment and sound athletic philosophy and program. The Association was founded to fill a need for such a champion and is constantly working to fulfill this need.

NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, district and national sports competition and solutions to vital problems affecting colleges of moderate enrollment.

Basic to the NAIA program is the premise that athletics must be an integral part of the overall educational process and must contribute in meaningful degree to that process. The Association believes that under proper control, a program of local, district and national competitions among colleges of like philosophy can contribute to that educational process. To this end, the NAIA sponsors a program of 16 national championship events for its member colleges.

These include baseball, basketball, bowling, cross country, football (two divisions), golf, gymnastics, ice hockey, soccer, swimming, tennis, indoor and outdoor track and field, volleyball, and wrestling. All these are under the direct supervision of the NAIA, and participants in them must submit proof of adherence to NAIA standards in regard to eligibility within their seasonal play and not merely for championship events.

The NAIA clearly outlines its own responsibilities and those of its members: a sound athletic program, administered and controlled by those responsible for the administration of the college. This means direct supervision in the matter of caliber of competition, financing the athletic program, and taking steps to assure that athletic assistance is made available only through the institution and under the same general policies as aid to non-athletes. In short, the basic premise is that the athletic program must be a part of the general education process in the institution and not an enterprise apart.

District competition and meetings are emphasized and encouraged, and throughout its span of activities, the NAIA gets its direction from the wishes of the members in a democratic fashion.

The NAIA encourages a broad program of athletic pursuits in its member schools, making it available to the greatest possible number of students. The national organization aims at uniformity in policies and practices through its district and national tournaments and meets.

HOW ADMINISTERED:

The governing body of NAIA is the Executive Committee, elected by the membership. Every member has a vote in this and all other activities of the Association.

The NAIA is organized into 32 districts, representing the entire United States and Canada. The affairs of each district are administered by a District Committee headed by a District Chairman. Each member of the District Committee is elected by the membership within that district. Representation on the District Committee is based upon one committeeman for each three member colleges in the district. The District Chairman is elected for a term of three years.

The district is the basic unit of NAIA organization. The District Committee inaugurates and supervises a program of district events in the various sports. These district champions are certified to NAIA regional and national competitions, in all regional or national events which permit representation from all 32 districts.

MEMBERSHIP ELIGIBILITY:

Any four-year college or university in the United States and Canada, which is approved by its regional accrediting agency, may become a member. The membership fee is graduated on the basis of enrollment and is payable by November 15. Institutions taking membership after this date will not be eligible during that year for district or national tournaments and meets.

OBLIGATION OF MEMBERSHIP:

Members must conduct their intercollegiate athletic program in accord with the standardizing agencies to which they belong, and the rules and standards adopted by the membership of NAIA. They must pay the annual membership dues and cooperate with the activities of the association insofar as these activities are compatible with the intercollegiate policies of their institution.

NAIA MEMBERSHIP IN OTHER ORGANIZATIONS:

NAIA is a Group "B" member of the United States Olympic Committee. There are four representatives of the NAIA Executive Committee on the Olympic Board of Directors. In addition, the NAIA has six representatives on the U.S.O.C. and 38 representatives of NAIA Coaches' Associations on Olympic Games (sports) Committees.

NAIA is also active in the work of the Amateur Athletic Union (AAU) through the National AAU-NAIA Coordination Committee. There are two representatives of the NAIA Executive Committee on the AAU Board of Directors and over 50 NAIA representatives serving on AAU Sports Committees.

The NAIA--along with the NCAA, AAHPER and NJCAA--is a charter member of the United States Collegiate Sports Council (USCSC) which is the United States representative in FISU-- the world governing body for the World Student Games and other programs for college and university students throughout the world.

Other organizations in which the NAIA is active include the National Alliance Athletic Associations, Federation of International Basketball (FIBA), and the Council for National Cooperation in Aquatics.

HOW MANY MEMBERS HAS NAIA?

NAIA has a membership of 549 colleges and universities and 39 affiliated conferences.
