FOREWORD

The records contained in this volume are extracted primarily from the national competitions conducted by the National Association of Intercollegiate Athletics. Other records are those submitted by member institutions through reports to the NAIA Statistical Service.

Member colleges which have records exceeding those in this manual may submit applications for recognition of those records by writing to the NAIA Public Relations Director at the NAIA National Office.

This fifteenth printing of the NAIA Records Book is possible only through the cooperation of NAIA member colleges and sports information directors. The degree of its accuracy and completeness in the sections other than where results of the national events or statistical bureau information are listed is a reflection of this cooperation by member institutions.

EDDIE ROBINSON
GRAMBLING COLLEGE - GRAMBLING, LOUISIANA
1972-73 PRESIDENT OF NAIA

Eddie Robinson, the 1972-73 President of the 560 member colleges and universities of NAIA, has been eminently successful at Grambling College with his bright innovations and dogged perseverance that demand the ultimate in execution. He has built the Tiger football team that now lists over 200 victories.

Robinson is a member of the NAIA coaching Hall of Fame and was cited by the Football Writers' Association in 1966 as "the man who made the biggest contribution to small college football during the last 25 years."

A graduate of Leland College, Baker, Louisiana, Robinson holds a master's degree from the University of Iowa. He has been at Grambling College since 1941.

NAIA EXECUTIVE SECRETARY-TREASURER

A. O. Duer, a native of Kansas, has been Executive Secretary of NAIA since 1949 and has been affiliated with NAIA and the original NAIB almost from the time of its inception in 1937 as a Basketball Tournament.

In 1940, his auspicious beginnings with NAIA began as District Chairman of what is now District 3 (California). His ability for leadership was quickly evident and he was elected to the NAIA Executive Committee in 1943, to be followed in 1947 by his year's tenure as President of NAIA.

By 1949, the NAIA sponsored only one national championship event--a 32-team basketball tournament. Duer's proficiency in administration combined with foresight and understanding of the small colleges' need for athletic competition on the national level, while maintaining athletics as an integral part of the educational process, resulted in his appointment to Executive Secretary.

Now a member of the Board of Directors and Executive Committee of the U. S. Olympic Committee, Duer has worked, untiringly, toward gaining recognition for the NAIA by the U. S. Olympic Committee. This goal was achieved in 1965 with the naming of 35 NAIA coaches to various U. S. Olympic Sports Committees. Duer was chairman of the important Equipment and Supplies Committee for the 1968 Olympic Games, in which capacity he served at the Winter Olympic Games in Grenoble, France; Pan-American Games in Winnipeg, Canada, and at the Summer Games in Mexico City. He is now serving on the ticket committee for the 1972 Olympics.

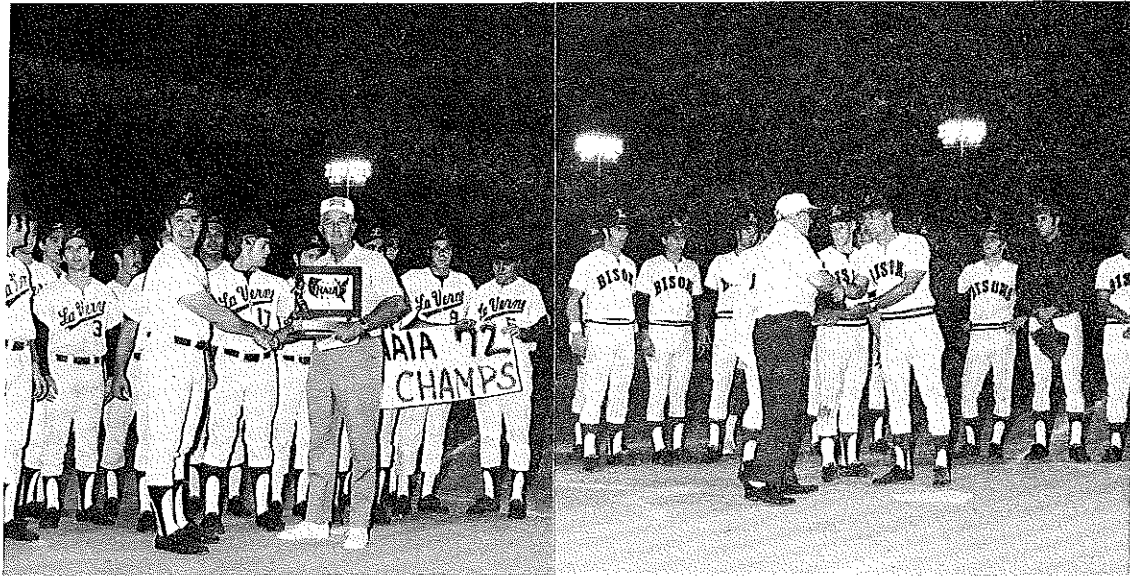

The growth and success of the NAIA program can be credited to the guidance of Al Duer. It also can be traced to his background, which is typical of the administrators, athletic directors and coaches with whom he works. A total of 16 championships are sponsored now, all on an annual basis.

He was born in Sylvia, Kansas, on November 18, 1904. He was graduated from Stafford, Kansas High School, and entered Kansas State Teachers College, Emporia, in 1923. In 1925, he transferred to Columbia University, New York City, to complete work for his bachelor's degree. He received his master's from the University of Southern California.

Duer coached and served as principal and superintendent in Kansas high schools until 1939 when he accepted a position as athletic director and basketball coach at George Pepperdine College, Los Angeles. In 10 years of coaching, he had only one losing season. Four of his Pepperdine teams represented NAIA District 3 (California) in the NAIB National Tournament. His 1945 team placed second and the 1946 team finished third in the week-long event.

After his resignation as basketball coach in 1948, he served as Dean of Men, Athletic Director, Executive Secretary for NAIA, and as representative on the USOC Basketball Committee. When in 1957 it was decided to move NAIA Headquarters to Kansas City, he and Mrs. Duer, the former Juanita Reed, moved back to the Midwest. The Duers have two children, Mrs. Beth Elford of Las Vegas, and Larry, who resides in Munich, Germany.

HISTORY OF THE NAIA NATIONAL BASEBALL TOURNAMENT

The NAIA Baseball Championships were inaugurated in 1957. Sul Ross State College in Alpine, Texas was host to the first three tournaments. Morningside College in Sioux City, Iowa served as host to the next tournaments, and in 1962 it was moved to St. Joseph, Missouri under the sponsorship of the St. Joseph Junior Chamber of Commerce, where it remained until 1970 when it was moved to Phoenix, Arizona. Grand Canyon College and the Grand Canyon College Antelope Booster Club assumed the sponsorship in 1970.

Selection of the field was based on area representation for the first time in 1959. Before that the teams participated on an invitational basis. Each area, composed of four districts, holds a playoff to determine its representative. In 1971 a total of 102 teams participated in district and area playoffs. These were the best of the 462 NAIA member institutions that sponsored baseball in 1971.

The fifteenth annual NAIA National Baseball Tournament was played in the Phoenix Municipal Stadium in 1971 where Linfield College (OR) edged David Lipscomb College (TN) 9-8 in 10 innings in the second finals of the double elimination tournament. The eight team field, in the 1971 tournament, was as well balanced as any tournament in recent NAIA baseball tournament history with seven of the 15 games decided by one run.

La Verne (CA) dominated the 16th Annual NAIA National Baseball Tournament, rolling past five opponents to win the title. Steady pitching and four clutch relief appearances by Frank DiCrasto helped the Leopards remain undefeated.

Senior Ben Ochoa of La Verne, a winner of two games, was named the Most Valuable Player in the tournament, while Ted Jamison of David Lipscomb (TN), the 1972 Runner-up team, was voted the Hustle award and teammate Buddy Harston, a second baseman, was the Bronze Glove recipient.

BASKETBALL

THREE IN ROW. . .The Kentucky State Thoroughbreds basketball team proudly display the NAIA Basketball Championship banner and trophy after winning the title for the third straight year. Kentucky State defeated Wisconsin-Eau Claire, 71-62 for the team title.

BASKETBALL

The NAIA National Intercollegiate Basketball Tournament was inaugurated in 1937 at Kansas City, Missouri as an eight-team tournament. It was expanded to a 32-team bracket in 1938 and the tournament has remained in that format since, with the exception of 1944, when no tournament was held because of World War II, and 1945, when the bracket was reduced to 16 teams because of wartime travel limitations.

The tournament, then known as the National Association of Intercollegiate Basketball (NAIB) Tournament, was the first national championship tournament in the sport conducted by a national collegiate body. The NAIA basketball championships are administered by a tournament committee representing the NAIA Basketball Coaches' Association.

An all-time NAIA tournament attendance record was established in 1972 as 78,388 persons watched the 35th renewal of the oldest national intercollegiate basketball championships. Kentucky State, for the third straight year, dominated play in the tournament, beating Eau Claire State (WI), 71-62, in the championship game.

BOWLING

THIRD TIME CHARM. . .The Harding College (Ark.) Bowling team captured its third straight NAIA National Bowling Championship at King Louie Plaza Bowl as the Bisons finished with a 17,546 total for 15 games.

BOWLING

Bowling officially became the 11th sport on the NAIA Championship program with the staging of the first national finals in Kansas City, Missouri in 1962. The format for the first three years provided for a 12-game total pinfall style of tournament for the 32 teams participating.

Beginning in 1965, the field was reduced to eight teams, each the champion of a geographical area. The format was changed from total pinfall to head-to-head, match game, round robin bowling. Individual and doubles champions are crowned in one and two game matches, following the position round. Each team in the event bowls each of the other seven a two-game match, with each game won worth an extra 250 bonus pins. The tournament is sanctioned by the American Bowling Congress.

In 1972, Harding College (AR) paced by the record performance of Dave Hudson, won its third straight team championship. George Yadrich of Rockhurst (MO) won the singles championship over Hudson and teamed with Jay Schulteheinrich to defeat Bob Ayers and Bill Malone of Fairmont State (WV) for the doubles crown.

CROSS COUNTRY

FIRST TITLE. . .The Adams State (Colo.) Cross Country team captured its first NAIA National Cross Country title by finishing with 196 points in the five-mile distance at William Jewell College in Liberty, Missouri.

CROSS COUNTRY

Cross Country was added to the NAIA program in 1956 and the first 12 championships were run on a four-mile course at the Elmwood Park Golf Course in Omaha, Nebraska and hosted by the University of Nebraska at Omaha.

In 1968 the meet was shifted to Stanley Draper Lake in Oklahoma City, Oklahoma and the course was expanded to five miles. In 1969 the national championship was again held in Oklahoma City, Oklahoma, but the site was moved to Woodson Park.

Adams State (Colorado) moved from fifth place in 1971 to capture its first NAIA National Cross Country championship. Adams State finished with 196 points while Eastern New Mexico was runner-up with 210 team points. There were 43 teams that scored in the 1972 meet, held at William Jewell College, Liberty, Missouri, and 293 individual runners. David Antognoli of Edinboro State College (PA) was the individual champion as he toured the five-mile course in 25:40.2.

FOOTBALL - DIVISION I

NUMBER ONE. . .The Livingston University football team indicates that the Tigers are Number One as they hold the Division I Championships banner after the 14-12 victory over Arkansas Tech in the Champion Bowl, played at Birmingham, Alabama.

FOOTBALL

A major addition to the NAIA national event program was made in 1956 when a championship football game between two outstanding NAIA teams was played.

Little Rock, Arkansas was selected as the site of the first NAIA Football Classic. The city, the state, and the aluminum industry of Arkansas gave 100% support to the game which was named the Aluminum Bowl.

The second annual NAIA championship football game was played in St. Petersburg, Florida, and was named the Holiday Bowl by the local sponsoring Chamber of Commerce. The championship game remained in St. Petersburg until 1961, having been televised until 1960.

In 1958, the Football Championships were extended to a four-team playoff with the winners of two semi-final games advancing to the Holiday Bowl Game. Four years later, the championship game was moved to Sacramento, California, where it was held through 1963.

The 1964 and 1965 championships were held in Augusta, Georgia, and were known as the Champion Bowl, which now has been adopted as the official name of the NAIA Football Championships.

The 1971 Champion Bowl was played at Legion Field, Birmingham, Alabama, marking the fifth consecutive year that the game has been played at or near the site of one of the finalists. Livingston University (AL) defeated Arkansas Tech, 14-12 in a great defensive battle to win its first Champion Bowl title. Larry Brown of Arkansas Tech was named the Outstanding Back of the game while Nels Strickland of Livingston was the Outstanding Lineman of the game.

FOOTBALL - DIVISION II

TOUCHDOWN SCAMPER. . . Junior end Mike Sheppard (#17) starts off his game-winning, 17-yard touchdown run on a fake field goal as California Lutheran broke a 14-14 tie to win, going away 30-14 over defending champion, Westminster (Pa.) in the NAIA Division II Football Championship game.

FOOTBALL - DIVISION II

A major change was made in the NAIA football program in 1970 when a championship program was created for Division II football playing institutions. Division II Football came into being after a year long study of the membership, and the Division structure was endorsed by the NAIA Football Coaches' Association.

The 1970 Division II Championship game was played at Taggart Stadium, New Castle (PA) as Westminster (PA) won the Division II Championship, beating Anderson (IN) 21-16 behind the passing attack of quarterback Dave Bierbach and the running of Joe Veres.

California Lutheran hosted and won the Division II Championship game in 1971, defeating defending champion Westminster (PA) 30-14. Sam Cvijanovich of California Lutheran was chosen as the Outstanding Back in the game and Gary McGinnis of California Lutheran was the Outstanding Lineman.

DIVISION II CHAMPIONSHIP RESULTS

1971 - California Lutheran 30, Westminster (PA) 14

1970 - Westminster (PA) 21, Anderson (IN) 16

PLAYOFF RESULTS

1970 - Anderson (IN) 36, Minot State (ND)

GOLF

HAPPY TIME. . .The U. S. International (Calif.) golf team is all smiles in displaying the 1972 NAIA Golf Championship banner. From left: Morris Hatafsky, Phill Dickinson, Tom Newlin, Coach Martin Seidler, Jim Krasen, and Mitch Voges.

GOLF

The NAIA Golf Championships share with track and field the distinction of being the first events added to the program when NAIA expanded its role in intercollegiate athletics in 1952.

For five years, golf and tennis were held in conjunction with the track and field championships with Abilene, Texas hosting the events from 1952 through 1955 and San Diego, California acting as host in 1956.

As participation grew, separation became apparent and in 1957, the format was changed with the golf and tennis championships being held in Beaumont, Texas. Golf and tennis were split in 1959 with the golf championship going to Quincy, Illinois.

A major revision in the National format occurred in 1968, as district qualifying became required to replace the open invitational standard. In 1971, St. Bernard (AL), improved upon its fourth place finish of 1970 to win the 20th Annual NAIA National Golf Championships held at Rockford Country Club in Rockford, Illinois.

The 1972 NAIA Golf Championship was held on the New Mexico Military Institute Golf Course in Roswell, New Mexico and hosted by Eastern New Mexico University. U. S. International (CA) jumped to a quick lead and held off a late charge by Columbus College (GA) to win its first national title.

GYMNASTICS

END DOMINATION. . .The Eastern Illinois University Gymnastic team ended the six-year domination by Northwestern Louisiana State in winning the 1972 NAIA National Gymnastics Championships held at Charleston, Illinois.

GYMNASTICS

Eastern Illinois ended a six year domination by Northwestern Louisiana State in the 1972 NAIA Gymnastics Championship held at Charleston, Illinois. The Illinois squad finished with 149.75 points while Northwestern Louisiana State dropped to second with 142.45 points.

Senior Bruce McGartlin of Northwestern Louisiana State was the All-Around Champion and voted the 1972 NAIA Gymnast of the Year. Coach John E. Schaefer of Eastern Illinois was voted the NAIA Gymnastics Coach of the Year for 1972.

Keith Fuerst of Eastern Illinois captured his third straight NAIA Still Rings title. There were 15 institutions represented in the meet that featured the finest individual gymnasts in NAIA history.

Gymnastics was started in 1964 on a championship level by NAIA with Fort Hays State College, Hays, Kansas, hosting the first meet. Fort Hays also hosted the second NAIA meet and the 1966 championship was held at Macomb, Illinois when Northwestern Louisiana State began its string of championships.

Northwestern Louisiana (1967), Fort Hays State (1968), Western Illinois University (1969), and Stout State University (1970) have all hosted the NAIA Gymnastics championships. The all-time team participation record was set in 1969 with 24 institutions represented.

ICE HOCKEY

LAKE SUPERIOR BEST. . .The Lake Superior State (Mich.) Ice Hockey team won the 1972 NAIA Ice Hockey title by beating Gustavus Adolphus (Minn.), 9-3, in the title game at Superior, Wisconsin.

ICE HOCKEY

Ice Hockey officially became the NAIA's 14th championship sport in 1968 as a four team national invitational tournament and was held in St. Paul Auditorium, St. Paul, Minnesota. Bemidji State (MN) became the NAIA's first hockey champion as they edged Lake Superior State, 5-4 in a thrilling overtime battle. Gustavus Adolphus (MN) took third place by beating Boston State (MA), 7-6.

In 1969, the four best of the 30 NAIA hockey playing schools participated in the finals - this time hosted by Lake Superior State and Sault Ste. Marie, Michigan. Although the scene was different, the result was the same as Bemidji State outscored Lake Superior State, 6-2 for Coach Bob Peters' Beavers second consecutive NAIA Ice Hockey crown. The 1970 tournament was also hosted by Lake Superior State and won by Bemidji State. In 1971, Bemidji State held the tournament and won its fourth straight NAIA Ice Hockey title, beating Lakehead (Canada), 6-2. The 1972 National Tournament was hosted by the University of Wisconsin-Superior, the title was taken by Lake Superior State College by defeating Gustavus Adolphus by 9-3.

SOCCER

GREAT FINISH. . .The Quincy College (Ill.) Soccer team poses with the trophies collected this year in winning the 1971 NAIA Soccer Championship. Quincy defeated defending champion Davis & Elkins (W. Va.), 1-0 for the title in Dunn, North Carolina.

SOCCER

Moving from a four-team affair in 1959 to a true national championship in 1968, with eight teams qualified through area playoffs, the NAIA Soccer program has been one of the NAIA's fastest growing sports. Over 200 NAIA schools currently sponsor Soccer. Slippery Rock State College of Slippery Rock, Pennsylvania, was the site of the 1959 and 1960 Soccer Championships that saw four schools from the eastern half of the United States participating. The 1961 tournament was staged at Lock Haven State (PA) and in 1962 the tournament moved to the midwest as Earlham College of Richmond, Indiana was selected as the host. Earlham also hosted the 1963 tournament that saw the second co-championship in NAIA Soccer tournament history recorded as Earlham and Castleton State (VT) had their finals cancelled due to snow, rain, and freezing weather. 1960 was the other year that co-champions were declared when it became too dark to continue play with Elizabethtown (PA) and Newark College of Engineering (NJ) tied at 2-2.

1968 was the first year that eliminations were held in the eight Soccer areas with each area champion advancing to the National finals. It was also in 1968 that Quincy College (IL) and Davis & Elkins College (WV) battled through six overtimes before Davis & Elkins emerged with a 2-1 victory and ended Quincy's hope of becoming the first NAIA school to win three consecutive NAIA Soccer championships. Trenton State (NJ), 1964 and 1965, and Quincy College, 1966 and 1967, are the only two schools to win back-to-back NAIA Soccer championships.

The 1969 championship was held at Earlham College (IN) as Eastern Illinois University edged defending champion Davis & Elkins, 2-1 in two overtimes. The 1970 NAIA National Soccer Championship was held at Dunn, North Carolina, as Davis & Elkins won its second championship, defeating Quincy (IL) in the final game, 2-0. The 1971 championship was held at Dunn, with Quincy (IL) winning its third NAIA Soccer title, blanking defending champion Davis & Elkins, 1-0.

SWIMMING

OH HAPPY DAY. . .The Simon-Fraser (B.C. Canada) Swimming team was over-joyed in becoming the first foreign team to win a National title as the Canadian school won the 1972 Swimming and Diving Championship held at Southwest Minnesota State.

SWIMMING

Swimming, which has enjoyed a rapid growth as an intercollegiate sport in the past decade, joined the NAIA program in 1957. The first NAIA Swimming and Diving Championships were held at Southern Illinois University, Carbondale, Illinois in March, 1957.

From its modest beginning of six teams entered in 1957, the National Championships have grown in strength and stature, having 41 institutions entered in 1970 with 30 of them scoring during the three-day championships.

Each year, records continue to topple with 5 records being set in 1958 at the Ball State (IN) pool. In 1959, six more NAIA records were set and the pace continued until 1965 when 10 NAIA swimming records were established. Seven more were established the following year and records in 13 of the 18 events were again set in 1968. The 1969 Championships saw 15 new NAIA records established.

The 1970 Championships were held at LaCrosse State (WI). Eastern Michigan, using tremendous depth, annexed its third consecutive championship. The 1971 Championships were held at Clarion State (PA) as Eastern Michigan won its fourth consecutive title.

The 1972 Championships were held at Southwest Minnesota State and Simon Fraser (B.C. Canada) became the first foreign team to win a National title by scoring 332 points while Claremont-Harvey Mudd (CA) finished second. In all, 12 new meet records were established.

TENNIS

TEXAS TEAM TOPS. . .The East Texas State Tennis team captured the 1972 NAIA National Tennis Championship by nipping defending champion Redlands (Calif.) by two points. Harry Fritz of East Texas won the singles and teamed with Bob Hochstadter to capture the doubles title.

TENNIS

Tennis, along with golf and track, became one of the first events added to the NAIA National Championship program when in 1952 the organization expanded its agenda to include sports other than basketball.

The initial NAIA Tennis Tournament was held in 1952 at Abilene Christian College, Abilene, Texas, and the event remained there four years. It was moved, along with track and golf, to San Diego, California in 1956, but the growth of the program forced a separating of these three big events the following year.

The tennis tournament has been held at the Rockhill Tennis Club, Kansas City, Missouri since 1960. The number of entries has grown to the point that in 1968 the tournament field was determined by district qualification for entries into the team, singles, and doubles championships.

East Texas State snapped a six year domination of the NAIA Tennis Championship by the University of Redlands (CA) in the 1972 championships. Harry Fritz of East Texas State won the singles title and then teamed with Bob Hochstadter to win the doubles crown. Redlands finished as runner-up team. The tournament was held at the Rockhill Tennis Club with 191 singles entries and 89 doubles teams representing 44 different institutions.

TENNIS COACH OF THE YEAR

1972 - James Verdieck, University of Redlands (CA)

INDOOR TRACK AND FIELD

THRILLER TO FINISH. . . .The Dallas Baptist (Tex.) Indoor Track and Field team captured the 1972 NAIA Indoor Track and Field Championship in a thriller that was undecided until the final event. Prairie View A&M (Tex.) was a close second, just three points away from the title.

INDOOR TRACK AND FIELD

In 1966, the NAIA Track Coaches' Association decided to add the indoor championships to their calendar and the results have been most impressive. This event has become a permanent fixture on the Kansas City, Missouri sports calendar.

From 1966 through 1968, NAIA held 10 open events for men and 4 for women, in addition to the 14 NAIA collegiate events. In 1969, the Track Coaches' Association eliminated all but the mile run for men in the open events in that the NAIA athletes were consistently outperforming their "open".

Eastern Michigan won the title for three straight years - 1969, 1970, and 1971. Dallas Baptist, the runner-up in 1971, captured the 1972 Meet in a thriller with Prairie View A&M (TX) as runner-up. John Mason continued his mastery with a victory in the Open Division mile event, his fourth consecutive win, and remains unbeaten as a collegiate for Fort Hays State (KS) and the past four years as an open entry in the mile.

The Indoor All-America Team was named from first, second, and third place finishers at NAIA Indoor Championships. All other place finishers were named Honorable Mention.

OUTDOOR TRACK AND FIELD

HEADED FOR RECORD. . .Hurdler Rodney Milburn of Southern University (La.) is all alone as he heads for a record performance of :13.5 in the 110-meter high hurdles in the NAIA National Track and Field Championships. North Carolina Central, behind the outstanding performance of Larry Black, won the team title.

OUTDOOR TRACK AND FIELD

Track and Field was one of the first sports added to the NAIA program in 1952 and has produced some of the finest athletes in the world. The initial meet was staged in Abilene, Texas, with Abilene Christian winning the first of three titles in four years.

This championship remained at Abilene for three more years, attaining a great degree of stature in that time. In 1956, it was decided to take the meet to the West Coast, traditional site of the nation's track powers. San Diego, California hosted the meet for three years.

From 1959 to 1967 the meet was held at Sioux Falls, South Dakota and in 1968 it was moved to Albuquerque, New Mexico to an altitude similar to that of Mexico City, the site of the 1968 Olympics. Billings, Montana was chosen as the site of the 1969 Championships and over 10,000 fans turned out to see a record entry of 353 athletes from 98 institutions compete.

In 1970 the return to Billings saw 110 institutions field 398 athletes as participation flourished. Eastern Michigan, using tremendous depth, captured its first outdoor track championship by scoring 75 points to Texas Southern's second place finish of 50 points.

In the 1971 meet, Eastern Michigan won its second consecutive title as the Hurons finished with 65 points while North Carolina Central was runner-up with 43 points. Rodney Milburn, a sophomore from Southern University (LA), was the outstanding performer in the meet with a World Class performance in the high hurdles, posting a 13.0 mark. The wind was two-tenths of a meter over the allowable, which prevented the mark from being submitted as a World Record.

In the 1972 meet, held at Billings, Montana, North Carolina Central was the National champion, finishing with 68 points. Sprinter Larry Black of North Carolina Central was the outstanding performer as he set an NAIA record in the 200-meters and tied the Collegiate record with a 20.0 clocking in addition to running on both record-setting relay teams, Dallas Baptist (TX), was the runner-up in the meet with 51 points.

VOLLEYBALL

CHAMPIONS AGAIN. . .The Church College of Hawaii Volleyball team won its second consecutive National Volleyball Championship. From left to right: Dennis Largey, James Miller, Calvin Bingham, Steve Karratti, Jay Akoi, Iameli Kaio, Coach Mark Clark, Norman Keamo, Bonaparte Karratti, and Sam Fong.

VOLLEYBALL

Volleyball was the 16th championship sport to be officially recognized by NAIA and to have a national tournament conducted. Volleyball came on the NAIA scene in 1969 when George Williams College (IL) hosted the first seven-team invitational tournament. Earlham College (IN) emerged as the first champion in the Olympic games' newest sport.

The United States Volleyball Association, the governing body for volleyball in the United States, presented certificates of recognition to participating players and schools in the 1969 tournament commemorating their participation in the first national volleyball tournament ever sanctioned by a national collegiate sports governing body.

The 1970 championship was held at the University of California-San Diego, and the UCSD Tritons emerged as champions as they defeated Indiana Institute of Technology in the finals. The 1971 tournament was in Texas with the University of Dallas and Texas Wesleyan acting as co-hosts. Church College of Hawaii won the team championship.

The 1972 tournament was in Iowa with Graceland College acting as host. The United States Volleyball Association extended an invitation to participate in the 1972 Olympic volleyball games trials. Church College of Hawaii won the team championship, for the second year, beating Graceland College in the finals.

WRESTLING

SCORES VICTORY. . .Augsburg (Minn.) wrestler Jack Solem rides Mike Miller of Black Hills State (S.D.) on the way to his victory in the 126 pound class in the second round action of the NAIA National Wrestling Championships won by Adams State (Colo.). Solem scored a 4-2 decision over Miller.

WRESTLING

The NAIA inaugurated a National Wrestling Tournament in 1958 with 100 athletes representing 23 institutions at Mankato State, Mankato, Minnesota. Interest and participation in wrestling has continued to increase among NAIA member institutions each year.

From its modest beginning, the wrestling championships increased to a record 353 athletes representing 97 institutions in the 1970 tournament at Superior State, Superior, Wisconsin as over 10,000 spectators attended the three-day event.

In 1970, the University of Nebraska-Omaha gained the team championship, while Adams State (CO) finished second. Central Washington State was the 1971 champion in the Nationals held at Appalachian State University (NC).

Adams State (CO), a former two time champion, won the 1972 Championships, held at Klamath Falls, Oregon. The Indians finished with 64 points while the University of Nebraska-Omaha finished as runner-up.

A. O. DUER SCHOLARSHIP AWARD

Dean Gravlin of Illinois Wesleyan University, Bloomington, Illinois, was selected as the recipient of the Sixth Annual A. O. Duer Award presented by the National Association of Intercollegiate Athletics.

The award is presented annually to a varsity junior athlete who has excelled in scholarship. This includes all athletes from NAIA member institutions who compete in the following NAIA sponsored events: baseball, basketball, bowling, football, golf, ice hockey, gymnastics, soccer, swimming, tennis, track, volleyball, water polo, and wrestling.

The award has been named the A. O. Duer Scholarship Award in honor of the NAIA Executive Secretary. Gravlin was presented this award during the NAIA-Hillyard Hall of Fame Luncheon March 17 during the 35th Annual NAIA Basketball Tournament and Convention.

A native of Kankakee, Illinois, Gravlin was the leading scorer this season for Illinois Wesleyan with a 21.3 per game average, hitting 533 points in 25 games. Illinois Wesleyan posted an 18-7 record this season.

Gravlin was also the top field goal shooter on the squad (.586) and was second in rebounding.

A pre-med major, Gravlin is currently carrying a 3.94 grade point average on a 4.0 scale. He has been on the Dean's honor roll every semester since enrolling at Illinois Wesleyan. Last semester he had straight A's.

"Dean has emerged as the outstanding player on our team this season," explained coach Dennis Bridges. "He is also the best defensive front line player, yet is so quiet you don't know he's around. Believe me, we would certainly know it if he were not."

The award consists of a \$300.00 scholarship to be used by the recipient during his senior year, and a specially designed cup.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

(NAIA)

GENERAL INFORMATION

WHEN ORGANIZED:

The National Association of Intercollegiate Athletics officially was organized in March, 1940, in Kansas City, Missouri, by a group of administrators of college athletics and college coaches. However, it dates directly from the first National Association of Intercollegiate Basketball (NAIB) tournament, held in Kansas City, Missouri, in March, 1937.

FOR WHAT PURPOSE:

The National Association of Intercollegiate Athletics was the first and is still the only National Organization whose primary and sole purpose is to champion the cause and promote the interests of the college of moderate enrollment and sound athletic philosophy and program. The Association was founded to fill a need for such a champion and is constantly working to fulfill this need.

NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, district and national sports competition and solutions to vital problems affecting colleges of moderate enrollment.

Basic to the NAIA program is the premise that athletics must be an integral part of the overall educational process and must contribute in meaningful degree to that process. The Association believes that under proper control, a program of local, district, and national competitions among colleges of like philosophy can contribute to that educational process. To this end, the NAIA sponsors a program of 16 national championship events for its member colleges.

These include baseball, basketball, bowling, cross country, football (two divisions), golf, gymnastics, ice hockey, soccer, swimming, tennis, indoor and outdoor track and field, volleyball, and wrestling. All these are under the direct supervision of the NAIA, and participants in them must submit proof of adherence to NAIA standards in regard to eligibility within their seasonal play and not merely for championship events.

The NAIA clearly outlines its own responsibilities and those of its members: a sound athletic program, administered and controlled by those responsible for the administration of the college. This means direct supervision in the matter of caliber of competition, financing the athletic program, and taking steps to assure that athletic assistance is made available only through the institution and under the same general policies as aid to non-athletes. In short, the basic premise is that the athletic program must be a part of the general education process in the institution and not an enterprise apart.

District competition and meetings are emphasized and encouraged, and throughout its span of activities, the NAIA gets its direction from the wishes of the members in a democratic fashion.

The NAIA encourages a broad program of athletic pursuits in its member schools, making it available to the greatest possible number of students. The national organization aims at uniformity in policies and practices through its district and national tournaments and meets.

HOW ADMINISTERED:

The governing body of NAIA is the Executive Committee, elected by the membership. Every member has a vote in this and all other activities of the Association.

The NAIA is organized into 32 districts, representing the entire United States and Canada. The affairs of each district are administered by a District Committee headed by a District Chairman. Each member of the District Committee is elected by the membership within that district. Representation on the District Committee is based upon one committeeman for each three member colleges in the district. The District Chairman is elected for a term of three years by a vote of the active membership in each district.

The district is the basic unit of NAIA organization. The District Committee inaugurates and supervises a program of district events in the various sports. These district champions are certified to NAIA regional and national competitions, in all regional or national events which permit representation from all 32 districts.

MEMBERSHIP ELIGIBILITY:

Any four-year college or university in the United States and Canada, which is approved by its regional accrediting agency, may become an active member. The membership fee is graduated on the basis of enrollment and is payable by November 15. Institutions taking membership after this date will not be eligible during that year for district, area, or national events.

OBLIGATION OF MEMBERSHIP:

Members must conduct their intercollegiate athletic program in accord with the standardizing agencies to which they belong, and the rules and standards adopted by the membership of NAIA. They must pay the annual membership dues and cooperate with the activities of the Association insofar as these activities are compatible with the intercollegiate policies of their institutions.

NAIA MEMBERSHIP IN OTHER ORGANIZATIONS:

NAIA is a Group "B" member of the United States Olympic Committee. There are four representatives of the NAIA on the Olympic Board of Directors and one member on the Executive Committee. In addition, the NAIA has five representatives on the U.S.O.C. and 41 representatives of NAIA Coaches' Associations on Olympic Games (sports) Committees.

NAIA is also active in the work of the Amateur Athletic Union (AAU). There are two representatives of the NAIA Executive Committee on the AAU Board of Directors and over 50 NAIA representatives serving on AAU Sports Committees. Ten NAIA members are on the AAU Board of Governors.

The NAIA--along with the NCAA, AAHPER, and NJCAA--is a charter member of the United States Collegiate Sports Council (USCSC) which is the United States representative in FISU--the world governing body for the World Student Games and other programs for college and university students throughout the world.

Other organizations in which the NAIA is active include the National Alliance Athletic Association, Federation of International Basketball (FIBA), and the Council for National Cooperation in Aquatics.

HOW MANY MEMBERS HAS NAIA:

NAIA has a membership of 558 colleges and universities and 41 affiliated conferences.
