FOREWORD

The records contained in this volume are extracted primarily from the national competitions conducted by the National Association of Intercollegiate Athletics. Other records are those submitted by member institutions through reports to the NAIA Statistical Service.

Member colleges which have records exceeding those in this manual may submit applications for recognition of those records by writing to the NAIA Public Relations Director at the NAIA National Office.

This sixteenth printing of the NAIA Records Book is possible only through the cooperation of NAIA member colleges and sports information directors. The degree of its accuracy and completeness in the sections other than where results of the national events or statistical bureau information are listed is a reflection of this cooperation by member institutions.

NAIA EXECUTIVE SECRETARY-TREASURER

A. O. Duer, a native of Kansas, has been Executive Secretary of NAIA since 1949 and has been affiliated with NAIA and the original NAIB almost from the time of its inception in 1937 as a Basketball Tournament.

In 1940, his auspicious beginnings with NAIA began as District Chairman of what is now District 3 (California). His ability for leadership was quickly evident and he was elected to the NAIA Executive Committee in 1943, to be followed in 1947 by his year's tenure as President of NAIA.

By 1949, the NAIA sponsored only one national championship event--a 32-team basketball tournament. Duer's proficiency in administration combined with foresight and understanding of the small colleges' need for athletic competition on the national level, while maintaining athletics as an integral part of the educational process, resulted in his appointment to Executive Secretary.

Now Third Vice-President on the U. S. Olympic Committee, Duer has worked untiringly toward gaining recognition for the NAIA by the U. S. Olympic Committee. This goal was achieved in 1965 with the naming of 35 NAIA coaches to various U. S. Olympic Sports Committees. Duer was chairman of the important Equipment and Supplies Committee for the 1968 Olympic Games, in which capacity he served at the Winter Olympic Games in Grenoble, France; Pan-American Games in Winnipeg, Canada; and at the Summer Games in Mexico City. As Third Vice-President of the U. S. Olympic Committee, he is Chairman of Committees for Team Services.

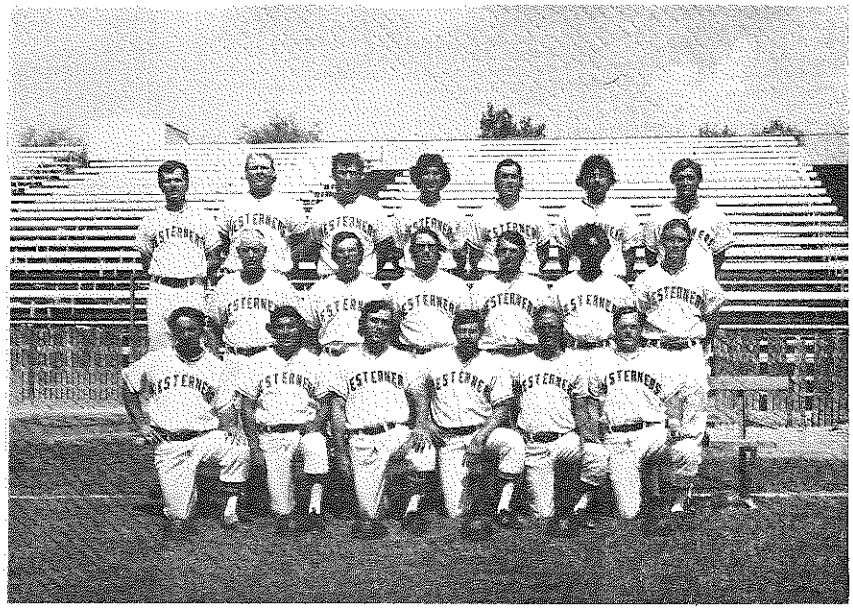

The growth and success of the NAIA program can be credited to the guidance of Al Duer. It also can be traced to his background, which is typical of the administrators, athletic directors and coaches with whom he works. A total of 16 championships are sponsored now, all on an annual basis.

He was born in Sylvia, Kansas, on November 18, 1904. He was graduated from Stafford, Kansas High School, and entered Kansas State Teachers College, Emporia, in 1923. In 1925, he transferred to Columbia University, New York City, to complete work for his bachelor's degree. He received his master's from the University of Southern California.

Duer coached and served as principal and superintendent in Kansas high schools until 1939 when he accepted a position as athletic director and basketball coach at George Pepperdine College, Los Angeles. In 10 years of coaching, he had only one losing season. Four of his Pepperdine teams represented NAIA District 3 (California) in the NAIB National Tournament. His 1945 team placed second and the 1946 team finished third in the week-long event.

After his resignation as basketball coach in 1948, he served as Dean of Men, Athletic Director, Executive Secretary for NAIA, and as representative on the USOC Basketball Committee. When in 1957 it was decided to move NAIA Headquarters to Kansas City, he and Mrs. Duer, the former Juanita Reed, moved back to the Midwest. The Duers have two children, Mrs. Beth Elford of Las Vegas, and Larry, who resides in Munich, Germany.

BASEBALL

UNDEFEATED CHAMPIONS . . . Coach Larry Potter and his U.S. International University Westerns won the 17th Annual NAIA Baseball World Series title by defeating five straight opponents. Senior Ken Koske of U.S. International was named the MVP as he tossed a five hitter in the finale against Eastern Connecticut State.

HISTORY OF THE NAIA NATIONAL BASEBALL TOURNAMENT

The NAIA Baseball Championships were inaugurated in 1957. Sul Ross State College in Alpine, Texas was host to the first three tournaments. Morningside College in Sioux City, Iowa served as host to the next tournaments, and in 1962 it was moved to St. Joseph, Missouri under the sponsorship of the St. Joseph Junior Chamber of Commerce, where it remained until 1970 when it was moved to Phoenix, Arizona. Grand Canyon College and the Grand Canyon College Antelope Booster Club assumed the sponsorship in 1970.

Selection of the field was based on area representation for the first time in 1959. Before that the teams participated on an invitational basis. Each area, composed of four districts, holds a playoff to determine its representative. In 1971 a total of 102 teams participated in district and area playoffs. These were the best of the 462 NAIA member institutions that sponsored baseball in 1971.

The 15th annual NAIA National Baseball Tournament was played in the Phoenix Municipal Stadium in 1971 where Linfield College (Ore) edged David Lipscomb College (Tenn) 9-8 in 10 innings in the second finals of the double elimination tournament. LaVerne (Calif) won the 16th annual NAIA National Baseball Tournament, rolling past five opponents to win the title.

U.S. International (Calif) dominated the 17th annual NAIA National Baseball Tournament, rolling past five opponents to win the title. Steady pitching by three starting pitchers and the hitting of Jim Vessey held the Westerners to win the tournament undefeated.

Senior Ken Koske of U.S. International, a winner of two games, was named the Most Valuable Player in the tournament, while teammate Joe Reyes was the Bronze Glove recipient. Gary Graham of Grand Canyon (Ariz) was voted the Hustle Award for the 1973 tournament.

BASKETBALL

SURPRISE WINNER . . . Guilford College (N.C.) surprised the NAIA Basketball experts by becoming the second unseeded team to capture a National title by nipping Maryland-Eastern Shore, 99-96, behind the 30 point production of MVP Lloyd Free, a freshman guard.

BASKETBALL

The NAIA National Intercollegiate Basketball Tournament was inaugurated in 1937 at Kansas City, Missouri as an eight-team tournament. It was expanded to a 32-team bracket in 1938 and the tournament has remained in that format since, with the exception of 1944, when no tournament was held because of World War II, and 1945, when the bracket was reduced to 16 teams because of wartime travel limitations.

The tournament, then known as the National Association of Intercollegiate Basketball (NAIB) Tournament, was the first national championship tournament in the sport conducted by a national collegiate body. The NAIA basketball championships are administered by a tournament committee representing the NAIA Basketball Coaches' Association.

An all-time NAIA tournament attendance record was established in 1972 as 78,388 persons viewed the tournament won by Kentucky State, the third straight title for the Thorobreds.

Guilford (NC) won the 1973 tournament, nipping Maryland-Eastern Shore in the finals, 99-96, as freshman guard Lloyd Free scored 30 points and was named the Most Valuable Player in the 1973 classic.

BOWLING

DOUBLES CHAMPIONS . . . Roger Francour, left, NAIA Bowling Tournament Chairman, presents the doubles awards to Bob Aleksinki (center) and Myron Olson (right) of College of Great Falls (Mont.). College of Great Falls won the title, bumping Harding College of Arkansas in the final game.

BOWLING

Bowling officially became the 11th sport on the NAIA Championship program with the staging of the first national finals in Kansas City, Missouri in 1962. The format for the first three years provided for a 12-game total pinfall style of tournament for the 32 teams participating.

Beginning in 1965, the field was reduced to eight teams, each the champion of a geographical area. The format was changed from total pinfall to head-to-head, match game, round robin bowling. Individual and doubles champions are crowned in one and two game matches, following the position round. Each team in the event bowls each of the other seven a two-game match, with each game won worth an extra 250 bonus pins. The tournament is sanctioned by the American Bowling Congress.

College of Great Falls (Mont.) won the 1973 Bowling Tournament, stopping Harding College (Ark.) in a bid for a record fourth straight tournament victory. Junior Bob Aleksinski of College of Great Falls had the best average with a 205-10. Senior Dave Hudson of Harding won the singles title, beating Aleksinski. College of Great Falls won the doubles title behind the efforts of Aleksinski and Myron Olson.

CROSS COUNTRY

GREAT YEAR . . . Malone College (Ohio) captured its first NAIA National Cross Country title by scoring 92 points in the five mile distance at William Jewell College in Liberty, Missouri.

CROSS COUNTRY

Cross Country was added to the NAIA program in 1956 and the first 12 championships were run on a four-mile course at the Elmwood Park Golf Course in Omaha, Nebraska and hosted by the University of Nebraska at Omaha.

In 1968, the meet was shifted to Stanley Draper Lake in Oklahoma City, Oklahoma and the course was expanded to five miles. In 1969, the national championship was again held in Oklahoma City, Oklahoma, but the site was moved to Woodson Park.

Malone College (Ohio), with all five runners finishing in the top 25, captured the 1972 National Cross Country title. Malone finished with 92 points while Occidental (Calif.) was second with 169 and defending champion Adams State (Colo.) finished third with 210 points. There were 41 teams that scored in the 1972 meet, held at William Jewell College, Liberty, Missouri, and 320 individual runners. Mike Nixon of Pittsburg State (Kan.) was the individual champion as he toured the five-mile course in 24:29.4.

FOOTBALL - DIVISION I

OUTSTANDING PERFORMER . . . Kenneth Parks (No. 40) of East Texas State University is surrounded by Carson-Newman (Tenn.) tacklers in the Division I Champion Bowl. Parks, the outstanding back of the game, carried the ball 49 times as East Texas State won a 21-18 thriller in the fourth quarter.

FOOTBALL - DIVISION I

A major addition to the NAIA national event program was made in 1956 when a championship football game between two outstanding NAIA teams was played.

Little Rock, Arkansas was selected as the site of the first NAIA Football Classic. The city, the state, and the aluminum industry of Arkansas gave 100% support to the game which was named the Aluminum Bowl.

The second annual NAIA championship football game was played in St. Petersburg, Florida, and was named the Holiday Bowl by the local sponsoring Chamber of Commerce. The championship game remained in St. Petersburg until 1961, having been televised until 1960.

In 1958, the Football Championships were extended to a four-team playoff with the winners of two semi-final games advancing to the Holiday Bowl Game. Four years later, the championship game was moved to Sacramento, California, where it was held through 1963.

The 1964 and 1965 championships were held in Augusta, Georgia, and were known as the Champion Bowl, which now has been adopted as the official name of the NAIA Football Championships.

The 1972 Champion Bowl was played at Commerce, Texas, marking the sixth consecutive year that the game has been played at or near the site of one of the finalists. East Texas State used a fourth quarter rally to defeat Carson-Newman (Tenn), 21-18, to win its first Champion Bowl title. Senior Ken Parks of East Texas State was named the Outstanding Back of the game while Tim George of Carson-Newman was the Outstanding Lineman in the title game.

GOLF

FIRST TITLE . . . The Wofford College (S.C.) golf team poses tith the NAIA Golf Championship banner. From left: W. Earle Buice, Wofford Coach and John Strahl, NAIA Golf coordinator. Back row, from left: Vernon Hyman, Marion Moore, Stan Littlejohn, Paul Hyman and Pat Crowley.

GOLF

The NAIA Golf Championships share with track and field the distinction of being the first events added to the program when NAIA expanded its role in intercollegiate athletics in 1952.

For five years, golf and tennis were held in conjunction with the track and field championships with Abilene, Texas hosting the events from 1952 through 1955 and San Diego, California acting as host in 1956.

As participation grew, separation became apparent and in 1957, the format was changed with the golf and tennis championships being held in Beaumont, Texas. Golf and tennis were split in 1959 with the golf championship going to Quincy, Illinois.

A major revision in the National format occurred in 1968, as district qualifying became required to replace the open invitational standard.

The 1973 NAIA Golf Championship was held on the Village Green Golf Course in Gramling, South Carolina with Wofford College acting as host. Wofford College, Spartanburg, South Carolina, held a two stroke lead over Campbell College (NC) after the first day and continued to increase its lead during the three day rain shortened tournament to win the team championships by 14 strokes. Wofford's victory was the first national title for a South Carolina institution.

ICE HOCKEY

Ice Hockey officially became the NAIA's 14th championship sport in 1968 as a four team national invitational tournament and was held in St. Paul Auditorium, St. Paul, Minnesota. Bemidji State (Minn) became the NAIA's first hockey champion as they edged Lake Superior State, 5-4 in a thrilling overtime battle. Gustavus Adolphus (Minn) took third place by beating Boston State (Mass), 7-6.

In 1969, the four best of the 30 NAIA hockey playing schools participated in the finals - this time hosted by Lake Superior State and Sault Ste. Marie, Michigan. The 1970 tournament was also hosted by Lake Superior State and won by Bemidji State. In 1971, Bemidji State held the tournament and won its fourth straight NAIA Ice Hockey title, beating Lakehead (Canada), 6-2. The 1972 National Tournament was hosted by the University of Wisconsin-Superior, the title was taken by Lake Superior State College by defeating Gustavus Adolphus by 9-3.

The 1973 NAIA tournament champion was Bemidji State College winning its fifth title in the last six years. The Beavers edged host Lakehead University (Thunder Bay, Ontario) 3-2 in the title game.

SOCCER

CALIFORNIA CHAMPIONS . . . Westmont College (Calif) captured the 1972 NAIA Soccer title. It was the first Soccer title for Coach Russ Carr and his Warriors as Westmont goalie Gary Allison was named the Most Valuable Player of the tournament.

SOCCER

Moving from a four-team affair in 1959 to a true National Championship in 1968, with eight teams qualified through Area playoffs, the NAIA Soccer program has been one of the NAIA's fastest growing sports. Over 200 NAIA schools currently sponsor Soccer.

The 1960 championships ended in a 2-2 deadlock as Elizabethtown (Pa) and Newark College of Engineering (NJ) battled until it was called because of darkness. The other co-championship year was in 1963 when Earlham (Ind) and Castleton State (Vt) shared the title as the finals were cancelled due to snow, rain and freezing weather.

The longest championship game on record occurred in 1968, the first year that eliminations were held in the eight Soccer Areas, as Davis &Elkins (WVa) defeated Quincy College (Ill), 2-1 in a six overtime thriller. The victory by Davis & Elkins ended Quincy's hopes of becoming the first NAIA school to win three consecutive Soccer titles.

The 1972 championship was held at Dunn, North Carolina, marking the third straight year for the National finals at Dunn. Westmont (Calif), behind the outstanding play of goalie Gary Allison, won the title by beating Davis & Elkins (WVa) in the finals, 2-1 in a double overtime contest. Davis & Elkins vacated the runner-up spot because of an ineligible athlete. Quincy (Ill) captured the third place trophy with a 4-1 victory over Keene State (NH).

SWIMMING

CLOSE FINISH . . . John Van Buren, left, of Simon-Fraser (Can) nipped Burrall Anderson of Eastern New Mexico in the finals of the 200 yard backstroke. Simon-Fraser successfully defended its team title as seven new meet records were set.

SWIMMING

Swimming, which has enjoyed a rapid growth as an intercollegiate sport in the past decade, joined the NAIA program in 1957. The first NAIA Swimming and Diving Championships were held at Southern Illinois University, Carbondale, Illinois, in March.

From its modest beginning of six teams entered in 1957, the National Championships have grown in strength and stature, having 58 institutions entered in 1973 with 32 of them scoring during the three-day championships.

The record book has taken a beating each year with record performances dropping at tremendous rates. There were 10 records established in 1965, 13 new marks set during the 1968 championships and in 1969, 15 new names were added to the swimming list.

The 1973 Swimming and Diving Championships were held at the new Garfield Weede natatorium on the Kasas State College campus with Simon Fraser University (Can) successfully defending its title. In all, there were 7 new records established with West Liberty State (WVa) finishing second.

Gary Chase of Pacific Lutheran was named as Swimming Coach of the Year as his team climbed from tenth place a year ago to a third place finish in 1973.

TENNIS

SINGLES CHAMPION . . . Bob Hochstadter, left, of East Texas State University receives the first Ward-Ballinger Memorial trophy from Mrs. Carrol Ward, Mrs. Bob Ballinger, and Mr. Inar Olson, President of the Tennis Patrons Association of Kansas City. Hochstadter won the national singles title while Redlands (Calif) captured the team championship. The Ward-Ballinger trophy is name in honor of Carroll Ward and Bob Ballinger.

TENNIS

Tennis, along with golf and track, became one of the first events added to the NAIA National Championship program when in 1952 the organization expanded its agenda to include sports other than basketball.

The initial NAIA Tennis Tournament was held in 1952 at Abilene Christian College, Abilene, Texas, and the event remained there four years. It was moved, along with track and golf, to San Diego, California, in 1956, but the growth of the program forced a separating of these three big events the following year.

The tennis tournament was in Beaumont, Texas, in 1958 and 1959 and moved to Charleston, Illinois, in 1959. The Rockhill Tennis Club, Kansas City, Missouri, has been the site of the tournament since 1960. The number of entries has grown to a point that in 1968 the tournament field was determined by District qualification for entries into the team, singles, and doubles championships.

The University of Redlands (Calif) regained the team championship in 1973, giving the California team eight titles and seven in the past eight years. Bob Hochstadter of East Texas State became the first unseeded player to win the singles title while Dave Peterson and Tim Butorac of Gustavus Adolphus (Minn) won the doubles crown. The 1973 tournament field consisted of 183 singles entries and 83 doubles teams representing 43 different institutions.

INDOOR TRACK AND FIELD

In 1966, the NAIA Track Coaches' Association decided to add the indoor championships to their calendar and the results have been most impressive. This event has become a permanent fixture on the Kansas City, Missouri sports calendar.

Jackson State (Miss), under the direction of Coach Marvin Epps, won the 1973 NAIA Indoor Track and Field title by scoring 43 points while Eastern New Mexico was runner-up with 37.

Mike Boit, a freshman from Eastern New Mexico, was the Outstanding Performer in the meet as he won both the 880 and the mile. Senior Rodney Milburn of Southern (La) won his third NAIA Indoor High Hurdle title.

OUTDOOR TRACK AND FIELD

TEXANS PREVAIL . . . Texas Southern University won the 1973 NAIA Outdoor Track and Field title. Steve Senko, NAIA Track and Field Coordinator, presents the team trophy to Coach Dave Bethany, 1973 NAIA Track and Field Coach of the Year. Behind Coach Bethany is Tommy Fulton, the Outstanding Athlete of the 1973 meet.

OUTDOOR TRACK AND FIELD

Track and Field was one of the first sports added to the NAIA program in 1952 and has produced some of the finest athletes in the world. The initial meet was staged in Abilene, Texas, with Abilene Christian winning the first three titles in four years.

This championship remained at Abilene for three more years, attaining a great degree of stature in that time. In 1956, it was decided to take the meet to the West Coast, traditional site of the nation's track powers. San Diego, California hosted the meet for three years.

From 1959 to 1967 the meet was held at Souix Falls, South Dakota and in 1968 it was moved to Albuquerque, New Mexico to an altitude similar to that of Mexico City, the site of the 1968 Olympics. Billings, Montana was chosen as the site of the 1969-1972 Championships. The 1970 meet saw 110 institutions with over 400 athletes participating as keen competition continued in the three day meet.

Henderson State College, located in Arkadelphia, Arkansas, was host to the 1973 meet as the record book took a severe beating--10 new meet records were established. The 140 institutions entered had 997 athletes at peek performances in the three day meet.

Senior Tommy Fulton of Texas Southern was the Outstanding Performer as he became the first NAIA runner to post a sub-four minute mile. Fulton won the mile in 3:57.8, captured the three mile in 13:33.3, and was second in both the 880 yard run and the six mile event as he paced Texas Southern to the team championship.

World Record holder Rodney Milburn of Southern University (La) won his fourth Outdoor High Hurdle championship and established a record of :13.4 in the preliminaries and Walden Curry of Delta State (Miss) added his third straight high jump title.

VOLLEYBALL

UPSET WINNERS . . . Graceland College (Iowa) captured the 1973 NAIA Volleyball Championship by upsetting favored George Williams College (Ill) in a thrilling four game finale. Coach Rod Schall's chargers dropped the opening match and then rallied for three straight wins for the team title.

VOLLEYBALL

Volleyball was the 16th championship sport to be officially recognized by NAIA and to have a national tournament conducted. Volleyball came on the NAIA scene in 1969 when George Williams College (Ill) hosted the tournament and Earlham College (Ind) emerged as the first champion in the Olympic games' newest sport.

The United States Volleyball Association, the governing body for volleyball in the United States, presented certificates of recognition to participating players and schools in the 1969 tournament commemorating their participation in the first national volleyball tournament ever sanctioned by a national collegiate sports governing body.

Graceland College (Iowa) captured the 1973 Volleyball Championship by upsetting George Williams College (Ill), in a thrilling four game final. The champions dropped the opening match and then rallied for three straight wins for the title.

The 1973 volleyball tournament was hosted by the University of California-San Diego with defending champion Church College of Hawaii finishing in third place.

REPEAT CHAMPIONS . . . The Adams State (Colo) wrestling team successfully defended its NAIA Wrestling title with a record 402 athletes representing 102 institutions competing in the three day meet at Morningside College in Sioux City, Iowa.

WRESTLING

The NAIA inaugurated a National Wrestling Tournament in 1958 with 100 athletes representing 23 institutions at Mankato State, Mankato, Minnesota. Interest and participation in wrestling has continued to increase among NAIA member institutions each year.

From its modest beginnings, the wrestling championships increased to a record 402 athletes representing 102 institutions in 1973 at Morningside College, Sioux City, Iowa, as over 10,000 spectators attended the three-day event.

Adams State (Colo), capturing its fourth title in the last six years, rolled up 62 1/2 points while Central Washington State was second with 48 1/2.

Ken Monroe, a 167 pounder from Wayne State (Neb), was named the Outstanding Wrestler of the tournament, winning his third NAIA title in the past four seasons.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

(NAIA)

GENERAL INFORMATION

WHEN ORGANIZED:

The National Association of Intercollegiate Athletics officially was organized in March, 1940, in Kansas City, Missouri, by a group of administrators of college athletics and college coaches. However, it dates directly from the first National Association of Intercollegiate Basketball (NAIB) tournament, held in Kansas City, Missouri, in March, 1937.

FOR WHAT PURPOSE:

The National Association of Intercollegiate Athletics was the first and is still the only National Organization whose primary and sole purpose is to champion the cause and promote the interests of the college of moderate enrollment and sound athletic philosophy and program. The Association was founded to fill a need for such a champion and is constantly working to fulfill this need.

NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, district and national sports competition and solutions to vital problems affecting colleges of moderate enrollment.

Basic to the NAIA program is the premise that athletics must be an integral part of the overall educational process and must contribute in meaningful degree to that process. The Association believes that under proper control, a program of local, district, and national competitions among colleges of like philosophy can contribute to that educational process. To this end, the NAIA sponsors a program of 16 national championship events for its member colleges.

These include baseball, basketball, bowling, cross country, football (two divisions), golf, gymnastics, ice hockey, soccer, swimming, tennis, indoor and outdoor track and field, volleyball, and wrestling. All these are under the direct supervision of the NAIA, and participants in them must submit proof of adherence to NAIA standards in regard to eligibility within their seasonal play and not merely for championship events.

The NAIA clearly outlines its own responsibilities and those of its members: a sound athletic program, administered and controlled by those responsible for the administration of the college. This means direct supervision in the matter of caliber of competition, financing the athletic program, and taking steps to assure that athletic assistance is made available only through the institution and under the same general policies as aid to non-athletes. In short, the basic premise is that the athletic program must be a part of the general education process in the institution and not an enterprise apart.

District competition and meetings are emphasized and encouraged, and throughout its span of activities, the NAIA gets its direction from the wishes of the members in a democratic fashion.

The NAIA encourages a broad program of athletic pursuits in its member schools, making it available to the greatest possible number of students. The national organization aims at uniformity in policies and practices through its district and national tournaments and meets.

HOW ADMINISTERED:

The governing body of NAIA is the Executive Committee, elected by the membership. Every member has a vote in this and all other activities of the Association.

The NAIA is organized into 32 districts, representing the entire United States and Canada. The affairs of each district are administered by a District Committee headed by a District Chairman. Each member of the District Committee is elected by the membership within that district. Representation on the District Committee is based upon one committeeman for each three member colleges in the district. The District Chairman is elected for a term of three years by a vote of the active membership in each district.

The district is the basic unit of NAIA organization. The District Committee inaugurates and supervises a program of district events in the various sports. These district champions are certified to NAIA regional and national competitions, in all regional or national events which permit representation from all 32 districts.

MEMBERSHIP ELIGIBILITY:

Any four-year college or university in the United States and Canada, which is approved by its regional accrediting agency, may become an active member. The membership fee is graduated on the basis of enrollment and is payable by November 15. Institutions taking membership after this date will not be eligible during that year for district, area, or national events.

OBLIGATION OF MEMBERSHIP:

Members must conduct their intercollegiate athletic program in accord with the standardizing agencies to which they belong, and the rules and standards adopted by the membership of NAIA. They must pay the annual membership dues and cooperate with the activities of the Association insofar as these activities are compatible with the intercollegiate policies of their institutions.

NAIA MEMBERSHIP IN OTHER ORGANIZATIONS:

NAIA is a Group "B" member of the U.S. Olympic Committee. A. O. Duer, NAIA Executive Secretary is the third Vice-President of the U.S.O.C. There are four representatives of the NAIA on the Olympic Board of Directors and one member on the Executive Committee. In addition, the NAIA has a fifth representative on the U.S.O.C. for all bi-annual and quadrennial meetings. There are 41 representatives of NAIA Coaches' Associations on Olympic Games (sports) Committees.

NAIA is also active in the work of the Amateur Athletic Union (AAU). There are four representatives of the NAIA Executive Committee on the AAU Executive Committee and over 50 NAIA representatives serving on AAU Sports Committees. Ten NAIA Executive Committee members are on the AAU Board of Governors.
