FOREWORD

The records contained in this volume are extracted primarily from the national competitions conducted by the National Association of Intercollegiate Athletics. Other records are those submitted by member institutions through reports to the NAIA Statistical Service.

Member colleges which have records exceeding those in this manual may submit applications for recognition of those records by writing to the NAIA Public Relations Director at the NAIA National Office.

This seventeenth printing of the NAIA Records Book is possible only through the cooperation of NAIA member colleges and sports information directors. The degree of its accuracy and completeness in the sections other than where results of the national events or statistical bureau information are listed is a reflection of this cooperation by member institutions.

DR. ARNOLD R. KILPATRICK
NORTHWESTERN STATE UNIVERSITY - NATCHITOCHES, LOUISIANA
1974-75 PRESIDENT OF NAIA

Dr. Arnold R. Kilpatrick, the 1974-75 President of the 565 member colleges and universities of NAIA, is President of Northwestern State University, Natchitoches, Louisiana.

An active participant in athletics as an undergraduate at Northwestern State University, Dr. Kilpatrick has also been successful as a coach, athletic director, and administrator.

The NAIA President received his B.A. degree from Northwestern State University and his M. Ed and Ed D. degrees from Louisiana State University.

NAIA EXECUTIVE SECRETARY-TREASURER

A. O. Duer, a native of Kansas, has been Executive Secretary of NAIA since 1949 and has been affiliated with NAIA and the original NAIB almost from the time of its inception in 1937 as a Basketball Tournament.

In 1940, his auspicious beginnings with NAIA began as District Chairman of what is now District 3 (California). His ability for leadership was quickly evident and he was elected to the NAIA Executive Committee in 1943, to be followed in 1947 by his year's tenure as President of NAIA.

By 1949, the NAIA sponsored only one national championship event--a 32-team basketball tournament. Duer's proficiency in administration combined with foresight and understanding of the small colleges' need for athletic competition on the national level, while maintaining athletics as an integral part of the educational process, resulted in his appointment to Executive Secretary.

Now Third Vice-President on the U. S. Olympic Committee, Duer has worked untiringly toward gaining recognition for the NAIA by the U. S. Olympic Committee. This goal was achieved in 1965 with the naming of 35 NAIA coaches to various U. S. Olympic Sports Committees. Duer was chairman of the important Equipment and Supplies Committee for the 1968 Olympic Games, in which capacity he served at the Winter Olympic Games in Grenoble, France; Pan-American Games in Winnipeg, Canada; and at the Summer Games in Mexico City. As Third Vice-President of the U. S. Olympic Committee, he is Chairman of Committees for Team Services.

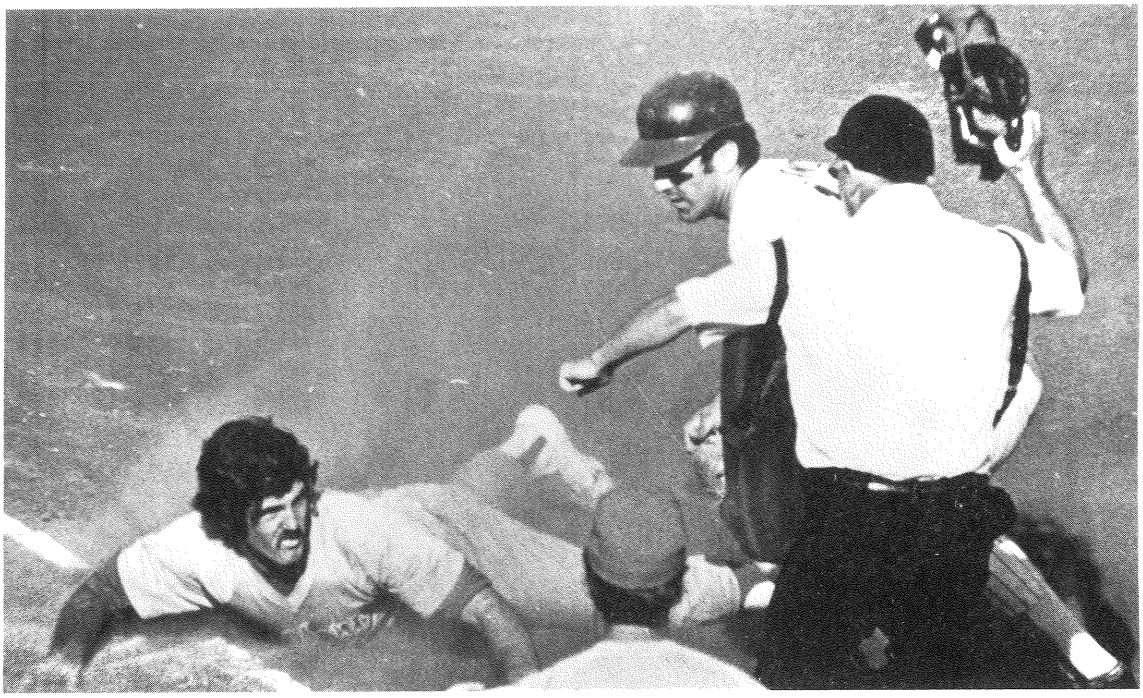

The growth and success of the NAIA program can be credited to the guidance of Al Duer. It also can be traced to his background, which is typical of the administrators, athletic directors and coaches with whom he works. A total of 16 championships are sponsored now, all on an annual basis.

He was born in Sylvia, Kansas, on November 18, 1904. He was graduated from Stafford, Kansas High School, and entered Kansas State Teachers College, Emporia, in 1923. In 1925, he transferred to Columbia University, New York City, to complete work for his bachelor's degree. He received his master's from the University of Southern California.

Duer coached and served as principal and superintendent in Kansas high schools until 1939 when he accepted a position as athletic director and basketball coach at George Pepperdine College, Los Angeles. In 10 years of coaching, he had only one losing season. Four of his Pepperdine teams represented NAIA District 3 (California) in the NAIB National Tournament. His 1945 team placed second and the 1946 team finished third in the week-long event.

After his resignation as basketball coach in 1948, he served as Dean of Men, Athletic Director, Executive Secretary for NAIA, and as representative on the USOC Basketball Committee. When in 1957 it was decided to move NAIA Headquarters to Kansas City, he and Mrs. Duer, the former Juanita Reed, moved back to the Midwest. The Duers have two children, Mrs. Beth Elford of Las Vegas, and Larry, who resides in Munich, Germany.

BASEBALL

OUT AT THIRD . . . Rich Fielder of LaVerne CA is tagged out sliding into third by Lewis University IL third baseman Bob Landi. Making the call is umpire Bob Motley while Coach Ben Hines of LaVerne watches. Lewis University went on to win the 18th Annual NAIA Baseball title, beating Sam Houston State TX in the finals.

HISTORY OF THE NAIA NATIONAL BASEBALL TOURNAMENT

The NAIA Baseball Championships were inaugurated in 1957. Sul Ross State College in Alpine, Texas was host to the first three tournaments. Morningside College in Sioux City, Iowa served as host to the next tournaments, and in 1962 it was moved to St. Joseph, Missouri under the sponsorship of the St. Joseph Junior Chamber of Commerce, where it remained until 1970 when it was moved to Phoenix, Arizona. Grand Canyon College and the Grand Canyon College Antelope Booster Club assumed the sponsorship from 1970-73. The 1974 National Tournament returned to Phil Welch Stadium in St. Joseph, Missouri.

Selection of the field was based on Area representation for the first time in 1959. Before that the teams participated on an invitational basis. Each Area, composed of four Districts, holds a Playoff to determine its representative. In 1974 a total of 159 teams participated in District and Area Playoffs. These were the best of the 455 NAIA member institutions that sponsored baseball in 1974.

Lewis University IL won the 18th Annual National Baseball Tournament by beating Sam Houston State TX, 3-2, in the finale. The Flyers finished the season with a 39-13 record under Coach Gordon Gillespie.

Senior Tom Brennan, a winner of three games for Lewis, was named the Most Valuable Player in the tournament. Catcher David Woolley of Sam Houston State was the Bronze Glove recipient while Hank Merenda of LaVerne CA was voted the Charlie Berry Hustle Award for the 1974 tournament.

Sam Houston State set a trio of National Tournament records--playing in the most tournaments (8), the most wins (17), and finished the 1974 tournament with the best ERA for a team in six games (0.83).

BASKETBALL

FIRST TITLE . . . West Georgia College won the 37th Annual NAIA Basketball Championship by downing Alcorn State MS, 97-79, behind the 24 point production of MVP Clarence (Foots) Walker, a senior guard.

BASKETBALL

West Georgia, behind the one-two punch of Tom Turner and Clarence (Foots) Walker, won the 1974 NAIA National Basketball Tournament, beating Alcorn State MS, 97-79. Walker, a senior guard, was named the Most Valuable Player in the 1974 classic.

The NAIA National Intercollegiate Basketball Tournament was inaugurated in 1937 at Kansas City, Missouri as an eight-team tournament. It was expanded to a 32-team bracket in 1938 and the tournament has remained in that format since, with the exception of 1944, when no tournament was held because of World War II, and 1945, when the bracket was reduced to 16 teams because of wartime travel limitations.

The tournament, then known as the National Association of Intercollegiate Basketball (NAIB) Tournament, was the first national championship tournament in the sport conducted by a national collegiate body. The NAIA basketball championships are administered by a tournament committee representing the NAIA Basketball Coaches' Association.

An all-time NAIA tournament attendance record was established in 1972 as 78,388 persons viewed the tournament won by Kentucky State, the third straight title for the Thorobreds.

BOWLING

HAPPY WINNERS . . . Members of the Clarion State PA bowling team are happy winners of the 13th Annual Bowling Championship. The victory was the first for Clarion State in bowling.

BOWLING

Clarion State College PA, making its first tournament appearance, rallied in the final game to win the 13th Annual NAIA Bowling Championships. Clarion beat Bryant College RI in the position round to win the title, finishing with a 12-3 record. Dale Gockley of Clarion State PA was the individual champion, averaging 197-10 in his 15 games. The doubles title went to Ken McKenzie and Joe Kubiskey of Bryant College, with an 1196 total in three games while Clarion State finished second in the doubles. Freshman Ken McKenzie was named the A. O. Duer award winner as the top bowler in the tournament.

Bowling officially became the 11th sport on the NAIA Championship program with the staging of the first national finals in Kansas City, Missouri in 1962. The format for the first three years provided for a 12-game total pinfall style of tournament for the 32 teams participating.

Beginning in 1965, the field was reduced to eight teams, each the champion of a geographical area. The format was changed from total pinfall to head-to-head, match game, round robin bowling. Individual and doubles champions are crowned in one and two game matches, following the position round. Each team in the event bowls each of the other seven a two-game match, with each game won worth an extra 250 bonus pins. The tournament is sanctioned by the American Bowling Congress.

FOOTBALL - DIVISION I

THAT MAN . . . Freshman sensation Wilbert Montgomery (No. 28) of Abilene Christian TX moves for yardage against Elon College NC. Abilene Christian won the 18th Annual Champion Bowl title by beating Elon, 42-14.

FOOTBALL - DIVISION I

Behind the brilliant running of freshman Wilbert Montgomery and the bullet-passing of quarterback Clint Longley, the Abilene Christian TX Wildcats won the 1973 NAIA Champion Bowl with a 42-14 decision over Elon College NC. The game was played at State Fair Stadium in Shreveport, Louisiana.

Montgomery, who picked up 159 yards on 21 carries, was named the Outstanding Back of the game. Longley hit 20 of 33 pass attempts for 341 yards and four touchdowns. Nose guard Chip Martin of Abilene Christian was named the Outstanding Lineman.

Little Rock, Arkansas, was the site of the first NAIA football championship game in 1956 and the game was named the Aluminum Bowl. Moving to St. Petersburg, Florida, in 1957 until 1961, the game was called the Holiday Bowl. Moving to Sacramento, California, the 1961 game was called the Camellia Bowl and remained there until 1964.

The Champion Bowl game in 1964 was held in Augusta, Georgia. The official name of the NAIA Division I championship game was adopted in 1964 and it has remained the Champion Bowl since that time.

The four-team playoff plan was adopted in 1958. The two semi-final winners advance to the National Championship Game.

Abilene Christian advanced to the Champion Bowl by eliminating Langston OK, 34-6, while Elon NC gained the finals by turning back Wisconsin-La Crosse, 35-24.

GOLF

LATE CHARGE . . . The golf team from U. S. International CA used a late charge to win the 23rd Annual Golf Championships in Aberdeen, South Dakota. The victory was the first in golf for Coach Martin Seidler and his Westerners.

GOLF

The NAIA Golf Championships share with track and field the distinction of being the first events added to the program when NAIA expanded its role in intercollegiate athletics in 1952.

For five years, golf and tennis were held in conjunction with the track and field championships with Abilene, Texas hosting the events from 1952 through 1955 and San Diego, California acting as host in 1956.

As participation grew, separation became apparent and in 1957, the format was changed with the golf and tennis championships being held in Beaumont, Texas. Golf and tennis were split in 1959 with the golf championship going to Quincy, Illinois.

A major revision in the National format occurred in 1968, as district qualifying became required to replace the open invitational standard.

U.S. International CA rallied on the final day, coming back from four strokes off the pace, to win the 1974 NAIA Golf Championship held on the Prairiewood Golf Club in Aberdeen, South Dakota with Northern State acting as host. Dan Frickey, a junior from Washburn University KS, was the individual champion with a 72 hole total of 294. The win was the second National title for U.S. International in the past three years.

SOCCER

FOURTH CROWN . . . Quincy College IL won its fourth National Soccer Championship at Florissant, Missouri, by beating Rockhurst College MO, 3-0, in the finals.

SOCCER

Quincy College IL captured its fourth NAIA National Soccer Championship at Florissant, Missouri, by blanking Rockhurst College MO, 3-0. It was the second NAIA title for Coach Jack Mackenzie. In the consolation finals, Davis & Elkins WV defeated Erskine College SC, 4-1.

No less than 14 records were established in the 1973 tournament, played at John F. Kennedy Athletic Field. Mickey Whelan of Davis & Elkins was named the Most Valuable Player of the Tournament and Jim Polihan of Quincy was the Outstanding Forward of the Tournament.

Moving from a four-team affair in 1959 to a true National Championship in 1968, with eight teams qualified through Area playoffs, the NAIA Soccer program has been one of the NAIA's fastest growing sports.

The longest championship game on record occurred in 1968, the first year that eliminations were held in the eight Soccer Areas, as Davis & Elkins WV defeated Quincy College IL, 2-1, in a six overtime thriller. The victory by Davis & Elkins ended Quincy's hopes of becoming the first NAIA school to win three consecutive Soccer titles.

SWIMMING

RECORD PERFORMANCE . . . Simon Fraser CAN won its third consecutive National Swimming and Diving Championships as the Canadians set 10 of the 11 meet records established at Downers Grove, Illinois in the 18th Annual National meet.

SWIMMING

Swimming, which has enjoyed a rapid growth as an intercollegiate sport in the past decade, joined the NAIA program in 1957. The first NAIA Swimming and Diving Championships were held at Southern Illinois University, Carbondale, Illinois, in March.

From its modest beginning of six teams entered in 1957, the National Championships have grown in strength and stature, having 58 institutions entered in 1973 with 32 of them scoring during the three-day championships.

The record book has taken a beating each year with record performances dropping at tremendous rates. There were 10 records established in 1965, 13 new marks set during the 1968 championships and in 1969, 15 new names were added to the swimming list.

Simon Fraser University (CAN) captured its third consecutive Swimming and Diving Championship, finishing with 434 points, marking the first time in history that the champion has cracked the 400 point total. Occidental (CALIF) was runnerup with 218.

Bob Gregson of Central Washington State was named as Swimming Coach of the Year as his team finished third after a ninth place finish in 1973. There were 11 meet records set in the George Williams (ILL) pool with Simon Fraser accounting for ten new marks.

TENNIS

HOW MANY . . . The University of Redlands CA just keeps adding National Tennis Championship banners to the trophy case. This was the eighth title for the Californians in the past nine years.

TENNIS

Tennis, along with golf and track, became one of the first events added to the NAIA National Championship program when in 1952 the organization expanded its agenda to include sports other than basketball.

The initial NAIA Tennis Tournament was held in 1952 at Abilene Christian College, Abilene, Texas, and the event remained there four years. It was moved, along with track and golf, to San Diego, California, in 1956, but the growth of the program forced a separating of these three big events the following year.

The Tennis Tournament was in Beaumont, Texas, in 1957 and 1958 and moved to Charleston, Illinois, in 1959. The Rockhill Tennis Club, Kansas City, Missouri, has been the site of the tournament since 1960. The number of entries has grown to a point that in 1968 the tournament field was determined by District qualification for entries into the team, singles, and doubles championships.

The University of Redlands CA won its eighth National Championship in the past nine years by nipping California Baptist by a single point. Stan Franker of Texas Southern was the singles champion while Bengt Anthin-John Blomberg of California Baptist won the doubles crown. The 1974 tournament field consisted of 207 singles entries and 100 doubles teams, representing 46 different institutions, all three NAIA records.

INDOOR TRACK AND FIELD

INDOOR KINGS . . . Texas Southern University won the Ninth Annual Indoor Track and Field Championships by nipping defending champion Jackson State MS as Tommy Fulton was named the Outstanding Performer with a pair of victories for the winners.

INDOOR TRACK AND FIELD

In 1966, the NAIA Track Coaches' Association decided to add the indoor championships to their calendar and the results have been most impressive. This event has become a permanent fixture on the Kansas City, Missouri sports calendar.

Texas Southern, under the direction of Coach Dave Bethany, won the 1974 NAIA Indoor Track and Field title by scoring 45 points while defending champion Jackson State MISS was runner-up with 41.

Tommy Fulton, the veteran distance ace from Texas Southern, was the Outstanding Performer in the meet as he won both the 880 and the mile. Ray Geter of Prairie View A&M TEX won his third 600 yard dash crown in a record-tying effort and also anchored the record setting two mile relay team.

OUTDOOR TRACK AND FIELD

SECOND TITLE . . . Eastern New Mexico University won its second National championship during the 1973-74 athletic year by winning the Outdoor Track and Field Championships at Arkadelphia, Arkansas. Veteran Joshua Owusu of Angelo State TX was named the Outstanding Performer in the meet.

OUTDOOR TRACK AND FIELD

Track and Field was one of the first sports added to the NAIA program in 1952 and has produced some of the finest athletes in the world. The initial meet was staged in Abilene, Texas, with Abilene Christian winning the first three titles in four years.

This championship remained at Abilene for three more years, attaining a great degree of stature in that time. In 1956, it was decided to take the meet to the West Coast, traditional site of the nation's track power. San Diego, California hosted the meet for three years.

From 1959 to 1967 the meet was held at Sioux Falls, South Dakota and in 1968 it was moved to Albuquerque, New Mexico to an altitude similar to that of Mexico City, the site of the 1968 Olympics. Billings, Montana was chosen as the site of the 1969-1972 Championships. The 1970 meet saw 110 institutions with over 400 athletes participating as keen competition continued in the three day meet.

Henderson State College, located in Arkadelphia, Arkansas, was host to the 1973 and 1974 meets. There were 10 new records set in 1973 and three in 1974 and another tied. The 1973 meet had 140 institutions entered while the 1974 meet had a record 165 institutions and 858 athletes, both all-time NAIA National meet records for any sport.

Eastern New Mexico dominated the distance events to win the team championship while Southern California College finished second as defending champion Texas Southern had to settle for a tie for 11th place.

Joshua Owusu of Angelo State TX won his fifth and sixth outdoor individual titles as he set a record in the long jump and also won the triple jump to gain the Outstanding Performer award.

WRESTLING

WRESTLING CHAMPIONS . . . The ten weight winners in the 17th Annual Wrestling Championships are a tired but proud group. Central Washington State won the team title with Kit Shaw of Central Washington State being named the Outstanding Performer.

WRESTLING

The NAIA inaugurated a National Wrestling Tournament in 1958 with 100 athletes representing 23 institutions at Mankato State, Mankato, Minnesota. Interest and participation in wrestling has continued to increase among NAIA member institutions each year.

From its modest beginnings, the wrestling championships increased to a record 402 athletes representing 102 institutions in 1973 at Morningside College, Sioux City, Iowa, as over 10,000 spectators attended the three-day event.

Central Washington State won its second National title by placing in seven of the ten weight classes, finishing with 102 points. Central Oklahoma was second with 80½.

There were 104 institutions represented with 437 individual athletes, both records in the National meet. Kit Shaw of Central Washington was named the Outstanding Wrestler of the tournament, winning his second straight 142 pound title.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

(NAIA)

GENERAL INFORMATION

WHEN ORGANIZED:

The National Association of Intercollegiate Athletics officially was organized in March, 1940, in Kansas City, Missouri, by a group of administrators of college athletics and college coaches. However, it dates directly from the first National Association of Intercollegiate Basketball (NAIB) tournament, held in Kansas City, Missouri, in March, 1937.

FOR WHAT PURPOSE:

The National Association of Intercollegiate Athletics was the first and is still the only National Organization whose primary and sole purpose is to champion the cause and promote the interests of the college of moderate enrollment and sound athletic philosophy and program. The Association was founded to fill a need for such a champion and is constantly working to fulfill this need.

NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, district and national sports competition and solutions to vital problems affecting colleges of moderate enrollment.

Basic to the NAIA program is the premise that athletics must be an integral part of the overall educational process and must contribute in meaningful degree to that process. The Association believes that under proper control, a program of local, district, and national competitions among colleges of like philosophy can contribute to that educational process. To this end, the NAIA sponsors a program of 16 national championship events for its member colleges.

These include baseball, basketball, bowling, cross country, football (two divisions), golf, gymnastics, ice hockey, soccer, swimming, tennis, indoor and outdoor track and field, volleyball, and wrestling. All these are under the direct supervision of the NAIA, and participants in them must submit proof of adherence to NAIA standards in regard to eligibility within their seasonal play and not merely for championship events.

The NAIA clearly outlines its own responsibilities and those of its members: a sound athletic program, administered and controlled by those responsible for the administration of the college. This means direct supervision in the matter of caliber of competition, financing the athletic program, and taking steps to assure that athletic assistance is made available only through the institution and under the same general policies as aid to non-athletes. In short, the basic premise is that the athletic program must be a part of the general education process in the institution and not an enterprise apart.

District competition and meetings are emphasized and encouraged, and throughout its span of activities, the NAIA gets its direction from the wishes of the members in a democratic fashion.

The NAIA encourages a broad program of athletic pursuits in its member schools, making it available to the greatest possible number of students. The national organization aims at uniformity in policies and practices through its district and national tournaments and meets.

HOW ADMINISTERED:

The governing body of NAIA is the Executive Committee, elected by the membership. Every member has a vote in this and all other activities of the Association.

The NAIA is organized into 32 districts, representing the entire United States and Canada. The affairs of each district are administered by a District Committee headed by a District Chairman. Each member of the District Committee is elected by the membership within that district. Representation on the District Committee is based upon one committeeman for each three member colleges in the district. The District Chairman is elected for a term of three years by a vote of the active membership in each district.

The district is the basic unit of NAIA organization. The District Committee inaugurates and supervises a program of district events in the various sports. These district champions are certified to NAIA regional and national competitions, in all regional or national events which permit representation from all 32 districts.

MEMBERSHIP ELIGIBILITY:

Any four-year college or university in the United States and Canada, which is approved by its regional accrediting agency, may become an active member. The membership fee is graduated on the basis of enrollment and is payable by November 15. Institutions taking membership after this date will not be eligible during that year for district, area, or national events.

OBLIGATION OF MEMBERSHIP:

Members must conduct their intercollegiate athletic program in accord with the standardizing agencies to which they belong, and the rules and standards adopted by the membership of NAIA. They must pay the annual membership dues and cooperate with the activities of the Association insofar as these activities are compatible with the intercollegiate policies of their institutions.

NAIA MEMBERSHIP IN OTHER ORGANIZATIONS:

NAIA is a Group "B" member of the U.S. Olympic Committee. A. O. Duer, NAIA Executive Secretary is the third Vice-President of the U.S.O.C. There are four representatives of the NAIA on the Olympic Board of Directors and one member on the Executive Committee. In addition, the NAIA has a fifth representative on the U.S.O.C. for all bi-annual and quadrennial meetings. There are 41 representatives of NAIA Coaches' Associations on Olympic Games (sports) Committees.

NAIA is also active in the work of the Amateur Athletic Union (AAU). There are four representatives of the NAIA Executive Committee on the AAU Executive Committee and over 50 NAIA representatives serving on AAU Sports Committees. Ten NAIA Executive Committee members are on the AAU Board of Governors.

The NAIA--along with the NCAA, AAHPER, and NJCAA--is a charter member of the United States Collegiate Sports Council (USCSC) which is the United States representative in FISU--the world governing body for the World Student Games and other programs for college and university students throughout the world.

Other organizations in which the NAIA is active include the National Alliance Athletic Association, Federation of International Basketball (FIBA), the Council for National Cooperation in Aquatics, U.S. Baseball Federation, U.S. Gymnastics Federation, and AAHPER.

HOW MANY MEMBERS HAS NAIA:

NAIA has a membership of 565 colleges and universities and 46 affiliated conferences.

NAIA ALL-SPORTS CHAMPIONSHIP

Eastern New Mexico University was the winner of the Fifth Annual NAIA-SIDA All Sports Trophy for the 1973-74 season. The Greyhounds finished the year with 210 points in the 16 National events.

Eastern won the 1973 Cross Country and the 1974 Outdoor Track and Field Championships, finished third in Golf, fourth in Indoor Track and Field, eighth in Gymnastics, and 14th in Swimming and Diving.

Fort Hays State KS was runner-up in the All-Sports race with 147 points while Wisconsin-Parkside and Bemidji State MN finished in a tie for third place with 123½ points each.

Points are awarded on the finish in each of the NAIA Championship events with the top four teams awarded trophies by the NAIA-SIDA. During the 1973-74 athletic season, 209 different institutions scored points in the All-Sports race.

The All-Sports award competition began in 1969-70 with 82 schools scoring points as Eastern Michigan University was the winner. In 1970-71, Eastern Michigan again won the All-Sports competition as 207 schools figured in the scoring.

Eastern Illinois University was the winner of the 1971-72 All-Sports title with 216 schools scoring points in the team race. U.S. International University CA was the winner in 1972-73 by scoring 157½ points as 237 institutions scored in the National competition.
