FOREWORD

The records contained in this volume are extracted primarily from the national competitions conducted by the National Association of Intercollegiate Athletics. Other records are those submitted by member institutions through reports to the NAIA Statistical Service.

Member colleges which have records exceeding those in this manual may submit applications for recognition of those records by writing to the NAIA Public Relations Director at the NAIA National Office.

This nineteenth printing of the NAIA Records Book is possible only through the cooperation of NAIA member colleges and Sports Information Directors. The degree of its accuracy and completeness in the sections other than where results of the national events or statistical bureau information are listed is a reflection of this cooperation by member institutions.

NAIA EXECUTIVE SECRETARY-TREASURER

Harry G. Fritz, a native of Wheelersburg, Ohio, became the third NAIA Executive Secretary-Treasurer since the organization was born in 1937 on April 12, 1976. Emil S. Liston was the founder of the NAIA and served as Executive Secretary until 1949 when A. O. Duer took over the post for a period of 26 years.

Fritz has a wide background in college athletics, including coaching football during a 1948-53 stint at Central Missouri State and serving as an official for football, basketball and baseball games in Ohio, Indiana, Missouri and Kentucky.

The NAIA Executive Secretary received his B. A. Degree from Transylvania College KY in 1946 and was Dean of Men, an instructor in Physical Education along with being head baseball coach at his alma mater from 1946-48.

At Central Missouri State, where he was an associate professor of Physical Education from 1948-53, he served as an assistant football coach for four years and head coach one season.

Fritz earned his Master's Degree from the University of Kentucky in 1947 and served as a graduate assistant from 1953-54 at Indiana University where he obtained his Doctorate in 1954.

Moving to Bemidji State University MINN in 1954, Fritz was Chairman of the Division of Health, Physical Education and Recreation along with serving as Director of Athletics. He was head basketball coach at Bemidji State for four years and served as assistant football coach for eight seasons.

Moving to Western Illinois University in 1964, Fritz was Director of Physical Education and Athletics for three years, becoming Dean of the College of Health, Physical Education and Recreation in 1967. In 1970, he was named Dean of the School of Health Education and Director of Athletics at the State University of New York at Buffalo, a post he held until joining the NAIA.

In the academic field, the NAIA Executive Secretary has a solid background including wide experience both as a consultant and an author. He was a contributing author for "Administration of Athletics in Colleges and Universities", published in 1971 by the American Association for Health, Physical Education and Recreation in cooperation with the National Association of Collegiate Directors of Athletics.

He also was a contributing author and editorial committee advisor for the publication of "Drugs and the Coach" and in 1974 he served in the same capacity before the publication of "The Winning Edge", an account of the proceedings of the National Conference on Sports Psychology. He has written numerous articles for athletic, educational and administrative journals.

Fritz has a long list of professional activities that includes Chairman of the Joint Committee on Physical Education and Athletics (of AAHPER-NCAA-NCPEAM), 1968-72; Chairman of Research Committee of NAIA from 1964-70; member of National Association of Collegiate Directors of Athletics (NACDA) since 1965 and member of NACDA Executive Committee from 1968-72; Board of Governors in 1970-71 and again in 1975-76 of the American Alliance for Health, Physical Education and Recreation; and serving as President of the National Association for Sport and Physical Education in 1975-76.

BASEBALL

THIRD IN ROW...The Lewis University ILL Flyers set a new NAIA World Series Baseball record by winning its third consecutive title as the champions downed Lewis-Clark State IDAHO, 16-8, to win the 20th Annual NAIA World Series Baseball Championship at St. Joseph, Missouri.

BASEBALL

Lewis University ILL became the first NAIA baseball team to ever win three consecutive NAIA World Series Baseball Championships as the Flyers defeated Lewis-Clark State IDAHO in the 20th Annual NAIA Classic at St. Joseph, Missouri, 16-8.

The Flyers, under Coach Gordon Gillespie, went undefeated in five games and thus stretched their unbeaten string in World Series play to 12 games, an NAIA World Series record.

Outfielder Ken Jones of Lewis was named the Outstanding Player in the Tournament while teammate Paul Stevens, a second baseman, was named the Bronze Glove recipient. Shortstop Frank Trujillo of Emporia State KAN was voted the Charlie Berry Hustle Award for the 1976 World Series.

The NAIA Baseball World Series was inaugurated in 1957. Sul Ross State TEX in Alpine was the host to the first three classics. Selection of the field was based on Area representation for the first time in 1959. Before that the teams participated on an invitational basis.

Each Area, composed of four Districts, hold a Playoff to determine its representative. In 1976 a total of 150 teams participated in District and Area Playoffs from the 462 member institutions that sponsor baseball.

BASKETBALL

PACE WAS HOT...Joe Pace (No. 44) of Coppin State College MD dominated the 39th Annual NAIA National Basketball Tournament as he was named the Most Valuable Player in pacing the Eagles to the title. Coppin State turned back Henderson State ARK, 96-91, in the final game.

BASKETBALL

Coppin State MD, behind the brilliant play of pivotman Joe Pace, won the 1976 NAIA National Basketball Tournament, defeating Henderson State University ARK, 96-91, in Crosby Kemper Arena. Pace, a senior, was named the Most Valuable Player in the 1976 Classic.

Attendance at the six-day Classic was 72,325, marking the fourth time in the past six tournaments that the attendance has topped the 70,000 figure. The all-time attendance record is 78,388, established in the 1972 tournament.

The NAIA National Intercollegiate Basketball Tournament was inaugurated in 1937 at Kansas City, Missouri, as an eight-team tournament. It was expanded to a 32-team bracket in 1938 and the tournament has remained in that format since, with the exception of 1944, when no tournament was held because of World War II, and 1945, when the bracket was reduced to 16 teams because of wartime travel limitations.

The tournament, then known as the National Association of Intercollegiate Basketball (NAIB) Tournament, was the first national championship tournament in the sport conducted by a National collegiate body. The NAIA basketball championships are administered by a tournament committee representing the NAIA Basketball Coaches' Association.

BOWLING

PIONEERS RALLY...Glenville State College W VA rallied on the final day of competition to capture the 15th Annual NAIA Bowling Championship as Sam Ferrell of Glenville State captured the individual title and West Liberty State won the doubles competiton behind Doug Tuskey and Bernard Lilley.

BOWLING

Glenville State College W VA won the 15th Annual NAIA Bowling Championship with a rally on the final day of competition, nipping Oregon College of Education by 248 pins. The Classic was held at King Louie Plaza Bowl in Kansas City.

Sam Ferrell of Glenville State won the individual title with a 203-5 average and was named the A. O. Duer Outstanding Bowler recipient. The doubles team of Doug Tuskey and Bernard Lilley of West Liberty State W VA won the doubles title while Harding College ARK made a record 12th appearance in the National Tournament.

Bowling officially became the 11th sport on the NAIA Championship program with the staging of the first national finals in Kansas City, Missouri in 1962. The format for the first three years provided for a 12-game total pinfall style of tournament for the 32 teams participating.

Beginning in 1965, the field was reduced to eight teams, each the champion of a geographical area. The format was changed from total pinfall to head-to-head, match game, round robin bowling. Each team in the event bowls each of the other seven a two-game match, with each game won worth an extra 250 bonus pins. The tournament is sanctioned by the American Bowling Congress.

TEXAS A&I REPEATS...The Javelinas of Coach Gil Steinke rolled to their second consecutive NAIA Champion Bowl title by blanking Salem College W VA, 37-0, in the 20th Annual NAIA Champion Bowl football classic played in Kingsville, Texas.

FOOTBALL - DIVISION I

Using the talents of Larry Collins and receiver Glenn Starks, the Texas A&I Javelinas rolled to a 37-0 victory over Salem College W VA in the 20th Annual NAIA Champion Bowl football classic played in Kingsville, Texas. Collins and Starks both scored a pair of touchdowns to pace the Texas offense while a rock-ribbed defense stopped the Salem offense cold with only 44 yards rushing and 17 yards passing.

Collins was named the Outstanding Back as he gained 152 yards on 15 carries while teammate Howard Henderson was tabbed as the Outstanding Lineman. The victory was the second in a row for the Texas squad and fifth NAIA Champion Bowl title in the past 20 years.

Texas A&I gained the championship by eliminating Oregon College of Education, 37-0, while Salem College W VA gained the finals by turning back Ouachita Baptist University ARK, 16-7, on a muddy turf.

Little Rock, Arkansas was the site of the first NAIA football championship game in 1956 and the game was named the Aluminum Bowl. Moving to St. Petersburg, Florida in 1957 until 1961; the game was called the Holiday Bowl. Moving to Sacramento, California, the 1961 game was called the Camellia Bowl and remained there until 1964.

The Champion Bowl game in 1964 was held in Augusta, Georgia. The official name of the NAIA Division I championship game was adopted in 1964 and it has remained the Champion Bowl since that time.

The four-team playoff plan was adopted in 1958. The two semi-final winners advance to the National Championship Game.

GOLF

GARDNER-WEBB TRIUMPHS...The Bulldogs of Gardner-Webb NC put on a late charge to capture the 25th Annual NAIA National Golf Championship played at Alamance Country Club in Burlington, NC. The Bulldogs nipped host Elon College NC by a single stroke as Will Brewer of David Lipscomb TENN won the medalist honors.

GOLF

Gardner-Webb College NC rallied on the final day of competition to nip host Elon College NC by a stroke for the 25th Annual NAIA National Golf Championship at Alamance Country Club in Burlington, North Carolina.

The winners finished with a 1193 total while Elon posted an 1194 score and third-round leader U. S. International CALIF finished third with 1196. The California squad had a four shot lead entering the last 18 holes of competition.

Junior Will Brewer of David Lipscomb TENN was the individual medalist with a 289 total, a shot better than Bill McEntire of Sam Houston State TEX and Chuck Scott of Elon. Rain hampered play the last three days, but there were nine sub-par and seven par equalling rounds posted on the 6,768 yard par 71 course.

The NAIA Golf Championships share with track and field and tennis the distinction of being the first events added to the program when NAIA expanded its role in intercollegiate athletics in 1952.

For five years, golf and tennis were held in conjunction with the track and field championships with Abilene, Texas hosting the events from 1952 through 1955 and San Diego, California acting as host in 1956.

As participation grew, separation became apparent and in 1957, the format was changed with the golf and tennis championships being held in Beaumont, Texas. Golf and tennis were split in 1959 with the golf championship going to Quincy, Illinois.

A major revision in the National format occurred in 1968, as District qualifying became required to replace the open invitational standard.

ICE HOCKEY

SURPRISE WINNERS...The University of Wisconsin-Superior ice hockey team shocked the rest of the field to capture the Ninth Annual NAIA National Ice Hockey Championship by beating defending champion St. Scholastica MINN, 8-5, in the title game.

ICE HOCKEY

University of Wisconsin-Superior won its first National Ice Hockey Championship by beating St. Scholastica MINN, 8-5. Gustavus Adolphus MINN won the consolation honors with a 5-4 decision over Bemidji MINN.

Scott VanDamme, a sophomore from Wisconsin-Superior, was named the Most Valuable Player of the 1976 tournament, held at the University of Wisconsin-Superior.

Ice Hockey officially became the NAIA's 14th Championship event in 1968 as a four team National Invitational Tournament was held in St. Paul Auditorium, St. Paul, Minnesota. Bemidji State MINN became the NAIA's first hockey champion as they edged Lake Superior State MICH, 5-4, in a thrilling overtime battle.

In the short nine year history of the sport, Bemidji State has dominated the National tournament, winning five championship trophies. The growth of the sport has produced four different winners in the past four tournaments.

SOCCER

TRIPLE FOR QUINCY...Quincy College ILL captured its third consecutive NAIA National Soccer Championship with a 1-0 victory over Simon Fraser University CAN in the title game played in Raleigh, North Carolina. Rockhurst College MO captured the consolation finals.

SOCCER

Quincy College ILL captured its third consecutive NAIA National Soccer Championship at Raleigh, North Carolina, by blanking Simon Fraser CAN, 1-0. It was the fourth NAIA title for Coach Jack Mackenzie. In the consolation finals, Rockhurst College MO defeated Western New England, 2-0.

There were three records established at the 1975 tournament, played at Enloe High School Athletic Field in Raleigh. John McGrane of Simon Fraser CAN was named the Most Valuable Player of the tournament while Jim Pollihan of Quincy ILL was named for the third consecutive time as the Most Outstanding Forward. Bill Village of Simon Fraser CAN was named the Outstanding Back.

Moving from a four-team affair in 1959 to a true National Championship in 1968, with eight teams qualified through Area playoffs, the NAIA Soccer program has been one of the NAIA's fastest growing sports.

The longest championship game on record occurred in 1968, the first year that eliminations were held in the eight Soccer Areas, as Davis & Elkins WV defeated Quincy ILL, 2-1, in a five overtime thriller.

SWIMMING

FIVE IN ROW...Simon Fraser University CAN continued to dominate the NAIA National Swimming and Diving Championships as the Clansmen captured their fifth consecutive title, a new NAIA record. There were 13 new record performances in the meet held at Marshall, Minnesota.

SWIMMING

Simon Fraser University CAN became the first NAIA institution in the 20-year history of the NAIA Swimming and Diving Championships to win five consecutive titles. The swimmers of Coach Paul Savage finished with 412 points to capture title number five and break the old record of four straight titles set by Eastern Michigan (1968-1971).

Southwest Minnesota State, located at Marshall, MINN, was the host institution for the 20th Annual National Swimming and Diving Championships.

The record book has taken a beating each year with record performances dropping at tremendous rates. There were 13 new records established in the 1976 meet with the winners figuring in ten of them.

Tom Prior of Wisconsin-Eau Claire was named the Swimming Coach of the Year as his team finished fourth. A year ago, Eau Claire finished in tenth place in the Swimming and Diving Championships.

Swimming joined the NAIA program in 1957. The first NAIA Swimming and Diving Championships were held at Southern Illinois University, Edwardsville, ILL.

TENNIS

MERCYHURST MAKES SWEEP...Mercyhurst College PA won the singles and doubles competition in the 20th Annual NAIA National Tennis Championship and also captured the team title to become the first eastern team to ever win the national tennis crown.

TENNIS

Mercyhurst College PA won the 20th Annual NAIA National Tennis Championship as the champions captured both the singles and doubles titles. Kari Pesonen was the singles champion while Reijo Tuomola and Martin Sturgess captured the doubles crown. Defending title holder Redlands CALIF had to settle for the runner up spot this season.

Reijo Tuomola was named the Outstanding Player in the National Tournament while Bill Crabtree of East Texas State University was named the 1976 NAIA Tennis Coach of the Year. There were 225 singles entries and 108 doubles entries in the 1976 Tournament, representing 51 different institutions.

The initial NAIA Tennis Tournament was held in 1952 at Abilene Christian College, Abilene, Texas, and the event remained there four years. It was moved, along with track and golf, to San Diego, California, in 1956, but the growth of the program forced a separating of these three big events the following year.

The Tennis Tournament was in Beaumont, Texas, in 1957 and 1958 and moved to Charleston, Illinois, in 1959. The Rockhill Tennis Club, Kansas City, Missouri, has been the site of the tournament since 1960. The number of entries has grown to a point that in 1968 the tournament field was determined by District qualification for entries into the team, singles, and doubles championships.

INDOOR TRACK AND FIELD

EPPS GUIDES TIGERS...Coach Martin Epps of Jackson State University MISS guided his young Tigers to their second consecutive NAIA National Indoor Track and Field Championship at Greensboro, NC to again be named as the Indoor Track Coach of the Year.

INDOOR TRACK AND FIELD

Jackson State MISS won its second straight NAIA National Indoor Track and Field Championship by scoring 78 points. Eastern New Mexico was again runner-up, finishing with 33 1/6 points.

The National Meet was held in Greensboro, NC, for the second straight year after nine years of competition in Kansas City.

Mike Boit, the Olympic Bronze Medal winner in 1972, from Eastern New Mexico, was again selected as the Outstanding Performer in the meet. This marks the third time that Boit has been named the Outstanding Performer at the Indoor National Meet.

There were three new records established in the meet--Robert Bryant of Delaware State in the 600 yard run; Richard Newman of Texas Southern in the 1000 yard run; and Jim Heiring of Wisconsin-Parkside in the two mile walk.

OUTDOOR TRACK AND FIELD

BOIT PACES GREYHOUNDS...With Mike Boit leading the way, Eastern New Mexico University won its second NAIA National Outdoor Track and Field Championship in the past three years. Boit, the Outstanding Performer, established two meet records as seven new standards were established.

OUTDOOR TRACK AND FIELD

Eastern New Mexico University captured its second NAIA National Track and Field Championship title in the past three years by finishing with 56 points at the 25th Annual NAIA Classic held at Haygood Stadium on the Henderson State University campus, in Arkadelphia, Arkansas.

Led by Mike Boit, the Greyhounds finished four points in front of runner-up Northwestern Louisiana State. Boit established two new meet records and was named the Outstanding Performer in the meet for the second year in a row.

In all there were seven meet records shattered at the Silver Anniversary of the NAIA National Outdoor Track and Field Championships. For the second year in a row, electronic timing was used as the official time in the running events and all events were metric events.

There was a record 135 institutions that participated in the meet, topping the old mark of 134 that participated in the 1975 Classic.

Track and Field was one of the first sports added to the NAIA program in 1952 and has produced some of the finest athletes in the World. The initial meet was staged in Abilene, Texas, with Abilene Christian winning the first three titles in four years.

A. O. DUER SCHOLARSHIP AWARD

Mike Leffel, a student at Point Loma College CALIF was selected as the recipient of the Tenth Annual A. O. Duer Award presented by the National Association of Intercollegiate Athletics (NAIA).

The award is presented annually to a varsity junior athlete who has excelled in scholarship. All athletes from NAIA member institutions who compete in any of the NAIA sponsored National events and maintain a 3.5 grade point average are eligible for consideration.

Named in honor of A. O. Duer, Executive Secretary of the NAIA from 1949 to 1975, the award was presented to Leffel at the NAIA-Hillyard Hall of Fame Luncheon in March in Kansas City, Missouri.

A native of Salina, Kansas, Leffel has been a letterman in baseball for three seasons and last year led the team in runs, hits and stolen bases.

Leffel has received the President's Scholarship (awarded to the top 10 per cent of the student body), has maintained a 3.9 grade point average, and has been named to the Scholastic Honor Roll each semester in college. He plans to pursue a doctoral degree in clinical psychology and has been active in student government and community service. Leffel has served as a youth minister to two local church congregations, and was a member of a baseball team representing Sports Ambassadors who traveled to Central America on a good will tour in 1974.

The award consists of a $300.00 scholarship to be used by the recipient during his senior year, and a specially designed cup.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

(NAIA)

GENERAL INFORMATION

The National Association of Intercollegiate Athletics is a completely autonomous Association, currently administering programs of intercollegiate athletics in 525 fully accredited four-year colleges and universities. The fundamental tenet of the NAIA is that intercollegiate athletics are an integral aspect of the total educational program of the institution. This belief is strongly reflected in the governance documents, activities, and organizational structure of the Association.

PURPOSE AND HISTORY

Established in 1940 as the National Association of Intercollegiate Basketball, the NAIA emanated from a "National Small College Basketball Tournament" inaugurated in 1937. Now in its 39th year in its original 32 team format and still played in Kansas City, the NAIA Basketball Championship Tournament is the world's oldest and largest collegiate basketball championship. The NAIB became the NAIA in 1952 as the competitive program was expanded to include tennis, outdoor track and field, and golf. Football (two divisions), cross country, baseball and swimming were added to the national championship agenda in 1956 and wrestling (1958), soccer (1959), bowling (1962), gymnastics (1964), indoor track and field (1966), ice hockey (1968), and volleyball (1969) championships are more recent additions. The initial purpose of the NAIA--to provide national championship opportunities to colleges and universities, competing below the major level--has been well served.

NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, and district and national sports competition. Solutions to vital problems affecting member colleges and other institutions of moderate enrollment are also of concern to the Association.

The NAIA clearly outlines its own responsibilities and those of its members: a sound athletic program, administered and controlled by those responsible for the administration of the college. This means direct supervision in the matter of caliber of competition, financing the athletic program, and taking steps to assure that financial assistance is made available only through the institution and under the same general policies as aid to all students. In short, the basic premise is that the athletic program must be a basic component of the general education process in the institution, and not an enterprise apart.

District competition and meetings are emphasized and encouraged, and throughout its span of activities, the NAIA receives direction from the membership in a democratic fashion.

The NAIA encourages a broad program of athletic pursuits in its member schools, and making the program available to the greatest possible number of students. The national organization aims at uniformity and equity in policies and practices through its district and national tournament meets.

Eligibility rules in the NAIA govern all play in all sports recognized by the Association, not just post season tournaments, and must be adhered to by all members, including members holding dual affiliations with other Associations. The NAIA's rules reflect a conscious effort to assist rather than impede competitive opportunities both in the United States and internationally.

HOW ADMINISTERED:

The governing body of the NAIA is the Executive Committee, including eleven representatives elected by the membership and the Executive Secretary. This Committee is responsible for establishing policies to determine the overall direction of the Association.

The NAIA is organized into 32 geographic districts distributed over the 50 states and including two Canadian members. Each district is governed by a District Executive Committee, and the chief officer is the District Chairman. Representation on the District Executive Committee includes one committeeman for each three active member institutions, or major fraction thereof, in the district. The District Chairman is elected for a term of three years by a vote of the active membership in the District.

The District is the basic unit of NAIA organization. The District Executive Committee establishes a program of District championship events in the various sports. Individual and team District champions are certified to compete in Area and/or National championship competitions by virtue of winning the District event or by meeting qualifying standards.

MEMBERSHIP ELIGIBILITY:

Any four year, degree granting college or university in the United States and Canada, which is fully accredited by its regional accrediting association, or the Council on Post Secondary Accreditation, may become an active member. Institutional dues are graduated on the basis of enrollment, are payable by August 1, and become delinquent on October 15. Institutions admitted to membership after October 15 are not eligible during that year for particiaption in District, Area or National championship events.

OBLIGATION OF MEMBERSHIP:

Member institutions must conduct their intercollegiate athletic program according to the standards of the regulatory Associations in which they hold membership, and the NAIA. They must pay the annual membership dues, and be in support of the policies of the Association. Where institutional rules and standards are more stringent than those of the regulatory Association of the NAIA, those rules and standards are recognized and supported by the NAIA.

NAIA MEMBERSHIP IN OTHER ORGANIZATIONS:

NAIA is a Group "B" member of the U.S. Olympic Committee. There are three representatives of the NAIA on the Olympic Board of Directors. In addition, the NAIA has a fourth representative on the U.S.O.C. for all biennial and quadrennial meetings. There are 41 representatives of NAIA Coaches' Associations on Olympic Games (sports) Committees.

The NAIA--along with the NCAA, AAHPER, NACDA and the NJCAA-- is a member of the United States Collegiate Sports Council (USCSC), which is the United States representative in FISU--the governing body for the World Student Games and other programs for college and university students throughout the world.

Other organizations in which the NAIA is active include the Amateur Basketball Association of the U.S.A., the Council for National Cooperation in Aquatics, U.S. Baseball Federation, U.S. Gymnastics Federation, the Joint Committee on Physical Education and Athletics, the Naismith Memorial Basketball Hall of Fame, and the National Track and Field Hall of Fame. The NAIA is an active affiliate of the Amateur Athletic Union with representation on the AAU Executive Committee and AAU Sports Committees.

NAIA has a membership of 525 colleges and universities and 43 affiliated conferences.

NAIA ALL-SPORTS CHAMPIONSHIP

For the third consecutive year Eastern New Mexico University has won the NAIA All-Sports Trophy race. The Greyhounds finished the 1975-76 season with 159 points in the 16 National Events.

This is the seventh year of competition in the NAIA All-Sports Championship race. Points are awarded on the finish in each of the NAIA Championship Events with the top four teams awarded trophies by the NAIA. During the 1975-76 athletic season, 218 different institutions scored points in the All-Sports race.

Wisconsin-La Crosse was second in the All-Sports race, Texas Southern University finished third and Edinboro State College PA was fourth. For the second straight year, the Wisconsin State University Conference, composed of nine institutions, all scored points in the competition, marking the second consecutive time that a conference has had 100 percent participation in the National race.

The All-Sports award competition began in 1969-70 with 82 schools scoring points as Eastern Michigan University was the winner. In 1970-71, Eastern Michigan again won the All-Sports competition as 207 schools figured in the scoring.

Eastern Illinois University was the winner of the 1971-72 All-Sports title with 216 schools scoring points in the team race. U. S. International University CALIF was the winner in 1972-73 by scoring 157 1/2 points as 237 institutions scored in the National competition.
