## NAIA EXECUTIVE DIRECTOR HARRY FRITZ

On April 12, 1976 Harry G. Fritz, a native of Wheelersburg, Ohio, became the third NAIA Executive Director since the organization's founding. Emil S. Liston was the founder of the NAIA and served as Executive Secretary until 1949 when A. O. Duer took over the post for a period of 26 years.

The current NAIA Executive Director received his B.A. degree from Transylvania College KY in 1946 and was Dean of Men and instructor in Physical Education along with being head baseball coach at his alma matter from 1946-48.

He was at Central Missouri State from 1948-53 where he served as a professor of Physical Education and was an assistant football coach for four years and head coach one season.

Dr. Fritz earned his Master's degree from the University of Kentucky in 1947 and served as a graduate assistant at Indiana University from 1953-54 where he obtained his Doctorate in 1954.

Moving to Bemidji State University MN in 1954 for a 10-year stint, Fritz was Chairman of the Division of Health, Physical Education and Recreation while serving as Bemidji's Director of Athletics. He also served as the head basketball coach for four years and spent nine seasons as the Beavers' assistant football coach.

At Western Illinois University from 1964-70, Dr. Fritz was Director of Physical Education and Athletics for three years, becoming Dean of the newly established College of Health, Physical Education and Recreation in 1967. In 1970 he was named Dean of the School of Health Education and Director of Athletics at the State University of New York at Buffalo, a post he held until joining the NAIA in April, 1976.

In the academic field Dr. Fritz's background includes wide experiences both as a consultant and an author. He was a contributing editor for "Administration of Athletics in Colleges and Universities", published in 1971 by the AAHPER in cooperation with the National Association of Collegiate Directors of Athletics.

He was also a contributing author and editorial committee advisor for the publication of "Drugs and the Coach" and in 1974 he served in the same capacity for the manual "The Winning Edge", an account of the proceedings of the National Conference on Sports Psychology. He has written numerous articles for athletic, educational and administrative journals and is listed in "Who's Who in Education", "Who's Who in Educational Administration", "Community Leaders and Noteworthy Americans", and "Who's Who in Colleges and Universities."

Fritz has a long list of professional activities that includes being Chairman of the Joint Committee on Physical Education and Athletics (of AAHPER-NCAA-NCPEAM), 1968-72; Chairman of the Research Committee of the NAIA, 1964-70; member of NACDA since 1965 and a member of the NACDA Executive Committee, 1968-72; member of the Board of Governors in 1970-71 and again in 1975-76 for the American Alliance for Health, Physical Education and Recreation; and serving as the first President of the National Association for Sport and Physical Education in 1975-76. He is currently a member of the Education Council and the Administrative Committee of the U.S. Olympic Committee.

In 1979 he received the W.W. Patty Alumni Achievement Award from Indiana University and was elected to the Hall of Fame of the National Association of Collegiate Directors of Athletics. In May, 1980 he received the Alumni Achievement award from Transylvania College. He is a member of the Greater Kansas City Chamber of Commerce and the Kansas City Sports Commission.

## 1979-80 NAIA ALL-SPORTS CHAMPIONSHIP

Capturing national championships in two events and picking up additional points in two others, Adams State College CO easily outdistanced Simon Fraser University CAN, 141-113 for the 1979-80 NAIA All-Sports Championship.

The Indians notched 50 points twice with national titles in cross country and wrestling, picked up 25 more for a fourth place finish in indoor track and added 16 more with a ninth place finish at outdoor track. Simon Fraser used a national championship in swimming and strong showings in soccer, wrestling and outdoor track to grasp the second place award.

In third place was Saginaw Valley State University MI with 103 points accumulated in five different events, just ahead of defending champion Wisconsin-LaCrosse, which took home the fourth place trophy with 101 points.

A total of 186 institutions earned points in the All-Sports competition during the 79-80 school year. The award program began during the 1969-70 sports seasons.

## NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS (NAIA)

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association, currently administering programs of intercollegiate athletics in 515 fully accredited four-year colleges and universities. The fundamental tenet of the NAIA is that intercollegiate athletics is an integral part of the total educational program of the institution. This belief is strongly reflected in the governing documents, activities and organizational structure of the Association.

### PURPOSE AND HISTORY

Established in 1940 as the National Association of Intercollegiate Basketball the NAIA (the name change coming in 1952) emanated from a "National Small College Basketball Tournament" inaugurated in 1937 in Kansas City, Missouri. Now in its 44th year in its 32-team, 32-game format and still played in Kansas City, the NAIA Basketball Tournament is the world's oldest and largest collegiate basketball championship. The conversion of the NAIB to the NAIA in 1952 included the expansion of the program to include national championships in golf, outdoor track and field and tennis. Football (two divisions), cross country, baseball and swimming were added to the ledger in 1956 and wrestling (1958), soccer (1959), bowling (1962-1978), gymnastics (1964), indoor track and field (1966), ice hockey (1968) and volleyball (1969) are most recent additions. The initial purpose of the NAIA--to provide national championship opportunities to colleges and universities competing below the so-called "major" level--has indeed been well served.

NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, and district and national sports competition. Solutions to various problems affecting member colleges and other institutions of moderate enrollment are also of concern to the Association.

The NAIA clearly outlines its own responsibilities and those of its members: a sound athletics program, administered and controlled by those responsible for the administration of the college. This means direct supervision in the matter of caliber of competition, financing of the athletics program, and taking steps to assure that financial assistance is made available only through the institution and under the same general policies as aid to all students. In short, the basic premise is that the athletics program must be a basic component of the overall general educational process within the institution, and not an entity apart.

District competition and meetings are emphasized and encouraged and throughout its span of activities the NAIA receives direction from the membership in a thoroughly democratic fashion.

The NAIA encourages a broad program of athletic pursuits in its member institutions, and making the program available to the greatest possible number of students. The national organization aims at uniformity and equity in policies and practices through its district and national tournaments and meetings.

Eligibility rules in the NAIA govern all play in all sports recognized by the Association, not just post-season tournaments, and must be adhered to by all members, including members holding dual affiliation with other associations. The NAIA's rules reflect a conscious effort to assist rather than impede competitive opportunities both in the United States and internationally.

## HOW ADMINISTERED

The principal governance body of the NAIA is the Executive Committee, composed of 11 persons elected by the membership, and the Executive Director (ex-officio). This committee is responsible for establishing policies and determining the overall direction of the Association.

The NAIA is organized into 31 geographic districts spread over the 50 states and including one Canadian member. Each district is governed by a District Executive Committee, the chief officer of which is the District Chairman. Representation on the District Executive Committee includes one committeeman for each three active member schools, or major fraction thereof, in the district. The District Chairman is elected for a three-year term by a vote of the active membership within the District.

The District is the basic unit of the NAIA. The District Executive Committee establishes a program of District championship events in the various sports. Individual and team District champions are certified to compete in Area and/or National championship competitions by virtue of winning the District event or by meeting qualifying standards established within the particular sport.

Women's Division--Effective August, 1980, the NAIA will offer championships and programs for women through its newly-established Women's Division. Ten championships for women will be offered in the initial year with planning and administration under the aegis of the ad hoc Committee on the Implementation of Women's Programs in the NAIA, chaired by Dr. Joan Warrington of Pittsburg State University KS, a member of the NAIA Executive Committee. The NAIA decision to offer competitive opportunities and championships for women followed two years of consideration by the membership and proposals developed by a committee on women's athletics.

## MEMBERSHIP ELIGIBILITY

Any four-year, degree-granting college or university in the United States and Canada, fully-accredited by the member accrediting agencies or commissions of the Council on Postsecondary Accreditation, may become an active member. Institutions may become members of the NAIA at any time but schools sending in membership dues after the deadline of October 15 will not be considered as active members and will not be eligible to participate in District, Area and National events until the next eligibility reporting deadline following payment of dues. Those reporting deadlines are: October 15, February 1 and April 15.

## OBLIGATION OF MEMBERSHIP

Member institutions must conduct their intercollegiate athletic programs according to the standards of the regulatory Association in which they hold memberships, and the NAIA. They must pay the annual membership dues and be in support of the policies of the Association. Where institutional rules and standards are stricter than those of the regulatory group or the NAIA, those rules and standards of the institution are recognized and supported by the NAIA.

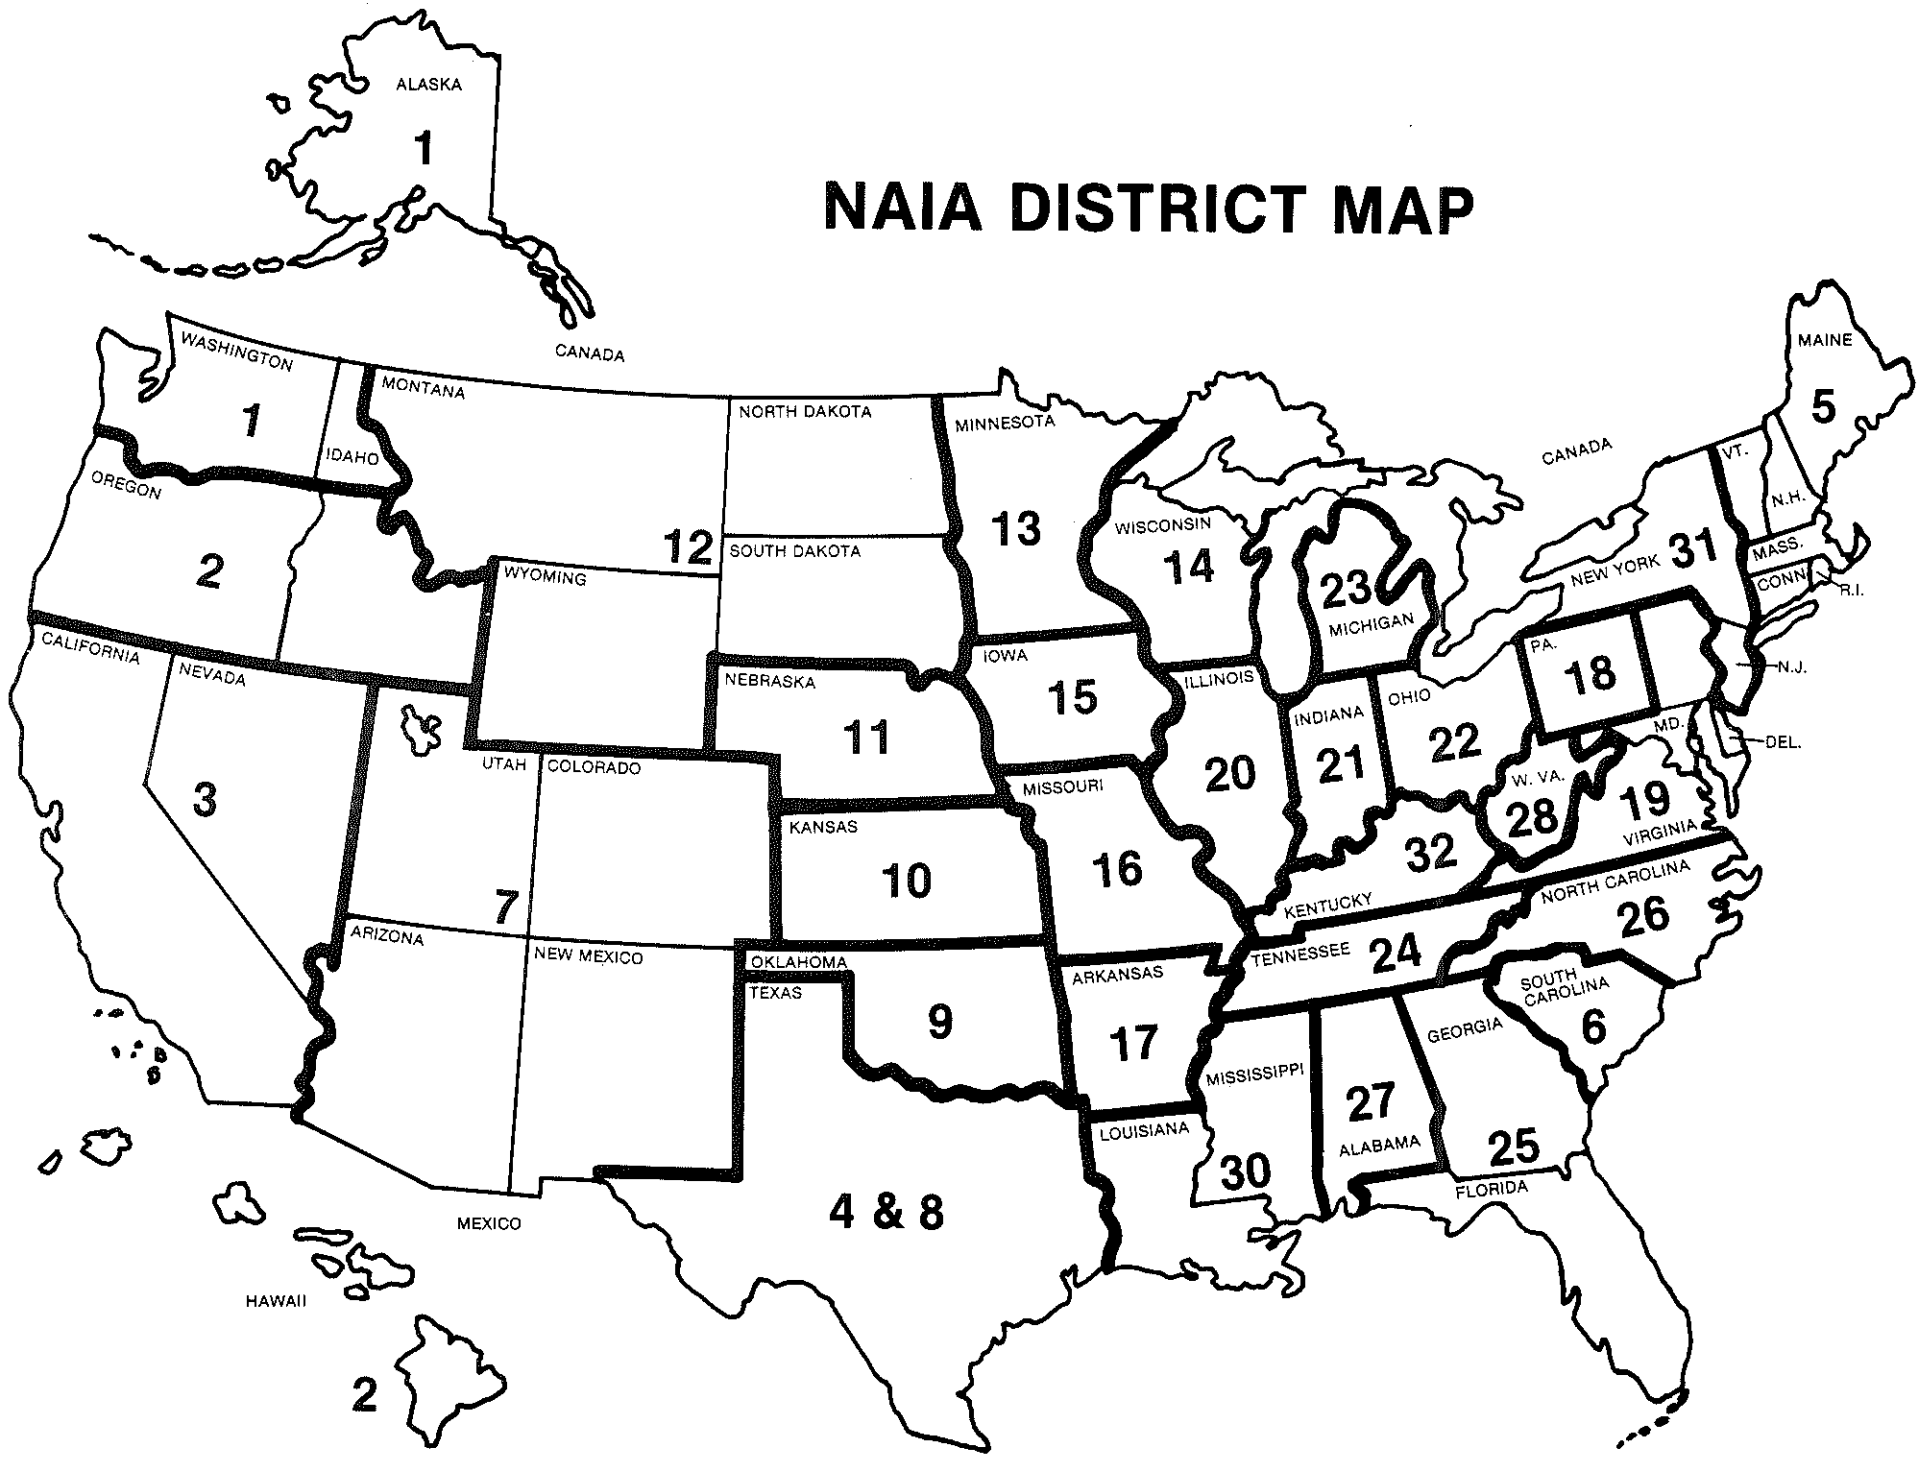

## NAIA MEMBERSHIP IN OTHER ORGANIZATIONS

The NAIA holds an active membership on the United States Olympic Committee as a Group B member. The Executive Director holds membership on the USOC Administrative Committee and Education Counsel. The NAIA holds a USOC Executive Board post, is represented on the Athletes' Advisory Council and the Legislation Committee.

The Association--along with the American Alliance for Health, Physical Education and Recreation (AAPHER); Association for Intercollegiate Athletics for Women (AIAW); National Association of Collegiate Directors of Athletics (NACDA) and the National Junior College Athletic Association (NJCAA) -- is a member of the U.S. Collegiate Sports Council (USCSC), which is the U.S. representative in FISU--the governing body for the World Student Games and other programs for college and university students throughout the world. During the 1979 World University Games in Mexico City 12 NAIA coaches and administrators and a number of NAIA athletes engaged in world competition.

Other organizations in which the NAIA is active include the Amateur Basketball Association of the USA (ABAUSA); the Council for National Cooperation in Aquatics; U.S. Baseball Federation; U.S. Gymnastics Federation; the Joint Committee on Physical Education and Athletics; the Naismith Memorial Basketball Hall of Fame and the National Track and Field Hall of Fame. The NAIA is affiliated with the Track Athletics Congress (TAC), the Track and Field Association of the United States of America (TFA/USA) and is a full active member of the Joint Commission on Competitive Safeguards and Medical Aspects of Sports and the National Operating Committee on Standards for Athletic Equipment (NOCSAE).

# BASEBALL

WITH A 10-INNING 5-4 VICTORY OVER LEWIS UNIVERSITY, GRAND CANYON COLLEGE WON THE 1980 NAIA WORLD SERIES HELD AT GREER STADIUM IN NASHVILLE, TENNESSEE. THE ANTELOPES QUALIFIED FOR THE 10-TEAM DOUBLE ELIMINATION TOURNAMENT AS AN AT-LARGE ENTRY AFTER LOSING ITS AREA FINAL.

## BASEBALL

Not being permitted to participate in the 1979 NAIA World Series was a bitter disappointment for the Grand Canyon baseball team but the Antelopes made up for their frustrations by capturing the 1980 NAIA World Series in Nashville, Tennessee.

Grand Canyon, which entered the tournament as an at-large entry in the expanded 10-team national tournament, downed Lewis University IL, 5-4, in 10 innings to win its first baseball crown.

The 1980 tournament featured the eight area champions, an at-large entry (taken from the coaches' weekly rating) and a host team. For the second year in a row the tournament was played in Nashville's Greer Stadium and underwritten by the Nashville Sounds Club.

## 1980 NAIA CHAMPIONSHIP BASKETBALL TOURNAMENT

Rolling out to a 40-25 halftime lead, Cameron University of Lawton, OK, proved too much for top-seeded Alabama State to overcome and the Aggies went on to win the 43rd Annual NAIA National Championship Basketball Tournament with an 84-77 victory March 15 in Kansas City's Kemper Arena.

Cameron, which had been the number one seeded team for the 1979 tournament, won the required five games in the six-day event as the number three seed this time around. The Aggies two-time All-America guard Leroy Jackson was named the most valuable player.

THE TITANS' CASEY EDWARDS WON AN UNPRECEDENTED THIRD ALL-AROUND TITLE. JAY SHAW OF EASTERN MONTANA AND KEN ALLEN OF OSHKOSH WERE NAMED CO-WINNERS OF THE NATIONAL COACH-OF-THE-YEAR AWARD.

## GYMNASTICS

The University of Wisconsin-Oshkosh captured all six individual event titles, in addition to the all-around competition, enroute to its third consecutive team title in the NAIA National Gymnastics Championships, March 7-8 at Eastern Montana College.

It marked the fifth championship for UW-Oshkosh in the 17-year history of the NAIA event. A total of 10 teams and over 100 athletes participated in the two-day event at the Billings, Montana institution.

Senior Casey Edwards of UW-Oshkosh closed out a brilliant career by becoming the first NAIA gymnast to win three all-around titles in a career. The Manitowoc, Wisconsin native also captured five-of-six individual event championships in this year's meet and was named the "Gymnast-of-the-Year." # INDOOR TRACK AND FIELD

THIS SCENE IS BECOMING A FAMILIAR ONE FOR JACKSON STATE UNIVERSITY, WINNERS OF THE 1980 NAIA INDOOR TRACK AND FIELD CHAMPIONSHIP. THE TIGERS HAVE EITHER WON OR TIED FOR THE TEAM TITLE THE LAST SIX YEARS. EVANS WHITE OF PRAIRIE VIEW A&M WAS NAMED THE MEET'S OUTSTANDING TRACK PERFORMER AND BILLY OLSON OF ABILENE CHRISTIAN UNIVERSITY WAS THE OUTSTANDING FIELD PERFORMER.

## 1980 NAIA INDOOR TRACK AND FIELD

Seven meet records were broken or tied as Jackson State University MS coasted to its sixth straight NAIA National Indoor Track & Field title, February 14-16 at Municipal Auditorium in Kansas City, Missouri.

Paced by Michael Watson, who won the 1,000-yard run and anchored a winning effort in the Distance Medley Relay, Jackson State outdistanced runner-up Prairie View A&M TX, 81-53½ and spoiled an outstanding performance from PV's Evans White. Earning the meet's outstanding track performer for the second year in a row, White captured the 880-yard run for the third consecutive year, anchored the Panthers' two-mile relay to a meet and auditorium record and ran the third leg on PV's record-setting mile relay foursome. Abilene Christian TX pole vaulter Billy Olson claimed the meet's Most Outstanding Field Performer with his record-tying 17-6½.

The 1980 championships attracted a record number of institutions--71 and nearly 600 athletes.

# OUTDOOR TRACK AND FIELD

A JUBILANT MISSISSIPPI VALLEY STATE UNIVERSITY TEAM CELEBRATES VICTORY IN THE 1980 NAIA NATIONAL CHAMPIONSHIP OUTDOOR TRACK AND FIELD MEET HELD IN ABILENE, TEXAS. IT WAS THE FIRST NAIA CHAMPIONSHIP FOR THE DELTA DEVILS. SPRINTER CHARLES PICKENS WAS NAMED THE MEET'S OUTSTANDING PERFORMER.

## 1980 OUTDOOR TRACK AND FIELD

Mississippi Valley State University accumulated 66 points in sprint and middle distance events with a contingent of only seven athletes and captured its first NAIA National Outdoor Track & Field Championship at Abilene Christian University TX.

Mississippi Valley claimed three individual event titles with victories in the 200 and 800 meters and the 440-yard relay. The Delta Devils earned a trio of second place finishes in the 100, 1500 and mile relay, were third in the 400, fourth in the 200 and fifth in the 100.

Two records were broken and another tied in the 29th annual meet, which featured a record 131 institutions and a field of 578 athletes. Abilene Christian TX pole vaulter leaped 18-2 for a record in that event. Wisconsin-River Falls' Bruce Beckel also high jumped 7-2 for a meet record and Kevin Jones of Northwood Institute MI tied the 400 meter record in winning the event in 45.74.

Mississippi Valley's Charles Pickens was named the winner of the Herbert B. Marett "Most Valuable Performer" award. Azusa Pacific CA's Marvin Mardock was selected National Coach-of-the-Year.

# SOCCER

A PENALTY KICK GOAL BY JOHN GALLO TURNED OUT TO BE THE ONLY SCORING IN THE 1979 NAIA NATIONAL CHAMPIONSHIP SOCCER TOURNAMENT AS QUINCY COLLEGE DEFEATED ROCKHURST 1-0 IN THE FINAL. IT WAS THE THIRD STRAIGHT NATIONAL TITLE FOR QUINCY AND THE HAWKS' NINTH CROWN IN THE LAST FOURTEEN SEASONS. THE TOURNAMENT WAS HELD ON THE CAMPUS OF SANGAMON STATE UNIVERSITY IN SPRINGFIELD, ILLINOIS.

## 1979 NAIA SOCCER

Quincy College made a first half penalty kick stand up with tough defense down the stretch and went on to win its third consecutive NAIA Soccer Championship with a 1-0 victory over Rockhurst College MO on November 24 at Sangamon State University in Springfield, Illinois. The lone goal of the championship match came at the 25:06 mark of the first half when Quincy's John Gallo converted on a penalty kick following a hand ball violation by a Rockhurst player in the penalty area.

The five-day tournament included ten teams for the first time in the 21-year history of the event. Simon Fraser University CAN took third place with a 5-0 win over Southern Maine in a consolation contest. Spring Arbor MI nipped Indiana PA 3-2 on a shootout goal to capture fifth place.

# SWIMMING

THE DOMINATION OF SIMON FRASER UNIVERSITY CONTINUED AT THE 1980 NAIA NATIONAL SWIMMING AND DIVING CHAMPIONSHIPS AS THE CLANSMEN CAPTURED THEIR NINTH STRAIGHT TITLE. THE NATIONAL MEET WAS HELD ON THE CAMPUS OF THE UNIVERSITY OF WISCONSIN AT WHITEWATER. DRURY COLLEGE WAS RUNNER-UP IN THE TEAM STANDINGS.

## 1980 SWIMMING AND DIVING

Simon Fraser University CAN continued its domination of the NAIA swimming and diving championships by winning its ninth consecutive national title March 6-8 at the University of Wisconsin-Whitewater.

The Clansmen trailed Drury College MO by 42 points after the first day of competition, but came back strong in the remaining 13 events to edge the Panthers, 422-382. That did, however, represent the smallest margin of victory since Eastern Michigan slipped by Claremont-Mudd CA, 339-316 in the 1970 championship meet.

Top individual performances went to Simon Fraser's Gary Davis, who copped the 500-yard freestyle, 200-yard freestyle and 1650-yard freestyle. Simon Fraser's Nick Borrelly, Drury's Mark Hartung and Hendrix AR's David each captured a pair of events.

Thirty-five schools and over 250 athletes were represented at the 1980 championship meet.

# TENNIS

WITH EVERY MEMBER OF ITS SQUAD OFFERING SCORING PUNCH, THE UNIVERSITY OF REDLANDS RAN AWAY WITH ITS 11TH TEAM TITLE AT THE 1980 NAIA NATIONAL CHAMPIONSHIP TENNIS TOURNAMENT IN KANSAS CITY, MISSOURI. REDLANDS' COACH JAMES VERDIECK WAS NAMED NATIONAL COACH-OF-THE-YEAR. JOHN MATTKE OF GUSTAVUS ADOLPHUS WON THE SINGLES CHAMPIONSHIP WHILE TONY MMOH AND BULLUS HUSSAINI OF ST. AUGUSTINE'S WERE THE WINNERS OF THE DOUBLES COMPETITION.

## 1980 NAIA TENNIS

The University of Redlands got some scoring punch from every member of its squad and went on to run away with the team championship in the 29th Annual NAIA National Championship Tennis Tournament, May 27-31 in Kansas City, Missouri. It was the 11th team title for Redlands. The Bulldogs clinched this year's first place trophy on the third day of competition in the five-day tournament.

For the first time in many years, the singles championship match was a battle of the top two seeded players in the field, and #2 seeded John Mattke of Gustavus Adolphus MN knocked of #1 Tony Mmoh of St. Augustine's NC in straight sets 6-3, 6-4. Mmoh turned around, however, and teamed with Bullus Hussaini to win the doubles championship over Mark Tappan and Ken Whitmer of Redlands 6-7 (5-3), 6-4, 6-4.

Mattke's victory in singles gave his Gustavus Adolphus team a share of second place with Southwest Texas State while St. Augustine's finished one point back. Mattke was named the tournament's outstanding player and Jim Verdieck of Redlands won national coach-of-the-year honors.

A total of 228 players (212 singles and 101 doubles) participated in the event representing a record-tying 50 institutions.

# WRESTLING

ADAMS STATE COLLEGE WON ITS SEVENTH NATIONAL TEAM CHAMPIONSHIP AT 23RD ANNUAL NAIA NATIONAL WRESTLING TOURNAMENT IN HAYS, KANSAS, OUT-DISTANCING HURON COLLEGE FOR THE TITLE. DAN MORRISON OF MESSIAH COLLEGE AND RON ESSINK OF GRAND VALLEY STATE WERE NAMED CO-WINNERS OF THE OUTSTANDING WRESTLER AWARD. DR. RICHARD ULRICH OF ADAMS STATE WAS NAMED THE NATIONAL COACH-OF-THE-YEAR.

## 1980 NAIA WRESTLING

Adams State COLO received strong All-America performances in three weight classes not considered its best areas and proceeded to capture the team title at the 1980 NAIA National Wrestling Championships, March 6-8 at Fort Hays State University KAN.

The Indians racked up a winning total of 86 points to outdistance runner-up Huron SD, which scored 76½ points. It was the seventh national mat title for Adams State, more than any other institution in the 23-year history of the NAIA event.

In three consecutive weight classes, Adams State received unexpected showings from Scott Ritzen (126 pounds), Lawrence MacErnie (134 pounds) and John Sheridan (142 pounds). Seeded seventh in their respective weights Ritzen and MacErnie finished first and second, while Sheridan wrestled all the way to the final match as an unseeded wrestler.

Richard Ulrich of Adams State was named NAIA Wrestling Coach-of-the-Year while Grand Valley State MICH's Ron Essink, who upset Adams State's Herb Stanley in the unlimited division, and Messiah PA's Dan Morrison shared Outstanding Wrestler of the Tournament awards.
