THE NAIA IN PERSPECTIVE

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association, currently administering programs of intercollegiate athletics in 515 fully-accredited four-year colleges and universities across United States and Canada. The fundamental tenet of the NAIA is that intercollegiate athletics is an integral part of the total educational program of the institution. This belief is strongly reflected in the governing documents, activities and organizational structure of the Association.

HISTORY AND PURPOSE

Established in 1940 as the National Association of Intercollegiate Basketball, the NAIA (name change occuring in 1952) emanated from a national small college basketball tournament inaugurated in Kansas City, Missouri, in 1937. The conversion of the NAIAB to the NAIA in 1952 included the expansion of the organization to include national championships in golf, tennis and outdoor track and field. Football, cross country, baseball and swimming were added in 1956 and wrestling (1958), soccer (1959), bowling (1962-78), gymnastics (1964), indoor track and field (1966), ice hockey (1978), volleyball (1969-79) and Division II football (1979) are most recent additions. The initial purpose of the NAIA--to provide national championship opportunities to colleges and universities of moderate enrollments--has indeed been well served.

The NAIA organizes and administers all areas of intercollegiate athletics at the national level, including rules and standards, as well as district and area championship competition. The responsibility of member institutions to maintain a sound athletic program, administered and controlled by those responsible for the administration of the college or university, is a fundamental obligation. This means direct supervision in the matter of caliber of competition, financing of the athletic program and making sure that financial assistance to athletes is made available only through the institution and under the same guidelines and policies as aid to all other students. In short, the athlete must be a basic component of the overall general educational process within the institution, and not an entity apart.

Eligibility rules within the NAIA govern all play in all sports recognized by the Association, not just post-season tournaments, and must be adhered to by all members, including members holding dual affiliation with other associations. The NAIA's rules reflect a conscious effort to assist rather than impede competitive opportunities both in the United States and internationally.

ADMINISTRATION

The principal governing body of the NAIA is the Executive Committee, composed of 11 persons from member institutions elected by the membership, and the Executive Director (ex-officio). The committee is responsible for establishing policies and determining the overall direction of the Association.

The District is the basic unit of the NAIA. The Association is organized into 31 geographic districts spread over 50 states and including one Canadian member. Each district is governed by a District Executive Committee, the chief officer of which is the District Chairman. Representation on the District Executive Committee includes one committeeman for each three active member schools, or major fraction thereof, in the District. The District Chairman is elected for a three-year term by a vote of the active membership within the District. The District Executive Committee establishes a program of District championship events in the various sports. Individual and team district champions are certified to compete in Area and/or National championships by virtue of winning the District event or by meeting the qualifying standards estbalished within the particular sport.

Women's Division--Effective August, 1980, the NAIA instituted a championship event program for women through its newly-established Women's Division. Nine championships for women were offered during the 1980-81 sports season. The NAIA decision to offer competitive opportunities and championship events for women followed two years of consideration by the membership and proposals developed by a committee on women's athletics. The general membership passed the proposal by mail vote in May, 1980.

MEMBERSHIP ELIGIBILITY AND OBLIGATION OF MEMBERSHIP

Any four-year, degree-granting college or university in the United States and Canada, fully-accredited by the member accrediting agencies or commissions of the Council on Postsecondary Accreditation, may become an active member. Institutions may become a member at any time, but schools submitting their membership dues after the deadline of October 15 will not be eligible to participate in District, Area or National events until the next eligibility reporting deadline following payment of dues. Those reporting deadlines are October 15, February 1 and April 15. It is the obligation of member institutions to conduct their intercollegiate athletic programs according to the standards of the regulatory Association in which they hold memberships, and the NAIA. They must pay their annual membership dues and be in support of the policies of the Association. Where institutional rules and standards are stricter than those of the regulatory group or the NAIA, those rules and standards of the institution are recognized and supported by the NAIA.

The current NAIA Executive Director received his B.A. degree from Transylvania College KY in 1946 and was Dean of Men and instructor in Physical Education along with being head baseball coach at his alma mater from 1946-48.

In 1970 he was named Dean of the School of Health Education and Director of Athletics at the State University of New York at Buffalo, a post he held until joining the NAIA in April, 1976.

In the academic field Fritz's background includes wide experiences both as a consultant and an author. He was a contributing editor for "Administration of Athletics in Colleges and Universities", published in 1971 by the AAHPER in cooperation with the National Association of Collegiate Directors of Athletics.

He was also a contributing author and editorial committee advisor for the publication of "Drugs and the Coach" and in 1974 he served in the same capacity for the manual "The Winning Edge", an account of the proceedings of the National Conference on Sports Psychology. 1980-81 NAIA ALL-SPORTS CHAMPIONSHIPS

Adams State College of Alamosa, Colorado earned points in five events including a national championship in cross country and Kearney State College of Kearney, Nebraska, scored in seven of nine events to capture the 1980-81 NAIA All-Sports Championships of the men's and women's divisions respectively.

It marked the second consecutive All-Sports title for Adams State's men's program and the third championship overall for the Indians. In addition to a first place finish in cross country, Adams State also picked up a second place finish in wrestling and accumulated points in football, indoor track and outdoor track.

Kearney State showed remarkable balance in capturing the first-ever women's division title, as the Antelopes score in seven of the nine events sponsored for women during the 1980-81 season. The Lopers had third place finishes in both volleyball and softball and also amassed points in cross country, indoor track, swimming and diving, outdoor track and tennis.

Adams State had a point total of 135 to easily out-distance Simon Fraser University of British Columbia, Canada, with a total of 100. It was the second year in a row that the Clansmen finished second to Adams State. In third place was Fort Hays State University of Hays, Kansas, with 99 points and there was a tie for fourth between Central State University of Edmond, Oklahoma, and Texas Southern University of Houston, both with 90 points.

Kearney State finished with a winning total of 137 points to outdistance the University of Wisconsin-Parkside of Kenosha, Which finished at 125. Emporia State University of Emporia, Kansas, was third with 118 points and Texas Southern rounded out the award winners in the women's division with 106 points.

The NAIA All-Sports program was initiated for the 1969-70 sports season to measure an institution's total athletic achievement by the accumulation of points on the district, area and national level. 1980-81 marked the first season of All-Sports Competition in the women's division. A total of 200 institutions earned points in the men's All-Sports competition during the 1980-81 season and 94 schools scored in the women's division.

BASKETBALL

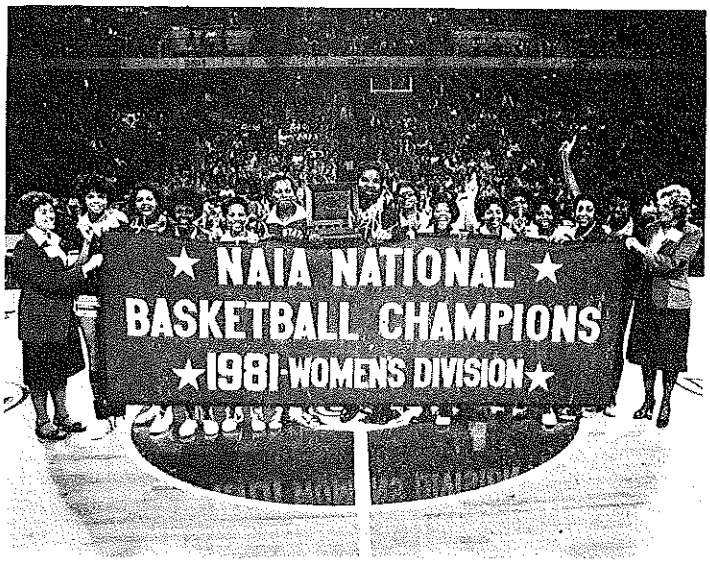

Bethany Nazarene College OK received a 39-point performance from sophomore forward Todd Thurman, and All-America guard George Torres added 21 to lift the Redskins to an 86-85 overtime triumph of the University of Alabama-Huntsville in the championship game of the NAIA National Men's Championship Basketball Tournament, March 14 at Kansas City's Kemper Arena. The game marked the first overtime contest in the 44-year history of the NAIA event.

It was the first-ever national sports title for Bethany Nazarene which finished the 1980-81 season with a 36-6 record. Alabama-Huntsville closed out the 80-81 campaign with a 30-7 overall record.

In the men's third place consolation game, the University of Wisconsin-Eau Claire used a 45-24 rebound margin and 25 points from junior guard Tony Carr in rolling to a 90-60 victory over Hillsdale College MI.

Bethany Nazarene's Torres was named the winner of the Chuck Taylor Award as the tournament's Most Valuable Player. Alabama-Huntsville guard James Mundie received the Charles Stevenson Hustle Award. For the second straight year, Wisconsin-Eau Claire mentor Ken Anderson was voted the NAIA National Men's Basketball Coach of the Year.

Combining an outstanding defensive effort with clutch-shooting down the stretch, Kentucky State University upset top-seeded Texas Southern University, 73-67, to capture the first NAIA National Women's National Championship Basketball Tournament, March 14 at Kansas City's Kemper Arena.

The Thorobreds, which entered the eight-team tournament as the number seven seeded school, got a 20 point performance from freshman forward Angelia Barnett and 19 points and 10 rebounds from sophomore center Pam King to dominate the inside game against a much-larger Texas Southern team.

In the third place consolation contest, Lori Burkhardt and Laura Hummel combined for 32 points to pace Northern State College SD to a 74-65 win over Azusa Pacific CA.

Kentucky State's Carolyn Walker received the Jaccard's Jewelry Outstanding Player Award and Thorobred Coach Ron Mitchell was named the NAIA National Women's Basketball Coach of the Year.

FOOTBALL - DIVISION I

Elon College NC held off a last minute drive by Northeastern OK in the closing seconds to capture the 25th annual NAIA National Division I Football Championship with a 17-10 victory, December 20 in Burlington, NC.

After converting a crucial 4th-and-21 situation at its own 35-yard line with 51 seconds to play in the game, Northeastern moved all the way to the Elon 22. But with 19 seconds remaining, Elon linebacker Stanley Tootoo, who was voted the game's outstanding defensive player, broke up a pass on a 4th-and-7 situation to end the Redmen hopes and give Elon its first grid title ever.

The Fighting Christians were led on offense in the game by All-America tailback Bobby Hedrick who rushed for 185 yards and was named the outstanding offensive player of the game. Elon closed out the 1980 season with an 11-2-0 overall mark. A crowd of 6,128 watched the silver anniversary contest.

FOOTBALL - DIVISION II

Pacific Lutheran University took early control, forcing Wilmington College OH out of its highly-tauted running game and the Lutes rolled to a 38-10 victory in the 11th annual NAIA Division II National Football Championship, December 13 in Tacoma, Washington.

Running back Chris Utt, a converted defensive back, set a new Division II title game record when he scampered for a touchdown on an 84-yard punt return just before the end of the first half to give Pacific Lutheran a comfortable 31-3 lead at intermission. Utt later added a 36-yard scoring run and was named the game's outstanding offensive player. The Lutes' All-America defensive back Scott Kessler had four interceptions and was named the game's top defensive player.

Pacific Lutheran finished the 1980 campaign with an 11-1-0 record and Wilmington completed a 9-2-0 campaign. A crowd of 3,534 witnessed the championship game at the Lincoln Bowl in Tacoma.

GOLF

Paced by three individuals finishing in the top ten, Sam Houston State TX captured an unprecedented fourth consecutive team championship in the 30th annual NAIA National Golf Tournament, June 2-5 in Huntsville, Texas.

The rain-shortened event was held at the Waterwood National Golf Course. The fourth round of play was canceled after heavy rainfall made the course unplayable. Sam Houston put together a three-round low score of 882 to finish ahead of Texas Wesleyan at 896.

Texas Wesleyan golfer Danny Mijovic was the individual medalist with a three round total of 216. Runner-up was Sam Houston's Kevin Kirk at 218, including a tournament low round of 66 on the third day of competition. Ronnie Choate of Sam Houston was the national coach of the year.

GYMNASTICS

Sparked by first place titles in three of the six events in addition to the all-around championship, the University of Wisconsin-Oshkosh captured its fourth consecutive NAIA National Men's Gymnastics Championship, March 5-6 at Fort Hays State University, Hays, Kansas.

The Titans accumulated a point total of 206.90 to outdistance runner-up Eastern Montana, which finished with 197.90. Oshkosh junior gymnast Dan Nekich won the individual all-around title. Titan Coach Ken Allen was named the national coach of the year for the fourth time.

Despite not having any individual event champions, host institution Georgia College used a balanced team performance throughout competition to capture the first NAIA National Women's Gymnastics Championships, March 5-6 in Milledgeville, Georgia.

Georgia College's winning point total of 130.20 was just enough to squeak past Gustavus Adolphus MN, which finished second at 128.30. Kim Buron of Adams State CO was selected as the meet's outstanding gymnast with winning performances in the vaulting and uneven bars as well as the all-around title. Georgia College Coach Geza Martiny was named the national coach of the year.

ICE HOCKEY

Sophomore winger Jeff Horman scored three goals and senior goaltender Mike Burkhardt turned away 28 shots to lead Augsburg MN to an 8-3 victory over Wisconsin-Superior and the 1981 NAIA National Ice Hockey Championship, March 7 in River Falls, Wisconsin.

A tournament record for most goals by all teams in a tournament was set as the eight schools totaled 120 eclipsing the previous mark of 90. That record was aided by a consolation round installed this year for the first time, which added three extra games.

Top-seeded Bemidji State MN, denied a third consecutive ice title, captured the third place game with a 11-2 win over Michigan-Dearborn. St. Thomas MN was a 12-3 winner over St. Olaf MN in the fifth place consolation contest.

Junior center Terry Brown of Augsburg was named the tournament's most valuable player and St. Mary's MN Coach Don Olson was voted national coach of the year.

SOFTBALL

Designated hitter Renee Southers doubled in the winning run in the bottom of the seventh inning to lift Sam Houston State TX to a 1-0 victory over Emporia State KS and the championship of the first NAIA National Women's Fast-Pitch Softball Tournament, May 21-23 in Conroe, Texas.

The Lady Bearkats had to come back from a 1-0 defeat to Emporia in the first championship bracket game of the double elimination tournament. The Hornets of Emporia had reached the championship showdown by battling through the losers' bracket.

The 14-team tournament was staged at the Montgomery County Sports Complex, just outside of Huntsville, Texas and hosted by Sam Houston. Emporia State pitcher Brenda Stolle, who pitched a no-hitter on the first day of competition and recorded four shutouts in the tournament, was named the most valuable player. Sam Houston's Wayne Daigle was named national coach of the year.

TENNIS

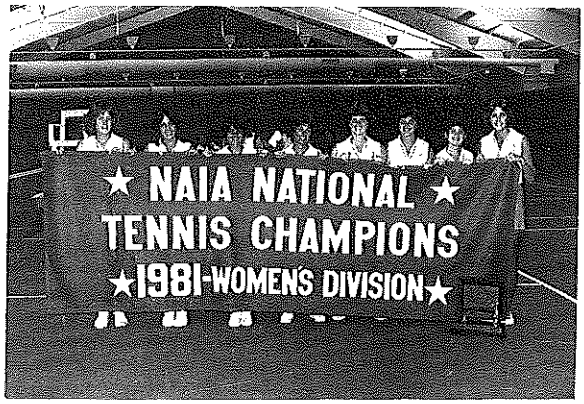

Led by the performances of seniors Brian Lusson and Bart Bernstein, Southwest Texas State University captured its first team title in the 30th annual NAIA National Men's Tennis Tournament, May 26-30 at the Rockhill Tennis Club in Kansas City, Missouri.

For the first time in ten years, the men's singles final matched members of the same team as the second-seeded Lusson knocked off Bernstein in straight sets 6-1, 6-1. Then the two teammates hooked up to capture the doubles title,defeating John Moneypenny and Martin Guntrip of Flagler FL 6-4, 7-6 (7-5) to complete the Southwest Texas sweep.

The Bobcats finished with a team total of 36 points to outdistance defending champion Redlands CA, which was second with 31. Bernstein was named the outstanding performer of the tournament and Southwest Texas Coach Neal Kinlund was voted national coach of the year.

Needing victories in both the singles and doubles championship matches, Grand Canyon AZ came through with both and claimed a tie with Guilford College NC for the team title in the first NAIA National Women's Tennis Tournament, May 26-29 at the Overland Park Raquet Club, Overland Park, Kansas.

Pat Smith claimed the singles title first for Grand Canyon with a 6-4, 6-2 straight set win over Kathy Taylor of Birmingham-Southern AL. Then Smith teamed with Karen Regman to capture the doubles championship with a 6-0, 4-6, 6-3 victory over Diana Watkins and Leah Massey of Cameron OK.

Marlene Bjornsrud of Grand Canyon and Gayle Currie of Guilford were named co-winners of the national coach of the year award.

VOLLEYBALL

Second-seeded Azusa Pacific CA held off the challenge of a pesky East Texas State University squad to capture the championship match of the first NAIA National Women's Volleyball Tournament, November 22 at Pittsburg State University, Pittsburg, Kansas. Azusa's win in the title match was in four games --15-3, 10-15, 15-2, 15-10.

The loss by Azusa's Lady Cougars in the second game of the championship final was their only setback in the entire tournament which featured 16 teams for the three-day event. Azusa finished the 1980 season with a 29-4 match record.

Kearney State NE won the third place match with a 15-5, 14-16, 10-15, 15-11, 15-10 victory over top-seeded St. John Fisher NY. In the fifth place consolation, Franklin IN defeated Hillsdale MI 15-3, 10-15, 15-2, 15-10.

Azusa Pacific's Stephanie Alphenia was named the tournament's most valuable player.
