Most Memorable Game/Competition (You've been a part of) and Why? I think the most memorable competition that I have been a part of is when I got to be an alternate for when our girls A relay went to districts last year. I got to go to Miami University and be on the deck when my team was swimming and experience the atmosphere of a large-scale competition.

Most Influential Person in Your Life: I don't think that I can pick one specific person, but one person that has heavily influenced me recently is my friend Andrew Leonard. From late night texts helping me figure myself out to dumb conversations about video games and movies, Andrew has been someone I can go to with anything and receive sound and solid advice in return.

Favorite School Subject: English

Favorite Sports Team (college or pro): I don't really watch sports, so I don't have one.

Athlete you most look up to: I think most athletes are worthy role-models, but I don't know any in particular that I look up to.

What one talent/skill would you most like to have: I want to be able to dance really well.

What is something about you that no one else knows? Many people don't know that I am a sucker for cheesy Christmas movies.

Future Plans (college/career/athletics): I plan on going to college to major in English with the intent of working for a publishing company as an editor. I do not plan to swim competitively in college but I do want to be on a club team or something like that so I don't have to give up swimming completely.
