

Tom's Marathon!!

I am running the London Marathon next year in memory of my Nanny Pam

I'm raising money for The Stroke Association through the SJP Charitable Foundation

The money I raise will be matched by the Foundation and given to the Stroke Association so the more money I can raise the better

Please visit my JustGiving page to donate:

Or drop any spare change into the bucket provided!

Anything you can give will be very much appreciated

Many thanks
Tom
