CLASS FILLS!

Lifeguard classes are designed to give participants the skills and knowledge needed to be lifeguards in pools and aquatic environments. This comprehensive course offers up-to-date information on how to guard, anticipate, and prevent problems, as well as how to take action to help those in need. Class costs cover for Lifeguard, First Aid, CPR, and AED certifications. Participants must pass the swim test on the first day of class to remain enrolled.

Participant Waiver: Please read before signing!

In consideration of your accepting my participation in the Lifeguard Certification Course program, I hereby, do waive and release any and all rights and claims for damages I may have against the Y or its representatives and officials, for any and all injury, disability, death, or loss or damage to personal property, suffered by myself or any member of my family, going to, coming from, or while at any Y sponsored Lifeguarding Course for ordinary negligence. I recognize that Lifeguarding is a physical activity that has some very significant inherent risks to the participants. Lifeguarding is performed in open water and on hard and sometimes slippery surfaces with equipment that can cause injury whether used properly or improperly, and against other individuals whose actions cannot always be controlled or predicted. I recognize that possible injuries associated with Lifeguarding include, but are not limited to: drowning, strained muscles, concussions, bloody noses, etc. Even though I, as a participant, and at my own discretion and prerogative, may be wearing protective equipment. I hereby certify with my signature below that I have read this waiver and acknowledge that there are significant risks involved in the Lifeguard Class. I hereby assume all such risks, both known and unknown.
