We are continuing our tradition this year to help raise money through our "Party with a Purpose." We ask that each participant bring his or her favorite bottle of wine or liquor or a favorite cigar. We will collect these treasures and use them as auction items Monday night.

We have just two simple rules:

Rule #1 – HAVE FUN

Rule #2 – Don't ever break rule #1

Complimentary food and beverages are provided throughout the day in the clubhouse and on the course.

FORMAT

The tournament features our signature "Shamble" format. The team picks the best drive from the group. Each player then plays out his/her own ball from the point of the selected drive. Each team will record their gross scores on each hole. We limit the maximum score per hole to a double bogey.

POST GOLF ACTIVITIES

We encourage players to bring a change of clothes so they can shower after golf and join your invited guest to the cocktail party. We limit our golfing fun to just five hours so we can join our guests at the post-golf activities.

Multiple "Cash Opportunities" will be presented throughout the day
