I would like to express my gratitude for giving me the opportunity to re-apply and for taking your time to revise my application for the 2021 East Coast Chapter Tuskegee Airmen scholarship. This scholarship represents the value of my educational pursues and the potential to positively influence our community. I am very grateful, honored and privileged for this financial assistance because it implies that the scholarship committee believes in the power I possess as an individual and as an agent of change. Thank you for giving the students the opportunity to pursue their degree with confidence and support! This scholarship is a blessing for numerous students!
