

Plan G - Medicare Supplement

Medicare helps with health care costs, but Medicare alone may not be enough.

Here's how Medicare Supplement - Plan G works with Medicare to help pay hospital and medical expenses Medicare approves but does not pay:

Medicare Part A - Hospital Expenses (per benefit period)

Benefits	Medicare Pays	Plan G Pays	You Pay ³
Hospital Confinement			
First 60 Days	All but \$1,340	\$1,340 Part A deductible	Nothing
Days 61-90	All but \$335 per day	\$335 per day	Nothing
Days 91-150 (lifetime reserve days)	All but \$670 per day	\$670 per day	Nothing
After Lifetime reserve days are used:			
Additional 365 days lifetime	Nothing	All Costs	Nothing ⁴
Beyond the additional 365 days	Nothing	Nothing	All Costs
Blood			
First three pints (blood deductible)	Nothing	First 3 pints	Nothing
Skilled Nursing Facility			
First 20 days	100% of costs	Nothing	Nothing
Days 21-100	All but \$167.50 per day	\$167.50 per day ¹	Nothing
Beyond 100 days	Nothing	Nothing	All Costs

¹ Medicare only covers approved skilled nursing care in a Medicare approved facility. Facility licensing terminology may vary by state and may not use "skilled nursing facility" terminology (i.e. nursing facility in IA). Plan F Supplement pays the skilled nursing coinsurance for Medicare-approved stays in facilities that are certified to provide Medical skilled care.

² Under federal law, doctors who do not accept assignment can charge up to 115% of the fee schedule amount for nonparticipating physicians. The patient does not have to pay charges that exceed that amount.

³ This is your liability for covered charges. You are responsible for all other noncovered charges.

⁴ When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you the balance based on any difference between its billed charges and the amount Medicare would have paid for Medicare-covered items or services.
