Summarized Core Services

SUMMARIZED SERVICES

Great Golf Events' core services provide a single-vendor solution to facilitate and manage all the marketing, administration and logistical tasks that are traditionally managed by our clients. Whether your interest is in a component of our services or our full-tournament services, we welcome the opportunity to discuss your unique event with you.

Over the past 19 years, we've also assisted our charity related clients in achieving their financial goals. Consulting with the foundation and respective golf committee, we collaborate to leverage the latest technologies, entertainment and protocols that best fit your event - the ultimate goal being to maximize profits and enhance the player experience. Since 1998, we have generated in excess of 5 million dollars of additional profits for our clients.
