ALWAYS HERE FOR OUR COMMUNITY

The Texas County Family YMCA is committed to serving families at all times. Along with our regular child care programming, we can also offer child care for special events in the community. Kids can enjoy organized activities that will give them a place to shine and have fun. For more information about how the YMCA can be part of your community event, please contact Audrey Marshall.

Get Involved

As the leading nonprofit for youth development, healthy living and social responsibility, the Y works side-by-side with our neighbors every day to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. To do our important work, the Y relies on support from members, donors, volunteers and community leaders.

When you are involved with the Y, you help bring about lasting personal and social change. Whether you want to nurture the potential of children and teens, improve your or your family's health and well-being, or give back and support your neighbors, your involvement with the Y will positively impact those in your community.
