

Apr 27, 8:30 PM

JanBailey: Good Evening.

Apr 27, 9:24 PM

ShannonMinner: Hi Jan. Looks like we're early.

Apr 27, 9:27 PM

Carol AnneWall: Hello, I'm an early bird, too. Going to grab something warm to drink during our chat.

Apr 27, 9:29 PM

JudiPartlo: Hi Girls! I'm peeking in early - will be doing this while I pack for my first ever weekend crop - so excited!!!

Apr 27, 9:29 PM

DionneJack: Good evening ladies.

Apr 27, 9:29 PM

JudiPartlo: Did you like the book?

Apr 27, 9:29 PM

Jennifer Wilson: HELLO FRIENDS! HOW ARE YOU DOING TONIGHT? I NEED TO GO GRAB A DRINK MYSELF.

Apr 27, 9:30 PM

Jennifer Wilson: JUST FOR REFERENCE.. ALL MY QUOTES AND DISCUSSION QUESTIONS TONIGHT ARE COMING FROM THE CHAPTER CALLED "SAVOR SPACE".

Apr 27, 9:30 PM

JudiPartlo: Hi Jennifer!

Apr 27, 9:32 PM

Jennifer Wilson: I'M EXCITED TO DISCUSS "I KNOW HOW SHE DOES IT TONIGHT". I LOVE SEEING HOW OTHERS SPEND THEIR TIME.

Apr 27, 9:32 PM

Jennifer Wilson: IS THERE ANYONE JOINING US FOR THE FIRST TIME TONIGHT?

Apr 27, 9:33 PM

Teaching Assistant - Kim Edsen: Judi - have fun! I'm heading out on a weekend crop myself tomorrow morning - my mess got worse before it got better, but I'm all packed now, which is better than usual...I tend to procrastinate packing....

Apr 27, 9:33 PM

[Tysha King Shay](#): My first time, excited to be here!

Apr 27, 9:33 PM

JudiPartlo: That's awesome, Kim! Can't wait to hear how it goes for you!

Apr 27, 9:33 PM

ShannonMinner: Welcome Tysha!

Apr 27, 9:33 PM

CarrieAnderson: me too...kim ...i always pack the night before which means i always bring too much

Apr 27, 9:33 PM

Cindy March: Hello Everyone 🙋

Apr 27, 9:34 PM

JudiPartlo: You're going to one, Carrie?! How cool that we all are!!

Apr 27, 9:34 PM

ShannonMinner: Preparing for a crop is over rated Ha, ha, ha,

Apr 27, 9:34 PM

CarrieAnderson: im looking out my balcony doors at the oceanin nuevo vallarta!!!

Apr 27, 9:34 PM

Tysha King Shay: Thanks Shannon!

Apr 27, 9:34 PM

Teaching Assistant - Kim Edsen: Carrie...I usually pack the MORNING of...yikes!!! Today I worked on keeping focus....it feels so much better

Apr 27, 9:34 PM

Teaching Assistant - Kim Edsen: Welcome Tysha!

Apr 27, 9:34 PM

Jennifer Wilson: I WANT TO GO TO A CROP!

Apr 27, 9:34 PM

Carol AnneWall: So do !!

Apr 27, 9:34 PM

CarrieAnderson: judi..no...i just meant thats how i pack...hahahaa...im in mexico on the beach

Apr 27, 9:35 PM

Tysha King Shay: Thanks Kim!

Apr 27, 9:35 PM

JudiPartlo: I feel like a kid going to summer camp!!

Apr 27, 9:35 PM

CarrieAnderson: judi....i love that feeling....where youre too excited to sleep...hahaaaa

Apr 27, 9:35 PM

JudiPartlo: Yes!!!

Apr 27, 9:35 PM

Teaching Assistant - Kim Edsen: Jennifer we have room this weekend! You could join us! Though I think it's a bit of a drive....

Apr 27, 9:35 PM

Jennifer Wilson: WELCOME TYSHA AND ANY OTHER NEWCOMERS!

Apr 27, 9:35 PM

Jennifer Wilson: WHAT I'LL BE DOING IS SHARING QUOTES FROM THE BOOK FOLLOWED BY DISCUSSION QUESTIONS.

Apr 27, 9:36 PM

ShannonMinner: There is a big local crop starting tomorrow. My husbands work schedule is unreliable so I'm not going. Not to mention there is always one Saturday a month where 50 things get planned on. That is one of them. Other Saturday's stay empty.

Apr 27, 9:36 PM

Jennifer Wilson: THIS TIME I'M FOCUSING ON THE "SAVOR SPACE" CHAPTER SINCE IT PERTAINED BEST TO SCRAPBOOKING. THE FIRST HALF OF THE BOOK IN PARTICULAR WAS SO FOCUSED ON WORK I DIDN'T HIGHLIGHT MUCH FOR THIS DISCUSSION.

Apr 27, 9:37 PM

JudiPartlo: I agree - I felt like it was for mom's with young kids and big careers!

Apr 27, 9:37 PM

Cindy March:and husbands.....

Apr 27, 9:37 PM

JudiPartlo: and nanny's....

Apr 27, 9:37 PM

Jennifer Wilson: LET'S JUMP IN!

Apr 27, 9:38 PM

ShannonMinner: So you ladies are describing me, but I didn't get to read it.

Apr 27, 9:38 PM

Jennifer Wilson: QUOTE // p. 231 - "Between the demands of work and family, free time must only come in bits of "time confetti". "

Apr 27, 9:38 PM

CarolWhite: I've only had the book for two days. I'm only around page 205 and I believe Savor starts on 230. I was plowing my way through the beginning.

Apr 27, 9:38 PM

Jennifer Wilson: QUESTION // Q1. Do you have uninterrupted blocks of time or do you have to squeeze things into small pockets?

Apr 27, 9:38 PM

MoniqueMeese: No uninterrupted blocks of time for me.

Apr 27, 9:38 PM

CarolWhite: I like that! Bits of time raining down on me.

Apr 27, 9:38 PM

DionneJack: There are times when I have both.

Apr 27, 9:38 PM

Guest5476 (Guest): So....based on that, if my kids are grown and I don't have a career....(I haven't read the book yet...) should I just start halfway through and skip the first part?

Apr 27, 9:38 PM

CarrieAnderson: both!

Apr 27, 9:38 PM

[Tiffany Mitchell](#): Pockets, unless I have a day crop that I attend where I get the whole day...

Apr 27, 9:39 PM

JudiPartlo: Mostly pockets

Apr 27, 9:39 PM

[Eddie Banks](#): I have both

Apr 27, 9:39 PM

Teaching Assistant - Kim Edsen: I have both, depending on the day

Apr 27, 9:39 PM

CarolWhite: I agree. I have both.

Apr 27, 9:39 PM

[Tysha King Shay](#): Both, daily basis small pockets - usually have to schedule larger blocks

Apr 27, 9:39 PM

Carol AnneWall: It depends on the day, and if one of my teenagers is particularly needy.

Apr 27, 9:39 PM

[Kelly Sroka](#): My schedule ebbs and flows. Some weeks I have time blocks and other weeks I have just small chunks of time.

Apr 27, 9:39 PM

[Cindy March](#): During the week confetti. Weekends more blocks of time.

Apr 27, 9:39 PM

CarrieAnderson: no kids so i dont have the interruptions as much but i often squander blocks of time and feel like i only have pockets

Apr 27, 9:39 PM

Carol AnneWall: And husband... and dogs. Needs must be met.

Apr 27, 9:39 PM

[Eddie Banks](#): Me too Carrie!

Apr 27, 9:40 PM

CarrieAnderson: sometimes husbands are needier than anyone...haahahahaaaa

Apr 27, 9:40 PM

Jennifer Wilson: I CAN USUALLY FIND THE TIME, I JUST DON'T ALWAYS HAVE THE ENERGY OR MOTIVATION TO USE IT WELL. I NEED TO BREAK UP WITH MY PHONE.

Apr 27, 9:40 PM

CarolWhite: Guest 5476: I, personally, would skip it. You might want to read/browse the very beginning, just to see what she means by the Mosaic Project. But, you could probably even skip that.

Apr 27, 9:40 PM

[Tysha King Shay](#): Carrie/Edie / Jennifer's planning day has helped me with focused goals so I'm trying to have as much squandered time

Apr 27, 9:41 PM

Jennifer Wilson: RELATEDLY.. QUOTE // p. 237 - "Humans invent all sorts of ways to make themselves miserable."

Apr 27, 9:41 PM

Jennifer Wilson: QUESTION // Q2. What habits might be inadvertently making you miserable?

Apr 27, 9:41 PM

CarolWhite: Break-up with your phone! Me, too!

Apr 27, 9:41 PM

[Cindy March](#): I think it takes awareness.

Apr 27, 9:41 PM

Guest5476 (Guest): Ok, thanks, Carol!

Apr 27, 9:41 PM

CarrieAnderson: tysha...i need to make the time to watch those!! thank you for the reminder

Apr 27, 9:41 PM

[Tiffany Mitchell](#): Facebook Time Suck used to get me. I broke up with Facebook

Apr 27, 9:41 PM

ShannonMinner: I can find some pockets of time.

Apr 27, 9:41 PM

CarolWhite: Perfectionism. FOMO.

Apr 27, 9:41 PM

Teaching Assistant - Kim Edsen: I think I'm happier when I stay focused and am not jumping from project to project

Apr 27, 9:41 PM

Jennifer Wilson: CHECKING EMAIL CONSTANTLY, CYCLING THROUGH APPS ON MY PHONE, MULTITASKING, STAYING UP TOO LATE

Apr 27, 9:41 PM

Cindy March: Facebook

Apr 27, 9:41 PM

Teaching Assistant - Kim Edsen: Carol - good one! I can relate.

Apr 27, 9:42 PM

JudiPartlo: Facebook, and what Jennifer said!

Apr 27, 9:42 PM

DionneJack: For sure multitasking isn't helping me most of the time.

Apr 27, 9:42 PM

Tysha King Shay: Tiffany, I've recently had to break up with FB too

Apr 27, 9:42 PM

MoniqueMeese: Social media.....it's a waste for me

Apr 27, 9:42 PM

Edie Banks: YouTube

Apr 27, 9:42 PM

Carol AnneWall: The habit of responding immediately to everything. Even at work, I bounce around like a bunny when ever someone calls my name.

Apr 27, 9:42 PM

CarolWhite: Social Media. Not going to sleep before MN.

Apr 27, 9:42 PM

JudiPartlo: Except for the staying up late part - I'm an early to bed, early up girl!

Apr 27, 9:42 PM

Tysha King Shay: Yes Jennifer!

Apr 27, 9:42 PM

CarolWhite: Doing the bunny hop! I can relate to that.

Apr 27, 9:42 PM

Kelly Sroka: Multitasking here too! I try to do too many little things at one time and then I never get anything accomplished.

Apr 27, 9:42 PM

CarolWhite: Information Overload.

Apr 27, 9:43 PM

CarrieAnderson: all of them! the only habits i can make stick are the bad ones...lol

Apr 27, 9:43 PM

CarrieAnderson: i definitely need to break up with my phone .

Apr 27, 9:44 PM

CarolWhite: I've spread myself too thin with this course and that course and reading this and agreeing to that and this blog and that blog and the list goes on.

Apr 27, 9:44 PM

Carol AnneWall: Carrie, I wish I knew why that was true. Bad habits are easy to form.

Apr 27, 9:44 PM

Tiffany Mitchell: Carrie, you are here every month for book club. Thats a good habit

Apr 27, 9:44 PM

CarrieAnderson: thanks tiffany

Apr 27, 9:44 PM

Jennifer Wilson: FOR SURE!

Apr 27, 9:45 PM

Jennifer Wilson: QUOTE // p. 237 - "Leisure time is a choice, and celebrating life's fullness means not only making leisure time a priority, but acknowledging that it is happening."

Apr 27, 9:45 PM

Jennifer Wilson: QUESTION // Q3. Are you honest about you leisure time?

Apr 27, 9:45 PM

Tysha King Shay: Supportive Tiffany, love it!

Apr 27, 9:45 PM

CarrieAnderson: procrastinating....i always put off something i think will be hard and it takes ten times longer to avoid it then to just do it!!!!

Apr 27, 9:45 PM

CarolWhite: I do think I squander too much of my leisure time and then don't think I have enough.

Apr 27, 9:45 PM

JudiPartlo: And Carrie, you did a TON of layouts for LOAD in Feb- I was impressed!!

Apr 27, 9:46 PM

Teaching Assistant - Kim Edsen: Carrie, yes!

Apr 27, 9:46 PM

Carol AnneWall: What Carol said. I squander and fritter time away.

Apr 27, 9:46 PM

JudiPartlo: Not always - I think I fool myself about how I use my time at least sometimes

Apr 27, 9:46 PM

Cindy March: As I get older yes. I sometimes brag about going to the dock with a coffee...ahh...

Apr 27, 9:46 PM

ShannonMinner: I procrastinate and squander my time. I have poor time management skills. How is that for honest?

Apr 27, 9:46 PM

CarolWhite: Cindy, that sounds wonderful! Except I would sub tea for the coffee.

Apr 27, 9:46 PM

Tysha King Shay: I thought about how she referenced that so many people exaggerate their time commitments but when she pointed out that I likely have 70-80 hours besides work and sleep to do things it definitely had an effect on how much little time I think I have

Apr 27, 9:47 PM

DionneJack: I am honest in that I recognize that I'm not making the best of my leisure time for at least part of it.

Apr 27, 9:47 PM

Tysha King Shay: Sometimes it's hard to recognize that I'm entitled to leisure time

Apr 27, 9:48 PM

CarrieAnderson: no...i have way more time then i think i do and i dont realize it cause i dont make it count....i do mindless phone scrolling....ugh

Apr 27, 9:48 PM

CarolWhite: Tysha~that's what I fight with.

Apr 27, 9:48 PM

Jennifer Wilson: WHILE READING THIS BOOK I HAVE PAID ATTENTION A LOT TO HOW LONG THINGS TAKE ME. I'M KIND OF JUST SLOW AT EVERYTHING AND I DON'T ALWAYS PLAN FOR THAT.

Apr 27, 9:48 PM

MoniqueMeese: Carrie.....me too

Apr 27, 9:48 PM

Cindy March: Like anything else it has to be practiced.

Apr 27, 9:48 PM

CarrieAnderson: thats a great quote!!! im going to remember that one

Apr 27, 9:49 PM

Teaching Assistant - Kim Edsen: Did this book make anyone want to track their time?

Apr 27, 9:49 PM

Jennifer Wilson: THINGS TAKE ABOUT TWICE AS LONG AS I THINK THEY DO. MY HUSBAND ALWAYS ASKS WHY IT TOOK SO LONG AT THE GROCERY STORE.

Apr 27, 9:49 PM

JudiPartlo: Yes, I noticed that idea about timing things, too

Apr 27, 9:49 PM

CarolWhite: Doing a time study is an interesting practice. Sometimes you realize it only takes you 5 minutes to unload the dw and then you wonder why you put off doing it!

Apr 27, 9:49 PM

CarrieAnderson: yes Jennifer!!! my husband timed me one time on all the household chores i complain about cause im a complainer.....it was like 1.5 hours a week..not counting cooking.....haahahaha

Apr 27, 9:50 PM

CarrieAnderson: real eye opener.....because stuff that i was estimating 20 mins to do....took me like 5

Apr 27, 9:50 PM

Guest1212 (Guest): it takes me a long time to do tasks too. yes, i thought about tracking my time, & the idea of that sort of exhausted me.

Apr 27, 9:50 PM

Cindy March: Writing would make it real.

Apr 27, 9:50 PM

Tiffany Mitchell: I thought it was interesting that I read this book right before week in the life. I liked what she said about "typical" weeks, and realized that atypical are my typical

Apr 27, 9:50 PM

CarrieAnderson: thats my ADHD though....we are TERRIBLE time judgers lol

Apr 27, 9:50 PM

DionneJack: yes, it made me want to try it to see if I'm guessing correctly where all my wasted time is going.

Apr 27, 9:51 PM

Carol AnneWall: I wish I was consistent. I overestimate here, and underestimate there.

Apr 27, 9:51 PM

Eddie Banks: I waste so much time agonizing over doing a chore

Apr 27, 9:51 PM

CarolWhite: I do too, Edie.

Apr 27, 9:51 PM

CarrieAnderson: Edie.....exactly!!! and then you do it and it takes a fraction of the time and then youre mad at yourself for wasting all that time agonizing over it!!!

Apr 27, 9:52 PM

CarolWhite: Sometimes I try to make it a game and then I might even end up doing the whole thing instead of doing the game as pre-planned.

Apr 27, 9:52 PM

CarolWhite: If that makes any sense.

Apr 27, 9:52 PM

CarrieAnderson: oooh....carol...i like that!!!!

Apr 27, 9:52 PM

Tysha King Shay: Edie, yes. Carol, I totally get the dishwasher task!

Apr 27, 9:52 PM

CarolWhite: I also underestimate how long things take me.

Apr 27, 9:52 PM

CarrieAnderson: i will set my timer and say....i only have to do it for this long.....i ALWAYS finish way before the timer goes off....hahahahaaa

Apr 27, 9:52 PM

CarolWhite: I have to go change my mom's dressing. Hope to be back in a jif!

Apr 27, 9:53 PM

NancyGaumer: Have you seen the time tier app? It's used a lot for people with ADHD. WE find it useful.

Apr 27, 9:53 PM

NancyGaumer: If you mentioned it before, I'm sorry, I just logged in.

Apr 27, 9:53 PM

Teaching Assistant - Kim Edsen: I have not seen that Nancy - will check it out! TFS!

Apr 27, 9:53 PM

CarrieAnderson: time tier??? that sounds interesting...i'll look it up after chat!

Apr 27, 9:53 PM

Tysha King Shay: Thanks for sharing Nancy

Apr 27, 9:54 PM

NancyGaumer: It also works great to get kids going on homework.

Apr 27, 9:55 PM

NancyGaumer: time timer not tier, sorry.

Apr 27, 9:55 PM

Jennifer Wilson: QUOTE // p. 240 - "And yet precisely because we presume we don't have time, we don't think this matter [what you want to do with your leisure time] through. Leisure time appears and we are not prepared to seize it."

Apr 27, 9:55 PM

Jennifer Wilson: QUESTION // Q4. Do you feel prepared to use your leisure time well? If so, what habits or practices contribute?

Apr 27, 9:56 PM

ShannonMinner: No I don't. I think the fact that there is so much to be done during the free time. I am trying my best to multi-task but taking scrapbooking time is always at the bottom of the list.

Apr 27, 9:56 PM

Eddie Banks: Having a plan helps

Apr 27, 9:56 PM

Tiffany Mitchell: I have a wish list of things I want to do. If I happen upon some time, I look to see if there is anything I can do on it.

Apr 27, 9:56 PM

ShannonMinner: True Edie.

Apr 27, 9:57 PM

NancyGaumer: I waste so much time.

Apr 27, 9:57 PM

Teaching Assistant - Kim Edsen: If I have a project in the works, or am in the middle of a book, I'm more apt to continue on it when I get a moment - it's harder to start than it is to pick something back up

Apr 27, 9:57 PM

Carol AnneWall: I definitely do not feel prepared, especially for scrapbooking. Mostly because my workroom becomes a sty with other life stuff. I need to get a habit of cleaning off my scrapping space every night.

Apr 27, 9:57 PM

Tysha King Shay: Good idea Edie!

Apr 27, 9:57 PM

Cindy March: I think people expect their leisure time to be perfect but

Apr 27, 9:57 PM

CarrieAnderson: yes KIM....so true

Apr 27, 9:57 PM

ShannonMinner: I need to get back into working on a layout a little bit at a time. Or choosing my next project and leaving it out on my desk. I know it's there and I'm motivated to work on it.

Apr 27, 9:57 PM

MoniqueMeese: That's smart Tiffany

Apr 27, 9:57 PM

Tysha King Shay: Sorry, meant Tiffany!

Apr 27, 9:57 PM

Cindy March: Often it's the simple things that are most important.

Apr 27, 9:58 PM

Tysha King Shay: Cindy, I agree

Apr 27, 9:58 PM

JudiPartlo: I have a plan but sometimes have trouble choosing

Apr 27, 9:58 PM

DionneJack: This is something that I am getting better at all of the time.

Apr 27, 9:58 PM

Tysha King Shay: Never perfect, have to learn to work with what u get

Apr 27, 9:59 PM

CarrieAnderson: thats something that helped me during load.....if i completed the days layout.....then layed out pictures paper and maybe put stuff roughly into a design....it was so much easier to actually get the layout done the next day.....where as when i stare at blank space my default is to go organize instead of actually start scrapping

Apr 27, 9:59 PM

DionneJack: I don't plan every minute but I do know what the next steps are for the things I'm working on and I almost always have something already in progress that I can continue.

Apr 27, 9:59 PM

CarrieAnderson: dionne...thats smart

Apr 27, 10:00 PM

DionneJack: Post Its or sticky notes help a lot with the next steps.

Apr 27, 10:00 PM

Teaching Assistant - Kim Edsen: Judi - I used to be bad about that - I couldn't commit to any leisure activity, so would end up just frittering away my time

Apr 27, 10:00 PM

Jennifer Wilson: I AM OFTEN PREPARED TO USE MY TIME WELL, BUT IT TAKES DISCIPLINE TO MAKE THE BETTER CHOICE VS. THE EASIER CHOICE.

Apr 27, 10:00 PM

Kelly Sroka: I keep a list in my head of things I want to do when I have leisure time. I think just keeping these things in mind helps me jump in to what I want to do when I have free time.

Apr 27, 10:00 PM

Tiffany Mitchell: That is so true, Jennifer!

Apr 27, 10:00 PM

JudiPartlo: Better choice vs easier choice - SO true!!!!

Apr 27, 10:01 PM

Tysha King Shay: Yes love that Jennifer

Apr 27, 10:01 PM

CarolWhite: Back!

Apr 27, 10:01 PM

CarrieAnderson: i was listening to an ADHD podcast and they called it leavnig breadcrumbsso that you can easily slip back into the task without starting over

Apr 27, 10:01 PM

Jennifer Wilson: THAT'S A COOL IDEA CARRIE

Apr 27, 10:02 PM

CarolWhite: Great word picture.

Apr 27, 10:02 PM

JudiPartlo: That is cool!!!

Apr 27, 10:02 PM

NancyGaumer: Carrie, what's the podcast? I need to listen to that!

Apr 27, 10:03 PM

Jennifer Wilson: QUOTE // p. 240 - "If you had thirty hours to spend on personally pleasurable pursuits, what would you do with that time?"

Apr 27, 10:03 PM

Jennifer Wilson: QUESTION // Q5. What's your response to the question? How much of that time would include scrapbooking?

Apr 27, 10:03 PM

CarrieAnderson: adhd rewired!! i have learned so much from it nancy!!!

Apr 27, 10:03 PM

NancyGaumer: Thanks Carrie. I'll check it out for sure!

Apr 27, 10:04 PM

CarolWhite: I am not sure of the percentage. However, personal time would include reading, cross-stitching, sewing, gardening (this time of year). Wait. Gardening might not be personally pleasurable.

Apr 27, 10:04 PM

Teaching Assistant - Kim Edsen: I would split 30 hours between crafty time + time in nature + reading + and maybe some DIY/HGTV time

Apr 27, 10:04 PM

Jennifer Wilson: I'LL JUST HANG OUT WITH KIM

Apr 27, 10:05 PM

Jennifer Wilson: GOOD CHOICES

Apr 27, 10:05 PM

CarrieAnderson: thats the problem.....I want to do ALLLLLLL THEEEEEEE THINNNNGGGGSSSSS

Apr 27, 10:05 PM

Carol AnneWall: Unfortunately, I think I'd spend a lot of that time sleeping. I'm not sleeping well these days. I'd also probably daydream a lot. Read, then maybe scrapbook.

Apr 27, 10:05 PM

Kelly Sroka: At least half on scrapbooking. I would also want to read and ride my horse.

Apr 27, 10:05 PM

Teaching Assistant - Kim Edsen: Carol - it can go either way for me on that one....that is why I love walking at nearby arboretums and state parks - I'm not responsible for their weeding and mulching!

Apr 27, 10:05 PM

NancyGaumer: I've decided that I'm sleeping the first year of retirement.

Apr 27, 10:05 PM

ShannonMinner: Yes Carrie, me to. I have a lot of things I want to do that I enjoy.

Apr 27, 10:05 PM

CarolWhite: AGREED, Kim!

Apr 27, 10:05 PM

DionneJack: 30 hours divided by: self-care including exercise, connections-time with those I love, hobbies like scrapping, reading, photography.

Apr 27, 10:05 PM

CarolWhite: Doing the bunny hop, Carrie!

Apr 27, 10:06 PM

CarrieAnderson: yes carol.....exactly!!! lol

Apr 27, 10:06 PM

DionneJack: It's interesting that no one has mentioned spending time online at all.

Apr 27, 10:06 PM

CarolWhite: and Shannon!

Apr 27, 10:06 PM

CarolWhite: Enlightening, Dionne!

Apr 27, 10:06 PM

Teaching Assistant - Kim Edsen: So true, Dionne!

Apr 27, 10:06 PM

CarrieAnderson: my husband has like 2 hobbies....he always has time to do what he wants....i have like 12 and i NEVER have enough time...

Apr 27, 10:06 PM

Carol AnneWall: But, you know we'd all be online.

Apr 27, 10:06 PM

Jennifer Wilson: OH WOW DIONNE!

Apr 27, 10:06 PM

Teaching Assistant - Kim Edsen: What does that tell us?

Apr 27, 10:07 PM

Tiffany Mitchell: That it doesn't bring us the same joy....

Apr 27, 10:07 PM

CarolWhite: How we spend our minutes is how we spend our days.

Apr 27, 10:07 PM

CarolWhite: Scary...

Apr 27, 10:07 PM

NancyGaumer: My husband has NO hobbies at all. Shocking to me.

Apr 27, 10:07 PM

CarrieAnderson: wow....dionne..

Apr 27, 10:07 PM

DionneJack: I bet we all spend some of our free time online but don't "count" it.

Apr 27, 10:07 PM

Guest5476 (Guest): Oh, true Dionne! But that IS how I waste my days away....

Apr 27, 10:07 PM

Cindy March: It also

Apr 27, 10:07 PM

CarrieAnderson: nancy....haahahahaaaa....men....eye roll....lol

Apr 27, 10:07 PM

Eddie Banks: We don't count social media as a hobby- although it is!

Apr 27, 10:07 PM

NancyGaumer: Yes, I think it is Edie.

Apr 27, 10:08 PM

CarrieAnderson: i think thats what the author meant when she said we arent prepared to seize it!!!

Apr 27, 10:08 PM

NancyGaumer: It's like magazines and talking on the phone all at once!!!

Apr 27, 10:08 PM

Cindy March: has to do with: Do you want to be right or do you want to be happy.

Apr 27, 10:08 PM

Jennifer Wilson: I THINK FUTURE GENERATIONS WILL BE STUDYING WHY WE SPEND SO MUCH TIME ONLINE

Apr 27, 10:08 PM

CarolWhite: It is absolutely addicting.

Apr 27, 10:08 PM

CarrieAnderson: i know im guilty of spending scrap time....talking about reading about and chatting about scrapping but NOT ACTUALLYDOING IT

Apr 27, 10:08 PM

NancyGaumer: Totally

Apr 27, 10:08 PM

Jennifer Wilson: SO HERE'S A QUOTE I REALLY LOVED.. FOR OBVIOUS REASONS...

Apr 27, 10:08 PM

Jennifer Wilson: QUOTE // p. 242 - "But sometimes the difference between making time to scrapbook and not making time to scrapbook is having a time you pass by regularly with your scrapbooking material there. It is waiting for you, beguiling you to not turn on the TV or your laptop tonight."

Apr 27, 10:08 PM

Cindy March: So true Carol

Apr 27, 10:08 PM

Jennifer Wilson: QUESTION // Q6. Have you tried this trick? What other techniques have you used to reduce the activation energy needed to get started?

Apr 27, 10:08 PM

CarolWhite: Carrie~I think you do quite a bit of scrapping! I've been impressed!

Apr 27, 10:09 PM

Tiffany Mitchell: the timer. Realizing that I can use pockets of time to make progress.

Apr 27, 10:09 PM

Teaching Assistant - Kim Edsen: Carrie - how do we flip those habits around? To spend more time creating and less time reading and chatting about it? I think some of it has to do with energy...

Apr 27, 10:09 PM

CarolWhite: Carrie~but I so do what you said. Peripheral activities vs actually DOING IT.

Apr 27, 10:10 PM

DionneJack: Definitely leaving things out, knowing that things are in progress, using a timer all help me pick up where I left off or continue on with something.

Apr 27, 10:10 PM

NancyGaumer: Me too.

Apr 27, 10:10 PM

Teaching Assistant - Kim Edsen: I would say having a plan helps me get started and motivated because I have the end in mind

Apr 27, 10:10 PM

CarolWhite: I'd like to say time blocking, but it's something I keep saying I'm going to try and haven't done it yet.

Apr 27, 10:10 PM

Tysha King Shay: Dionne it sounds like u have some good stop gap measures in place to keep projects moving

Apr 27, 10:10 PM

Cindy March: Definitely more than I am now.

Apr 27, 10:10 PM

NancyGaumer: I think Ali Edwards made it sound easier-just fill the pockets.

Apr 27, 10:11 PM

DionneJack: They're new things I've been practicing in the past few months and they are helping.

Apr 27, 10:11 PM

CarolWhite: as in photo pocket pages or pockets of time?

Apr 27, 10:11 PM

NancyGaumer: Pocket pages.

Apr 27, 10:11 PM

CarolWhite: Gotcha.

Apr 27, 10:11 PM

NancyGaumer: I've just finished storytelling with project life class.

Apr 27, 10:11 PM

JudiPartlo: Figuring out the very next thing I need to do helps me

Apr 27, 10:11 PM

CarolWhite: Was it good, Nancy?

Apr 27, 10:12 PM

Jennifer Wilson: AWESOME NANCY!

Apr 27, 10:12 PM

NancyGaumer: I like all of hers.

Apr 27, 10:12 PM

CarrieAnderson: carol....yes....to all of your comments....sorry...im getting lag here

Apr 27, 10:12 PM

Kelly Sroka: I do keep supplies out on my desk so that it is easy to sit down start scrapping. I also keep a list of stories I want to tell in Evernote so that if I am stuck I can get ideas easily.

Apr 27, 10:12 PM

CarolWhite: The waves are making waves in the wifi!

Apr 27, 10:12 PM

NancyGaumer: I don't like too many embellishments usually and I like her style that way.

Apr 27, 10:12 PM

CarrieAnderson: kelly...that is so key!!!

Apr 27, 10:13 PM

Tysha King Shay: Good idea Kelly!

Apr 27, 10:13 PM

Guest1212 (Guest): do you ever just look through your scrap stuff & get inspired? or look through your photos? or if you're scrolling through inspiration & just stop when you you get the spark? these are things that help motivate me.

Apr 27, 10:13 PM

CarrieAnderson: carol....everything moves slower in mexico

Apr 27, 10:13 PM

Tiffany Mitchell: I have used the seasonal planner that Jennifer created to have my next project and/or step laid out for me. It has been really helpful!

Apr 27, 10:13 PM

NancyGaumer: I keep a list of stories on the wall.

Apr 27, 10:13 PM

Jennifer Wilson: LOVE TO HEAR THAT TIFFANY

Apr 27, 10:13 PM

Jennifer Wilson: RELATED TO OUR ONLINE HABITS...QUOTE // p. 242 - "Instead of going outside to savor a wintry sunset, we take random online polls that attempt to quantify how little time we have for ourselves."

Apr 27, 10:13 PM

Jennifer Wilson: QUESTION // Q7. Do you resonate with this anecdote?

Apr 27, 10:13 PM

CarrieAnderson: tiffany....come set mine up forme please hahaahaaaa

Apr 27, 10:14 PM

CarolWhite: Yes. To an extent I would say I resemble that quote.

Apr 27, 10:14 PM

CarrieAnderson: omg jennifer.....yesssssss....i waste so much time on those dumb buzzfeed quizzes

Apr 27, 10:14 PM

NancyGaumer: No, I take random polls to keep from grading papers. I wouldn't miss a good sunset.

Apr 27, 10:14 PM

Tiffany Mitchell: Yes....watching YouTube videos, surfing Pinterest for layout ideas, etc about scrapbooking and then spending little to no time actually scrapping.

Apr 27, 10:14 PM

CarolWhite: So, what are we going to do with this info? Change our habits...especially the OL ones?

Apr 27, 10:14 PM

CarrieAnderson: haahahaa nancy

Apr 27, 10:15 PM

Carol AnneWall: I'd savor the sunset, then get distracted and two hours later, come back inside.

Apr 27, 10:15 PM

NancyGaumer: Becky Higgins did a facebook live about that-not REALLY scrapbooking, just watching videos about it. Yes, I'm online too much watching others do it.

Apr 27, 10:15 PM

Jennifer Wilson: I THINK THERE ARE A COUPLE OF ANSWERS HERE...

Apr 27, 10:16 PM

JoAnneWills: I need to balance working, going through school and wanting to work on craft/scrapbook projects and finding the time to do all of those things and not fall behind in my school work. I will sit in front of my laptop trying to do homework and start getting distracted by the unfinished project next to me.

Apr 27, 10:16 PM

Teaching Assistant - Kim Edsen: I had a thought about the getting started part - do we make things too hard on ourselves, sometimes? Today I was laying out projects and I thought to myself how I do many things the same each time and wondered if I should be changing it up; in the end I figure it's 'my style' and it keeps me moving forward.

Apr 27, 10:16 PM

Kelly Sroka: I do spend a lot of time outdoors in nature. I think I need that time as much as I need creative scrapbook time.

Apr 27, 10:16 PM

NancyGaumer: fake scrapbooking?

Apr 27, 10:16 PM

Jennifer Wilson: 1.) WE NEED TO ACKNOWLEDGE THAT THE WATCHING PART IS LEISURE TIME AND THAT IT IS OK TO ENJOY IT, BUT ALSO ACCEPT THAT IT DOES TAKE TIME

Apr 27, 10:16 PM

Teaching Assistant - Kim Edsen: Kelly, me too! I start to get antsy if it's been too long and know it's time to get outside

Apr 27, 10:16 PM

NancyGaumer: Yes Jennifer, I agree.

Apr 27, 10:17 PM

Jennifer Wilson: 2.) WE NEED TO ASK OURSELVES WHAT WE REALLY NEED RIGHT NOW AND LISTEN TO THAT LITTLE VOICE. SOMETIMES IT WILL BE TO REST AND SOMETIMES IT WILL SAY TO DO.

Apr 27, 10:17 PM

Teaching Assistant - Kim Edsen: It comes back to the easy choice vs. the 'right' choice

Apr 27, 10:17 PM

CarolWhite: JoAnne~maybe you could put your project in one of those big Iris cases so it would be ready, but move it away from your desk/laptop area?

Apr 27, 10:18 PM

Carol AnneWall: I like that idea, Carol. I spend a lot of time moving my "in-process project" around. If I just kept it in a case, I don't have to move it.

Apr 27, 10:18 PM

JoAnneWills: Carol...I will need to do that...thanks for the great idea.

Apr 27, 10:19 PM

Jennifer Wilson: LAURA OFFERED A SUGGESTION FOR THIS AT THE END O THE CHAPTER...QUOTE // p. 247 - "Overcoming that initial resistance to planning can massively increase the amount of fun in your life."

Apr 27, 10:19 PM

Jennifer Wilson: QUOTE // p. 248 - "For a few minutes of planning, you set yourself up to make memories over the weekend, and you don't lose the whole weekend to chores and puttering."

Apr 27, 10:19 PM

Jennifer Wilson: QUESTION // Q8. Do you plan out your weekend time?

Apr 27, 10:19 PM

CarolWhite: See if it helps. If might be too much out of sight, out of mind completely!

Apr 27, 10:19 PM

JoAnneWills: I have about 4 classes to be done with school and then I will be in crafting heaven

Apr 27, 10:19 PM

CarolWhite: Light at the end of the tunnel, JoAnne! Good for you!

Apr 27, 10:20 PM

ShannonMinner: I have my routine of what I know I need to do over the weekend. Housekeeping, sports, lesson planning, some reading and writing.

Apr 27, 10:20 PM

Teaching Assistant - Kim Edsen: I generally do NOT plan my weekend, or if I do it's pretty loose and then I'll spend a lot of time getting sidetracked - goes back to being realistic about how long something takes to complete

Apr 27, 10:20 PM

NancyGaumer: Three weeks...

Apr 27, 10:20 PM

JudiPartlo: I make a to-do list over the weekend but with lots of flexibility

Apr 27, 10:20 PM

Kelly Sroka: Yes! I definitely plan weekends. It drives my husband crazy, but if I don't plan we don't get things done that can only be done on the weekends.

Apr 27, 10:20 PM

CarolWhite: Not enough of the time. My husband works a lot of weekends and at one point, so did I. I think we've lost a lot of opportunities over the years with the kids and now with ourselves because we haven't planned our leisure time well.

Apr 27, 10:20 PM

Tiffany Mitchell: Sometimes my weekends are planned for me between my kids' baseball, dance, church, parties, but when looking at my calendar, I try to make sure there is leisure time.

Apr 27, 10:20 PM

DionneJack: I don't plan out my weekend time very much. I have a rough idea of things I want to get done but also leave time free for fun.

Apr 27, 10:21 PM

Eddie Banks: I plan some things- usually ,y creative time - card making or scrapbooking

Apr 27, 10:21 PM

NancyGaumer: I like cardmaking, but scrapbooks last forever.

Apr 27, 10:21 PM

Carol AnneWall: I use to plan my weekend time, but it got busted all the time. I gave up. What I really need to do is to set boundaries and STICK TO THEM.

Apr 27, 10:21 PM

JoAnneWills: My weekend are plan for me right now. Son is graduating high school next month and with school work, I tried to get every thing done before the weekend so that I can make some to work on scrapbook pages.

Apr 27, 10:21 PM

CarrieAnderson: i spend my whole weekend thinking i have plenty of time to get all the stuff done i have to and want to and then sunday about 3 pm i go into frantic panic mode.....ugh

Apr 27, 10:22 PM

Jennifer Wilson: I WILL OFTEN TRY TO GET THE BORING STUFF DONE EARLY IN THE MORNING ON SAT AND SUN SO I CAN CHOOSE HOW TO SPEND MY TIME IN THE AFTERNOON

Apr 27, 10:22 PM

Edie Banks: Carrie - I shortened my list!

Apr 27, 10:23 PM

CarolWhite: I try to do housekeeping a little each day so it is not a whole day or 1/2 day on Saturday.

Apr 27, 10:23 PM

CarolWhite: More realistic list, Edie?

Apr 27, 10:24 PM

Jennifer Wilson: HERE'S OUR FINAL QUOTE...

Apr 27, 10:24 PM

DionneJack: I am the same Edie. I try to get some of it done during the week.

Apr 27, 10:24 PM

Edie Banks: Yes- I don't clean as often arras that don't matter.

Apr 27, 10:24 PM

Jennifer Wilson: QUOTE // p. 249 - "I cannot subscribe to the belief that there is something about modern life than makes us harried and maxed out. If we are, then it's time to examine our own choices and the scripts that are running through our heads. You don't become a better parent or employee by not enjoying your life."

Apr 27, 10:24 PM

Jennifer Wilson: QUESTION // Q9. What is one next step you want to take to enjoy your life more?

Apr 27, 10:25 PM

Teaching Assistant - Kim Edsen: I think to procrastinate less. I've made progress, but there's still room to grow

Apr 27, 10:25 PM

CarrieAnderson: plan weekends better and start being realistic about my time by not procrastinating

Apr 27, 10:26 PM

CarolWhite: Join Carrie in Mexico!

Apr 27, 10:26 PM

DionneJack: Have more fun with my husband and son. Figure out things we each enjoy doing and do them together more often. Once a week would be lovely.

Apr 27, 10:26 PM

Tysha King Shay: Be realistic about how much time I do have and how I'm actually spending it

Apr 27, 10:26 PM

Tiffany Mitchell: Be more present with those I care about. Find joy in the little things, even emptying out the dishwasher

Apr 27, 10:26 PM

NancyGaumer: Nice Tiffany!

Apr 27, 10:26 PM

CarrieAnderson: carol...love it

Apr 27, 10:26 PM

Teaching Assistant - Kim Edsen: I also think having realistic expectations would be helpful - maybe I need to actually time how long it takes to get chores done; too often I just throw it all on there; knowing I can't get it all done but feeling badly about it anyway

Apr 27, 10:26 PM

Eddie Banks: True Tiffany

Apr 27, 10:26 PM

Kelly Sroka: Slow down and be more present in each moment.

Apr 27, 10:26 PM

Tysha King Shay: Use planning days and set goals for guidance

Apr 27, 10:27 PM

CarrieAnderson: kim...its really eye opening....i recommend it

Apr 27, 10:27 PM

Jennifer Wilson: I THINK I NEED TO INTENTIONALLY SPEND MORE TIME OUTSIDE AND SOME OF THE OTHER BETTER BEHAVIORS WILL FOLLOW FROM THAT.

Apr 27, 10:27 PM

Carol AnneWall: Think through the how I spend my few hours of alone time (early AM) on the weekends, and decide which activity will give me the greatest pleasure during that bit of time that is my own.

Apr 27, 10:27 PM

CarolWhite: I still want to watch the last planning day and prep my calendar accordingly. That's my next step.

Apr 27, 10:28 PM

Tysha King Shay: Yes Carol

Apr 27, 10:28 PM

CarolWhite: Jennnifer~are you still having your Creative Dates with yourself?

Apr 27, 10:28 PM

Jennifer Wilson: I'VE ALSO THOUGHT ABOUT TRYING TO REALLY CHANGE MY PHONE HABITS... NOT CHECK SOCIAL MEDIA OR EMAIL FROM IT... BUT NOT QUITE READY FOR THAT YET.

Apr 27, 10:28 PM

Jennifer Wilson: CAROL, I CHANGED MY SCHEDULE MID-MARCH AND IT'S BEEN DIFFICULT SINCE THEN..

Apr 27, 10:28 PM

CarolWhite: Bummer...

Apr 27, 10:29 PM

Teaching Assistant - Kim Edsen: Jennifer, it's good to have goals....maybe you can 'enforce' a schedule of sorts? No checking social media/email during certain time blocks?

Apr 27, 10:29 PM

Jennifer Wilson: I AM WORKING ON CAMPUS 8-12 AND THE AT HOME ON SIMPLE SCRAPPER 1-5. PART OF MY LOVES IT AND PART OF ME HATES IT.

Apr 27, 10:29 PM

Cindy March: What did people do before social media and Smart phones?

Apr 27, 10:29 PM

Jennifer Wilson: I THINK THEY TALKED TO EACH OTHER CINDY

Apr 27, 10:29 PM

CarrieAnderson: jennifer....i remember when elise cripe talked about how she decided not to check email from her phone cause it was always mostly business stuff so she decided to only check it from her computer at her desk.....she said it made a HUGE difference for her

Apr 27, 10:29 PM

CarolWhite: 08-12 every day vs some days at home and some days at work?

Apr 27, 10:29 PM

Edie Banks: I am usually off social media by 9 pm during the week.

Apr 27, 10:30 PM

JoAnneWills: Want to enjoy time with my husband and son (until he is goes to college in the fall). We have big plans this summer for his 18th birthday so I want to be able to enjoy it now. I want to be able to enjoy life in general and do things that I have done before like taking drawing and painting classes.

Apr 27, 10:30 PM

Jennifer Wilson: EVERY DAY THE SAME CAROL, WHICH IS LIKE THAT CONSISTENCY AND THAT I AM OUT OF THE HOUSE BY 7:45. I MAKE THE SAME BREAKFAST AND THE SAME COFFEE EVERY MORNING.

Apr 27, 10:30 PM

CarrieAnderson: joanne...thats some great stuff

Apr 27, 10:30 PM

Jennifer Wilson: BEFORE IT WAS TUES AND THURS ALL DAY ON CAMPUS AND MON, WED, FRI AT HOME ALL DAY.

Apr 27, 10:31 PM

Jennifer Wilson: JOANNE, THAT SOUNDS AWESOME.. SO MANY THINGS ARE CIRCULAR IN LIFE

Apr 27, 10:31 PM

CarolWhite: After you have more time to adjust, you'll get in your new groove. Oh, I think I would like M-W-F at home!

Apr 27, 10:31 PM

Tiffany Mitchell: My creative time is about to take a hit....school will be out soon!

Apr 27, 10:31 PM

CarolWhite: So, more hours at work. That digs into your "me" time.

Apr 27, 10:31 PM

NancyGaumer: I'm thinking I'm going to try some more routines like Jennifer. Same breakfast and lunch daily. One less brain decision.

Apr 27, 10:32 PM

Jennifer Wilson: MAYBE WE NEED TO TACKLE THAT AT AN UPCOMING CHAT TIFFANY... FINDING ADJUSTED ROUTINES FOR SUMMER

Apr 27, 10:32 PM

CarolWhite: Even if you just did the same thing for one week at a time or the same thing each day of the week through the month.

Apr 27, 10:32 PM

NancyGaumer: Good idea Carol!

Apr 27, 10:32 PM

Cindy March: Steve Jobs wore the same clothes everyday so he wouldn't waste his creative energy on what to wear.

Apr 27, 10:32 PM

Eddie Banks: I take the same lunch for a week - so much easier

Apr 27, 10:32 PM

NancyGaumer: Einstein did too Cindy

Apr 27, 10:33 PM

Teaching Assistant - Kim Edsen: Tiffany, I'm worried about that too - when everyone's around I'm much worse at getting my exercise in. Plus, we are very lax with schedules in the summer, I need to establish a new schedule and stick with it

Apr 27, 10:33 PM

Jennifer Wilson: EXACTLY CINDY... I MAKE EMILY THE SAME LUNCH EVERY DAY.

Apr 27, 10:33 PM

CarolWhite: Einstein didn't brush his hair, so he doesn't count.

Apr 27, 10:33 PM

NancyGaumer: LOL!

Apr 27, 10:33 PM

CarolWhite: Good idea, Jennifer, about the summer chat.

Apr 27, 10:33 PM

CarolWhite: Summer schedule chat.

Apr 27, 10:33 PM

CarrieAnderson: i wear a "uniform" for work....and it is SOOOOOOOOO much easier than picking an outfit every morning...hahahaaa

Apr 27, 10:33 PM

CarrieAnderson: ha caro!!!

Apr 27, 10:34 PM

CarolWhite: Anne Bogel of Modern Mrs. Darcy blog has a "uniform" that she wears and I'm not sure she works outside the home, just does her blog.

Apr 27, 10:34 PM

CarolWhite: Tee and jeans and cardigan or something like that.

Apr 27, 10:34 PM

NancyGaumer: When I try to lay my clothes out and make sure they fit the night before, I am so picky and it takes forever to find something I like. In the morning it's faster because I don't care as much! That really surprised me!

Apr 27, 10:34 PM

CarolWhite: Poor Einstein! Sorry for my rude comment, Albert!

Apr 27, 10:34 PM

Teaching Assistant - Kim Edsen: Gretchen Rubin had a discussion on this same thing recently on her "Happier" podcast

Apr 27, 10:35 PM

CarrieAnderson: interesting nancy....

Apr 27, 10:35 PM

JudiPartlo: Hmm... finishing something would make me feel really good

Apr 27, 10:35 PM

CarolWhite: My mornings always went smoother when I picked my clothes out the night before work.

Apr 27, 10:35 PM

Teaching Assistant - Kim Edsen: It seems there are a lot of studies about decision making and willpower - less decisions = more willpower for matters you deem more important

Apr 27, 10:35 PM

NancyGaumer: Yes, I've read that too.

Apr 27, 10:36 PM

Jennifer Wilson: ON A RELATED NOTE.. I TRIED FOR A WHILE TO DO A MINIMALIST NEUTRAL WARDROBE BUT I'VE DONE A 180 AND AM NOW INTO PATTERNS AND COLOR. I FOUND IT MAKES ME HAPPIER. I THINK YOU CAN MAKE LIFE EASIER WITHOUT BEING ASCETIC ABOUT IT

Apr 27, 10:36 PM

CarrieAnderson: kim...that is so very true in my life....decisions are exhausting and the second guessing is worse....

Apr 27, 10:36 PM

NancyGaumer: Mornings are smoother, but I've spent ages getting it ready. I just need to lose weight or at least quit gaining!

Apr 27, 10:36 PM

CarolWhite: Nancy~I am right there with you!

Apr 27, 10:36 PM

NancyGaumer: It's amazing how much easier dressing is when your weight is down!!!

Apr 27, 10:37 PM

Jennifer Wilson: WOW, WHAT A TERRIFIC CHAT TONIGHT! THIS BOOK WAS SUPER INTERESTING. NEXT UP WE HAVE THE JOY OF LESS.

Apr 27, 10:37 PM

CarolWhite: Jennifer~I completely emptied my closet out today to do a HUGE PURGE. Only keeping things I love and that are in my Type 2 wardrobe plan.

Apr 27, 10:37 PM

Jennifer Wilson: THIS WILL FIT IN NICELY WITH OUT DECLUTTERING THEME OF REFRESH! MAY IS DEFINITELY "STUFF" MONTH.

Apr 27, 10:37 PM

CarolWhite: Right now I have a huge mess!

Apr 27, 10:37 PM

CarrieAnderson: i wore shorts today....in public.....first time since probably i was a pre teen

Apr 27, 10:38 PM

CarrieAnderson: nobody even looked at me!!!!

Apr 27, 10:38 PM

JoAnneWills: I decided when my mom past away 3 1/2 years ago that I would change things about my life and routine because I was just falling into doing the same things over again and not enjoying life in general. It is a work in process but I started with going to conventions of my favorite TV show and putting myself out there to meet new people which is hard for me being an introvert but I took the chance and I am glad for it because I would never join a group like this and talk to you all.

Apr 27, 10:38 PM

CarolWhite: Yay for you, Carrie!

Apr 27, 10:38 PM

Eddie Banks: Yay Carrie!

Apr 27, 10:38 PM

Teaching Assistant - Kim Edsen: Carrie - LOL!

Apr 27, 10:38 PM

Jennifer Wilson: AWESOME CARRIE. I DON'T OWN ANY SHORTS!

Apr 27, 10:38 PM

Jennifer Wilson: SO GLAD YOU ARE HERE JOANNE, I CAN RESONATE WITH THIS MYSELF. XOXO

Apr 27, 10:38 PM

Teaching Assistant - Kim Edsen: That's awesome JoAnne! So happy for you

Apr 27, 10:38 PM

CarolWhite: JoAnne~takes a lot of courage to do something new. So glad you are here.

Apr 27, 10:39 PM

CarrieAnderson: talking to new people is hard joanne! congrats on stepping out....and conventions sound SO FUN!!!

Apr 27, 10:39 PM

Teaching Assistant - Kim Edsen: It's fun to find your 'tribe'

Apr 27, 10:39 PM

Teaching Assistant - Kim Edsen: I just joined an IN PERSON, REAL LIFE book club - and it has been so much fun! Go figure!

Apr 27, 10:40 PM

JudiPartlo: JoAnne - so glad you are here!!!

Apr 27, 10:40 PM

Carol AnneWall: Thank you!

Apr 27, 10:40 PM

CarolWhite: I've been jealous of those who have a tribe. So much tribe talk on the internet. I never thought I had one! Glad I do!

Apr 27, 10:40 PM

DionneJack: 'night ladies, thanks for the chat.
