AleceNewell: Hi!

May 26 2016, 9:27 PM

ShannonMinner: Hello

May 26 2016, 9:29 PM

Jennifer Wilson: Hello everyone!

May 26 2016, 9:29 PM

ShannonMinner: Hey Jennifer!

May 26 2016, 9:29 PM

Guest6855 (guest): Hi, I'm Margaret Burton guest

May 26 2016, 9:32 PM

Jennifer Wilson: How is everyone doing tonight?

May 26 2016, 9:32 PM

Maggie Dameron Clark: Hi

May 26 2016, 9:32 PM

AleceNewell: Doing good. Hope the thunderstorms in our area stay away so I don't lose internet service

May 26 2016, 9:32 PM

ShannonMinner: I am doing wonderful. It was my last day of school with students.

May 26 2016, 9:33 PM

ShannonMinner: Here to Alece...where are you at? I'm in a suburb of Nashville.

May 26 2016, 9:33 PM

EdithBanks: Great! School is out!

May 26 2016, 9:33 PM

AleceNewell: Southwest Oklahoma

May 26 2016, 9:33 PM

Guest6855 (guest): Doing Great

May 26 2016, 9:34 PM

Jennifer Wilson: I've got a ton of questions tonight - this was a juicy book! There were parts I really enjoyed. Who all has finished?

May 26 2016, 9:34 PM

AleceNewell: I did

May 26 2016, 9:34 PM

Jennifer Wilson: I'LL SWITCH TO ALL CAPS SO YOU CAN SEE ME.

May 26 2016, 9:34 PM

Guest6855 (guest): I did

May 26 2016, 9:34 PM

ShannonMinner: Unfortunately I didn't. Another book grabbed my attention these last few days.

May 26 2016, 9:35 PM

EdithBanks: I plan to this weekend.

May 26 2016, 9:35 PM

Jennifer Wilson: I FINISHED THIS AFTERNOON, JUST IN TIME,

May 26 2016, 9:37 PM

ShannonMinner: From what I've read I really like it. I like how the author speaks. It's kinda like sitting there and listening to her tell stories.

May 26 2016, 9:37 PM

Jennifer Wilson: YES, SIMILAR TO BRENE BROWN IN THAT REGARD

May 26 2016, 9:38 PM

PatriciaMoore: I have finished the book

May 26 2016, 9:38 PM

Jennifer Wilson: OK, SO IF YOU'RE NEW TO THE BOOK CLUB I'VE GOT 12 QUOTES PULLED AND A QUESTION FOR EACH...

May 26 2016, 9:38 PM

Guest1010 (guest): i listened to it on audio book, & finished it yesterday.

May 26 2016, 9:38 PM

Jennifer Wilson: I'LL POST AND THEN YOU RESPOND - EASY PEASY

May 26 2016, 9:39 PM

Jennifer Wilson: QUOTE // p. 9 - "When I refer to "creative living," I am speaking more broadly. I'm talking about living a life that is driven more strongly by curiosity than fear."

May 26 2016, 9:39 PM

Jennifer Wilson: AND JUST AS A REFRESHER, WE'RE DISCUSSING BIG MAGIC BY ELIZABETH GILBERT TONIGHT.

May 26 2016, 9:39 PM

Jennifer Wilson: QUESTION // Q1. What fears do you face as a scrapbooker? << THIS CAME UP IN PREVIOUS BOOK CLUB DISCUSSIONS TOO.

May 26 2016, 9:40 PM

ShannonMinner: Never being able to catch up.

May 26 2016, 9:40 PM

AleceNewell: Things people don't like or want to look at

May 26 2016, 9:40 PM

ShannonMinner: Is my page good enough?

May 26 2016, 9:40 PM

PatriciaMoore: dito

May 26 2016, 9:40 PM

EdithBanks: Ditto Shannin

May 26 2016, 9:40 PM

CarrieAnderson: not doing it right...

May 26 2016, 9:41 PM

Guest1010 (guest): am i wasting my time?

May 26 2016, 9:41 PM

EdithBanks: That no one will want them when I'm gone

May 26 2016, 9:41 PM

Maggie Dameron Clark: Leaving out

May 26 2016, 9:41 PM

Jennifer Wilson: GOOD POINT - "WILL ANYONE CARE?"

May 26 2016, 9:41 PM

JudiPartlo: Feeling overwhelmed by too many projects

May 26 2016, 9:41 PM

Maggie Dameron Clark: Something important

May 26 2016, 9:42 PM

Jennifer Wilson: PERSONALLY... I HAVE FEARS RELATED TO THE INTERSECTION OF THE BUSINESS AND MY PERSONAL SCRAPBOOKING...

May 26 2016, 9:42 PM

Guest1010 (guest): am i sharing too much or not enough?

May 26 2016, 9:42 PM

JudiPartlo: And yes, will anyone care about looking at these? Do they matter?

May 26 2016, 9:42 PM

CarrieAnderson: who will even look at these pages again?? (childless)

May 26 2016, 9:42 PM

EdithBanks: Me to Carrie

May 26 2016, 9:43 PM

JudiPartlo: I just finished it this afternoon, too, Jennifer. I felt like it got better as I got deeper into the book.

May 26 2016, 9:43 PM

Guest6855 (guest): Perhaps extended family members Judy and Carrie

May 26 2016, 9:44 PM

MarinaDelgado: Hi! On my phone so we'll see how it goes. ❓❓❓❓❓❓ Hi everyone

May 26 2016, 9:44 PM

PatriciaMoore: Hi Marina

May 26 2016, 9:44 PM

JudiPartlo: Hi Marina - I just got here, too. Had a going away party!

May 26 2016, 9:44 PM

Maggie Dameron Clark: Judy and Carrie, It seems enough that you are doing it for yourselves and enjoying the process.

May 26 2016, 9:45 PM

Jennifer Wilson: I REALLY LOVED THE EVOLUTION OF IDEAS OVER THE COURSE OF THE BOOK.. DEFINITELY A JOURNEY

May 26 2016, 9:45 PM

Jennifer Wilson: QUOTE // p. 23 - "I believe that creativity is a force of enchantment -not entirely human in its origins."

May 26 2016, 9:45 PM

JudiPartlo: Perhaps, Maggie - but my motivation is to leave something for my kids and their kids

May 26 2016, 9:45 PM

Guest1010 (guest): jennifer are you referring to she said maybe your passion shouldn't be your job?

May 26 2016, 9:45 PM

Jennifer Wilson: QUESTION // Q2. Do you believe there is a mystical or spiritual aspect to ideation and creative inspiration?

May 26 2016, 9:46 PM

Jennifer Wilson: I DON'T WANT MY SCRAPBOOKING SKILLS TO BE TIED TO THE SUCCESS OF THE BUSINESS, ONLY MY SKILLS IN WRITING AND TEACHING AND MARKETING

May 26 2016, 9:46 PM

ShannonMinner: 50/50 on that Jennifer

May 26 2016, 9:46 PM

MarinaDelgado: Fears of my pages not being good enough. Fears of what people about my scrapbooking hobby. Fears about trying new products, techniques. Fears about integrating scrapbooking into my future work

May 26 2016, 9:46 PM

CarrieAnderson: I hadnt really thought of that before this book but she did really portray that and i saw what she was saying...so i guess the book made me believe??

May 26 2016, 9:46 PM

JudiPartlo: Not sure how to answer Q2 - I feel like it's something that comes from inside of me but not sure I would term it as spiritual.

May 26 2016, 9:47 PM

Maggie Dameron Clark: Judi, I agree. But I think if I didn't have kids, I would till enjoy scrapbook ingredients and would enjoy the process and keeping the memories for myself.

May 26 2016, 9:47 PM

PatriciaMoore: That is what I was thinking, Judi

May 26 2016, 9:47 PM

MarinaDelgado: All at different times but mindfulness helps me notice, acknowledge it, and adjust my response to it, and keep on going! 🎲🎲🎲🎲🎲🎲

May 26 2016, 9:47 PM

JudiPartlo: Yes, Maggie, I do get a lot of satisfaction from working on them!

May 26 2016, 9:47 PM

ShannonMinner: I am struggling with that question too Judi. I'm not sure everyone is creative.

May 26 2016, 9:47 PM

Guest1010 (guest): i feel like when people are in something they enjoy or are deeply involved in, it can feel spiritual physically.

May 26 2016, 9:47 PM

AleceNewell: I do believe that there is a part of us - our soul that has a spiritual aspect of some kind and that this is where creativity comes from

May 26 2016, 9:47 PM

EdithBanks: I'm not sure - but there are times creativity is just in the air.

May 26 2016, 9:48 PM

Jennifer Wilson: I DIDN'T QUOTE IT SPECIFICALLY.. BUT SHE SAID THAT IDEAS ESSENTIALLY ARE "LIVING"

May 26 2016, 9:48 PM

AleceNewell: it often does feel like that

May 26 2016, 9:48 PM

ShannonMinner: Living and dying...sometimes my ideas never see the light of day or sit on my "to make" list.

May 26 2016, 9:48 PM

CarrieAnderson: i remember that part of the book...and how she talked about the ideas moving on if you dont recieve them

May 26 2016, 9:48 PM

Guest1010 (guest): that ideas were like energy?

May 26 2016, 9:48 PM

EdithBanks: I thom know everyone has creativity - they just don't exercise it.

May 26 2016, 9:49 PM

JudiPartlo: Kinda how Marie Kondo sees objects as almost living things.

May 26 2016, 9:49 PM

EdithBanks: The rainforest story.

May 26 2016, 9:49 PM

CarrieAnderson: edith...yes!

May 26 2016, 9:49 PM

JudiPartlo: Her story about the Amazon was interesting and how her friend ended up writing it!

May 26 2016, 9:49 PM

AleceNewell: Wasn't that interesting in the section about how Ann Patchett and she had same story idea

May 26 2016, 9:49 PM

CarrieAnderson: which incidentally made me go buy the book that ann patchett wrote...haahaaa

May 26 2016, 9:50 PM

ShannonMinner: I loved that Amazon story. That was to crazy!

May 26 2016, 9:50 PM

JudiPartlo: Really?! How does it look, Carrie?

May 26 2016, 9:50 PM

AleceNewell: I'm going to get it too Carrie - I love Ann Patchett

May 26 2016, 9:50 PM

ShannonMinner: Did you read it yet Carrie? She should get a kickback since she's sending people to buy the book

May 26 2016, 9:50 PM

Guest1010 (guest): yes! but that does happen. people get similar ideas. i just finished truth, beauty, & friendship by ann patchett. it was very good.

May 26 2016, 9:50 PM

CarrieAnderson: havent started it...its in my giant pile..hahaahaaa

May 26 2016, 9:51 PM

Jennifer Wilson: I AM NOT 100% SURE I BELIEVE THAT IDEAS ARE WAITING FOR THE RIGHT PERSON.. ON ONE HAND I SORT OF GET IT, BUT ON THE OTHER I AM TOO MUCH OF A SKEPTIC/SCIENTIST THAT I CAN'T BELIEVE IDEAS ARE SENTIENT THAT WAY... YOU KNOW?

May 26 2016, 9:51 PM

MarinaDelgado: I do believe that there is an energy in everything...

May 26 2016, 9:51 PM

AleceNewell: So what do you think did the idea "leap" from Elizabeth to Ann??

May 26 2016, 9:51 PM

CarrieAnderson: i can see your left brain telling you that Jennifer

May 26 2016, 9:51 PM

JudiPartlo: Yes, I agree with the energy idea, but not sure you would transfer it with a kiss

May 26 2016, 9:51 PM

ShannonMinner: I have a giant pile to Carrie. I'm hoping to get some reading done this summer!

May 26 2016, 9:52 PM

Guest1010 (guest): yes but it is funny how scrapbook companies at CHA will have similar themes or color schemes for the season, & they didn't share with each other when developing them.

May 26 2016, 9:52 PM

MarinaDelgado: It's just physics

May 26 2016, 9:52 PM

JudiPartlo: Interesting!

May 26 2016, 9:52 PM

CarrieAnderson: shannon...the problem is for every book i finish i add five more to the list!!!

May 26 2016, 9:53 PM

ShannonMinner: Guest1010 - I think they just follow fashion and scrapbooking trends. Up until a few years ago I didn't know there was an "it color" announced every year. A lot gets designed based on that color.

May 26 2016, 9:53 PM

Jennifer Wilson: I DO BELIEVE EVERYTHING HAS ENERGY YES...

May 26 2016, 9:53 PM

Maggie Dameron Clark: Me too Carrie. Never enough books. Or time.

May 26 2016, 9:53 PM

AleceNewell: I find it comforting that I will never read all the books I want to

May 26 2016, 9:53 PM

ShannonMinner: You should see my Goodreads "Want to Read" list Carrie and I have a stack I just got from the public library and a larger stack I want to read from my school library.

May 26 2016, 9:53 PM

JudiPartlo: I have been a human radio antenna before.

May 26 2016, 9:53 PM

Cindy March: I find it frustrating.

May 26 2016, 9:53 PM

Guest1010 (guest): what do you mean judi?

May 26 2016, 9:54 PM

Jennifer Wilson: QUOTE // p. 73 - "Sometimes I grope around in the dark, desperately looking for magical creative stimulus, and all I come up with something that feels like a damp washcloth."

May 26 2016, 9:54 PM

Jennifer Wilson: QUESTION // Q3. Does this ever happen to you? What are the ways in which you seek inspiration and come up empty.

May 26 2016, 9:54 PM

JudiPartlo: Have you ever been by a radio and when you move it changes the reception?!

May 26 2016, 9:55 PM

ShannonMinner: I scraplift a bunch but if the layout seems to intimidating or time consuming then the idea, and materials, just sit.

May 26 2016, 9:55 PM

PatriciaMoore: Jennifer, I grope around in the dark more than I like to admit...

May 26 2016, 9:55 PM

EdithBanks: Yes- sometimes I'm trying to hard - to do emo thing new

May 26 2016, 9:55 PM

AleceNewell: Yes I want some idea that is perfect and lovely and it just looks like pictures glued on a page with some scraps.

May 26 2016, 9:55 PM

CarrieAnderson: sometimes i am looking for the perfect sketch or layout to lift or idea and can go through pages of "not quite right"

May 26 2016, 9:56 PM

JudiPartlo: Things sure flow easier at times than others!

May 26 2016, 9:56 PM

Jennifer Wilson: I LIKED HOW LATER SHE REALLY SAYS FINDING THE DAMP WASHCLOTH IS OK, BC YOU ARE MOVING FORWARD

May 26 2016, 9:56 PM

CarrieAnderson: edith yes!!! or trying to do something not my style and forcing it

May 26 2016, 9:56 PM

Guest1010 (guest): yes i get inspired to try something then it doesn't go the way i want it to, or look the way i thought it would, or it's an ugly big mess, or i'm too tired to follow through. damp washcloth example i mess up on the journaling & redo, & it doesn't look any better.

May 26 2016, 9:56 PM

Maggie Dameron Clark: I scrap lift and then stress out by trying to create a perfect copy. I am trying to learn to simplify a little and make it my own.

May 26 2016, 9:56 PM

JudiPartlo: And I liked how she said when you are stuck to just do something else and it often helps!

May 26 2016, 9:57 PM

AleceNewell: That does help me Judi

May 26 2016, 9:57 PM

Cindy March: That's the part that I really understood.

May 26 2016, 9:57 PM

JudiPartlo: It's a great perspective

May 26 2016, 9:57 PM

MarinaDelgado: hmmm...not sure inspiration is a weird thing for me I don't feel like I search for it

May 26 2016, 9:57 PM

Guest1010 (guest): i liked that idea of any motion even unrelated.

May 26 2016, 9:58 PM

MarinaDelgado: Not because I have a ton of it but because I'm more motivated in my creative hobby by logic based reasoning

May 26 2016, 9:58 PM

JudiPartlo: In her examples, doing something else often just cleared your mind and allowed you to come back more freely to your creative project.

May 26 2016, 9:58 PM

Jennifer Wilson: QUOTE // p. 86 - "You do not need anybody's permission to live a creative life."

May 26 2016, 9:58 PM

AleceNewell: Explain Marina

May 26 2016, 9:58 PM

Jennifer Wilson: QUOTE // p. 89 - "Are you considering becoming a creative person? Too late, you already are one. To even call somebody "a creative person" is almost laughably redundant; creativity is the hallmark of our species."

May 26 2016, 9:58 PM

Jennifer Wilson: QUESTION // Q4. Do you see yourself as a creative person?

May 26 2016, 9:59 PM

Guest1010 (guest): i really liked that quote, & yes i totally do.

May 26 2016, 9:59 PM

ShannonMinner: Yes I do. Artistic, no. Creative, yes!

May 26 2016, 9:59 PM

Cindy March: Most of the time.

May 26 2016, 9:59 PM

AleceNewell: I think I have learned to in the past few years.

May 26 2016, 9:59 PM

Guest6855 (guest): Yes, I consider myself creative

May 26 2016, 9:59 PM

MarinaDelgado: I don't think I've ever said this out loud but I'm most motivated to get scrapbooking/creative work done when they feel like homework assignments...

May 26 2016, 9:59 PM

JudiPartlo: Yes, I do, even though I find it hard to admit to others

May 26 2016, 9:59 PM

AleceNewell: That's a good way to find motivation Marina

May 26 2016, 9:59 PM

EdithBanks: Yes-

May 26 2016, 10:00 PM

CarrieAnderson: Q4...yes i definitely am...sometimes it struggles to get out but yes i am creative

May 26 2016, 10:00 PM

Jennifer Wilson: FASCINATING MARINA... I AM THE LEAST MOTIVATED IN THAT INSTANCE

May 26 2016, 10:00 PM

JudiPartlo: You mean like a deadline, Marina?

May 26 2016, 10:00 PM

DionneJack: Yes, I think I am creative.

May 26 2016, 10:00 PM

Maggie Dameron Clark: I'mean not sure. I can adapt other's ideas and make them my own, but I seldom come up with a totally original idea.

May 26 2016, 10:00 PM

Patricia Moore: I didn't always, but do more in these later years.

May 26 2016, 10:00 PM

Guest1010 (guest): i think everyone is creative, in their own way.

May 26 2016, 10:00 PM

Jennifer Wilson: THE UNKIT CLUB FAILURE IS A GREAT EXAMPLE.. AS SOON AS I SET A PUBLIC EXPECTATION I LOST ALL EXCITEMENT

May 26 2016, 10:00 PM

Marina Delgado: yes a deadline/clear project plan etc

May 26 2016, 10:00 PM

Alece Newell: But Maggie you are creative when you adapt that idea

May 26 2016, 10:01 PM

Carrie Anderson: maggie...i dont think there are any REALLY original ideas...we absorb and soak up inspiration from everything

May 26 2016, 10:01 PM

Guest1010 (guest): maybe you aren't externally motivated jennifer.

May 26 2016, 10:01 PM

JudiPartlo: I think that helps me, too, Marina - it kind of gives more structure to the project.

May 26 2016, 10:01 PM

ShannonMinner: I could be more creative if I uncluttered and got myself more organized.

May 26 2016, 10:01 PM

DionneJack: I agree Carrie.

May 26 2016, 10:01 PM

EdithBanks: Maggie - I don't think creativity and originality are the same thing

May 26 2016, 10:01 PM

JudiPartlo: Great point, Edith!!!

May 26 2016, 10:01 PM

AleceNewell: Great though Edith

May 26 2016, 10:01 PM

MarinaDelgado: This is weird but I don't have a lot of excitement around scrapbooking...I LOVE doing it but I don't get sparks where I'm like I just have to scrapbook that...

May 26 2016, 10:01 PM

DionneJack: Yes, Edith

May 26 2016, 10:02 PM

Guest1010 (guest): maggie no one else has your voice though.

May 26 2016, 10:02 PM

CarrieAnderson: marina...interesting...i feel like all i get are the sparks without the follow through haahahaha

May 26 2016, 10:02 PM

Jennifer Wilson: I DON'T KNOW... I LIKE TELLING SOMEONE I AM GOING TO EMPTY THE DISHWASHER... SO THAT I DO IT.... BUT IT DOESN'T WORK FOR CREATIVITY IN THE SAME WAY FOR M

May 26 2016, 10:02 PM

Jennifer Wilson: E

May 26 2016, 10:02 PM

Guest1010 (guest): your own unique point of view.

May 26 2016, 10:03 PM

ShannonMinner: Me to Carrie!

May 26 2016, 10:03 PM

Maggie Dameron Clark: Thanks for the thoughts on creativity.

May 26 2016, 10:03 PM

MarinaDelgado: It's kind of a meditative calming thing. I get some pictures and am able to play creatively Which is hard for me to do without some guidelines. Scrapbooking provides that

May 26 2016, 10:03 PM

PatriciaMoore: Edith, that is interesting, because there are those in my family that are very original. I need something to give me an idea & that is why I thought I wasn't creative.

May 26 2016, 10:04 PM

Maggie Dameron Clark: I agree Patricia. That's how I feel.

May 26 2016, 10:04 PM

Jennifer Wilson: I'VE NEVER FELT LIKE I NEEDED PERMISSION TO BE CREATIVE.... I DO AGREE THAT PART OF THAT IS HOW YOU ARE RAISED.. I WAS GIVEN A LOT OF FREEDOM AND ENCOURAGEMENT

May 26 2016, 10:04 PM

JudiPartlo: I feel like my creativity was often born out of necessity - not having much and wanting to do things

May 26 2016, 10:05 PM

MarinaDelgado: Yes I'm creative.

May 26 2016, 10:05 PM

MarinaDelgado: Though it has taken A LOT of work to really own that statement

May 26 2016, 10:05 PM

MarinaDelgado: Im

May 26 2016, 10:05 PM

PatriciaMoore: My family didn't do anything creative. I worked, even as a child.

May 26 2016, 10:05 PM

ShannonMinner: Creativity and scrapbooking is my outlet, my stress relief.

May 26 2016, 10:05 PM

Guest6855 (guest): My mother encouraged creativity my father tried to squelch it.

May 26 2016, 10:06 PM

EdithBanks: I remember really enjoying the projects I made in girls scouts- even when they went perfect

May 26 2016, 10:06 PM

Maggie Dameron Clark: Me too Patricia. It

May 26 2016, 10:06 PM

Jennifer Wilson: QUOTE // p. 110 - "No matter how great your teachers may be, and no matter how esteemed your academy's reputation, eventually you will have to do the work by yourself."

May 26 2016, 10:06 PM

Maggie Dameron Clark: Was all work.

May 26 2016, 10:06 PM

Jennifer Wilson: QUESTION // Q5. Have you ever sought out more education to avoid doing the work?

May 26 2016, 10:06 PM

MarinaDelgado: I'm creative because We all have that potential and because I choose to be through practicing with scrapbooking, writing, and by thinking creatively about a myriad of topics

May 26 2016, 10:06 PM

ShannonMinner: I've just always been crafty and tried different things even as a young child.

May 26 2016, 10:06 PM

Guest1010 (guest): yeah, but even if you worked i bet you thought about unique ways to solve problems.

May 26 2016, 10:06 PM

Maggie Dameron Clark: Creativity and play were not good things.

May 26 2016, 10:07 PM

CarrieAnderson: haaahaahahaha...yes...yes i have continued to educate myself instead of doing the work...haahahaha

May 26 2016, 10:07 PM

PatriciaMoore: So I guess it is unusual that you(Maggie) & I found a creative outlet?

May 26 2016, 10:07 PM

MarinaDelgado: Q5 Yes! Recovering BPC addict here lol

May 26 2016, 10:07 PM

ShannonMinner: I would say I don't seek out education to make myself more creative or avoid work.

May 26 2016, 10:07 PM

AleceNewell: Is that why I take more classes so I don't have to finish projects?

May 26 2016, 10:07 PM

ShannonMinner: FOMO addict here!

May 26 2016, 10:07 PM

EdithBanks: Yes! I want to watercolor on cards - have taken several in,Inge classes -bought several watercolor mediums

May 26 2016, 10:07 PM

StacyAnderson: I definitely do that!

May 26 2016, 10:08 PM

JudiPartlo: I really liked how she put emphasis on not getting a degree in a creative pursuit as a goal and the dangers of doing that - really showed how you just have to do it for the love of doing it and not try to make a living at it

May 26 2016, 10:08 PM

CarrieAnderson: marina...solidarity fist bump...lol

May 26 2016, 10:08 PM

Guest1010 (guest): i definitely tried to learn more, so i would feel more qualified, or that i needed that extra validation, because i wasn't sure what was inside me was good enough, & yes to avoid showing or doing the work.

May 26 2016, 10:08 PM

Jennifer Wilson: I THINK IT'S A COMMON PROBLEM BTW

May 26 2016, 10:08 PM

ShannonMinner: I do generally love to learn.

May 26 2016, 10:08 PM

Jennifer Wilson: SO NO SHAME HERE

May 26 2016, 10:08 PM

Maggie Dameron Clark: Yes. I am also very shy and it started as a social thing with very close friends.

May 26 2016, 10:08 PM

MarinaDelgado: I agree Judi.

May 26 2016, 10:08 PM

MarinaDelgado: That is so me to think I need some type of official certification

May 26 2016, 10:09 PM

AleceNewell: Maggie part of my "hobby" is because it leads to social events for scrapbooking

May 26 2016, 10:09 PM

JudiPartlo: I know what you mean, Marina - how that seems to make it more valid

May 26 2016, 10:09 PM

Jennifer Wilson: I'VE WONDERED IF I SHOULD GET A COACHING CERTIFICATION... MY BIZ COACH SAYS NO.. BUT MY IMPOSTER COMPLEX SAYS YES SOME DAYS

May 26 2016, 10:09 PM

MarinaDelgado: When I was reading this book I though about it related to scrapbooking but also writing and also just my venture into teaching mindfulness

May 26 2016, 10:10 PM

JudiPartlo: What's your imposter complex?

May 26 2016, 10:10 PM

Guest1010 (guest): it's all the ego or imposter syndrome.

May 26 2016, 10:10 PM

PatriciaMoore: I am pretty happy just working in my scraproom. Use to have scrap friends!

May 26 2016, 10:10 PM

ShannonMinner: The social aspect sometimes prevents me from working. When I have limited scrapbooking time I really got to an event with a specific focus and always much more work than I could possible get done. It is fun to meet new people.

May 26 2016, 10:10 PM

MarinaDelgado: It doesn't sound creative but it definitely does call deep on my creativity to turn that curriculum I've learned into my own styling and then to just go out there and share it

May 26 2016, 10:10 PM

ShannonMinner: I would love to write more so I also had a lot of "take away" from what I've read so far.

May 26 2016, 10:11 PM

AleceNewell: I believe we equate success with a certificate

May 26 2016, 10:11 PM

JudiPartlo: That's cool, Shannon!

May 26 2016, 10:11 PM

Jennifer Wilson: FROM WIKIPEDIA: high-achieving individuals marked by an inability to internalize their accomplishments and a persistent fear of being exposed as a "fraud"

May 26 2016, 10:11 PM

JudiPartlo: Alece, don't you think society has portrayed it that way?

May 26 2016, 10:11 PM

CarrieAnderson: shannon...this book definitely made me want to become a writer...even though she made it seem really hard...lol

May 26 2016, 10:11 PM

AleceNewell: Yes Judi

May 26 2016, 10:11 PM

Jennifer Wilson: I FELT THAT WAY TOO CARRIE!

May 26 2016, 10:11 PM

MarinaDelgado: Yup Jennifer on the coach stuff and I certainly think that my decision to go to grad school is a combo of needing it for a specific type of work but also feeling like that gives me some validity in infusing mindfulness

May 26 2016, 10:11 PM

StacyAnderson: That's me Jennifer. Big time...

May 26 2016, 10:12 PM

Guest1010 (guest): have any of you read elizabeth gilbert's other books?

May 26 2016, 10:12 PM

StacyAnderson: Every since I was little...I can trace back to a very specific event

May 26 2016, 10:12 PM

AleceNewell: Yes I have

May 26 2016, 10:12 PM

JudiPartlo: I have, Guest1010.

May 26 2016, 10:12 PM

EdithBanks: Only Eat Pray Love

May 26 2016, 10:12 PM

Cindy March: I read Eat Love Pray

May 26 2016, 10:12 PM

Guest6855 (guest): I read

May 26 2016, 10:13 PM

AleceNewell: Stern Men is good

May 26 2016, 10:13 PM

Guest6855 (guest): Eat Pray Love

May 26 2016, 10:13 PM

MarinaDelgado: Eat pray love

May 26 2016, 10:13 PM

JudiPartlo: Eat, Pray, Love and Committed

May 26 2016, 10:13 PM

Jennifer Wilson: I REMEMBER LIKING THE EPL MOVIE MORE THAN THE BOOK

May 26 2016, 10:13 PM

ShannonMinner: It ain't easy Carrie. I've been to a few writer's conferences over the years and as a school librarian I have hosted my fair share of authors.

May 26 2016, 10:13 PM

MarinaDelgado: I read eat pray love with my Mom. Last book we read together before she died so it holds a special place for me

May 26 2016, 10:13 PM

Guest1010 (guest): i wondered if you liked this book better than her others or differently. i couldn't even watch the EPL movie, but i liked the book. all her books seem very different to me.

May 26 2016, 10:14 PM

CarrieAnderson: i actually didnt like eat pray love and quit partway through...so that made me hesitate to read this...but i think reading brene first set me up to get alot out of this one

May 26 2016, 10:14 PM

PatriciaMoore: Ah cool Marina

May 26 2016, 10:14 PM

ShannonMinner: I haven't read any of her books.

May 26 2016, 10:14 PM

JudiPartlo: For me, not better than the others, just different

May 26 2016, 10:14 PM

CarrieAnderson: thats a sweet memory marina

May 26 2016, 10:14 PM

AleceNewell: have started Signature of All Things and like it so far

May 26 2016, 10:15 PM

CarrieAnderson: alece...that reminds me ...i think i quit that one too!! oops

May 26 2016, 10:15 PM

Jennifer Wilson: QUOTE // p. 117 - "Every time you express a complaint about how difficult and tiresome it is to be creative, inspiration takes another step away from you,offended."

May 26 2016, 10:15 PM

Guest1010 (guest): like as she changes her writing changes. as we all kind of evolve try things or return to what we like or know.

May 26 2016, 10:15 PM

Jennifer Wilson: QUESTION // Q6. Do you think we (collectively) complain too much about our struggles in scrapbooking?

May 26 2016, 10:16 PM

CarrieAnderson: i think its kind of a way of social bonding #thestruggleisreal

May 26 2016, 10:16 PM

Guest1010 (guest): i think we collectively complain too much in general. i know i'm guilty. i think we want to feel like others understand our struggles.

May 26 2016, 10:16 PM

EdithBanks: I think when we do it goes back to the fear

May 26 2016, 10:16 PM

AleceNewell: I probably do at least in my head. Mainly about not having enough time, good pictures, no support from my family

May 26 2016, 10:16 PM

Cindy March: I think people forget that Scrapbooking is a fun hobby.

May 26 2016, 10:16 PM

StacyAnderson: That really struck me about everything. I complain about a lot but when I hear other people doing it, it's just exhausting.

May 26 2016, 10:16 PM

PatriciaMoore: I really have cut down on saying "busy" or "stuck" because it does seem to be a downer

May 26 2016, 10:16 PM

ShannonMinner: I don't think we complain a lot but our scrapbooking "issues" come up when we meet with people who can sympathize.

May 26 2016, 10:17 PM

JudiPartlo: It makes me think of her perspective between the ego and the soul - the ego is never satisfied and needs constant reassurance, the soul needs wonder!

May 26 2016, 10:17 PM

CarrieAnderson: shannon...yes..when you find someone who "gets it" youre more likely to "complain"

May 26 2016, 10:17 PM

Jennifer Wilson: OUR NEXT QUOTE REALLY GETS INTO THIS SOME MORE.. ONE OF MY FAVES FROM THE BOOK

May 26 2016, 10:17 PM

Guest1010 (guest): i do think that some times we take things too seriously. like she said even the beatles said, we're just a band.

May 26 2016, 10:18 PM

MarinaDelgado: I think surface level complaining probably happens a lot. I think it's scary if we get into some real deeply vulnerable places about why we have those hang ups

May 26 2016, 10:18 PM

Jennifer Wilson: I THINK THAT GOES FOR A LOT OF THINGS IN LIFE.. WE COMPLAIN BUT WOULDN'T TRADE THEM FOR ANYTHING..

May 26 2016, 10:18 PM

CarrieAnderson: there isnt alot of "shopping" talk on our forums and chats but others ive been on there is ALOT of complaining about products companies and not getting stuff on time or selling out too fast etc

May 26 2016, 10:18 PM

Jennifer Wilson: LIKE OUR KIDS DOING X, Y, OR Z... OR THE COST OF THE A, B, C ETC.

May 26 2016, 10:19 PM

DionneJack: I don't think that we complain too much. I often sense that we mention the things we're struggling with in the hope that someone else has been there and has some good ideas we can try.

May 26 2016, 10:19 PM

AleceNewell: You're right Jennifer

May 26 2016, 10:19 PM

Jennifer Wilson: I'VE HAD TO STOP LISTENING TO THE PRODUCT CONVERSATIONS... IT JUST DOESN'T MATTER

May 26 2016, 10:19 PM

PatriciaMoore: I think you are right Dionne

May 26 2016, 10:20 PM

CarrieAnderson: jennifer...wise move...i need to do that too!!

May 26 2016, 10:20 PM

Guest1010 (guest): dionne when i grow up i want to be like you.

May 26 2016, 10:20 PM

DionneJack:

May 26 2016, 10:21 PM

ShannonMinner: The number of people scrapbooking isn't what it used to be. Companies may be making what they can so they aren't stuck with it and can stay in business. We can't control that.

May 26 2016, 10:22 PM

Guest1010 (guest): and we all like different things & have different opinions or points of view, so what x y z likes might not be what i like. it's just their opinion.

May 26 2016, 10:22 PM

PatriciaMoore: true

May 26 2016, 10:22 PM

Jennifer Wilson: QUOTE // p. 150 - "Because if you love and want something enough - whatever it is - then you don't really mind eating the shit sandwich that comes with it."

May 26 2016, 10:22 PM

Jennifer Wilson: QUESTION // Q7. What's your flavor of shit sandwich? In other words, what aspects of scrapbooking aren't your favorite but you're are willing to tolerate them because it's important to you?

May 26 2016, 10:23 PM

ShannonMinner: My messy scrapbooking room and space.

May 26 2016, 10:23 PM

Cindy March: Pulling everything out to scrapbook.

May 26 2016, 10:23 PM

CarrieAnderson: putting everything away

May 26 2016, 10:23 PM

Guest1010 (guest): photo organizing, editing i like the least

May 26 2016, 10:24 PM

CarrieAnderson: the HUGE amounts of money spent

May 26 2016, 10:24 PM

ShannonMinner: Motivating myself right now to get upstairs and do some layouts since it has been so long!

May 26 2016, 10:24 PM

AleceNewell: the not perfect pictures I use anyway so I can tell the story for memory sake

May 26 2016, 10:24 PM

CarrieAnderson: oh yeah and organizing and editing photos haahaaa

May 26 2016, 10:24 PM

EdithBanks: The quality of my photos - Mostly iPhone

May 26 2016, 10:24 PM

Guest6855 (guest): Small apartment hard to pull it out and put it away but I love to journal on the pages I do.

May 26 2016, 10:24 PM

ShannonMinner: Deciding what to scrapbook. The process of picking and uploading photos.

May 26 2016, 10:24 PM

JudiPartlo: Quality of photos for sure, plus trying to edit and organize them

May 26 2016, 10:24 PM

Candace: My lack of scrapbooking room and space. And not having anyone to craft with in person. I miss that!

May 26 2016, 10:25 PM

ShannonMinner: I am so disappointed with the iPhone cameras to Edith!

May 26 2016, 10:25 PM

PatriciaMoore: The slow progress & frustration of not getting more done

May 26 2016, 10:25 PM

DionneJack: For sure it's editing photos for me. The whole process comes to a grinding halt if I'm not in the mood for it.

May 26 2016, 10:26 PM

MarinaDelgado: Hmm...maybe my high level of discomfort when trying new techniques...and the time it takes from other projects/family time

May 26 2016, 10:26 PM

Jennifer Wilson: INTERESTING... I HAD NO IDEA THER WAS SO MUCH ANXIETY ABOUT THE LOOK OF YOUR PHOTOS... THAT'S SOMETHING WE CAN CERTAINLY WORK ON IN THE MEMBERSHIP!

May 26 2016, 10:26 PM

MarinaDelgado: It does take time and a level of devotion with product purchsing even at a minimal level but it it worth it

May 26 2016, 10:28 PM

AleceNewell: its the background that drives me crazy - how do these people always have seemingly candid photos with nothing distracting in background?

May 26 2016, 10:28 PM

CarrieAnderson: jennifer...for me at least...it comes back to "just do the work" i have the tools and the "education" i just need to do it!

May 26 2016, 10:28 PM

Jennifer Wilson: ALSO INTERESTING THAT PHOTOS IN GENERAL ARE CHALLENGING... YET THEY ARE THE FOUNDATION AND STARTING POINT FOR SCRAPBOOKING

May 26 2016, 10:28 PM

PatriciaMoore: Yes Candace I miss that too. Would get more done if I had a "buddy"

May 26 2016, 10:28 PM

AleceNewell: Preach it Carrie!!

May 26 2016, 10:28 PM

CarrieAnderson: alece!!!! yes...yes this!! or bright perfect colors!!

May 26 2016, 10:28 PM

JudiPartlo: Many of my photos are old and just crappy quality but precious memories. I don't have a DSLR either

May 26 2016, 10:29 PM

CarrieAnderson: i KNOW im not supposed to compare but its freakin hard!

May 26 2016, 10:29 PM

JudiPartlo: It sure is!!!!

May 26 2016, 10:30 PM

Guest1010 (guest): i like taking photos, but i don't like the process of printing them or having them printed. also the old photos or photos taken by other people aren't that good, but they're like all we have of certain moments.

May 26 2016, 10:30 PM

EdithBanks: So much is out there to compare ourselves to - blogs- YouTube

May 26 2016, 10:31 PM

PatriciaMoore: So true Edith

May 26 2016, 10:31 PM

Jennifer Wilson: OH COMPARISON.... SHE DIDN'T TOUCH ON THAT MUCH BUT IT'S SO RELATED!

May 26 2016, 10:31 PM

Jennifer Wilson: QUOTE // p. 158 - "The essential ingredients for creativity remain exactly the same for everybody: courage, enchantment, permission, persistence, trust -and those elements are universally accessible."

May 26 2016, 10:31 PM

AleceNewell: Can I say thank you to Jennifer for providing us a "community" even though scrapbooking is no longer the "cool new" hobby that stores are all about

May 26 2016, 10:31 PM

Jennifer Wilson: QUESTION // Q8. Which ingredient do you need more of in your life?

May 26 2016, 10:31 PM

Jennifer Wilson: MY PLEASURE ALECE!

May 26 2016, 10:31 PM

CarrieAnderson: courage and persistence

May 26 2016, 10:31 PM

PatriciaMoore: Time

May 26 2016, 10:32 PM

AleceNewell: permission and trust

May 26 2016, 10:32 PM

Jennifer Wilson: AND WOW, IT'S ALREADY 9:30.... I'VE GOT A FEW MORE QUESTIONS FOR THOSE WHO CAN STAY! GREAT DISCUSSION...

May 26 2016, 10:32 PM

JudiPartlo: permission and persistence

May 26 2016, 10:32 PM

ShannonMinner: Time, but that wasn't an ingredient you listed.

May 26 2016, 10:32 PM

CarrieAnderson: 730 here i can go a few more houres

May 26 2016, 10:32 PM

DionneJack: persistence for me

May 26 2016, 10:32 PM

EdithBanks: Persistence

May 26 2016, 10:32 PM

CarrieAnderson: i feel like you guys give me the permission!!

May 26 2016, 10:33 PM

Cindy March: Patience with myself.

May 26 2016, 10:33 PM

ShannonMinner: Probably the one that is closest is persistence.

May 26 2016, 10:33 PM

Candace: Yup Carrie. You go girl!!

May 26 2016, 10:33 PM

Guest6855 (guest): Time and persistence

May 26 2016, 10:33 PM

Guest1010 (guest): can i say all of the above?

May 26 2016, 10:33 PM

Marina Delgado: Sorry my internet went wacky and I missed a buch

May 26 2016, 10:34 PM

ShannonMinner: You can say whatever you want Guest1010

May 26 2016, 10:34 PM

Jennifer Wilson: YES, THIS IS A PERMISSION-GRANTING SUPPORT GROUP

May 26 2016, 10:35 PM

Marina Delgado: Persistence and courage

May 26 2016, 10:35 PM

PatriciaMoore: It wasn't listed, but I need to be more patient with myself

May 26 2016, 10:36 PM

Guest1010 (guest): i probably need persistence & courage, but i want enchantment & want to trust in myself or trust in the process.

May 26 2016, 10:36 PM

Jennifer Wilson: OOH PATIENCE, GRACE, GENTLENESS... SO IMPORTANT TOO

May 26 2016, 10:36 PM

Marina Delgado: I like that thought guest1010

May 26 2016, 10:36 PM

CarrieAnderson: good insight guest1010

May 26 2016, 10:37 PM

Marina Delgado: Compassion is big for me

May 26 2016, 10:37 PM

Marina Delgado: It's what helps me move through the fear for sure

May 26 2016, 10:37 PM

Candace: Compassion. I like that.

May 26 2016, 10:37 PM

ShannonMinner: Mercy - That's the Pope's word for 2016.

May 26 2016, 10:38 PM

ShannonMinner: You can show it to yourself too.

May 26 2016, 10:38 PM

Marina Delgado: Yup self-compassion I've found had been a big key for me in changing old habits

May 26 2016, 10:39 PM

Marina Delgado: Being too hard on myself wasn't working for sure

May 26 2016, 10:39 PM

PatriciaMoore: Good going Marina

May 26 2016, 10:39 PM

Jennifer Wilson: THESE THEMES ALSO GO WELL WITH IMPERFECTION.

May 26 2016, 10:39 PM

Jennifer Wilson: QUOTE // p. 161 - "Stop treating your creativity like it's a tired, old, unhappy marriage and start regarding it with the fresh eyes of a passionate lover."

May 26 2016, 10:39 PM

Jennifer Wilson: QUESTION // Q9. What would this look like for you?

May 26 2016, 10:40 PM

Marina Delgado: recognizing the moments when I am excited or feeling that spark and being present with so I can call upon it later

May 26 2016, 10:40 PM

EdithBanks: My creative projects would not be at the bottom of my list

May 26 2016, 10:41 PM

JudiPartlo: Making time for creativity and creating an inviting atmosphere- essential oil diffuser, favorite cup of tea and being by myself

May 26 2016, 10:41 PM

ShannonMinner: Maybe trying a new technique?

May 26 2016, 10:41 PM

PatriciaMoore: Going back & looking at my albums....reminds me why I love this hobby

May 26 2016, 10:41 PM

CarrieAnderson: making space for ideas in my life...places to write them down, time to develop them, quiet time to allow them to come to me

May 26 2016, 10:41 PM

AleceNewell: Good night all! I have a 4:20am wake up call for the gym. This was an interesting book and tonight's conversation wonderful

May 26 2016, 10:41 PM

Candace: Oh, good thought, Edith.

May 26 2016, 10:41 PM

ShannonMinner: When I'm motivated to go scrapbook...go scrapbook!

May 26 2016, 10:41 PM

Jennifer Wilson: I REALLY ENJOYED THIS SECTION... NEVER THOUGHT ABOUT STEALING SWEET MOMENTS WITH MY CRAFT LIKE THIS

May 26 2016, 10:41 PM

ShannonMinner: Good night Alece.

May 26 2016, 10:41 PM

JudiPartlo: Love that Carrie!

May 26 2016, 10:41 PM

CarrieAnderson: good idea patricia!

May 26 2016, 10:41 PM

DionneJack: finding the joy in creating even if it's only a small moment of time is a start for me

May 26 2016, 10:41 PM

Marina Delgado: I fee like I got a slow start in this hobby and I finally have my fresh eyes on now

May 26 2016, 10:42 PM

AleceNewell: How fun Jennnifer. So long

May 26 2016, 10:42 PM

JudiPartlo: I feel like I'm finally moving in the right direction!

May 26 2016, 10:42 PM

ShannonMinner: Jennifer - Haven't you said to break down the tasks into steps that we can do maybe 15-minutes a day? To me that's stealing sweet moments

May 26 2016, 10:42 PM

DionneJack: Yes, Carrie that's an important part of the process for me.

May 26 2016, 10:42 PM

Jennifer Wilson: GOOD POINT...

May 26 2016, 10:42 PM

Marina Delgado: Yes Dionne

May 26 2016, 10:42 PM

JudiPartlo: Nlce, Shannon

May 26 2016, 10:43 PM

Jennifer Wilson: GOING BACK TO SOMETHING MARINA SAID EARLIER... I THINK SOMETIMES THERE'S THRILLING EXCITEMENT AND SOMETIMES THE MOOD IS

MORE, WELL... MOODY... DEEPLY PERSONAL AND RESTORATIVE, BUT YOU COULDN'T REALLY CALL IT SEXY...

May 26 2016, 10:43 PM

ShannonMinner: I just ordered some pictures for some layout kits I bought. Hopefully that will give me some motivation to work with some things I recently purchased.

May 26 2016, 10:44 PM

Guest6855 (guest): Great Discussion but our son wants to take me to Michaels. Will the discussion be up later to

May 26 2016, 10:44 PM

CarrieAnderson: hahaahaha...my right brain is making interesting pictures right now jennifer...haahaaa

May 26 2016, 10:44 PM

ShannonMinner: What a nice son Guest6855!

May 26 2016, 10:44 PM

JudiPartlo: I have to go, too - goodnight everyone!!

May 26 2016, 10:44 PM

Marina Delgado: Yeah Jennifer exactly...but we can make It sexy by connecting with that energy in maybe a more curious explorative way when those moments pop up

May 26 2016, 10:44 PM

DionneJack: Jennifer, I just wanted to mention that I haven't read the book yet but am still finding value in this discussion. I had the book on hold at the library and got the notice today that it's available to pick up. I'll be getting it on the weekend.

May 26 2016, 10:45 PM

Guest6855 (guest): Thank you Shannon he is great!!!!

May 26 2016, 10:46 PM

Jennifer Wilson: SO GLAD DIONNE!

May 26 2016, 10:46 PM

Jennifer Wilson: QUOTE // p. 175 - "Create whatever you want to create - and let it be stupendously imperfect because it's exceedingly likely that nobody will even notice."

May 26 2016, 10:46 PM

Jennifer Wilson: QUESTION // Q10. Are there "rules" you wish you could break? Why haven't you yet?

May 26 2016, 10:47 PM

Cindy March: Ladies thanks for a fun evening. I need to call it a night. See you next month.

May 26 2016, 10:47 PM

Patricia Moore: Bye Cindy

May 26 2016, 10:47 PM

Edith Banks: Bye Cindy

May 26 2016, 10:47 PM

Carrie Anderson: i dont think so jennifer...

May 26 2016, 10:48 PM

Marina Delgado: I'm such a rule-follower

May 26 2016, 10:48 PM

Patricia Moore: Being a rule keeper, I'm wondering what others will say.

May 26 2016, 10:48 PM

Shannon Minner: I'm thinking my only "rule" is precision. If I find a layout to scraplift with specific size and placement directions I whip out my ruler and measure out where things go. I'm not good at "Winging it"!

May 26 2016, 10:49 PM

Shannon Minner: Besides that I kinda do what I want to do.

May 26 2016, 10:49 PM

Candace: I agree. I cannot put papers on all crooked. I just can't!

May 26 2016, 10:49 PM

Edith Banks: I me too Shannon

May 26 2016, 10:50 PM

Jennifer Wilson: I WANT TO KEEP DELVING INTO RULE BREAKING IN THE FUTURE... I THINK THERE'S LOTS MORE HERE..

May 26 2016, 10:50 PM

Maggie Dameron Clark: Work before play rule. I always feel guilty if I take time to play.

May 26 2016, 10:50 PM

Marina Delgado: I guess it depends on our definition of rules then

May 26 2016, 10:50 PM

Jennifer Wilson: QUOTE // p. 237 - "Curiosity is the truth and the way of creative living."

May 26 2016, 10:50 PM

Marina Delgado: I'm pretty flexible with jus putting stuff down

May 26 2016, 10:50 PM

Jennifer Wilson: QUESTION // Q11. What are you curious about?

May 26 2016, 10:50 PM

DionneJack: I have been embracing the idea of progress not perfection. It has been freeing me to make things without being too critical by asking myself if my purpose in creating it has been met. If so, then that's good enough.

May 26 2016, 10:50 PM

ShannonMinner: If I don't measure it out I end up putting it on crooked.

May 26 2016, 10:50 PM

Marina Delgado: Yes maggie

May 26 2016, 10:50 PM

CarrieAnderson: i like that dionne!

May 26 2016, 10:50 PM

ShannonMinner: I like that Maggie!

May 26 2016, 10:51 PM

Marina Delgado: Yes Dionne

May 26 2016, 10:51 PM

Patricia Moore: experience that some, Maggie for sure...but this year my goal has been to play first.

May 26 2016, 10:51 PM

ShannonMinner: What would happen to my scrapbooking if I quit my job

May 26 2016, 10:51 PM

Maggie Dameron Clark: That only adds to the problem of not enough time.

May 26 2016, 10:51 PM

Jennifer Wilson: HEHE SHANNON

May 26 2016, 10:51 PM

Marina Delgado: Letting go of our expectations of perfection because it doesn't exist

May 26 2016, 10:52 PM

Jennifer Wilson: I THINK CURIOSITY RELATES WELL TO MY QUESTION OF "WHAT WOULD YOU DO IF YOU COULD START FROM SCRATCH?"

May 26 2016, 10:52 PM

ShannonMinner: I am curious to know how much I could accomplish if I tried to find the time to carve out bits of time to scrapbook.

May 26 2016, 10:52 PM

Maggie Dameron Clark: Me too Shannon!

May 26 2016, 10:52 PM

ShannonMinner: Not buy so many products/paper. Add journaling to my layouts more often.

May 26 2016, 10:53 PM

DionneJack: Me three Shannon

May 26 2016, 10:53 PM

EdithBanks: Ive been buying a lot - and In curious about what I really need to be creative

May 26 2016, 10:53 PM

PatriciaMoore: Definitely not buy as much

May 26 2016, 10:53 PM

Candace: I would have taken more and better pictures. And been in more of them.

May 26 2016, 10:53 PM

Marina Delgado: If I could start from scratch I wouldn't buy as much product

May 26 2016, 10:53 PM

Marina Delgado: Just start making pages

May 26 2016, 10:54 PM

ShannonMinner: I would agree with being in more photos.

May 26 2016, 10:54 PM

Jennifer Wilson: QUOTE // p. 254 - "Call attention to yourself with some sort of creative action, and - most of all - trust that if you make enough of a glorious commotion, eventually inspiration will find its way home to you again."

May 26 2016, 10:54 PM

ShannonMinner: Use my Selfie Stick more often.

May 26 2016, 10:54 PM

Jennifer Wilson: FINAL QUESTION // Q12. What is your next action?

May 26 2016, 10:54 PM

Marina Delgado: It's definitely freed me a lot to just make since my stash is so pared down now

May 26 2016, 10:55 PM

Maggie Dameron Clark: Take some time this weekend to scrapbook and relax.

May 26 2016, 10:55 PM

PatriciaMoore: I keep working on Christmas 2011 whenever I get a few minutes & have energy left.

May 26 2016, 10:55 PM

Candace: I agree Marina. And I buy only to restock for more crafting. Not to just buy.

May 26 2016, 10:55 PM

Jennifer Wilson: I THINK ONE OF THE THINGS I ENJOYED MOST ABOUT THE BOOK WAS A CONFIRMATION OF MANY SMALL NUGGETS WE WORK ON HERE, SUCH AS TAKING ACTION EVEN WHEN IT'S HARD, KNOWING THAT YOUR MOTIVATION COMES FROM DOING NOT FROM THINKING

May 26 2016, 10:55 PM

DionneJack: My next action is to finish a layout I started last week and then to edit and order some more photos to prep a few more layouts.

May 26 2016, 10:55 PM

EdithBanks: Take phot

May 26 2016, 10:56 PM
