Nov 29 2016, 9:35 PM

Jennifer Wilson: QUOTE // “You take photographs because moments matter—and scrapbook them, so you don’t forget why.”

Nov 29 2016, 9:35 PM

Jennifer Wilson: QUESTION // Q1. Why did you start scrapbooking and why do you still do it today?

Nov 29 2016, 9:36 PM

ShannonMinner: I started scrapbooking in middle school because I have always loved photography and I am a pack rat. It was a great way to combine those two.

Nov 29 2016, 9:36 PM

PatriciaMoore: As a legacy for my familystill my goal

Nov 29 2016, 9:37 PM

Laurie Lehmker Johnson: Ironically, I began scrapbooking in 2014 after my mother died from Alzheimer's. So the "don't forget why" question is quite on point for us. Three siblings - my mom and her sisters - all three with dementia disease. I don't want to forget their memories or mine.

Nov 29 2016, 9:37 PM

LCJinRoslynPA (guest): In High School I kept albums of memorabilia, and photos - not the scrapbooking of today, but a form of memory-keeping. I scrap now as a way to celebrate my life, and the lives of those I love.

Nov 29 2016, 9:37 PM

CarrieAnderson: i discovered it was a craft that i was good at. it was "art" that i wasnt intimidated by. I stay for the products and the community.

Nov 29 2016, 9:37 PM

ShannonMinner: I still do it because I love photography, it's my creative outlet, and it's a great way to showcase the events of our lives. I want my kids to know their history.

Nov 29 2016, 9:37 PM

Cindy Valovich Davenport: Started as something fun & creative to do w/ friends. Now I do it mostly to document and record my life.

Nov 29 2016, 9:37 PM

Cindy March: Farmindale, NY

Nov 29 2016, 9:37 PM

ShannonMinner: I still am a pack rat so I can store memorabilia in my albums

Nov 29 2016, 9:37 PM

AprilSwingler: I began scrapbooking in the modern sense because I had cute pictures of my baby and I wanted to do something with them.

Nov 29 2016, 9:38 PM

Guest5244 (guest): I started because it was the trendy thing to do. I keep with it for creative outlet, relaxation.

Nov 29 2016, 9:38 PM

Jennifer Wilson: I STARTED AS A WAY TO COPE WITH A BIG LIFE TRANSITION. NOW I DO IT MOSTLY AS A FAMILY GRATITUDE PRACTICE.

Nov 29 2016, 9:38 PM

ShannonMinner: Wow Laurie - Sorry for your loss. Scrapbooking is a great way to preserve memories.

Nov 29 2016, 9:38 PM

AprilSwingler: I still scrapbook today because I enjoy sharing my memories.

Nov 29 2016, 9:38 PM

JudiPartlo: I began because I got invited to a Creative Memories party and also started stamping about the same time. Took a loong break and just got back into it about 3 years ago as a way to leave a legacy for my kids and a creative outlet.

Nov 29 2016, 9:39 PM

Laurie Lehmker Johnson: Thank you Shannon. It is!.

Nov 29 2016, 9:39 PM

Tiffany Mitchell: I started right after high school as a way to house all of my memorabilia and photos from them.

Nov 29 2016, 9:39 PM

LCJinRoslynPA (guest): Love the neologism, Tiffany! I am going to have to remember that one!!

Nov 29 2016, 9:40 PM

LCJinRoslynPA (guest): Oh, darn - it originally came up as "me-orabilia" and now its corrected. Oh well - I still want to remember it!

Nov 29 2016, 9:41 PM

Jennifer Wilson: I LOVE HOW WE HAVE SO MANY DIFFERENT STORIES OF WHAT GOT THINGS STARTED!

Nov 29 2016, 9:42 PM

ShannonMinner: My big-sis in my sorority also gave me a magnetic album to scrapbook in my freshman year. That helped me continue to scrapbook through my 4 years of college.

Nov 29 2016, 9:42 PM

LisaHowells: I loved the memories I saw if myself in few books mom made so that's how I want to help our boys and remember family far away as well as our good times. (Fun paper & mixed media helps too)

Nov 29 2016, 9:43 PM

Jennifer Wilson: QUOTE // “By rewriting the rules we’ll no longer see scrapbooking as this complicated thing we must find time and space for, but instead as a simple mechanism for celebrating what we hold most dear.”

Nov 29 2016, 9:43 PM

Jennifer Wilson: QUESTION // Q2. What are you biggest obstacles to scrapbooking more?

Nov 29 2016, 9:43 PM

Cindy March: I took a scrapbooking class many years ago, before digital photography and didn't get hooked. Once digital photography evolved .the addiction started. Scrapbooking combines two creative favorites, photography and writing. Plus all the pretty paper!

Nov 29 2016, 9:43 PM

Jennifer Wilson: ADDICTION IS A GOOD WORD FOR IT!

Nov 29 2016, 9:43 PM

Cindy March: Time and space.

Nov 29 2016, 9:43 PM

Tiffany Mitchell: Time and distractions

Nov 29 2016, 9:44 PM

Cindy Valovich Davenport: Not making it a priority and digital photo overwhelm

Nov 29 2016, 9:44 PM

Laurie Lehmker Johnson: Time, space and overwhelm. I have so much stuff and so many things to scrapbook, I can't decide what to do when I do have the time.

Nov 29 2016, 9:44 PM

JudiPartlo: My biggest obstacles are making time for scrapbooking and starting too many projects.

Nov 29 2016, 9:44 PM

Patricia Moore: Time and responsibilities

Nov 29 2016, 9:44 PM

LisaHowells: A process with so many pics to select - I need to focus on what story?

Nov 29 2016, 9:44 PM

LCJinRoslynPA (guest): I have lots of time, lots of stash, and lots of photos - but no real "home" for doing my scrapping. It's hard to put it all away between sessions!

Nov 29 2016, 9:45 PM

CarrieAnderson: being motivated and having time AT THE SAME TIME! it seems if i have time i just sit and stare at my stuff and if im motivated i am at work or busy with something else...lol

Nov 29 2016, 9:45 PM

Guest5244 (guest): Space and getting distracted, esp. watching too many YouTube videos of others scrapbooking.

Nov 29 2016, 9:45 PM

ShannonMinner: Lack of time, messy scrapbook room

Nov 29 2016, 9:45 PM

Jennifer Wilson: DO YOU HAVE ANY OPTIONS FOR CREATING A SMALL NOOK LCJ?

Nov 29 2016, 9:45 PM

DonnaHildebrand: putting other people's task list as a higher priority than my desires

Nov 29 2016, 9:45 PM

ShannonMinner: Squirrel...I get easily distracted.

Nov 29 2016, 9:45 PM

CarrieAnderson: ohhhh yes...and overwhelm...too much stuff and too many potential projects

Nov 29 2016, 9:45 PM

JudiPartlo: Donna - I struggle with that, too. I need to say no more!

Nov 29 2016, 9:45 PM

Tiffany Mitchell: I will agree, having the photos I want ready is a huge obstacle.

Nov 29 2016, 9:46 PM

LCJinRoslynPA (guest): Only place I have is the dining table - with my stash the first thing anyone sees when they walk in. I crave a dedicated space but there is just no room in this apt.

Nov 29 2016, 9:46 PM

CarrieAnderson: shannon...i too am a fellow squirrel watcher...lol

Nov 29 2016, 9:46 PM

DonnaHildebrand: Yes being ready when there is opportunity

Nov 29 2016, 9:47 PM

Laurie Lehmker Johnson: I have an entire room - my Craftice, which is also my office for work. I also feel isolated back there and don't want to be away from partner and furry babies. But...I didn't like using the dining room table either, so I guess it will never be perfect and I just need to create new rules.

Nov 29 2016, 9:47 PM

WendyKiely: I have the time some evenings, but by then after work and kids I just want to sit and do nothing, and then feel guilty as I am not scraping or doing one of the many class I have purchased.

Nov 29 2016, 9:47 PM

ShannonMinner: Squirrels unite Carrie!

Nov 29 2016, 9:48 PM

Cindy Valovich Davenport: I have a dedicated room too Laurie -- I also feel isolated, but try to make it as much of a place of serenity and not so much an isolation cell!

Nov 29 2016, 9:48 PM

CarrieAnderson: wendy...same!

Nov 29 2016, 9:48 PM

LCJinRoslynPA (guest): In the "dream house" there is a loft, half for my scrapping, half for hubby's tv and other electronics... but alas, that is still a dream.

Nov 29 2016, 9:49 PM

Jennifer Wilson: I'LL JUST SAY "YES TO ALL OF THE ABOVE"

Nov 29 2016, 9:49 PM

ShannonMinner: I love having my own space where I can lock myself inside and scrap!

Nov 29 2016, 9:49 PM

Laurie Lehmker Johnson: Yes, Cindy. That's a good idea. It's very cluttered now and overwhelming. I think I would feel better if it was serene and more orderly.

Nov 29 2016, 9:49 PM

JudiPartlo: Great dream, LCJin!

Nov 29 2016, 9:49 PM

Jennifer Wilson: WE TACKLE THESE PROBLEMS AT OUR MEMBER CHATS AND INSIDE OF THE MEMBER FACEBOOK GROUP.

Nov 29 2016, 9:49 PM

Jennifer Wilson: FOR NOW, I'VE GOT MORE QUESTIONS FOR YOU!

Nov 29 2016, 9:49 PM

Jennifer Wilson: QUOTE // "When you create generous space, you feel present,intentional, and ready to act."

QUOTE // "Creating space is the act of parting the clouds in your life so creativity and focus can shine brightly."

Nov 29 2016, 9:50 PM

Jennifer Wilson: QUESTION // Q3. What's one step you need to take to create more space in your life?

Nov 29 2016, 9:50 PM

Laurie Lehmker Johnson: I need to purge and declutter every space in my house! AACK!!!

Nov 29 2016, 9:50 PM

LCJinRoslynPA (guest): First thought: stop playing computer games!!

Nov 29 2016, 9:50 PM

AprilSwingler: earmark a time to create and make it happen.

Nov 29 2016, 9:50 PM

Cindy Valovich Davenport: Delegate and reduce obligations

Nov 29 2016, 9:50 PM

JudiPartlo: Wow - great question. Several options, maybe waste less time online

Nov 29 2016, 9:51 PM

Tiffany Mitchell: Schedule time and then put away the phone, computer and other distractions so I can focus when I go to sit down.

Nov 29 2016, 9:51 PM

TanyaNapier: s

Nov 29 2016, 9:51 PM

Guest5244 (guest): Set up a card table, gather supplies, turn off electronic devices.

Nov 29 2016, 9:51 PM

TanyaNapier: schedule time

Nov 29 2016, 9:51 PM

ShannonMinner: Cleaning up my spaces. The clutter starts to get to me but with 2 young boys it's a constant struggle.

Nov 29 2016, 9:51 PM

EdithBanks: I have very little energy in the evenings

Nov 29 2016, 9:52 PM

CarrieAnderson: throw stuff away (the irony of saying that as boxes of black friday purchases start arriving at my house is not lost on me)

Nov 29 2016, 9:52 PM

TaraNolley: I've learned I can't play videos for background. I have be intentional about choosing music instead when I want to scrap.

Nov 29 2016, 9:52 PM

WendyKiely: Stop trying to multitask when I am scrapbooking

Nov 29 2016, 9:52 PM

Laurie Lehmker Johnson: I also think that I could schedule the time and treat it like I would a family event or a work appointment. Don't let anything else get in the way or stop me from commitment.

Nov 29 2016, 9:52 PM

JudiPartlo: Oh, Carrie!!

Nov 29 2016, 9:52 PM

AprilSwingler: I need to be more selective about taking on new projects or classes

Nov 29 2016, 9:52 PM

CarrieAnderson: judi...i know...its bad...lol

Nov 29 2016, 9:52 PM

JudiPartlo: <3

Nov 29 2016, 9:53 PM

CarrieAnderson: april....they just ALL SOUND SO GOOD!!!!

Nov 29 2016, 9:53 PM

DonnaHildebrand: I had success in this over Thanksgiving. It's been a long time since I svrapbooked due to "life". We celebrated thanksgiving on Saturday before as family was in from out of town. So on thanksgiving day I slept in and then scrapbooked all day. The cool thing was that over the following few days I felt like the clouds parted and creativity started flowing in many areas of my life!!

Nov 29 2016, 9:53 PM

ShannonMinner: I need to focus on what I want to work on. Maybe make a "to do" list because I love to cross things off my lists

Nov 29 2016, 9:53 PM

AprilSwingler: FOMO for sure!!! Every class is special - lol

Nov 29 2016, 9:53 PM

ShannonMinner: Yea Donna!

Nov 29 2016, 9:53 PM

WendyKiely: No buying more classing until I have done one that I already have

Nov 29 2016, 9:53 PM

Jennifer Wilson: BEING SELECTIVE TAKES DISCIPLINE, BUT I SEE IT AS A MUSCLE..THE MORE YOU WORK IT, THE STRONGER THAT MUSCLE GETS

Nov 29 2016, 9:53 PM

CarrieAnderson: donna...we had the same kind of thanksgiving this year and it was miraculous...lol

Nov 29 2016, 9:54 PM

TanyaNapier: A to-do list would probably help me, too. Crossing things off is fun!

Nov 29 2016, 9:54 PM

CarrieAnderson: shannon...listers gotta list

Nov 29 2016, 9:54 PM

ShannonMinner: I was looking forward to getting some scrapbooking time over my Thanksgiving break but for the second time ever we had family in from out of town. We had a full house until Sunday and then it was time to work on lesson plans and laundry.

Nov 29 2016, 9:54 PM

JudiPartlo: I love lists!!!!

Nov 29 2016, 9:54 PM

CarrieAnderson: april...youre speaking my language

Nov 29 2016, 9:54 PM

Jennifer Wilson: SO HERE'S ONE DIRECTION TO ADD SIMPLICITY....

Nov 29 2016, 9:54 PM

Jennifer Wilson: QUOTE // “We must use storytelling to add a deeper level of satisfaction when we can’t possibly capture it all.”

Nov 29 2016, 9:54 PM

Jennifer Wilson: QUESTION // Q4. How have you used story to simplify or get more out of your hobby?

Nov 29 2016, 9:54 PM

ShannonMinner: Carrie - to bad you don't live close to me. We could really get along. List making squirrel buddies!

Nov 29 2016, 9:55 PM

CarrieAnderson: shannon so true!

Nov 29 2016, 9:55 PM

helenh: Hard question, Jennifer.

Nov 29 2016, 9:55 PM

CarrieAnderson: i have not yet been able to "get it" when it comes to story based scrapping....help!

Nov 29 2016, 9:55 PM

ShannonMinner: I can't say I have used story to help but after reading what you had to say I can see how it would be beneficial. I tend to work on whatever inspires me.

Nov 29 2016, 9:56 PM

DonnaHildebrand: Since reading this book I've decided to focus on story (listing some important ones in my creative hub) and not getting worked up that "I am behind"

Nov 29 2016, 9:56 PM

Cindy Valovich Davenport: Sadly, I'm in the same boat as Carrie & Shannon. Have worked that approach

Nov 29 2016, 9:56 PM

JudiPartlo: I have finally started focusing on story for the first time, really. It's getting easier and is opening up new perspective as to what my scrapping priorities are

Nov 29 2016, 9:56 PM

AprilSwingler: I no longer feel obligated to create a page to showcase a lovely photo. If there isn't a story I want to tell I don't need to invent something. Down the road I probably will have a story that can be illustrated by the beautiful photo. I can wait for it.

Nov 29 2016, 9:56 PM

Laurie Lehmker Johnson: I think I start, or try to start with the photo, which sometimes is the story. But I notice that I am taking this class now (LOL!!!) where I am starting with story. My story. So it does simplify things in a way for me because I am choosing papers and embellishments to go with the story, not the photos. Does that make sense? I usually just pick a photo and then papers and then figure out what story I am going to tell. I wonder if I lead with story, if that will make me more mindful and make it simpler.

Nov 29 2016, 9:56 PM

Tiffany Mitchell: I have been focusing on the story more than the photos when deciding what pages or projects to work on.

Nov 29 2016, 9:56 PM

AprilSwingler: I have plenty of stories ready to tell

Nov 29 2016, 9:56 PM

PamelaMontagno: Starting to focus on a story

Nov 29 2016, 9:56 PM

Guest5244 (guest): Most often my storytelling is just the what, where, when. I want more meaningful stories.

Nov 29 2016, 9:57 PM

WendyKiely: I have to say it doesn't simplify as I can no longer just put pictures stuck down I want more, but it has helped me feel more satisfied with the final result to see the story.

Nov 29 2016, 9:57 PM

DonnaHildebrand: I'm loving using the story prompts

Nov 29 2016, 9:57 PM

Jennifer Wilson: ANOTHER WAY TO LOOK AT THIS IS THAT WE NEED TO CHOOSE WHAT'S IMPORTANT, DEPTH OVER BREADTH

Nov 29 2016, 9:58 PM

JudiPartlo: I have been taking 30 Days of Thankful with Cathy Zielske and it's helped me go a little deeper than just what's happening in the photos.

Nov 29 2016, 9:58 PM

TanyaNapier: I love making connections between older and newer photos and the stories behind them.

Nov 29 2016, 9:58 PM

JudiPartlo: Good point, Wendy.

Nov 29 2016, 9:58 PM

CarrieAnderson: i have lots of stories in my head but they leave when i sit down to scrap

Nov 29 2016, 9:59 PM

PamelaMontagno: The story gives meaning to the pictures

Nov 29 2016, 9:59 PM

EdithBanks: Me too Carrie

Nov 29 2016, 9:59 PM

LCJinRoslynPA (guest): I imagine myself telling The Grands the story as we look at the scrapbook. That makes me keep it simple.

Nov 29 2016, 9:59 PM

Laurie Lehmker Johnson: I keep a scrapbooking notebook, Carrie, so I don't forget the stories and photo notes.

Nov 29 2016, 9:59 PM

JudiPartlo: Carrie - don't you have one of those beautiful May books? Could you write them down there?

Nov 29 2016, 9:59 PM

Laurie Lehmker Johnson: I include titles as I think of them too.

Nov 29 2016, 9:59 PM

ShannonMinner: I was going to say what Laurie said Carrie - keep a little notebook on you to jot down ideas and stories.

Nov 29 2016, 10:00 PM

CarrieAnderson: judi...thats the plan...im still trying to work that into my creative hub...

Nov 29 2016, 10:00 PM

AprilSwingler: Once I sit down my mind goes blank. When I find myself telling someone a story, I record the story. Then later when I sit down to scrapbook / I go through the stories I have captured and decide what I want to scrapbook and how

Nov 29 2016, 10:00 PM

TaraNolley: For a while I journaled in a notebook while my kids were playing at the park. I think we need to go the park/kids museum again.

Nov 29 2016, 10:00 PM

JudiPartlo: We need a creative hub accountability group - I need help setting mine up since I missed Refresh1

Nov 29 2016, 10:00 PM

Laurie Lehmker Johnson: I also take voice notes April when I am not near my notebook. Especially I tell things that my granddaughter said to me - her stories.

Nov 29 2016, 10:01 PM

Jennifer Wilson: JUDI, I CAN HELP WITH THAT ONCE WE GET INTO JANUARY

Nov 29 2016, 10:01 PM

DonnaHildebrand: I'm so excited that I've started my creative hub

Nov 29 2016, 10:01 PM

JudiPartlo: That's cool, Laurie and Tara! And that sounds great, Jennifer!!

Nov 29 2016, 10:01 PM

TaraNolley: I'm much better at telling the story when talking to someone than when scrapping. I'm working on it.

Nov 29 2016, 10:01 PM

Laurie Lehmker Johnson: I don't know what a creative hub is, but I love the accountability piece!

Nov 29 2016, 10:01 PM

Jennifer Wilson: THERE WILL BE A CREATIVE HUB MINI CLASS IN THE MEMBERSHIP, AROUND MID-JANUARY

Nov 29 2016, 10:01 PM

JudiPartlo: YAY!

Nov 29 2016, 10:01 PM

DonnaHildebrand: Awesome Jennifer

Nov 29 2016, 10:02 PM

Jennifer Wilson: THE CREATIVE HUB IS BASICALLY A NON-DATED PLANNER FOR SCRAPBOOKERS

Nov 29 2016, 10:02 PM

PamelaMontagno: I need to get my creative hub working

Nov 29 2016, 10:02 PM

Laurie Lehmker Johnson: Ah - okay!

Nov 29 2016, 10:02 PM

AprilSwingler: Actually I usually type the story / I just meant record as in keep a record of it. Now instead of being scattered over socail media they are in my Evernote creative hub

Nov 29 2016, 10:02 PM

AprilSwingler: Voice notes is a great idea!

Nov 29 2016, 10:02 PM

JudiPartlo: Yes, never thought of that!

Nov 29 2016, 10:02 PM

Laurie Lehmker Johnson: My iPhone has a voice recorder - it's great for when I am driving and ideas hit me.

Nov 29 2016, 10:02 PM

CarolWhite: So glad I haven't missed the whole chat! Sorry to be so late. I have my creative hub with me, in case I need to make some notes on this chat in it.

Nov 29 2016, 10:02 PM

JudiPartlo: HI Carol!

Nov 29 2016, 10:03 PM

DonnaHildebrand: April. I'd love to know how you are using Evernote for you CH

Nov 29 2016, 10:03 PM

CarrieAnderson: hi carol! me toooooo

Nov 29 2016, 10:03 PM

ShannonMinner: Creative Hub - I haven't heard of this. Where have I been?

Nov 29 2016, 10:03 PM

AprilSwingler: ACTually I tell my echo to put things on my to-do list to add to my lists later / so I guess that is kind of a voice note

Nov 29 2016, 10:03 PM

Cindy March: For sometimes if you wait a few cases, in the case of the page I was thinking about it was five years, you have an entirely different perspective. When I took a picture sitting at my desk in my office I originally thought I would write something trivial about her, but I ended up writing how much I love you be my office and my job. That I worked hard to get where I am, and just I can finally say I am proud of myself. It was a story that needed to be told.

Nov 29 2016, 10:03 PM

EdithBanks: Hi Carol

Nov 29 2016, 10:03 PM

CarolWhite: Hello everyone!

Nov 29 2016, 10:03 PM

CarrieAnderson: omg...april...i want one of those so bad...alexa do this for me...haahahahaaaa couldnt convince hubby we needed it

Nov 29 2016, 10:04 PM

CarolWhite: Cindy, that's a great story to tell!

Nov 29 2016, 10:04 PM

ShannonMinner: What's an Echo? Again...where have I been?

Nov 29 2016, 10:05 PM

CarrieAnderson: shannon...creative hub was the notebook we put together at refresh?were you there?

Nov 29 2016, 10:05 PM

Laurie Lehmker Johnson: An amazon voice activated Siri like product for your home.

Nov 29 2016, 10:05 PM

AprilSwingler: Donna / I have 2 parts a traveler's notebook as my creative hub / it's good for me to stay off tech when I scrapbook / but I have anything that is text I will put into journaling or class logins etc in Evernote / I find it works so much better for me now that I have homes for both types of info

Nov 29 2016, 10:05 PM

CarolWhite: I have an echo dot and never thought of using it for story reminders.

Nov 29 2016, 10:05 PM

CarrieAnderson: Echo is the voice activated amazingness from amazon

Nov 29 2016, 10:05 PM

Jennifer Wilson: WE'RE ALREADY GOING ALONG THIS VEIN....

Nov 29 2016, 10:05 PM

Jennifer Wilson: QUOTE // "You already have the words to tell more of your story."

Nov 29 2016, 10:05 PM

Jennifer Wilson: QUESTION // Q5. What's your favorite trick to make journaling easier?

Nov 29 2016, 10:06 PM

ShannonMinner: I wasn't able to participate Carrie.

Nov 29 2016, 10:07 PM

CarrieAnderson: shannon...no worries...jennifer is doing part of it again in january...and you can facebook me if you want help before that....

Nov 29 2016, 10:07 PM

AprilSwingler: Carrie I love my Echo. We have had it for about 2 years now.. got it when it was still only Beta and you had to get an invitation to buy one. When we first got it nobody knew what it was. Now everyone seems to know what it is

Nov 29 2016, 10:07 PM

JudiPartlo: I've been keeping a memory planner for the past 2 years and it really helps me when I need to look back at what was going on.

Nov 29 2016, 10:07 PM

helenh: I type text into an app that is accessible from all devices. I also cut and paste content. Then when I scrap, I can revise and edit.

Nov 29 2016, 10:07 PM

LCJinRoslynPA (guest): It works better for me if I journal FIRST. Even if I don't end up using what I first write, it gets me thinking about how much space to allocate to the words, whether I want to hide it ... do a photoless LO, or ...

Nov 29 2016, 10:07 PM

ShannonMinner: I keep a planner and I jot down bulleted notes on things that happened each day. I have a few years worth now. When I go back to scrap that event or work on my PL planner I have the events highlighted and it jogs my memory.

Nov 29 2016, 10:07 PM

TaraNolley: @Judi I'm trying to keep more notes in my planner.

Nov 29 2016, 10:07 PM

Tiffany Mitchell: When I am inspired to document a story, sometimes in the moment, I then write a blog post for a private blog that I have to house them until I am ready to make the page.

Nov 29 2016, 10:08 PM

Cindy Valovich Davenport: Having some notes about the subject/event and also referring to any memorabilia even if I don't use the memorabilia in my layout.

Nov 29 2016, 10:08 PM

CarrieAnderson: i dont have any tricks...i need other peoples tricks! i do know that since i started bullet journaling for my planner i have alot more life stuff recorded

Nov 29 2016, 10:08 PM

EdithBanks: I have no tricks or tips

Nov 29 2016, 10:08 PM

ShannonMinner: I also take a Traveler's Notebook with me when I travel and I take notes. I have done an outline for major trips I have taken so I know what I want to make my scrapbooking page about. It helps because I do those pages in chronological order.

Nov 29 2016, 10:08 PM

CarolWhite: The echo dots were on sale for \$39 through Amazon. Not sure if the sale is still on.

Nov 29 2016, 10:08 PM

Jennifer Wilson: I SEE TWO THEMES HERE... CREATING HABITS AROUND RECORDING IN THE MOMENT AND USING TOOLS TO CAPTURE WITH EASE

Nov 29 2016, 10:09 PM

Laurie Lehmker Johnson: I do Morning Pages - julia cameron style - every day so I always have a record of what we've been doing if I need to look back. I used them a lot for Project Life, but I don't think I am going to do PL like I have done next year. A shortened version for sure. I'm tired of being behind on it always. And the things I used to put into PL were too mundane. Not a story of my life - just meaningless details really. I want to be more mindful about what I keep and scrap.

Nov 29 2016, 10:09 PM

JudiPartlo: Shannon - I got a cool notebook at Michael's this year that is kind of a journal for when you travel. Love using it!

Nov 29 2016, 10:09 PM

CarrieAnderson: laurie...kudos on having the discipline to do morning pages...that is one habit i really want to start doing

Nov 29 2016, 10:10 PM

AprilSwingler: Once again Jennifer listens to all our all-over-the-place and distills it into something we can strive to do!

Nov 29 2016, 10:10 PM

Cindy March: Don't you just love the right notebook.

Nov 29 2016, 10:10 PM

ShannonMinner: I just got a neat one from Staples Judi for \$5. A nice hardcover one with travel quotes inside. I love quotes! I'll keep an eye out at Michael's for the one you got.

Nov 29 2016, 10:10 PM

Laurie Lehmker Johnson: I've done it for like 10 years. But it took me 100 solid days of commitment to be able to keep it up this long. I did a 100 day coaching program with a friend. That did the trick.

Nov 29 2016, 10:10 PM

TaraNolley: @Cindy Yes!

Nov 29 2016, 10:10 PM

CarrieAnderson: cindy...the right notebook is a game changer

Nov 29 2016, 10:10 PM

WendyKiely: I manage to keep my journal up today the days I work but as soon as it hits the weekend it does out the window

Nov 29 2016, 10:10 PM

Jennifer Wilson: I TRY APRIL

Nov 29 2016, 10:10 PM

Jennifer Wilson: SWITCHING GEARS A BIT...

Nov 29 2016, 10:10 PM

Jennifer Wilson: QUOTE // “In an “everything counts” world, you can’t do it wrong. With so many options, you have the freedom to select the best one for the job. Scrapbooking becomes full of possibilities to celebrate your stories, to do more with your photos than let them sit on your camera, your hard-drive and in shoeboxes. You have the freedom to design a perfect-fit hobby that fills you up and fits your life.”

Nov 29 2016, 10:11 PM

Jennifer Wilson: QUESTION // Q6. What’s your favorite format or approach to scrapbooking, and how have you personalized it?

Nov 29 2016, 10:11 PM

ShannonMinner: Laurie - I feel like my PL album is for the mundane. I can focus my actual scrapbook pages on the bigger events while our life is documented in the yearly PL album.

Nov 29 2016, 10:11 PM

Laurie Lehmker Johnson: I see that. I think the fact that it now FEELS so mundane is also part of the reason I'm not keeping up with it. Not sure what to do about it. How to make it satisfying and easy.

Nov 29 2016, 10:12 PM

ShannonMinner: I just scrapbook what moves me. I try and leave a project out and ready in the hopes that it will entice me to sit down and work on it. Hasn't worked so well recently.

Nov 29 2016, 10:12 PM

Tiffany Mitchell: I dabble in it all. Back to 12x12 layouts at the moment, but DD is coming and that will be my new fave.

Nov 29 2016, 10:12 PM

ShannonMinner: Gotcha Laurie!

Nov 29 2016, 10:12 PM

CarrieAnderson: 12x12 layouts are still my go to...its easy for me to pick products, design a layout, use my pictures and make something i am happy with! i want to do PL but it always feels hard and like im "forcing" it

Nov 29 2016, 10:12 PM

helenh: I still like 12x12 albums. It's my photo album, scrapbook and diary.

Nov 29 2016, 10:12 PM

Laurie Lehmker Johnson: I didn't love 12x12 at first, which is why i went to pocket scrapbooking. But now, I do love it and I also love the DD format too. Can't imagine a year without DD.

Nov 29 2016, 10:12 PM

CarolWhite: 12x12 l/o's are still my favorite, too.

Nov 29 2016, 10:12 PM

TanyaNapier: I guess whatever I feel like I'm into. I try not to force a certain way if I'm not feeling it.

Nov 29 2016, 10:13 PM

ShannonMinner: Yes, I also love 12x12 pages. I have come to realize smaller pages and mini books just aren't for me.

Nov 29 2016, 10:13 PM

Jennifer Wilson: I WAS MOMENTARILY TEMPTED TO DO WEEKLY PL IN 2017, BUT BROUGHT MYSELF BACK TO WHAT WORKS!

Nov 29 2016, 10:13 PM

JudiPartlo: I think I'm in the middle of a change right now - I've been learning hybrid scrapping and really enjoying 6X8 size. But I do like 12X12, too!

Nov 29 2016, 10:13 PM

LCJinRoslynPA (guest): I'm mostly a 12x12 "one on one" scrapper, but lately I have done a few minis that have worked well.

Nov 29 2016, 10:13 PM

DonnaHildebrand: I do 12x12 mostly but am doing a DD in 8x8

Nov 29 2016, 10:13 PM

Laurie Lehmker Johnson: I still love Minis for special trips, occasions and gifts for others.

Nov 29 2016, 10:13 PM

CarrieAnderson: i dabbled in 6x8 last year but it just didnt catch on with me...i think it was TOO small...

Nov 29 2016, 10:14 PM

EdithBanks: I like PL and 12x12 occasionally

Nov 29 2016, 10:14 PM

Cindy Valovich Davenport: Have always done 12x12 but long term goal is to do digital and or hybrid

Nov 29 2016, 10:14 PM

CarolWhite: I do like being able to pull out a specialty album, such as my Thanksgiving album most recently, and have it out for everyone to enjoy the memories. It's an 8x8.

Nov 29 2016, 10:14 PM

Guest7859 (guest): what does PL and DD mean?

Nov 29 2016, 10:14 PM

Guest5244 (guest): What's DD

Nov 29 2016, 10:14 PM

JudiPartlo: I like it for certain projects, Carrie, but I agree, it wouldn't work for everything

Nov 29 2016, 10:14 PM

Laurie Lehmker Johnson: December Daily. and Project Life.

Nov 29 2016, 10:14 PM

ShannonMinner: PL is Project Life

Nov 29 2016, 10:15 PM

ShannonMinner: PS - The Echo Dot is now \$49.99. Unless you buy 6, then 1 is free.

Nov 29 2016, 10:15 PM

Tiffany Mitchell: I have decided to do a 6x8 album for my DD but I do NOT want to use the divided page protectors.....we shall see how this goes.....

Nov 29 2016, 10:15 PM

AprilSwingler: I have learned that I am not a pockets girl. Right now I am liking mixing it up.a 6x8 album here. An 8.5x11 there, a digital 12x12 single page there.... DECIDING on a format was exhausting. Right now I'm enjoying letting the size of the story and number of photos determine what the canvas is going to be.

Nov 29 2016, 10:15 PM

JudiPartlo: I like that, April!

Nov 29 2016, 10:15 PM

CarrieAnderson: i like that approach april!

Nov 29 2016, 10:16 PM

Laurie Lehmker Johnson: I like that too April.

Nov 29 2016, 10:16 PM

AprilSwingler: It may be problematic when I start putting them in albums, but I'm creating again - so this is where I am and what I'm doing right now

Nov 29 2016, 10:16 PM

ShannonMinner: That's what matters April.

Nov 29 2016, 10:16 PM

CarrieAnderson: simple scrapper has taught me that i dont have to pick ONE THING FOREVER...and that was important to my sanity

Nov 29 2016, 10:16 PM

ShannonMinner: What's sanity?

Nov 29 2016, 10:16 PM

Laurie Lehmker Johnson: hahaha.

Nov 29 2016, 10:16 PM

DonnaHildebrand: I'm out girls.. gotta get up early for work tomorrow. This was fun!!

Nov 29 2016, 10:16 PM

JudiPartlo: Hehehe

Nov 29 2016, 10:17 PM

ShannonMinner: Good night Donna!

Nov 29 2016, 10:17 PM

CarrieAnderson: lol

Nov 29 2016, 10:17 PM

JudiPartlo: Bye, Donna!

Nov 29 2016, 10:17 PM

PamelaMontagno: I love simple scrapper

Nov 29 2016, 10:17 PM

Laurie Lehmker Johnson: Bye!

Nov 29 2016, 10:17 PM

AprilSwingler: You're so right CarrieAnderson - having a seasonal re-fresh where I look again at what I'm doing has helped me to refine what I'm doing and see what is and what is not working

Nov 29 2016, 10:17 PM

CarolWhite: Jennifer, you had a quote from your book on FB within the last couple of days that I just loved. Of course, I can't recall it right this minute. I was hoping you might be moved to make a little poster of it like you did for scrapbooking being a party for your memories. Could I entice you to do it with confetti and clapping?

Nov 29 2016, 10:17 PM

Jennifer Wilson: THANKS PAMELA!

Nov 29 2016, 10:17 PM

PamelaMontagno: Yes

Nov 29 2016, 10:17 PM

Jennifer Wilson: IF YOU CAN FIND THE QUOTE FOR ME CAROL, SURE

Nov 29 2016, 10:17 PM

CarolWhite: Let me look...

Nov 29 2016, 10:18 PM

Jennifer Wilson: QUOTE // "We must look at our albums as treasure chests ready for each gift we can add, and stop looking on them as unfulfilled obligations."

Nov 29 2016, 10:18 PM

Jennifer Wilson: QUESTION // Q8. What's the next gift you want to add to one of your treasure chests?

Nov 29 2016, 10:18 PM

Laurie Lehmker Johnson: So I don't know what a Refresh is either, but if I did one, could I give myself permission NOT to finish my PL album for this year? It just seems ridiculous and I don't really feel like it.

Nov 29 2016, 10:18 PM

ShannonMinner: I want to work on some of my travel layouts. I want to organize my stuff for the trips first.

Nov 29 2016, 10:18 PM

Guest5244 (guest): A little piece of me. I'm always behind the camera.

Nov 29 2016, 10:18 PM

CarrieAnderson: costa rica trip layouts...i need to tell the stories before i forget the stories

Nov 29 2016, 10:18 PM

Cindy Valovich Davenport: The gift of completion of unfinished albums and projects

Nov 29 2016, 10:19 PM

Laurie Lehmker Johnson: yeah - I want to complete Disney albums for sure.

Nov 29 2016, 10:19 PM

CarrieAnderson: laurie....i give you permission to abandon it and call it done

Nov 29 2016, 10:19 PM

AprilSwingler: Laurie perhaps you can decide that you are done with it. Rather than your PL album deciding that it has to be a year.

Nov 29 2016, 10:19 PM

EdithBanks: I have a new great niece - I want to start an album for her

Nov 29 2016, 10:19 PM

Laurie Lehmker Johnson: Thank you Carrie! I feel guilty because my granddaughter was born in May and that's when I stopped. But I've scrapped a LOT of 12x12s of her! And mini books!

Nov 29 2016, 10:19 PM

CarrieAnderson: edith...nothing is more fun than scrapping babies!!!!

Nov 29 2016, 10:19 PM

LCJinRoslynPA (guest): I would like to document my experiences at Ground Zero ... an important story to tell!

Nov 29 2016, 10:20 PM

ShannonMinner: Wow LCJ - I would agree that it's important!

Nov 29 2016, 10:20 PM

TanyaNapier: I have many treasures (pages) done, they just need to be put in the chest (album).

Nov 29 2016, 10:20 PM

JudiPartlo: My next gift will be printing out my 30 Days photos and journaling and putting them into a tag book I'm making.

Nov 29 2016, 10:20 PM

PamelaMontagno: Yes exciting to have a new baby Edith

Nov 29 2016, 10:20 PM

CarrieAnderson: laurie...it sounds like you have done a decent job of capturing her first months here...format isnt important

Nov 29 2016, 10:20 PM

Laurie Lehmker Johnson: That would be an important story to tell. Likewise, I want a mini book of my scrapbook retreat this year and my trip to the Texas Book Depository, as I am a Kennedy geek.

Nov 29 2016, 10:20 PM

ShannonMinner: True Tanya - I need to put some journaling on a few layouts and then they will be ready for my scrapbook.

Nov 29 2016, 10:20 PM

Cindy March: More pages that aren't just about the obvious, Thanksgiving 2016....but something more.

Nov 29 2016, 10:21 PM

Laurie Lehmker Johnson: Yes - I did do a lot, Carrie. Thank yoU!

Nov 29 2016, 10:21 PM

CarolWhite: Jennifer! That's the quote!

Nov 29 2016, 10:21 PM

CarrieAnderson: tanya....that makes me want an album shaped like a treasure chest...nhaahahahaaaa

Nov 29 2016, 10:21 PM

Guest3163 (guest): I like to say I am not behind but that each photo or memory I scrapbook is a recorded snippet of time to help me remember later.

Nov 29 2016, 10:21 PM

TanyaNapier: lol

Nov 29 2016, 10:22 PM

AprilSwingler: I saved my 30 days posts into my creative hub / but I don't think I'm going to be making an album of them. I feel like I accomplished what I wanted from it, being mindful of what I have to be thankful for. I shared it on facebook and I think that is enough

Nov 29 2016, 10:22 PM

Tiffany Mitchell: Would like to finish up my 7 year old's baby album so I can start on my 17 month old's book

Nov 29 2016, 10:22 PM

CarolWhite: My gratitude album

Nov 29 2016, 10:22 PM

JudiPartlo: That's great, April!

Nov 29 2016, 10:23 PM

Jennifer Wilson: OK Carol!

Nov 29 2016, 10:23 PM

Cindy March: LCJ There must be so many stories. Don't rush.

Nov 29 2016, 10:23 PM

Jennifer Wilson: QUOTE // "It's when you start writing your own rules that memory keeping can truly be simple."

Nov 29 2016, 10:23 PM

Jennifer Wilson: QUESTION // Q9. What's one rule that the book helped you define for yourself?

Nov 29 2016, 10:23 PM

CarolWhite: Thank you, Thank you!

Nov 29 2016, 10:23 PM

PamelaMontagno: That you can scrapbook your own way

Nov 29 2016, 10:24 PM

LCJinRoslynPA (guest): - Cindy March ... that - and the enormity of it all - is what has kept me from starting. I think I am ready now ...

Nov 29 2016, 10:24 PM

JudiPartlo: Don't try to do it all.

Nov 29 2016, 10:24 PM

Cindy Valovich Davenport: Don't try to scrap it all. . . something I have work on to give myself a break!

Nov 29 2016, 10:25 PM

PamelaMontagno: One story at a time

Nov 29 2016, 10:25 PM

EdithBanks: Not having to scrap every picture

Nov 29 2016, 10:25 PM

Laurie Lehmker Johnson: Yes - that one for me too. The overwhelm monsters talk to me about how I am not doing it all, using it all, etc. I try now to define my priorities and not add too many things to the list.

Nov 29 2016, 10:26 PM

LCJinRoslynPA (guest): Stick with the process and the end result will not only document the memory, but it will bring the creative experience back for you, too.

Nov 29 2016, 10:26 PM

JudiPartlo: I love that, LCJin!!

Nov 29 2016, 10:26 PM

AprilSwingler: Scrapbooking is not a magic pair of traveling pants. I get to find what is a perfect fit for me right now sundress, comfy soft sueded jeans, or tailored trousers... what that comfortable fit is, is going to change with the years.

Nov 29 2016, 10:26 PM

Jennifer Wilson: LOVE IT APRIL!

Nov 29 2016, 10:26 PM

ShannonMinner: April - You have a way with words girl!

Nov 29 2016, 10:27 PM

Jennifer Wilson: *April drops mic*

Nov 29 2016, 10:27 PM

TanyaNapier: Yes!

Nov 29 2016, 10:27 PM

AprilSwingler: I just put that in my creative hub

Nov 29 2016, 10:27 PM

AprilSwingler: lol thank you

Nov 29 2016, 10:27 PM

PamelaMontagno: Awesome April!!

Nov 29 2016, 10:29 PM

Jennifer Wilson: ALRIGHT I'VE GOT ONE LAST QUESTION FOR TONIGHT...

Nov 29 2016, 10:29 PM

Jennifer Wilson: QUOTE // "A sense of curiosity can help you feel more aligned with the rhythm of a creative life."

Nov 29 2016, 10:29 PM

Jennifer Wilson: QUESTION // Q10. What are you curious to try or explore in the coming months?

Nov 29 2016, 10:30 PM

Cindy March: More mixed media.

Nov 29 2016, 10:30 PM

Cindy Valovich Davenport: Project Life. Have not yet tried that format. Want to give it a shot before trying digital hybrid

Nov 29 2016, 10:30 PM

Tiffany Mitchell: Creating a new process for selecting and organizing photos to print so they are on hand to scrap when I want them.

Nov 29 2016, 10:30 PM

AprilSwingler: I am going to continue to try new ways that I can plan to be spontaneous

Nov 29 2016, 10:30 PM

Laurie Lehmker Johnson: Art journaling and photoshop techniques.

Nov 29 2016, 10:30 PM

CarolWhite: Planned spontaneity. I love it!

Nov 29 2016, 10:31 PM

Jennifer Wilson: WHAT I LOVE ABOUT TRYING NEW THINGS IS THAT THERE'S NO COMMITMENT REQUIRED.. IF IT DOESN'T WORK, STOP!

Nov 29 2016, 10:31 PM

CarolWhite: Tiffany, I need to do that as well.

Nov 29 2016, 10:31 PM

TanyaNapier: I've thought about doing a monthly spread- like a roundup of what's going on each month

Nov 29 2016, 10:31 PM

PamelaMontagno: Art journaling and mixed media

Nov 29 2016, 10:31 PM

JudiPartlo: More hybrid pages

Nov 29 2016, 10:31 PM

LCJinRoslynPA (guest): Heritage stories.

Nov 29 2016, 10:32 PM

ShannonMinner: I would like to set a scrapbooking page goal and see if I can achieve it.

Nov 29 2016, 10:32 PM

JudiPartlo: That's an exciting one, Shannon!

Nov 29 2016, 10:32 PM

CarrieAnderson: learn lightroom and finally get my pictures in a system with a workflow i stick to

Nov 29 2016, 10:32 PM

Laurie Lehmker Johnson: I'd also like to try to participate in a quarterly crop here locally. I got a lot done in two events this year - way more than I would have alone.

Nov 29 2016, 10:32 PM

PamelaMontagno: It is all fun playing with new ideas and mediums

Nov 29 2016, 10:32 PM

Tiffany Mitchell: I need to explore how to incorporate the memorabilia I have collected into my albums.

Nov 29 2016, 10:32 PM

ShannonMinner: I would like to explore more of bible journaling and watercolors.

Nov 29 2016, 10:33 PM

ShannonMinner: That's a good one Tiffany. I have a lot of memorabilia!

Nov 29 2016, 10:33 PM

EdithBanks: Using stamps - use them for cards not much on my pages

Nov 29 2016, 10:33 PM

PamelaMontagno: Me too Tiffany

Nov 29 2016, 10:33 PM

Jennifer Wilson: CURIOSITY IS ALSO WHAT KEEPS THINGS INTERESTING AND EXCITING! WHEN YOU ARE FEELING POSITIVE AND ENGAGED, THAT'S WHEN ROUTINES BECOME SMOOTHER, WHEN THINGS FLOW!

Nov 29 2016, 10:33 PM

Tiffany Mitchell: First things first though, I need to get my completed pages into albums

Nov 29 2016, 10:34 PM

CarrieAnderson: tiffany...steals.com had some of the leather we r memorykeepers ones at a terrific price a few days ago...

Nov 29 2016, 10:34 PM

Tiffany Mitchell: I will have to check it out!

Nov 29 2016, 10:35 PM

Jennifer Wilson: ALRIGHT, THANK YOU LADIES SO MUCH FOR JOINING ME TONIGHT! NEXT MONTH'S DISCUSSION WILL BE ON THE DESIRE MAP BY DANIELLE LAPORTE: https://www.amazon.com/Desire-Map-Guide-Creating-Goals-ebook/dp/B00H7MKSRY/ref=as_li_ss_tl?_encoding=UTF8&qid=1476799716&sr=8-1&linkCode=ll1&tag=simplscrap06-20&linkId=ceb2d244b90ab208fc2406008014f5b8

Nov 29 2016, 10:35 PM

Jennifer Wilson: I AM FINALIZING THE LIST OF BOOKS FOR 2017 AND WILL SHARE SUPER SOON!

Nov 29 2016, 10:35 PM

Laurie Lehmker Johnson: Great! Thanks! SO glad I FINALLY got to participate in one of these bookclub chats!!

Nov 29 2016, 10:36 PM

ShannonMinner: I am excited to see what you pick for 2017! I was very happy with the 2016 choices!

Nov 29 2016, 10:36 PM

CarolWhite: I HAD to make the chat with the author! Don't always get that privilege.

Nov 29 2016, 10:36 PM

JudiPartlo: Can't wait for the new list - this book club has been one of my favorite new experiences from the past year!

Nov 29 2016, 10:36 PM

Jennifer Wilson: I LOVE ALL OF OUR CHATS AND LOOK FORWARD TO CONNECTING WITH MANY OF YOU AT OUR NEXT MEMBER CHAT ON DECEMBER 5TH. IF YOU ARE NOT YET A MEMBER, DON'T FORGET THAT TOMORROW IS THE LAST DAY TO JOIN:<http://go.simplscrapper.com/party/#membership>
