Strengths and Needs

Strengths
- 96 students are low risk for attendance - they are coming to school
- 215 students are passing English for Semester 1 with an A, B or C

Needs
- 124 students are chronically absent
- 35 students received a D in English for Semester 1
- 26 students received an F in English for Semester 1

Possible Next Steps
- Are the same students struggling in all areas? Look at additional data.
- Are the students that are receiving a D or F in core subjects getting additional help?
