

# Action Research Template with Prompts

## ACTION PLAN AND IMPLEMENTATION FORMAT

**Identify & Explain:** *Identify challenge and explain how it presents in the classroom or for the student.*

**Goal(s):** *Specify the goal of your targeted intervention.*

**Planned Strategies:** *List the strategies you plan to implement.*

**Actual Outputs:** *List the strategies you actually implemented.*

**Outcomes :** *Discuss the outcomes that resulted from your targeted intervention. These should relate directly to your goal.*

**Reflection:** *Reflect on how closely your outcomes matched with the goals you identified before your intervention began. Was your goal met? Why or why not? What other outcomes occurred that you did not expect? What are the implications of this experience for you? For the student?*

# Modified Action Research Template.1

<b>Targeted Students or Classes</b> <b>Why?</b>	<b>I will try this....</b>
<i>Identify challenge and explain how it presents in the classroom or for the student.</i>	<i>List the strategies you plan to implement.</i>
<b>Results:</b>	
<i>Discuss the outcomes that resulted from your targeted intervention. Be sure to align this with the problem you identified above.</i>
