

NATIONAL TITLE I ASSOCIATION

a National Association of State Title I Directors

1. ADVOCACY & REAUTHORIZATION COMMITTEE

Committee Co-Chairs:

Michael Radke (MI), Melina Wright (IL), BJ Granbery (MT)

This committee is responsible for outreach to other professional organizations and associations to support the mission and goals of the Association. The Committee is also responsible for monitoring pertinent legislation, regulations and amendments. On behalf of the committee, the co-chairs will act as legislative advisers to the President, Board of Directors, and the Association.

2. EFFECTIVE PROGRAMS & QUALITY OUTCOMES COMMITTEE

Committee Chair:

Mary Earick (NH)

The Effective Programs & Quality Outcomes committee is responsible for investigating, reviewing and keeping the membership informed about issues surrounding quality indicators of effective Title I program. Accordingly, this committee is responsible for identifying and updating the process for selecting Distinguished Schools. On behalf of the Committee, the chair will act as the quality indicators of effective Title I programs advisor to the President, Board of Directors, and the Association.

3. PROFESSIONAL DEVELOPMENT COMMITTEE

Committee Chair:

Marcus Cheeks (MS)

The Professional Development Committee's goal is to increase the skills and knowledge of State Title I Directors through professional development training, activities, and events

SUBCOMMITTEE: NATIONAL TITLE I CONFERENCE PLANNING (2015)

Subcommittee Chair:

Marcus Cheeks (MS)

The Conference Planning Subcommittee is responsible for developing the themes and agenda for the annual National Title I Conference. The annual conference is the major revenue generator for the Association, and as such, this Committee is of critical importance to the overall health of the organization. The Committee shall be chaired by the President-elect and include both active and associate members representing a wide geographic range and points-of-view. On behalf of the subcommittee, the chair will keep the President, Board of Directors, and the Association informed about conference plans.

SUBCOMMITTEE: TRAINING

Subcommittee Chair:

Veronica Tate (VA)

The Training Subcommittee is responsible for professional development opportunities for the membership, including training for new directors and semi-annual membership meetings. The subcommittee is also responsible for overall membership development. On behalf of the subcommittee, the chair will act as the membership and professional development advisor to the President, Board of Directors, and the Association.

SUBCOMMITTEE: COMMUNICATIONS

Subcommittee Chair:

Diane Stuehmer (NE)

The Communications Subcommittee is responsible for coordinating the various methods and messages for communication with Association members and other interested parties.

4. SUPPORTING STUDENT ACHIEVEMENT

Committee Chair:

Gayle Pauley (WA)

The Supporting Student Achievement Committee includes several sub-committees listed below. The overall goal of the committee is to support quality education of disadvantaged students in the areas of greatest need.

SUBCOMMITTEE: EARLY CHILDHOOD

Subcommittee Chair:

Jane Lowe (NV)

The Early Childhood Subcommittee is responsible for investigating, reviewing, and keeping the membership informed about early childhood education organizations and issues relating to Title I. On behalf of the subcommittee, the chair will act as the early childhood education advisor to the President, Board of Directors, and the Association.

SUBCOMMITTEE: MATHEMATICS

Subcommittee Chair:

Nancy Konitzer (AZ)

The Mathematics Subcommittee is responsible for investigating, reviewing and keeping the membership informed about mathematics education organizations and issues relating to Title I. On behalf of the subcommittee, the chair will act as the mathematics education advisor to the President, Board of Directors, and the Association.

SUBCOMMITTEE: TECHNOLOGY

Subcommittee Chairs:

Marcia Beckman (ID)

The Technology Subcommittee is responsible for investigating, reviewing and keeping the membership informed about instructional technology organizations and issues relating to Title I. On behalf of the subcommittee, the chair will act as the instructional technology advisor to the President, Board of Directors, and the Association.

SUBCOMMITTEE: SPECIAL EDUCATION

Subcommittee Chair:

Colleen Riley (KS)

The Special Education Subcommittee is responsible for investigating, reviewing and keeping the membership informed about special education organizations and issues relating to Title I. On behalf of the subcommittee, the chair will act as the special education advisor to the President, Board of Directors, and the Association.

SUBCOMMITTEE: ENGLISH LEARNERS

Subcommittee Co-Chairs:

Charlie Geier (IN), Anita Villarreal (TX)

The English Learners Subcommittee is responsible for investigating, reviewing, and keeping the membership informed about English Learners education organizations and issues relating to Title I. On behalf of the subcommittee, the co-chairs will act as the English Learners education advisor to the President, Board of Directors, and the Association.

SUBCOMMITTEE: READING

Subcommittee Chair:

BJ Granbery (MT)

The Reading Subcommittee is responsible for investigating, reviewing, and keeping the membership informed about language arts education organizations and issues relating to Title I. On behalf of the subcommittee, the chair will act as the language arts education advisor to the President, Board of Directors, and the Association.
