It's all about the Base Tier 1 Interventions

MTSS Model

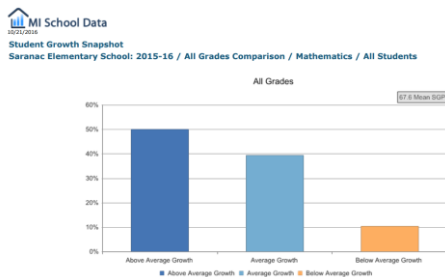

What our data showed...

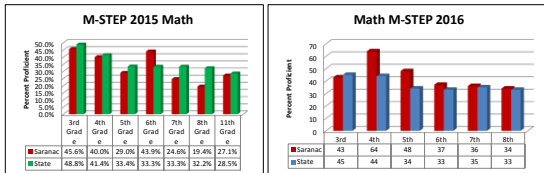

Focus on the BASE – Tier 1

Growth Results?

Proficiency Results?

What are some strategies your district has used to focus on the base?

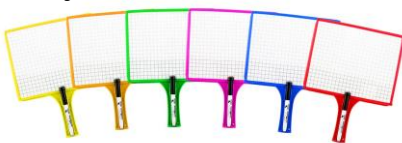

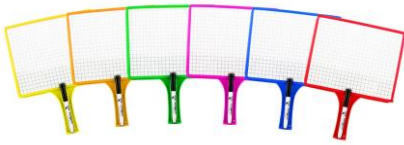

- Write as many strategies as you can think of in 30 seconds.
- Pair up with someone who has a DIFFERENT color KleenSlate than you.
- Share your lists with each other.

How Kleenslates helped us support those interventions

- ✓ Colored handles allow for differentiation and flexible grouping
- ✓ Active engagement feeds formative assessment data and builds efficacy for students
- ✓ Full participation and visibility for teacher saved valuable instruction time
- ✓ Personalized inserts allowed us to connect to other strategies
