

A photograph of wedding bouquets and a champagne glass. In the foreground, a tall, slender champagne flute is partially filled with a bubbly beverage. Behind it, several large bouquets of flowers are visible, featuring light pink and white roses, white chrysanthemums, and silvery-grey hydrangeas. The bouquets are arranged on a white surface. The background is a blurred outdoor setting with reddish-brown rock formations and greenery.

ETERNAL IN WHITE, WITH WHITE RIBBON ACCENTS

Before Starting

Your flowers may arrive closed and take 1-2 days to fully open.

- 1. Cut stems at angle
- 2. Place in fresh water
- 3. Avoid direct Sunlight
- 4. Avoid extreme temperatures; 60°- 70° is ideal

Step 1

Remove the corrugated piece that holds your arrangements.

Step 2

Cut your stems and place in fresh water with flower food.

Step 3

Remove any kind of packaging or nets from the flowers.

Step 4

Change the water daily and keep them out of direct sunlight.
