

A photograph of three wedding bouquets in glass vases on a table. The bouquets are composed of white and light pink roses, white chrysanthemums, and silver-colored foliage. In the foreground, a champagne flute is partially visible. The background is a blurred outdoor setting with greenery and a rocky hillside.

UNBOXING & CARE TIPS FOR  
Your Flowers

Before Starting

Your flowers may arrive closed and take 1-2 days to fully open.

- 1. Cut stems at angle
- 2. Place in fresh water
- 3. Avoid direct sunlight
- 4. Avoid extreme temperatures; 60°-70° is ideal

Step 1

Remove the corrugated piece that holds your arrangements.

Step 2

Cut your stems and place in fresh water with flower food.

Step 3

Remove any kind of packaging or nets from the flowers.

Step 4

Change the water daily and keep them out of direct sunlight.
