

Fundraising:

Who knew that you could make money with Pizza by the Slice, especially when it is Giovanni's Pizza \$\$

Here is how it works:

We give you a low price for an Extra Large Pizza (usually Cheese or Pepperoni or a combo of the two) and you sell the slice either \$3 or \$4 at your event. The difference is what you have made for your organization.

Festivals: We have provided numerous local festivals with our pizza's by the slice

Schools: Giovanni's Pizza is an excellent choice for the Pizza by the Slice Fundraiser at carnivals and events on school ground. It is easy and profitable.

Schools or Clubs or Teams: Let your group know that Giovanni's Pizza will donate 20% of sales from your organization on a Specified day. Example: Sample School Day at Giovanni's is: usually a week day Monday – Thursday. They Advertise it to their families and get a great turn out. We take all the sales from Sample School families that purchase from us that day and give them a check for 20% of total. It is a great way to make money.
