

FINANCE / STRATEGIC PLANNING COMMITTEE

This Committee consists of the current Secretary/Treasurer, current President, current President-Elect, current State Director, past State Director past President and past Secretary/Treasurer.

The Committee should review and be aware of the Fiscal Policy document, which describes responsibilities and limitations as it relates to the financial issues within the Association.

The annual Strategic Plan may include goals/tasks involving your committee, which should be reviewed with the Association Executive.

It is the responsibility of this Committee along with the incoming President and strategic planning group to review the previous year Strategic Plan, and formulate a new Plan for a 1 to 2-year term. The Committee will consider long-range goals of the Association, and some general financial assumptions for the upcoming year. The current Secretary/Treasurer and Association Executive will later formulate the proposed budget that meets the goals of the Strategic Plan.
