

Science and Engineering Council of Santa Barbara: May Luncheon

Elephant Bar Restaurant, Thursday, May 13, 2010 - 12:00-1:30

----- This Month's Topic -----

The 55th Annual Santa Barbara Science Fair: Award winners present their winning projects

A key goal of the Santa Barbara Science Fair is to stimulate students to take an active interest in the study of engineering and science by initiating and completing projects of their own choosing. The SEC and its members fully support this event, and are pleased to recognize the Science Fair winners.
